## ABOUT

Working with clients from around Adelaide, Myles strives to express unique and empathetic stories through the medium of film. He works as an up and coming Writer / Director & Cinematographer on top of being a Videographer.

He is currently co-founding 10 : 12 Productions, a production company based in South Australia. Myles is passionately finishing his original Australian feature film, "SWITCH" next to running his freelance Videography business and working on numerous other film/commercial projects.

He prioritises meaningful personal connections through filmmaking and has an unmatched, authentic visual style.
