

ROTARY CLUB OF MOSS VALE INC.
N.S.W. AUSTRALIA – DISTRICT 9705

THE RCMV SCREED

16 October 2023

President's message:

Dear Members and Friends,

Our speaker at the last meeting was our Member Ian Mander, who was our 'Member behind the Badge'. Ian's talk was most interesting, about his career as an agronomist and in the futures market, and also about his no doubt life changing experience, as a recipient of a bone marrow transplant. Members really appreciated Ian's presentation about his triumphs over a variety of challenges.

We have agreed to assist the Dream Cricket Team by storing their equipment in our shed at the showground – to manage this we need a working bee at the shed on November 4, to re-organise and make space for the equipment. Could everyone please try to help with this – contact Roger and/or Ross. A BBQ will be provided for workers.

Our Christmas Party (and final get together for the year) has had to be rescheduled – date to be confirmed

We have some very interesting guest speakers coming up, so please consider inviting friends and extended family members to join us whenever possible.

Treasurer Jacqui Bayle

Golf Day result: Close to \$18,000 has been realised from the Golf Day – a wonderful result and a credit to the Golf Day Committee, who worked so hard for that result! The Board has decided that as earlier indicated, \$14,000 will be donated to Moss Vale Primary School to go towards the construction of the sensory garden and play area, and the remainder to be decided. Peter Nelson on behalf of the GDC is putting together recommendations.

We now have fully functioning EFT machines for use at meetings and functions. All accounts except for the Sam Airey Trust have now been transferred to the BDCU, and the Sam Airey is to be transferred as soon as possible – Peter Hammon organising this.

This months Market Day was very quiet – outcome to be announced at this week's meeting
