President's message

Rotarians and Friends

Welcome to a new Rotary Year!

It has been a whirlwind of a start. Lots of emails back & forth to members, friends, other Clubs and organisations associated with our Club.

The past week has been filled with several meetings, of the Board, the Golf Day Committee and District Conference Committee.

The Board and Club Members (with their selected roles) are working hard on their allocated tasks for the year ahead.

Our Speaker for this coming Dinner Meeting is our own Sue Tyler, showcasing U Turn the Wheel, the Young Driver Education Program, that our Club has been running since 1998. Sue will have a Powerpoint presentation for us, along with a run down of the upcoming three days of the Program.

Also coming up this week is the 40th Anniversary Luncheon for The Moss Vale Men's Probus Club at Mittagong RSL. Originally called the Moss Vale Probus Club and the first Probus Club in the Southern Highlands, it was initiated, formed and sponsored by the Rotary Club of Moss Vale back in June 1984.

Our next Market Day Kiosk & BBQ is on this coming Sunday, so please let Roger know if you are able to assist some or all of the day.

For our Dinner Meeting of October 1st, I propose that we have a cake to celebrate our Club's 76th Birthday

Yours in Rotary
Ross Craig

Treasurer Jacqui Bayley: as advised by email, Members' invoices for this half year's fees have been sent, following an email from Ross last week, about changes to our membership fee structure. All accounts are in good order.

Youth Director Ross Craig: UTW is coming up (see dates in calendar below) and Sue Tyler will speak about the program at tomorrow night's meeting.

Community Service: Chris and Roger need helpers for this Sunday's Market day at the Showground – please contact Roger to organize times etc. Marige will be there making scones, so you might get lucky and do a taste test!

Foundation and International: John Macpherson and off siders Larry and Ian have been working on the distribution of a container of donated obstetric equipment from Cairns to PNG – what an achievement!

Smile for the week:

A doctor, lawyer, and a Rotarian in charge of fundraising all die and arrive at the Pearly Gates about the same time. St. Peter tells them they may each have one thing to take with them to Heaven.

The doctor is first, and asks for \$1 million. This is given and proceeds to enter Heaven. The lawyer, not to be outdone, asks for \$2 million. "Very well," say St. Peter and opens the gate to Heaven for the lawyer.

Finally it is time for the Rotarian, who had just finished a fundraising project for The Rotary Foundation. St. Peter asks him what he would like to take to Heaven. The fundraiser moves up very close to St. Peter, and in a soft voice asks, "It's not too much trouble, could I just have the names of those two people who were ahead of me in line?"
