

ROTARY CLUB OF MOSS VALE INC.
N.S.W. AUSTRALIA – DISTRICT 9705

THE RCMV SCREED

14 April 2024

President's message

Hello Members and Friends!

The guest speaker at our last meeting gave some very useful information about the differences between branded and generic pharmaceutical products- apparently, they are not as identical as available information sometimes indicates, so the message is, ask your pharmacist, if in doubt.

Well, the year is ticking over and we have some busy times ahead: our second meeting for April is on Tuesday, so please let Roger know by tomorrow, whether or not you will be joining us for dinner. We are looking forward to our new members Kevin and Sandy Goodman, joining us for dinner and the meeting – I know you will all make them welcome. Our guest speaker this week is Mr. Viv May, the Administrator for Wingecarribee Shire Council, and we have a full schedule of speakers for the rest of the year, as well as lots of opportunities for fund raising and a few laughs along the way!

Malcom Webber

Treasurer Jacqui Bayley reports that the Admin account balance is \$5,068.72 and the Operational account balance is \$17,494.24. The final details of the accounts at IGA are presently being resolved.

Youth Director Ross Craig, has told the Board that MUNA, the Model United Nations debate for High school students, is being held in May, and it is good to have members representing us and supporting the event - 25th May at WSC chambers. The High schools are now looking at the briefs for MUNA. Please speak to Ross for information.

Community Service: This coming Sunday, the 21st, is Market day at the Showground - Roger and Chris will be looking for workers for the day – Roger will

Speak to this at the meeting and no doubt circulate a roster. And on the following weekend we will be catering at the Showground for the Camp Draft event. Again, please talk to Roger and Chris re the arrangements.

Vocational: The Pride of Workmanship is a Rotary initiative/award that aims to celebrate conscientious workmanship in the businesses in our community. Please members, talk to Malcolm if you have in mind someone on the staff of a local business, who might be considered for the award.

Foundation and International: John Macpherson has had a long association with the Rotary program RAWCS, which funds some 400 projects across NSW. The project John has managed, and still does manage, involves re-purposing surplus medical equipment from Australian organisations, to countries in desperate need. Member Larry Asquith is now assisting John with this initiative, a wonderful project making a difference to people's lives.

Please see the Calendar below for upcoming events: Please contact Chris to register your help and support for any of our events – many hands etc!
