#### **President's message**

#### **Hello Rotarians and Friends!**

This is my last Screed as the President of our Rotary club, so I don't have a lot to say except a big thank you to all our directors and members who have done so much to help me in the last 12 months. The last few weeks have been very busy with preparations for our Changeover Dinner and the induction of our new Board under the leadership of Ross Craig.

A small team of dedicated Rotarians turned up at the Moss Vale Showground to cater for the poultry competition last Sunday. Dedicated poultry owners turned up with their birds and then visited us for their food and drinks. We showed our community spirit in helping out rather than trying to raise funds as we knew there would only be about 80 people. It was a cold day so we served them inside our usual building, and made them welcome with white tablecloths. The scones, hot food and tea and coffee were very much appreciated. Bigger numbers are expected for future poultry competitions. My thanks to Roger Bayley, Colin and Laurelle Boland, Peter Nelson, Margie Stuart and Jim McAlpine for giving up their Sunday morning to fly the Rotary flag.

I am looking forward to the next Rotary year with Ross Craig as our president Ross and his team will serve our club and our community well in our 76<sup>th</sup> year as the friendly club.

***Malcolm Webber***

#### **Changeover Dinner**

At the time of typing, we are expecting 45 people for our Changeover Dinner at the Moss Vale Services Club. If anyone has forgotten to let Roger and Jacqui know, then they should contact them today to make sure they don't miss out on a great night as we celebrate our achievements over the last 12 months and meet the new office-bearers under the presidential leadership of Ross Craig.

For those who are like me (Jim) and delete emails that are needed, the details that are needed for paying online for the Changeover dinner were sent by Jacqui Bayley earlier this week so I will repeat them here.

Could you please pay the dinner money of \$55.00 per head into the Rotary Club Account ASP as we need to sort out tables etc.

Account no BSB 641 800      Acc No 200983584

Thank you

Jacqui.Bayley (phone 044 843 5382)

## Golf Day

Our major fundraising event, the annual charity golf day, is being held on the Moss Vale Golf Course on **Friday the 27<sup>th</sup> of September**. The hard-working committee under the leadership of Peter Nelson has already done a lot of the planning and organisation. We have a new member on the committee, Kevin Goodman, and he is bringing new energy. We have also had an offer from **Jade Esquilant, Branch Operations Manager of the BDCU (Bendigo Bank)** in Moss Vale, to assist with the day. The BDCU likes to support its local community and Jade has noticed on social media the great work we do for our community. Our committee is next meeting on the 11<sup>th</sup> of July and will discuss how we can make effective use of this offer. I hope the PDF opens!

## Dinner Speaker

Our Rotary dinner meeting on the 18<sup>th</sup> of June had a very interesting guest speaker. **Carol Brown** is the owner of Mrs Oldbucks in Berrima and she related some very interesting aspects of her life, including becoming widowed, and with other family challenges. The previous owner was **Alison Grant** who had been a valuable member of our club for quite a few years before moving to warmer climes. Carol, when hearing about the great scones with jam and cream, offered to provide the jam to enhance Margie's scones on our Moss Vale Showground market days! Our club's community service is being very much recognised and appreciated.

## Calendar.

Our program for the next six months follows. It will of course be subject to change and enhancements but feel free to print a copy for your fridge door.

**Happy birthday Krystyna Stepowska on 2 July.**
