

THE RCMV SCREED 17 September 2024

ROTARY CLUB OF MOSS VALE INC. N.S.W. AUSTRALIA – DISTRICT 9705

Rotarians and Friends

At our last meeting, our guest speaker was Dr Peta Seaton, who spoke about the archaeological dig in Jordan, where Sydney University has been active for over 40 years. Peta has been involved in the dig for many of those years and had fascinating photos and information about the activity.

IPP Malcolm Webber, PHF, with guest speaker Peta Seaton and member Barb Smith, PHF,

following Peta's fascinating talk

Our guest speaker this week is **PETER MORRIS**, whose introductory and self-explanatory information is here (thanks ever efficient Barb Smith!) :

Peter Morris: *" I have lived in the Southern Highlands for six and a half years after moving from Sydney with my wife, Jill.*

Up until that point in time, I had run my own advertising agency, Brand Marque Pty Ltd, from North Sydney for over 20 years.

In my current capacity as a marketing consultant and brand strategist, I was asked to conduct a workshop for Southern Highlands Community Hospice in 2019, after their constitution had been changed from building a purpose-built hospice, to funding and supporting hospice care service providers throughout the Southern Highlands.

To effect these strategies, I joined the Board and am now Chair – a position I have held for 3 years.

During that time, we have actively funded and supported palliative care to over 2000 patients through our palliative care service provider partners.

We fund most of our projects through the proceeds raised at our retail shop, Timeless Fashion & Furniture, located on Bong Bong Street Bowral.

We have many initiatives that will vastly expand our services, we hope to announce in the very near future.”

Youth Director John Flockton has good news to tell us at the meeting, about activity in our Youth programs area.

Golf Day September 27 – Our annual Golf Day is our major fund raiser for the year, with the Golf Day Committee, chaired by Peter Nelson, working all year to prepare for the event. We need members to help with the BBQ breakfast at the course, and selling raffle tickets to the players, also to help staff the various activities and competitions around the course on the day, so if you haven't already spoken to Peter Nelson about how you could help, please do. The teams play 18 holes of golf, culminating with lunch at Dormie house, and the raffle draw (several great prizes!)

Rotary Club of Moss Vale 2024 - 2025 Calendar
