

REAL GAMES. REAL REWARDS. REAL IMPACT.

Booty Chaser is sponsored by Future 6 Helping Hand Fund, a registered 501(c)(3) charity based in Tampa, FL. This is a fully compliant system following National Sweepstakes Laws as well as following each state's individual sweepstakes laws. This sweepstakes platform is solely operated by qualified charitable organizations and all proceeds are donated directly to the charities.

WHY WE ARE DIFFERENT

- ✓ **CHARITY FIRST** Booty Chaser is not like the other sweepstakes platforms. Booty Chaser is a social gaming casino sponsored by a charity with all donations going directly to the charity. Future 6 Helping Hand Fund is building formal partnerships with the VFW, American Legion, and many other local charities giving back with every game.
- ✓ **FAST PAYOUTS** Currently, winners can redeem funds automatically thru ACH to their bank accounts. Booty Chaser is in the process of completing an instant pay program where players will receive their required redemptions in real time just like Zelle and Venmo in their bank accounts. This process should be complete by the end of August. No waiting days like the competition.
- ✓ **REAL BINGO. REAL FUN. REAL REVENUE** We bring the #1 linked bingo game in the U.S. online; plus slots, live dealer games, and fan-favorite social casino games and titles.
- ✓ **EARN 24/7. EVEN WHEN YOUR LOCATION IS CLOSED** Every player who signs up with your unique QR code is tagged to you. Whether they play in your business, on the go or at home; you earn from every dollar they spend.
- ✓ **NO DISTRIBUTOR FEE IS REQUIRED** This is plug-and-play. No fees to join. No gaming license needed. Booty Chaser suggests that you look into the optional TV display option and social media ad campaign programs offered. Just turn it on and promote your QR code.
