CLASS OF NINETEEN HUNDRED FORTY-FIVE

at

CARTERET HIGH SCHOOL

CARTERET

NEW JERSEY

FACTA NON VERBA

FOR SIXTEEN YEARS Carteret High School has been a member of the Middle States Association of Colleges and Schools. This distinction means that graduates of our school who have a certifying grade can be admitted to practically any college without examination.

In March of this year our Supervising Principal, Mr. Goodell, received a letter from The Association informing him that our membership has been renewed for a period of three years. This proves that C. H. S. is continuing to maintain a high scholastic standard, and we feel justly proud of our school.

We are proud of our supervising principal, Mr. George Goodell, who is a true gentleman and an able educator.

We are proud of our principal, Miss Anne Drew Scott, who works untiringly for the welfare of the students of C. H. S.

We are proud of our faculty members who, in addition to their arduous tasks, find time to take courses to keep abreast with modern trends in education.

We are proud of our students and of our school spirit.

We are proud of our alumni, who have found places in industry, in business, and in the professions.

Especially are we proud of our alumni in the armed forces—six hundred and seventy-five men and women who have answered their country's call. All are serving gloriously; many have been decorated for gallantry in action; thirteen have given their lives.

Yes, we are proud of Carteret High. May we, the class of 1945, add greater luster to her name!

FRANCIS C. MCCARTHY

DEDICATION

C. H. S. IS INDEED FORTUNATE in having for Athletic Director such a man as Francis C. McCarthy. Coach McCarthy has been in the Carteret school system for the past nineteen years. During that time he has built up an enviable reputation for putting out teams that rank high in state competition and for developing in his boys a sense of fair play and good sportsmanship. Not only have his teams reflected glory on C. H. S., but his own activities in physical education and sports throughout the state have added to the prestige of our school.

In recognition of his fine work as an instructor and in appreciation of his splendid influence in our school, we are proud and happy to dedicate the 1945 Loudspeaker to Francis C. McCarthy.

WE WON'T FORGET

We won't forget, we'll keep in mind these last four years.

Sweet memories will bring tears unto our eyes.

We won't forget the lessons we've been taught,

The happy part of life, we sought, the laughs, the fun and sighs.

When storm clouds are far behind us

When our boys return from the war

You know you can always find us

Sighing that school days are no more.

We can't forget the little things that cling to us,

The memories you bring to us,

Dear Carteret High!

MEMORIES

CLASS HISTORY

IN THE YEAR 1941, a group of bewildered youngsters (all under twenty) stood and gazed with awe at the majestic portals of Carteret High School.

Our freshmen teachers welcomed us with open arms (firearms). Our guiding lights for that year were John Wojcik, president; Sara Sisko, vice president; Charlotte Larkin, secretary; and Alice Fedak, treasurer.

We gave a Valentine's Dance and made the small sum of one thousand dollars—(in confederate money). With this great beginning our treasury was opened; it folded soon after.

At the request of our freshmen teachers we were made sophomores. During this year we were able to hear and also see what was going on in assembly. Walter Borreson, Anthony Russo, Charlotte Larkin and Alice Fedak were our officers. Gloria DeRuosi represented us in the S.O.

We gave an informal dance and it certainly was informal—no one came! Since we still had hopes of enticing the upper classmen to come to our affairs, we sponsored a movie. It was very interesting until the machine broke down in the middle. Our class became very studious this year when Regina Makwinski, Irene Yapczenski, and Thomasina Siplak won prizes in the Essay Contest, annually sponsored by the Lions' Club. Our sophomore year over, naturally we became juniors.

Our tormented representatives for that year were William Poll, president; Tony Russo, vice president; Bernardine Czajkowski, secretary; and Arthur Myers, treasurer. This was the year we presented that famous drama, "Ever Since Eve." Our paper bag broke so we got a bank to keep our pennies in (all ten of them).

It was during this year that "Chicko" Basilici was treasurer of the S.O. Ruth Gaydos and Regina Makwinski represented C. H. S. in a History Quiz program. Ruth won first prize (\$25.00 war bond). In this happy frame of mind we gave the Junior Prom, which ended a glorious year.

We started our senior year by electing Tony Russo, president; William Elliot, vice president; Alice Fedak, secretary; and Rose Orban, treasurer,

Financially embarrassed, we sponsored another play "Best Foot Forward." The money from this play filled our salad bowl full of beautiful green lettuce and some small change. This money was promptly expended for the Senior Musicales in which many of our seniors displayed their talents. We also had a senior dance which climaxed our colorful lives as seniors. This dance was different from the rest of our affairs. (Lotsa people came.)

Some of the highlights of our senior year were the sporting events. Our football and basketball teams were among the finest in the state. Our basketball team reached the finals in the State Tournament. We gained the title of Central Jersey Group II Champs and added another trophy to the trophy case.

Throughout our years in high school we have known many joys, but the war has brought an air of seriousness to our class. Many of our boys have left to join the services of our country, and to these we pay tribute.

To Mrs. Belafsky and Mrs. Kobrin who have taken such good care of us, we can only say—"How did you do it?" But seriously, we've enjoyed having you as advisers and we hope you've enjoyed having us.

STATE TOURNAMENT

Carteret High School was invited to participate in the New Jersey State Tournament. Our first opponent was Neptune High School. We played at Asbury Park High School and we really did not waste any time. We outscored Neptune all through the four quarters; the final score was 43-32. H. Perry, Ed Kuzma, and A. Myers were high scorers.

Our next opponent was Highland Park, the only team that had beaten us during the season, and the boys were out to avenge this defeat. H. Perry, Ed Kuzma and A. Myers really mixed up Highland Park.

With their fast break they enjoyed playing and beating Highland Park. The final score was 51-25; and we were ready for the third fray.

For the third tournament game we again traveled to Asbury Park to play Red Bank for the Central Jersey, Group II Championship. Red Bank was like all the other teams; they were tough and also they wanted to win the game. It was a close one. The boys after half of the game started their fast break and went ahead to beat Red Bank by a score of 44-34.

BASKETBALL—concluded

We won a Central Jersey Championship for the first time in seven years. The boys really were happy and proud to bring the trophy back to Carteret High School. We were now ready for the semi-finals.

We played a fast-moving Merchantville High School. Both teams played hard, but Merchantville couldn't do much after Carteret once forged ahead. In the closing minutes of the game Carteret and Merchantville matched each other basket for basket. We won by a close 37-34. We were in the finals!

In the finals the local quintet was opposed by Roselle Park. This game was played at the Elizabeth Armory. It was a close game to the final whistle, but Roselle Park led Carteret through the entire ball game by 5 or 6 points. C. H. S. lost 38-43.

THE COUNTY CONFERENCE

This year, under the leadership of Coach McCarthy, the coaches of Middlesex County organized a County Tournament.

In the first game of the conference Carteret High was opposed by a well-organized St. Peter's High School of New Brunswick. St. Peter's outscored the boys in the first quarter, 14-4. We caught up at the second half and the score was 14-21. In the third quarter we played like a new ball club and held St. Peter's to 1 point. We were leading 29-22 and St. Peter's never got close to the Carteret boys again. The final score was Carteret 44, St. Peter's 28. Harold Perry, Carteret's ace captain, and Ed Kuzma were the big guns on their team.

Having won our first tournament game we gaily met our next opponent, our next door neighbor and county rival, Perth Amboy. This game was close for three quarters, but in the last quarter the boys broke through. High scorers for Carteret were Perry, Kuzma, and Shomsky. All the boys really deserve a hand because they all played hard; even when odds were against them. They played like the typical C. H. S. team that never says die.

*In every heart there is a love
Splendid and true, wrought from above,
Sing, every son and daughter sing!
Loyal to you we'll ever be,
To you we raise this melody,
Let every voice in glory ring,
All hail, all hail your glorious name,
Dear Carteret High, we love you,
Courage to you, that you may bring
Courage to us in everything,
Hail to your glorious name.*

All Out for Victory!

In these challenging days, requiring the utmost effort of every one of us to bring a complete victory to our country and a lasting peace to the world, the educational front—like the battle front and the production front—plays a vital role.

The year book today has a new and powerful motif: to reflect the school in war time.

Likewise, the year book today has a richer meaning than ever before: it is engraved with memories of friends and classmates who will be setting forth to all the fronts.

You rightfully expect a year book that will hold a proud place in the annals of your school, and for these reasons we dedicate our trained skills, our modern plant, and our experienced services to the fulfillment of your most discriminating requirements.
