# AVE ATQUE VALE

It cannot be that we were meant  
To leave without a thankful prayer  
For all our blessings, Heavensent,  
Memories of hours so free from care.  
Ours, simple pleasure, through four fair years,  
No bounds on joy save stars and spheres.

We near Life's task — outward we show  
The face of youth, shadowed by fear,  
Yet throbbing hearts become aglow!  
Our Destiny in Life draws near;  
We know not of the "where" or "why,"  
But time shall tell, swift-rolling by.

As we travel along Life's Highway,  
Nostalgic memories in us will burn;  
When Life is clouded over with dismay,  
To Reminiscence will ever turn!  
Ah, we who had so little now leave with wisdom's touch;  
One last adieu, dear Carteret High,  
To Reminiscence we'll ever turn!

## EDITOR'S NOTE

With heads high, faces beaming, and hearts throbbing with happiness, the class of 1946 started its senior year. The war had been won, the victory ours; our senior year was to be the fulfillment of all our dreams. It has been a glorious year, and in producing the first peacetime year-book we have realized at least one of our dreams.

We hope that you will like the 1946 Loudspeaker. It represents long hours of diligent labor, but it was truly a labor of love. In years to come may this book be a link in the chain of memory that will keep close the happy days in C. H. S.

# CLASS HISTORY

## 1946

In June, 1942, the faculties of the various grammar schools of Carteret conferred together and came to a momentous decision. At this conference a plan was brought to light that was designed to make the perfect high school class. The plan, boiled down to mere facts, is herein described.

Take one pinch of the cream of Nathan Hale School, mix with a spoonful of Columbus School's finest, sprinkle with the best of the parochial schools, age for four years, and serve with generous helpings of Bugo's and White Cloud's humor. Result—the class of 1946, the finest in the history of Carteret High.

In September, 1942, the future class of '46 entered the auditorium with a great show of confidence and bravado. The seniors, in ten minutes, deflated our ego and left us babbling wrecks. We were surprised to find out that the "kids" from Chrome were human and they were surprised to find out that the upper Carteretians were not 400's. After ironing out difficulties among ourselves we organized to meet the onslaught of the upper classmen. We elected Joseph Jardot, president; Alberta Clark, vice-president; Audrey Catri, secretary; and Samuel Holowatch, treasurer.

Then came the onslaught! The upper classmen told us that pepsi-cola came out of the fountains; that there were elevators to the upper floors; and that the boiler room was Miss Scott's office and vice-versa; and, innocent as we were, we believed them—for a time.

After getting over our awe of the high school, we began to take part in school activities.

When Coach saw the freshman boys reporting for practice, he called for help. Among the boys were Buck Elko, Joe Duggan, Andy Karacki, Rich Donovan, Buddy Jardot, Sammy Holowatch and Charlie Fazekas. Richy Albrecht went out for second string waterboy and made it.

The boys were active in all sports, but the girls were not to be outdone. Matilda Seaman, Audrey Catri, and Jean Overholt made the cheering squad, and the girls were satisfied.

Our advisers were Mr. Lubern and Mr. Spewak. Only two strong men could keep our class in line.

Before we knew it we were a year older and a promotion came our way. We were now to be called sophomores, not lowly freshmen, but high and mighty sophomores.

Success went to our heads. We elected Samuel Holowatch to guide us and to assist him, Alberta Clark, vice-president; Jean Overholt, secretary; and Richard Donovan, treasurer. While we were at it, we chose Regina Adams to represent us in the Athletic Association. As a final measure, we placed Helen Shutello in the Student Organization. Now we had our own girls to look at.

One of our teacher advisers decided that life might be easier in the army, so Mr. Lubern answered the

call to arms. Mr. Spewak was transferred to Columbus School, and Miss Monahan and Mrs. Desmond were chosen to look after our affairs.

The war was becoming more and more realistic to us all the time. Joe Duggan, Pete Toth, Buddy Jardot, and Herkie Cherepon had already left for the service. More and more special assemblies were called to bid farewell to some member of the student body who was leaving for the service. The stars on our service flag became more numerous. We who were left joined the Victory Corps and took special courses to prepare ourselves for our apparent future, the armed forces. Coach put up an obstacle course to condition us for military careers.

Our junior year was the one that we had been anticipating with great joy. Our play, "One Mad Night," was a tremendous success. Chuck Riedel out-Dracula-ed Dracula.

Our senior year officially began when we elected Charles Riedel, president; Sophie Shummy, vice-president; Rita Brechka, secretary; and William Wilgus, treasurer. Charles Fazekas and Helen Shutello represented us in the S. O.

After counting our profits from this theatrical venture we decided to give the seniors a prom to remember. It was a gala affair. We were especially happy because, just before the prom, Germany had given up and some of the war's tension could be forgotten just for a moment. We still wondered about the future because we believed Japan to be a bigger and greater adversary than Germany. Our school activities continued to lean toward war preparation.

During our summer vacation, Japan gave up via the atom bomb. The boys and girls felt that a great load had been lifted from their shoulders.

Nevertheless, Victory took a heavy toll from our class. Bugo and Whitecloud were drafted. The morale of the school dropped fifty per cent.

Our officers for this eventful junior year were Steven Timko, president; Helen Shutello, vice-president; Regina Adams, secretary, and Charles Fazekas, treasurer. Richard Donovan represented us in the Student Organization.

Our play, "Spring Green," a great success, and our Senior Dance were the first peacetime affair.

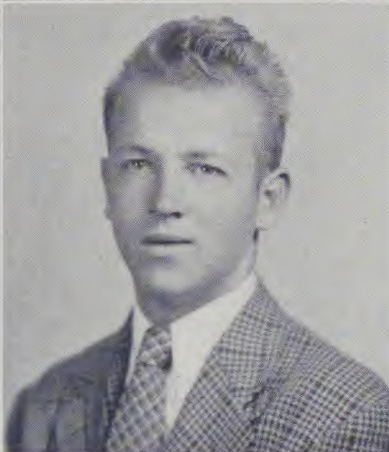

In return for the induction of Whitecloud and Bugo, the government gave us two discharged veterans, Adam Osyf and Thomas Donoghue. We couldn't ask for a fairer exchange.

Now we are leaving dear old Carteret High for the last time. We are the first class in four years to go out into a peaceful world. We have received useful training for war and peace. We have received the finest education available. And to you that stay behind we say, "Take care of Carteret High, because she means more to us now, this year, than ever. Some day you'll know what we mean."

WILLIAM SLIVKA.

## THE STUDENT COUNCIL

<i>President</i> .....	CHARLES FAZEKAS
<i>Vice-President</i> .....	HELEN SHUTELLO
<i>Treasurer</i> .....	ANGELINA LAUFFENBERGER
<i>Advisers</i> .....	MRS. MERCER AND MRS. STERN
<i>Secretary</i> .....	PAUL BAMBURAK

The Student Council was organized in October, 1945, shortly after the S. O. elections took place. The newly elected officers and faculty advisers of the S. O., assisted by the homeroom chairmen, took over the administration of the Student Council.

The first project of the Student Council was the establishment of a Youth Canteen in cooperation with the members of the Teachers' Union of Carteret who had initiated the idea. Mr. Edwin Quin, president of the Union, brought the matter before the members of the Board of Education who were enthusiastic over the project, as they had long been aware of the need of a community center where the teen-agers of the borough might gather for wholesome recreation. They immediately offered the use of

the entire first floor of the high school building and also the services of two janitors and a matron.

By a vote of the students, the name, Rambler's Retreat, was chosen for the canteen. The close cooperation of teachers, pupils, and board members has made the Rambler's Retreat a tremendous success.

One of the most enthusiastic supporters of the canteen is Mr. William Sitar, who finds his greatest pleasure in making people (especially young people) happy. "Bill" played Santa Claus for us—very realistically, too, since he furnished both the tree and the gifts.

For each meeting Bill has provided special prizes.

In addition to the Rambler's Retreat the Student Council has other plans for the betterment of the students both in school and in the community.

# FOOTBALL

## PLAINFIELD 27 — CARTERET 6

Employing quick opening and tricky lateral plays, a powerful Plainfield eleven piled up 27 points to smother a game but overpowered Carteret aggregation 27-6. Carteret's lone marker came late in the contest when Paul Bamburak smashed over from the 5-yard line.

## UNION 6 — CARTERET 0

The Ramblers went down to their second defeat of the season as a determined Union eleven turned back Carteret threats time and time again. The game was played on a muddy field in a heavy downpour. Because of this, the offensive power of both teams was limited. However, the lone Union touchdown was made when a fast Union back broke into the clear on the Rambler 25-yard line, and with good blocking went over for the score. The kick was no good. Our many boys made desperate efforts to score but they were stopped short of the goal line by a determined Union line.

## LONG BRANCH 19 — CARTERET 6

Carteret was beaten for the third straight time by a fighting Long Branch ball club. After Bamburak plunged over from the 1-yard line to put Carteret in the lead 6-0, Long Branch quickly tied the score. In the second quarter Long Branch went 71 yards down the field to score again. In the third quarter Long Branch tallied for the last time on a 62-yard touchdown run by their left-halfback.

## SOUTH RIVER 25 — CARTERET 0

Using the T formation to its best advantage, combining deception, speed, and an all around well balanced team, South River hit pay dirt four times to stymie a patched-up Carteret eleven.

Despite the runaway score, the game provided many an exciting moment and an enjoyable afternoon.

## LINDEN 14 — CARTERET 0

On October 27, the Ramblers of Carteret High School were defeated by a fast-moving Linden eleven. The boys played hard and had Linden on the go for the entire 60 minutes.

## CARTERET 32 — NEW DORP 0

Showing what they could do when the chips are down the Carteret Ramblers rolled over a big and heavy New Dorp team. After three and a half minutes in the first quarter had passed Bamburak plunged over for the first

score. After that Trosko, Bamburak and Barna collaborated in making gain after gain and pushing over five scores. This, along with Steve Timko's catching a New Dorp back behind the goal line for a safety, made the score 32-0. The stands were amazed as the powerful Carteret line opened big gaping holes as the Ramblers backs rushed through for substantial gains. This game showed what the team of "46" could do when they got started.

## CARTERET 19 — WOODBRIDGE 0

A powerhouse of ground plays, run off with clock-work precision, supplied the scoring punch for three touchdowns, which completely overpowered the Woodbridge charges.

Striking quickly, before some of the 8,000 present had settled back in their seats, the Ramblers sent Bill Riedel over from the 27-yard line for the first touchdown. A few minutes later Paul Bamburak uncorked his explosive power to score two more touchdowns.

## PERTH AMBOY 20 — CARTERET 7

Thanksgiving Day a very strong Perth Amboy team defeated a hard-fighting Carteret team by the score of 20 to 7. The first two Panther touchdowns came on two lucky breaks. The only Carteret score of the game came when Billy Riedel threw a twenty-yard pass to Balog, who with good blocking, ran forty yards for the tally.

**BUILD YOUR  
YEARBOOK  
WITH MASTER  
CRAFTSMEN**

FINE QUALITY PRINTING is nowhere so essential as in school and college annuals. The story told by copy is worthless unless the printed pages provide eloquent testimony of its truthful reproduction of campus life.

- Production of distinctive printing depends upon the masterful handling of such technicalities as layout, artwork, make-ready, and presswork, and also upon the selection of proper ink, paper and binding.
- Consistently good printing has made the Colyer organization the first and last choice of the leading schools and colleges.
