## ALMA MATER

*In every heart there is a love  
Splendid and true, wrought from above;  
Sing, every son and daughter, sing!  
Loyal to you we'll ever be;  
To you we raise this melody;  
Let every voice in glory ring.  
All hail, all hail your glorious name,  
Dear Carteret High, we love you!  
Courage to you, that you may bring  
Courage to us in everything.  
Hail to your glorious name!*

# CLASS HISTORY

September the third, nineteen hundred and fifty, was a most momentous day for C.H.S. It was the day that one hundred freshmen traveled the highways and byways from Nathan Hale, Columbus, St. Joseph's and Holy Family schools. How surprised we were at the size of the student body, how delighted with the friendliness of the upperclassmen, and how entranced of course, with our schedules for the freshman year.

About two weeks after school opened, Mr. Weir and Mr. Wielgolinski were chosen our class advisers. Little did they know then what they were in for! In our first year we chose as our leaders, Don Gardner, president; Bill Lauffenberger, vice-president; Theresa Solewin, treasurer; and Barbara Bishop, secretary. Our first big project was taking over the concession for home football games. This was one time everyone enjoyed working as he got into the games for nothing. Our dance was held in Nathan Hale gym, on Valentine's day. Spring came, and before long, another June. Our first year was over!

After a wonderful summer, we were eager to get back to C.H.S., and rarin' to start our sophomore year. This time, going back to school was a joy because we were not the babies anymore; now there was another class under us. To lead us, Lou Kady was chosen; Bill Lauffenberger was again named vice-president; Ray Vinsko, treasurer; and Dolores Vargo, secretary.

This year sped quickly by. Before we knew it, June had arrived. It was time to go on a trip again. After much discussion we decided, for our last event of the year, to go to Echo Lake. This time, we were accompanied by the freshmen—they were always getting in our way! At Echo Lake we spent a hectic day, dunking each other's heads, attempting to capsize Mr. Weir's boat, and hiding broken oars. Mr. Wielgolinski got into the water show, too; but neither he nor Mr. Weir was a match for the sturdy sophomores.

Well, the junior year finally came; at last we were upper classmen. Our moulting was in its third stage now. We became a belligerent group, constantly demanding new liberties, but not always getting them. This year Jim Gilrain was elected president and Jack Mesquita, vice-president; Jane Horvath recorded the minutes, and Shirley Toth was left holding the money-bag.

The first project, which turned out to be a major undertaking, was getting measured for our class rings. After a short delay of about four months we received them. How amusing it was, the day after we got our rings, to see everyone walking with hand outstretched. The whole day was spent trying each other's ring on, "just for size."

Our play, "No More Homework," which was presented in February, was a tremendous success. Sandra Fox and Steven Nelson played the leading roles. The last event on our agenda was the junior prom which was held May 22 in the high school gym. We danced until two a.m. A feature of the evening was professional entertainment. At midnight a turkey dinner was served by the P.T.A. On the last day of school, we realized our greatest ambition—we occupied the front seats in assembly!

At last the long-awaited year! We were seniors, better known as big wheels. The first thing we did was to elect our hubcaps, Steve Nelson, president; Dorothy Kubicka, vice-president; Bill Uhouse, treasurer; and Irene Synowiecki, secretary. Our play "Seventeen" was a stellar attraction, acclaimed by all. Dot Kubicka played the baby talk lady, and Donald Shutello was a crazy, mixed-up kid who really put on the dog.

This was a year of historical events. Krazy Koles could be seen tearing up and down Washington Avenue on skis; Leon Wielgolinski set the fashion for men with glaring colors; Lou Kady walked the halls singing "Heart of My Heart"; Kowalski attended school daily (phenomenal!); Andrew Weiss played Tarzan, letting his hair grow for six months; Big Jim Gilrain brought honors to himself and to the school team by making all-state football; Bernadino Stragapede brought glory to the music department by making all-state orchestra; and our prettiest girl, Marion Gurski, surprised us all by becoming the prettiest bride.

Now we are looking forward to our prom, our trip, and our final exams, then commencement day, a day we await with mixed emotions, because on that day we shall say farewell to our high school days. Whatever life may hold for us, we shall treasure the memories of our four wonderful years at C.H.S.
