Death is an angel with two faces:
To us he turns
A face of terror, blighting all things fair;
The other burns
With glory of the stars, and love is there.

FOREWORD

The Olympic Games originated in Greece in 776 B.C. The games were held in one of the fairest spots in Greece, the wooded valley of Olympia in Elis. They were held every four years until 394 A.D., and then they were suspended. In 1896 the games were revived and made international. The purpose of the games is to foster the ideal of a "sound mind in a sound body and to promote friendship among nations."

This year we have chosen the Olympics as our theme because we believe that the aims of the Olympic Games are those of education—the type of education which will guide mankind to perfection. We earnestly desire to promote understanding and fellowship not only among our own students, but also among the students of schools with whom we have interscholastic relations, both academic and athletic.

Today we live in a world torn with political, religious, and racial problems. If we, the youth of America, pursue these high aims with the same eagerness as did Olympic athletes, we may live to see peace on earth.

A SENIOR'S FAREWELL

The past four years did swiftly fly;
It's time for us to say good-by.
And as we bid a fond adieu
We have some parting words for you:
To future seniors—you have won
A year of study as well as fun.
To underclassmen all—be good;
Be sure to do the things you should.
As for us—we sadly part
As on new endeavors we hopefully start.
In our hearts there will always be
A room for high school memories.

Co-captains Curcy, Carmichael and Coach Doug King.

1957 was one of the finest seasons on the gridiron in the last decade.

The Ramblers lost their first tussle with Rahway; but, after that setback, it was clear sailing until Turkey Day when Perth Amboy stopped our winning streak of six straight.

Defensively and otherwise, the "Kingmen" had one of the best teams in the county. They held their opponents to a total of 84 points, while they tallied 103 points. The Rambler forward wall was one of the heaviest in recent years, averaging upward of 180 pounds. Individually, too, the Ramblers won recognition. Rock, E. Carmichael, Stankan, Nagy, and T. Carmichael made the All-County teams; Rock was also named on the All-State teams.

A beautiful trophy will perpetuate the memory of this outstanding team, Central Jersey Group 2 Champions.

O, CARTERET

O, Carteret, we'll love you forever.
Your spirit will linger within.
Shame we will bring you never,
As we strive in our efforts to win.

So farewell to our Alma Mater;
Farewell to the days gone by.
'Til we meet again in these proud halls,
Farewell, farewell, good-by.

Good-bye Farewell

The time is drawing very near,
For all to say good-bye
To teachers, friends, and memories
We've known at Carteret High.

Good-bye is just a little word
With such a lot of meaning;
It makes us want to stop awhile
To give our lives a screening.

Are we prepared? Shall we regret
The four years quickly flown?
The future will not always be
The carefree years we've known.

Some of us will know success;
We'll travel or we'll stay;
But with it all, nostalgia
Will haunt us all some day.

With happiness, with sadness,
We say good-bye to you
Dear Carteret High, our principal,
And teachers, real and true.

MEMORIES

There are many things we'd like to say
Before we finally go our way.

We'll study hard and keep in mind
The kind of future we hope to find.

There are many things we're thankful for—
The friends we made, both rich and poor;
The lecture we so often needed;
And the sound advice we rarely heeded.

Many mem'ries will linger in our hearts
As each on a new-found path departs.
So sadly now we say good-bye,
The past four years did swiftly fly!
