

*Dreamer of dreams, born out of my due time.*

*Why should I strive to set the crooked straight?*

## Editors' Note: METAMORPHOSIS

Often people in the midst of change fail to realize this transformation. The 1972 LOUDSPEAKER Staff believes this statement applies to Carteret High School.

In the past few years, new trends in students' viewpoints have surfaced. These trends correspond to the moods of today's new society. A conflict arises when the individual is faced with the decision of whether to cling to past ideas or whether to accept new ideas.

We feel individuals should accept new modes of thought wherever possible, thereby rejecting stagnant routines. Hence, the theme "NO PARKING" is a record of this forward movement.

The quotation, "Dreamer of dreams, born out of my due time, Why should I strive to set the crooked straight," depicts the inner struggle which many individuals suffer when faced with change.

It is with the intention of illustrating all aspects of this change, both good and bad, that the 1972 LOUDSPEAKER has been created.

## Class History

The Class of 1972 experienced the traditional events during their four years at Carteret High School, but they were also exposed to numerous changes.

We entered the halls of Carteret High as freshmen in September, 1969. Soon, the leaders of the Class of 1972 were chosen: Mike Kaskiw, President; Bruce McDonald, Vice President; Patti King, Secretary; and Grace Scheno, Treasurer. The same year we sponsored a dance with the theme "Aquarius." The first change we experienced as a class was the promotion of Mr. Salvatoriello from teacher to administrator.

Our Sophomore year opened with the election of Bruce McDonald as Class President; Howard Holder, Vice President; Mary Ann Mushalla, Secretary; and Grace Scheno, Treasurer. Activities included a zip code book sale and the Valentine's Day dance. Change came in the form of a revision of the detention system—no more after school periods. We now had the demerit. There was also a "change" in advisors — Miss Politowski became Mrs. Knutowicz.

Change marked the beginning of our Junior year. Mr. Kindzierski replaced Mr. Serson as advisor. As Juniors, we elected Mike Kaskiw, Mike Mesavitz, Eileen Oakley, and Peggy McGrath. One major event was our Sadie Hawkins Dance. On December 10 and 12, 1971, the Class of 1972 proved their acting abilities in "You Can't Take it With You," under the direction of Anthony Spaldo. The arrival of our Junior rings signified our status as upperclassmen. April brought warm weather and the Junior Prom, "We've Only Just Begun," held at the Seven Arches in Perth Amboy on April 12, 1971. Revision of the dress code was evidence of the changes which occurred. Change also appeared in the curriculum with the addition of new English electives.

Our long awaited Senior year dawned in the fall of 1971. The officers chosen to lead us to graduation were Mike Kaskiw, Donna Abrunzo, Barbara Coons, and Peggy McGrath. We sponsored the Halloween Dance and had the annual Senior Candy Sale. The musical "Guys and Dolls" was held on February 25 and 26, and on March 3 and 4. Under the direction of Anthony Spaldo, we realized that change was once again upon us. No longer could the Seniors call a play their own — it was a Junior-Senior production. On March 8, 9, and 10, the Seniors invaded Washington for three memorable days. On March 24, the Seniors met the Faculty in the annual Student-Faculty game. The Senior girls downed the women faculty 36-3. The boys lost a close battle to the men — 43-42. On June 1, 1972, the Senior Dinner Dance was held at the Shore Casino. One more significant event remained for the Seniors . . . GRADUATION.

THE CLASS OF 1972 BECAME HISTORY ON JUNE 21, 1972 . . .

## Senior Class Officers

When the light of the sun  
Dims in the west,  
There shall be no chains to bind us.  
We may run free through the tall grass,  
As the snow silently flickers downward,  
Casting eerie, clandestine shadows  
On the majestic trees surrounding us.

*President—Mike Kaskiw; Vice-President—Donna Abrunzo.*

We can be free here,  
Free of the worries and frustrations  
Found in a world  
Where trouble abounds.  
Free.

*Treasurer—Peggy McGrath; Secretary—Barbara Coons*

We shall be able to question without fear,  
We shall be able to reach without guilt,  
And we will turn back the ripples of water  
On the shorelines of conformity.  
And we shall live.

ROBERT SAN FILIPPO

The train of life is long,  
As long as the endless span of time.  
Its golden rays transcend the depths of the souls  
Of all human beings,  
Blinding them for but an instant.  
But in that instant,  
That mere fragment of the endless train of life,  
A change was made.

This change caused sorrow, yet  
Taught at the same time.  
The train of life made a stop  
And picked up a young, solitary passenger.  
So unexpected and so unfair,  
So wrong and so unnecessary . . .  
This passenger will never see the days . . .

## JUNIORS '73

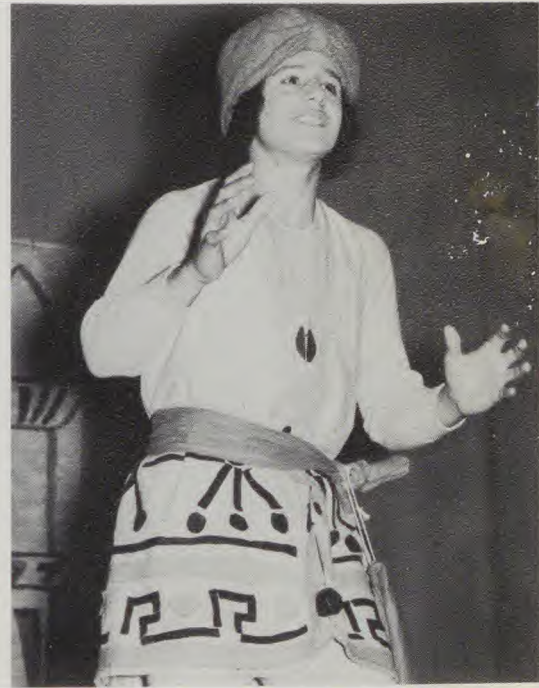

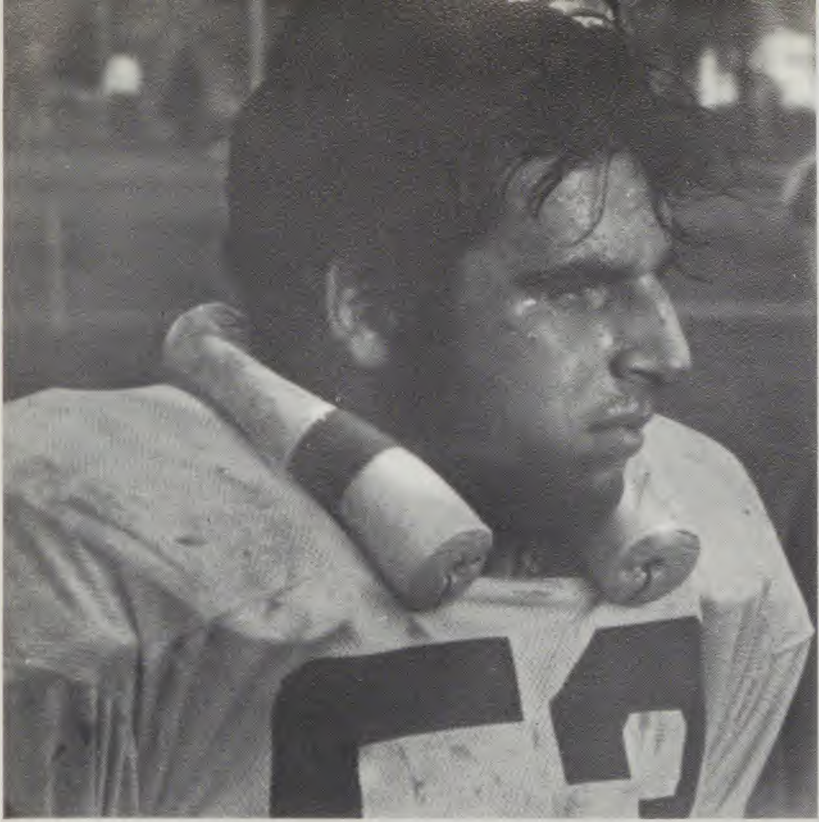

*Hal Zimmer—President, Richard Ondrejck—Vice President, Patricia McElwee—Secretary, Michalene Maskowitz—Treasurer.*

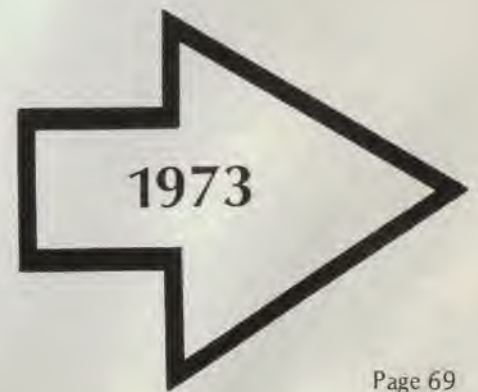

You better not compromise yourself. It's all you got.

Only those who have already experienced a revolution within themselves can reach out effectively to help others.

The future of the earth is in our hands. How shall we decide?

There is no place like people.

When through one man a little more love and goodness,  
A little more light and truth comes into the world,  
Then that man's life has meaning.

Everybody's got something to sing about.

Don't walk in front of me—I may not follow.  
Don't walk behind me—I may not lead  
Walk beside me and just be my friend.

*President—Janet Lynch; Vice President—Judy Thomson; Secretary—Kathy Giblin; Treasurer—Robert Molarz; Advisors—Flora Rafft, Donald T. Watkins*

I don't know what your destiny will be, but one thing I know, the only ones among you who will be truly happy are those who have sought and found how to serve.

Were you there . . .

when the urge to compete struck harder than it ever did before???

We spent time watching . . .

Being lead . . .

Leading . . .

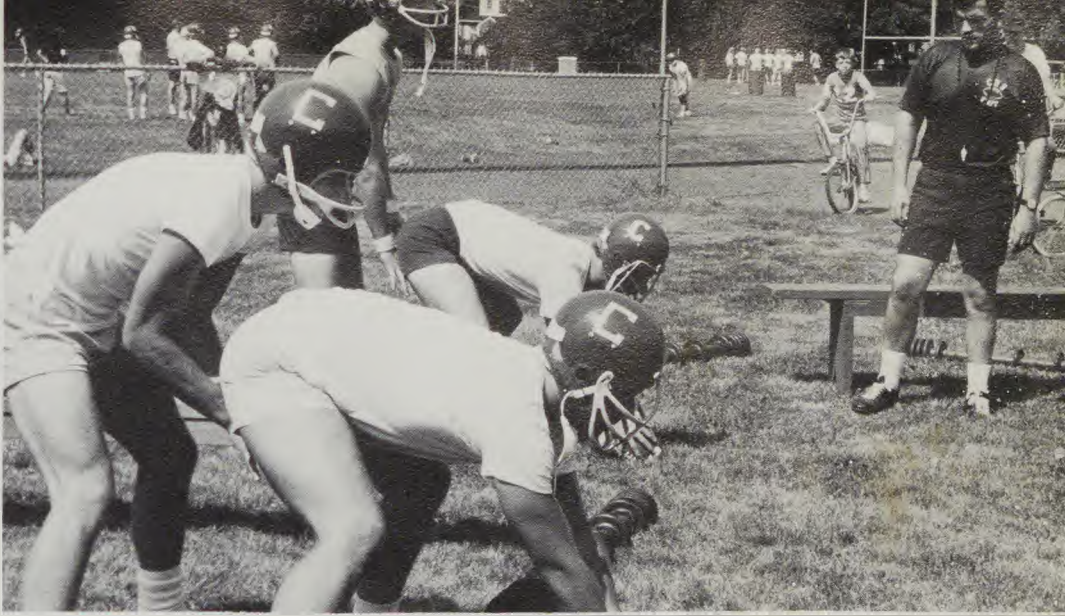

Gaining the respect of one whom WE respect.

Remembering . . .

how long practices seemed to be . . .

but standing in the line head on with the opponent . . .

There was the surge to go . . .

The urge to stop.

That precious point after . . .

Just standing around, thinking (?) . . .

### ALL COUNTY COACHES TEAM

Jim Hagan, Ray Kinch, Joe Zajac, and Joe Piazza have been named to the Coaches All County Team representing Carteret High School. Hagan had also been named to the State's Group Three Second Team, while Joe Zajac was named to the Third Team.

During a rainy, cold, and sleety Thanksgiving Day, the traditional 45th Carteret-Perth Amboy game was cancelled until another rain-threatening Saturday.

The oldest rivalry in Middlesex County added even bigger thrills this year. Carteret's victory 28-2 was the third in a row, allowing Carteret to permanently retain the Thanksgiving Day trophy.

QB Bob Nicholson was on target all day, especially to All County End Jim Hagan. Bob threw three TDs to Jim and one to Al Busak. Big plays by Vic Justynski (fumble recovery), All County Guard Joe Zajac (on side kick recovery), All County Tackle Ray Kinch (game saving tackles), and key interceptions by Ed Bittner and John Stroka capped the game.

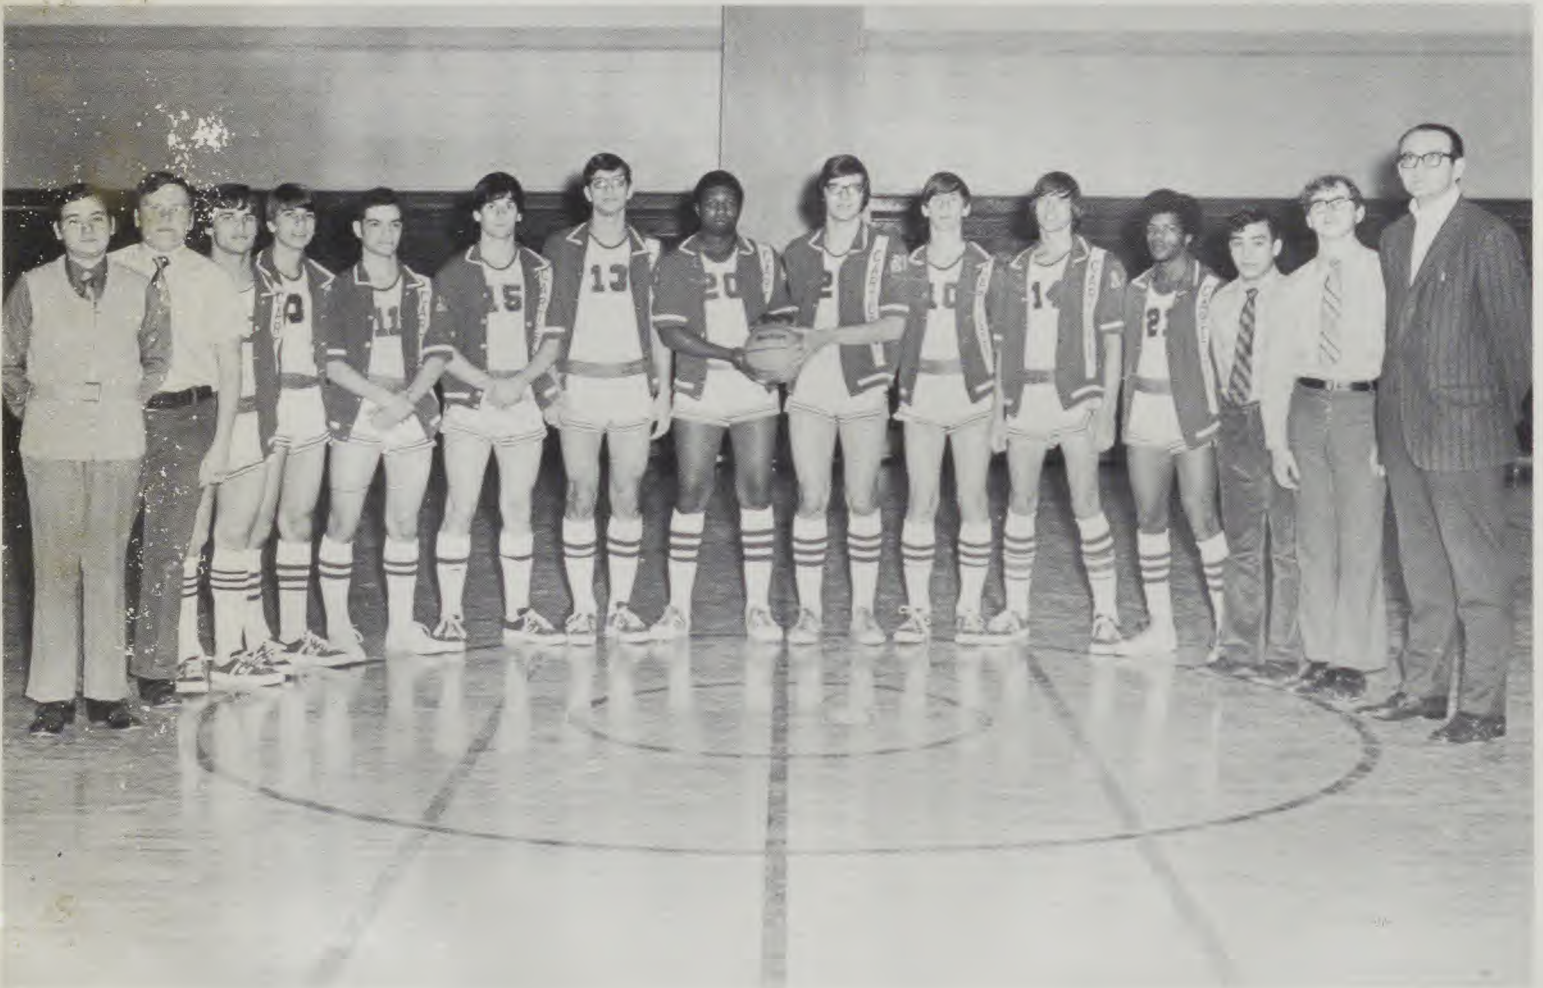

It should also be said that the Carteret frosh went undefeated for the 1971 season. They have big plans in mind!!!

Darkened chamber  
of ancient times,  
Where strings of light dance on fire—  
Here a people have dwelt for years.  
Darkened chamber  
Now empty as a Monday Church—  
Quiet . . . desolate.  
Here, established thoughts have gone awry.  
Giant curtains of joy are drawn.  
Solitary shadows of forgotten faces  
Drum in the distant corners of time.  
Yet, a muffled echo of silence remains  
Along with the forgotten tasks of old.
