Tapestry '73

LOUDSPEAKER

Carteret High School

Carteret, New Jersey

Editor's Note

Sports . . . Classes . . . Teachers . . . Students . . . Activities. Together, these things comprise four years of high school life. High school is not just a physical place, but a union of people and activities. This union is never the same, as each person is an individual with his own likes and dislikes. It is these differences that give a high school its special personality. For this reason, the theme "Tapestry" has been selected for the 1973 Yearbook.

A tapestry is many things woven together to form one complete picture. It is the variations among the people and activities that makes the complete picture of Carteret High School.

In creating the 1973 Loudspeaker, our main objective has been to express the meaning of "Tapestry" in relation to Carteret High School.

Editors-in-Chief

"My life has been a tapestry of rich and royal hue

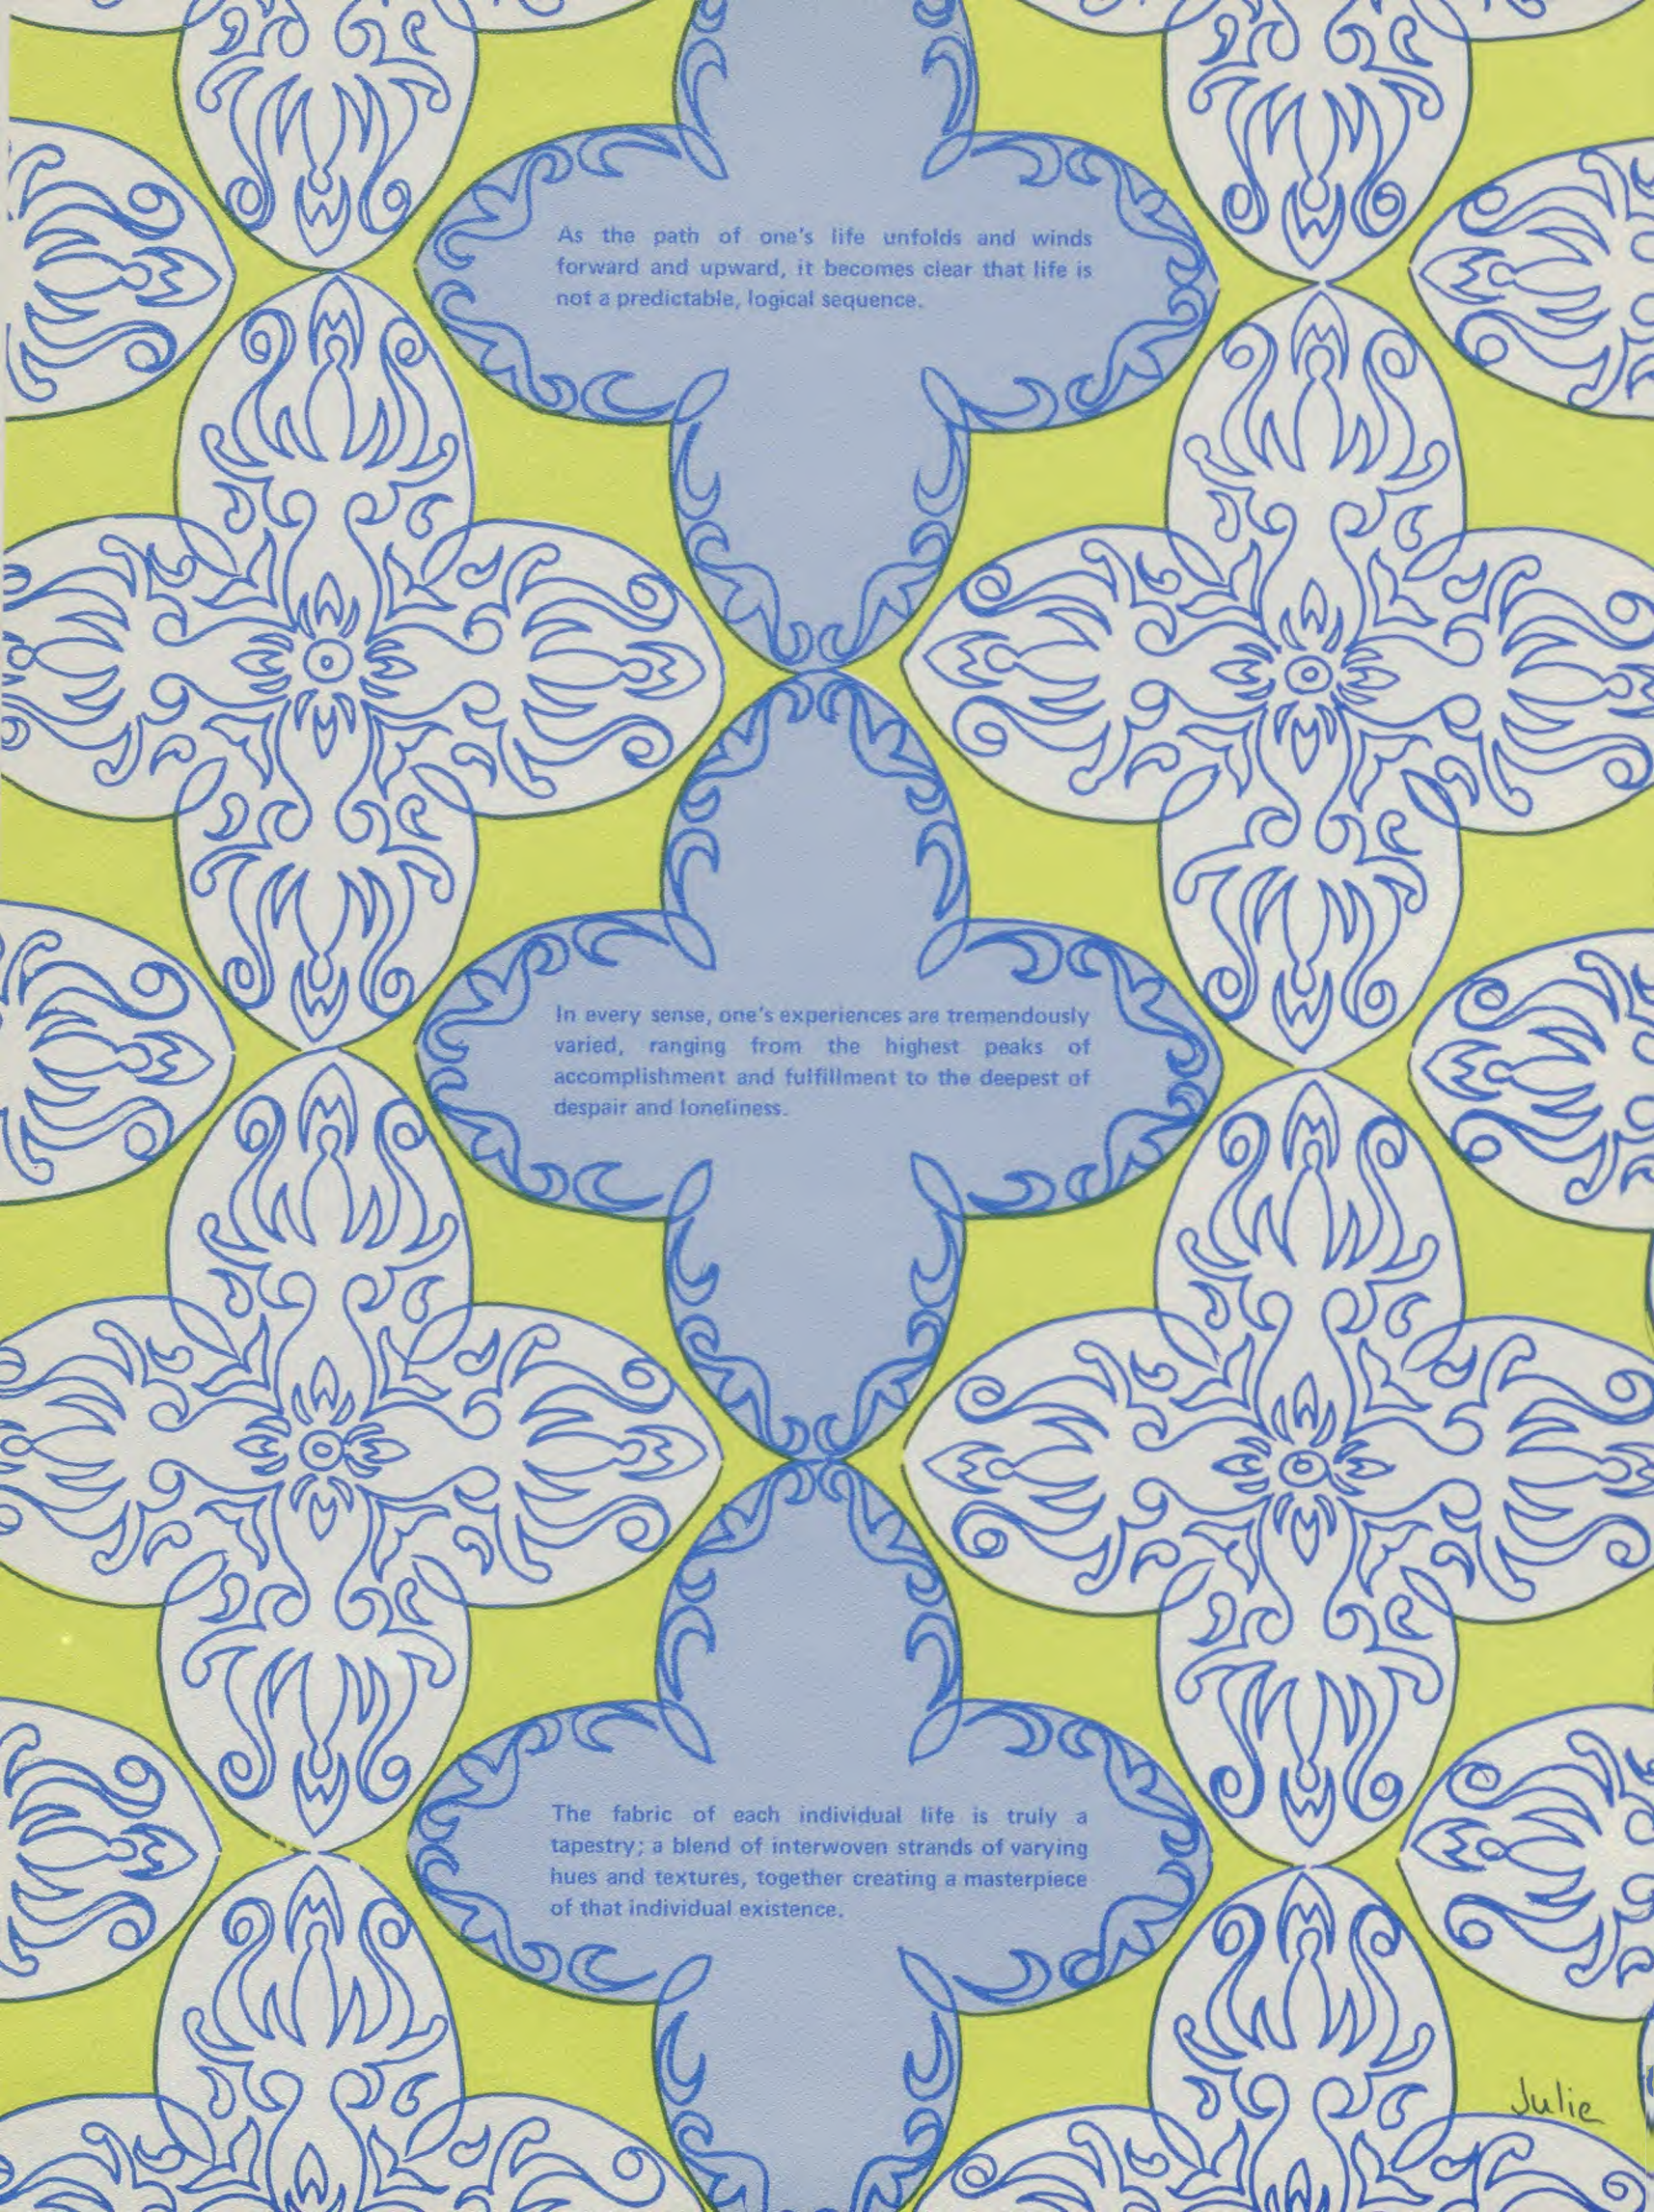

An everlasting vision of the everchanging view

A wondrous woven magic in bits of blue and gold

A tapestry to feel and see, impossible to hold"

As the path of one's life unfolds and winds forward and upward, it becomes clear that life is not a predictable, logical sequence.

In every sense, one's experiences are tremendously varied, ranging from the highest peaks of accomplishment and fulfillment to the deepest of despair and loneliness.

The fabric of each individual life is truly a tapestry; a blend of interwoven strands of varying hues and textures, together creating a masterpiece of that individual existence.

Julie

Our moods and emotions are depicted upon this tapestry just as the contrasting colors of a painting are used to convey an artist's mood. The joys of life are the brilliant reds and golds of our ecstasies and the softest pastels of our quiet inner tranquility.

The cavernous depths of sorrow and pain are shown as the deepest of the blues and violets. It is through this contrast that the "colors of happiness" are brought out more vividly, for without these darkened moments, our lives would be truly austere and without depth.

With the knowledge of the tapestry's symbolism, the true beauty of each individual life becomes clear. One can appreciate both the times of joy as well as the times of sorrow, and be able to face the future in an aurora of self-awareness.

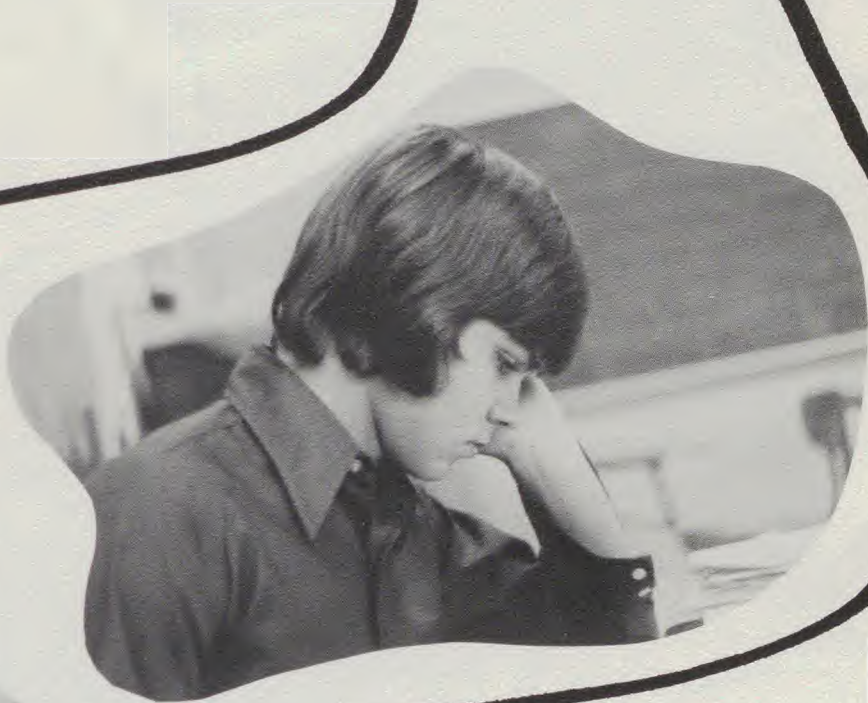

*"Looking out on the morning rain,
I used to feel so uninspired
And when I knew I had to face another day Lord,
It made me feel so tired"*

JJ

*"When you're weary, feeling small, when tears are in your eyes, I'll dry them all; I'm on your side
When times get rough and friends just can't be found"*

*"Travelling around sure gets me down and lonely
Nothing else to do but close my mind
I sure hope this road don't come to own me
There's so many dreams I've yet to find"*

*"So far away, doesn't anybody stay in one place anymore?
It would be so fine to see your face at my door"*

*"Seasons change with the scenery
Weaving time in a tapestry
Won't you stop and remember me?"*

*"I have often asked myself the reason for the sadness, in a world where tears are just a lullabye
If there's an answer maybe LOVE can end the madness
Maybe not, oh, but we can only try"*

*"You've got to get up every morning with
a smile on your face
And show the world all the love in your heart
Then people gonna treat you better . . .
You're as beautiful as you feel"*

*"To live in the hearts of those we
leave behind is not have died."*

The "tapestry" of the Class of 1973 is completed, leaving only the memories of the past four years. This is a "tapestry to feel and see, impossible to hold", since it is a combination of not only academics, but friendships, involvement and love. "Weaving time in a tapestry", we can reflect and enjoy the magic of those captured memories.

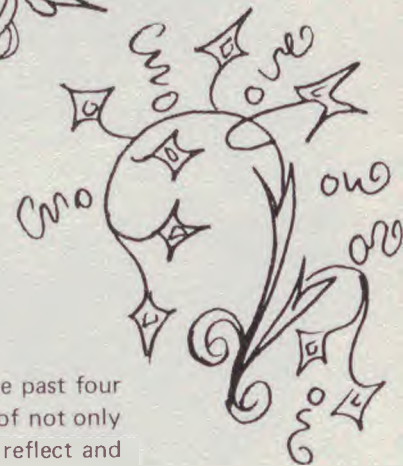

The "tapestry" began in September of 1969, the mood being one of curiosity and expectation. An entire world unfolding before our eyes, we absorbed each facet of the new environment, eagerly plunging into all activities available: elections, dances, clubs, sports, and the greatest gift of all — new friends. With the guidance of our class advisors, Miss Renaldi and Mr. Hudak, we elected our first officers — Hal Zimmer, President; Carleen Robinson, Vice President; Cheryl Merritt, Secretary; and Ralph Ercolino, Treasurer. The first freshman endeavors included a cake sale and the dance "Follow the Stars" held in May.

As is inevitable throughout life, the beginning of Sophomore year marked many changes. The first change was in the selection of class officers, with Hal Zimmer being elected as President, Rick Ondrejack as Vice President, Pat McElwee as Secretary, and Michaelene Maskowitz as Treasurer. For the first time, a hot dog sale was held and students had the opportunity to select their English courses. In March, we held our dance, "It's the Time of the Season". Along with the warm weather in April, came the revision of the dress code.

In our Junior year, the "tapestry" unfolded with new meaning. With the leadership of our same officers and advisors, we received our Junior rings, symbolizing our status as upperclassmen. The Junior-Senior Play, "Guys and Dolls", was held on February 25 and 26, and also on March 3. Under the direction of Mr. Anthony Spaldo, many Juniors displayed their acting ability. Our cake sales and dance, "Happiness Is . . .", helped lead to the huge success of our Junior Prom, "Precious and Few", held on April 5, at the Edison Country Club.

Senior year marked the completion of our "high school tapestry". For the fourth consecutive year, Hal Zimmer was elected President. Along with Hal, Bob Nicholson was elected as Vice President, Pat McElwee as Secretary, and Michaelene Maskowitz as Treasurer. Before long, the annual candy sale was underway, which helped finance our Washington Trip on March 7, 8, and 9. Both the Senior girls and Senior boys defeated the faculty in the classic Student-Faculty Game on March 23. "Bye, Bye Birdie", directed by Mr. Anthony Spaldo, was held on March 30 and 31, and again on April 1. The Senior Dinner Dance, was held at the Shore Casino on June 4.

On June 18, graduation put the finishing touches on our "tapestry". The "fabric" of each individual life will now extend in many directions, forming a life-long pattern connected only by memories.

"THE HIGHEST OF DISTINCTIONS IS SERVICE TO OTHERS."

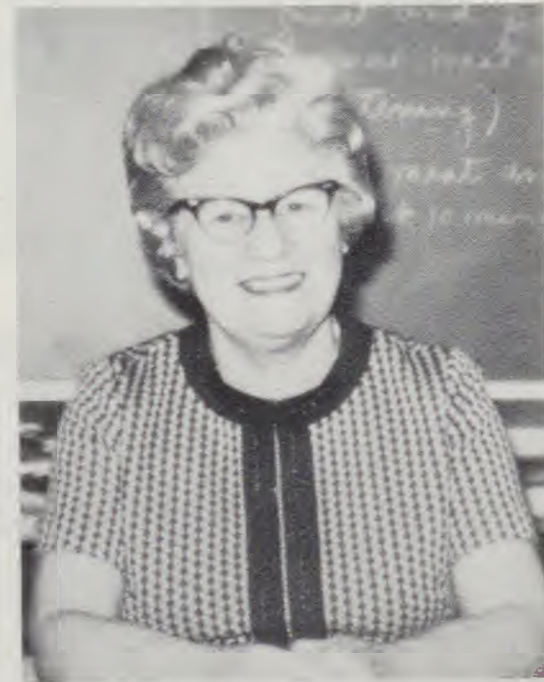

EDNA THORN

As secretary to several administrators for thirty-eight years, Mrs. Edna Thorn has epitomized service to her superiors, the school, and the students.

Her gracious manner welcomed everyone and her quiet efficiency used the responsibility for many. Generally, she will be remembered for her sense of humor, loyalty, sincerity, and dedication.

A history teacher of the highest caliber, Mr. Richard Frushon is surely missed by all those who knew him during his years at Carteret High School. Moving on to a position appropriate for his talents – that of an administrator – Mr. Frushon no doubt has his foothold on the future. The absence of such a progressive and energetic person, worthy of the respect and admiration of his students and peers alike, remains a great loss to everyone of Carteret High – a loss not soon to be forgotten.

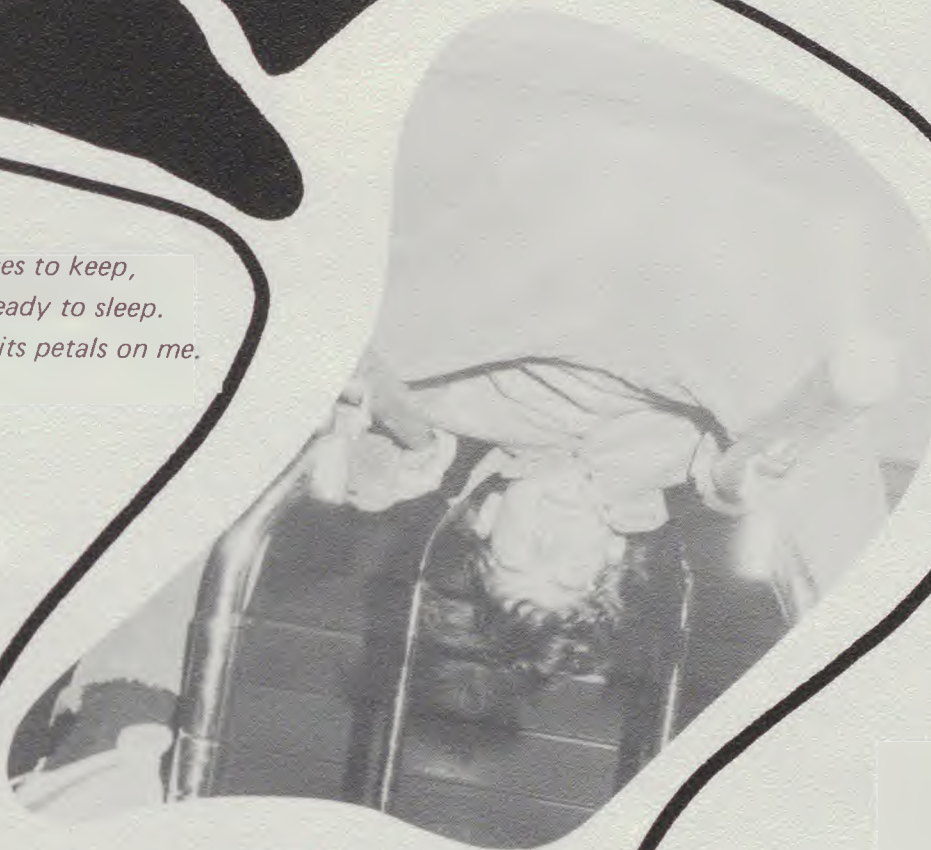

OLIVE GUNDERSON

Miss Olive Gunderson has taught Home Economics for forty years. Many of our male gourmet cooks were initiated into cooking as well as sewing by Miss Gunderson.

Miss Gunderson will be remembered for her pleasing personality, her sincere interest in her students and her genuine kindness.

Perspective

The 1972 edition of the Carteret Ramblers was perhaps the most controversial squad ever assembled. The season opened at South River with all the optimism and high hopes that precede any opening game. The team's joy was short-lived. This was the beginning of an incredible season.

For the second year, injuries virtually crippled the Carteret Ramblers. Week after week, valuable performers were forced out of action. Injuries deprived many outstanding players of a full and healthy schedule. Few endured a full season.

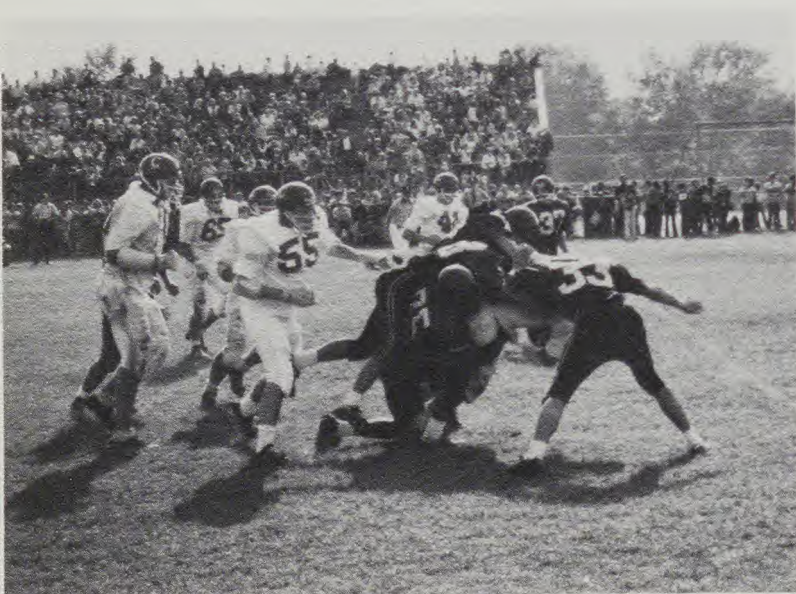

But the season was not in vain for all. Many underclassmen were forced into premature action and actually did excel. Much raw talent was discovered. At times, coach Gilrain fielded his youngest team in several years. As many as nine underclassmen played on one platoon.

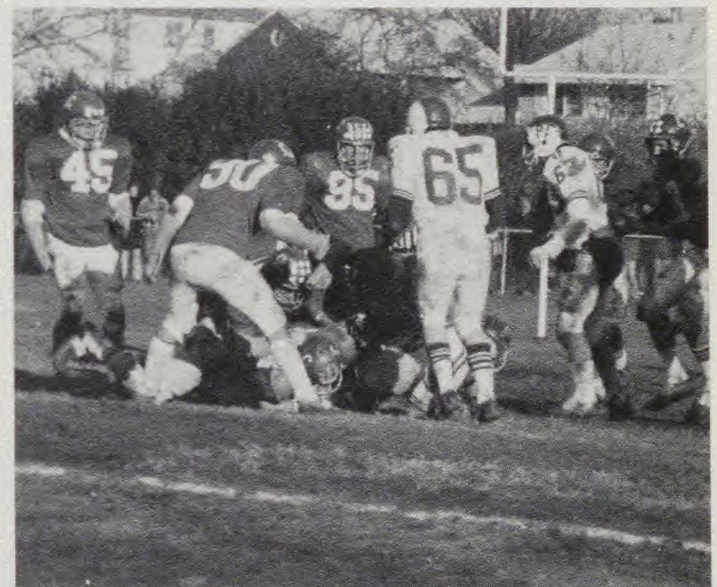

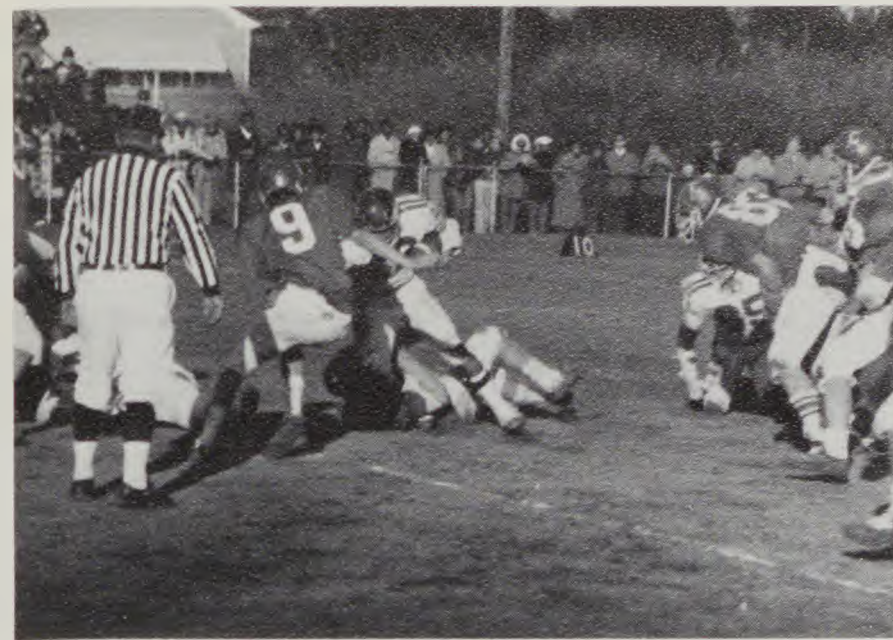

Through all the hardships and defeats the squad endured, one idea always prevailed: "Rambler Spirit Never Dies." This spirit was most vivid on November 25th at Perth Amboy.

The young Ramblers traveled to Perth Amboy on a sunny and brilliant autumn afternoon. After eight heartbreaking defeats, the team came out ruthless and eager for victory. Again, their efforts seemed in vain for it was perhaps the most disappointing loss in recent Rambler history.

Throughout the season, the student body provided the spark of enthusiasm that will never be rekindled again. With all the disappointments, the young Ramblers are still as proud as ever and will always remember one thing: "The Carteret Ramblers may be beaten but they are never defeated."

Senior Spotlight

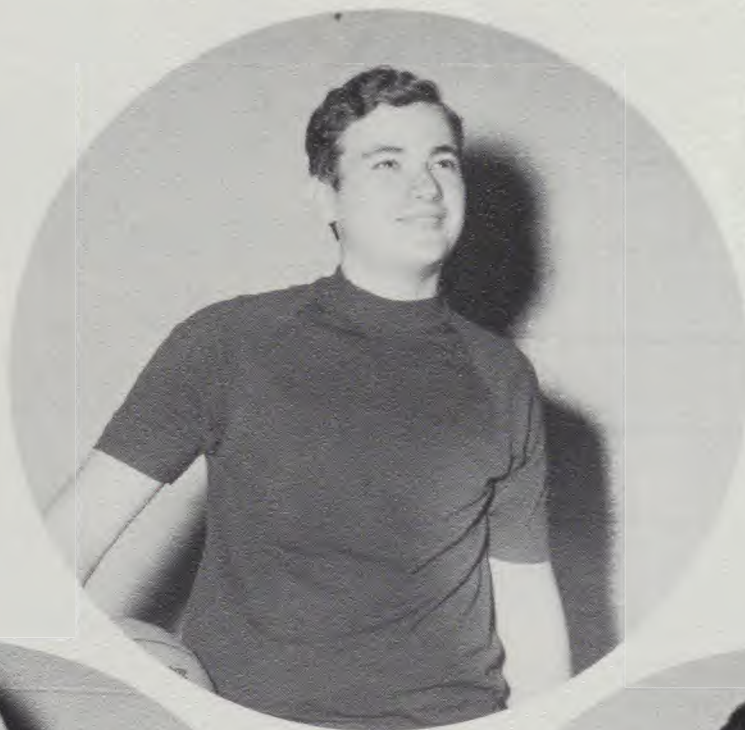

Although Carteret's Basketball team compiled a record which was not one of the very best in the county, the team effort was one of the best that Carteret has had in a long time. The Ramblers started out posting three consecutive wins over Edison, Saint Mary's, and Cedar Ridge before bowing to Metuchen. The team kept their momentum going by finishing a strong third in the Holiday Festival Christmas Tournament, by scoring impressive wins over tough teams from Sayerville and Saint Joseph's, and losing to an old nemesis, Perth Amboy.

The "hoopsters" success suddenly turned sour and a few bad breaks helped cause a painful losing streak. Included in this losing streak, were heartbreaking losses to Perth Amboy and J.P. Stevens, each loss by a single point. A few more losses brought the Rambler's record to a dismal 5-9 mark. But the team failed to crack under pressure, and came back to win five games in a row, including the big overtime upset victory over Woodbridge, along with the tough victory over South River. The streak came to an end, with a disappointing four point loss to a tough J.F. Kennedy club.

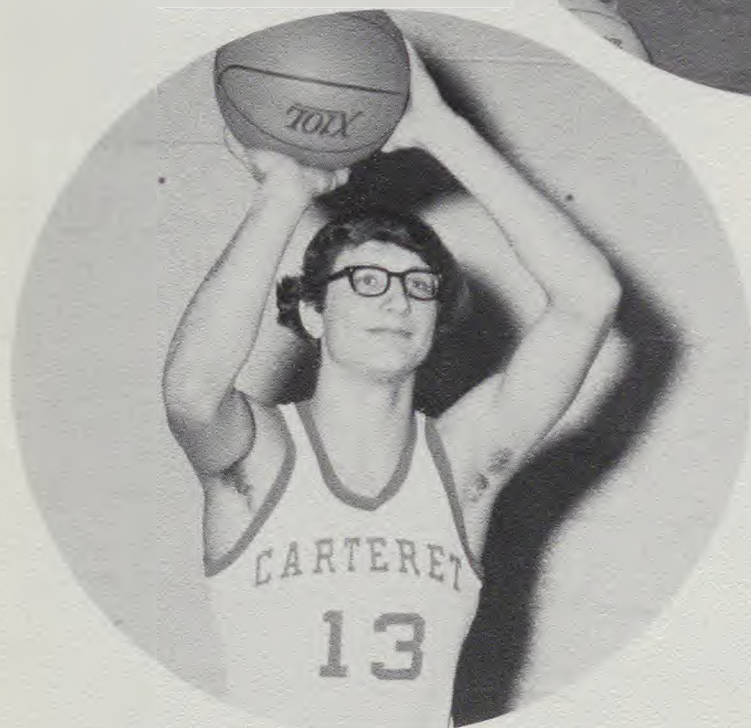

Upon entering the county tournament, the Ramblers regained their momentum and scored another impressive win over Woodbridge, but then fell victim to Perth Amboy, once again losing in a close decision. In the state tournament, the sluggish Carteret team shook off the Amboy defeat and readily disposed of Madison Township in the first round of play. The second round of play pitted the Ramblers up against a powerful Ocean Township team that possessed a 23-2 record. The Carteret team played inspired ball and almost upset the Ocean team before losing by five points.

The Ramblers ended the season with a 12-12 record, which was one of the best in recent years. Much of the credit for the successful season belongs to the dedication of the coaches Mr. Pete Kindzierski and Mr. Bill Karatz, as well as to Mr. Gene Barrett, whose constant support aided the Rambler spirit. As Coach Kindzierski once put it, "Basketball is once more respectable in Carteret."
