# **yesterday ... today ... tomorrow ...**

“Yesterday . . . Today . . . Tomorrow” is the theme of this 1976 edition of the Loudspeaker yearbook. These words reflect the thoughts of everyone – freshmen, sophomores, and juniors as they contemplate their approaching graduation, and the seniors as we stand on the horizon of new beginnings at our own graduation.

Our “Yesterdays” are a mixture of emotions. With excitement and reverence, we celebrate the Bicentennial Anniversary of our nation and the Fiftieth Anniversary of our school. With sadness and a twinge of relief, we leave behind four years of friends and teachers, laughter and learning, and success and defeat.

Our “Tomorrows” we look ahead to with fearful anticipation. There are so many new people to meet, so many new mountains to climb . . . so many dreams to become reality.

It is these “Yesterdays” and “Tomorrows” that make “Today” so special. For “Today” we still have our past to dwell in and a future to hope for. We are secure in the knowledge that no matter how bleak “Yesterday” was, we can make “Today” a little brighter.

In our yearbook, we try to capture these emotions. Within the pages of the *Loudspeaker* are sealed for us – the class of '76 – rich and tender memories of years spent at Carteret High School. It is these memories that will grow dearer to each senior as reflections of yesterday and dreams of tomorrow blend with magical simplicity into the todays of our lives.

## PAUL REVERE'S RIDE

*Listen, my children, and you shall hear  
Of the midnight ride of Paul Revere,  
On the eighteenth of April in Seventy-five;  
Hardly a man is now alive  
Who remembers that famous day and year.  
He said to his friend, "If the British march*

# bicentennial

On July 2, 1776, when twelve colonies (New York abstained) unanimously voted to sever their 169-year-old tie with England, they could only dream of the impact that this historical act would have on a young and vulnerable nation. Two days later, the signing of the Declaration of Independence symbolized the culmination of months and years of uncertainty; it was the end of one era and the beginning of a new-and-promising-one. For many eager young men, the American Revolution was fast becoming a reality. With a new and deeper pride instilled in the hearts of the colonists, the pace of American history was set.

## Concord Hymn

Sung at the completion of the Battle Monument,  
July 4, 1837

*By the rude bridge that arched the flood,  
Their flag to April's breeze unfurled,  
Here once the embattled farmers stood  
And fired the shot heard round the world.*

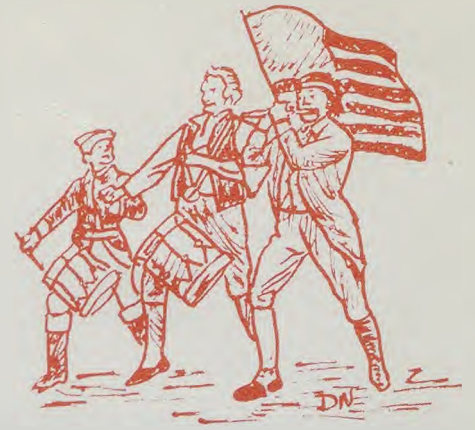

Ralph Waldo Emerson

By land or sea from town to town to-night,  
 Hang a lantern aloft in the Belfry arch  
 Of the North Church tower as a signal light,—  
 One, if by land, two, if by sea;  
 And I on the opposite shore will be,  
 Ready to ride and spread the alarm  
 Through every Middlesex village and farm,  
 For the country fold to be up and arm.

Henry Wadsworth Longfellow

## salute

Two hundred years later, the spirited fire of patriotism that was lit in the hearts of a few despairing colonies is still flickering. The force that united thirteen weak and, yet, hopeful colonies against a powerful nation is at work today. It is pulling together a problem-wearied and disenchanted people. It is trying to make the American dream a part of everyday life once again.

The Bicentennial Celebration of our birth as a nation is the cause of this spark of light. Across the country, it is evident that people everywhere are caught up in the same spirit that existed when the United States of America was only a dream away. The tremendous impact of that historic day 200 years ago has echoed down the years to give Americans the picture of a bright-and-promising-third century.

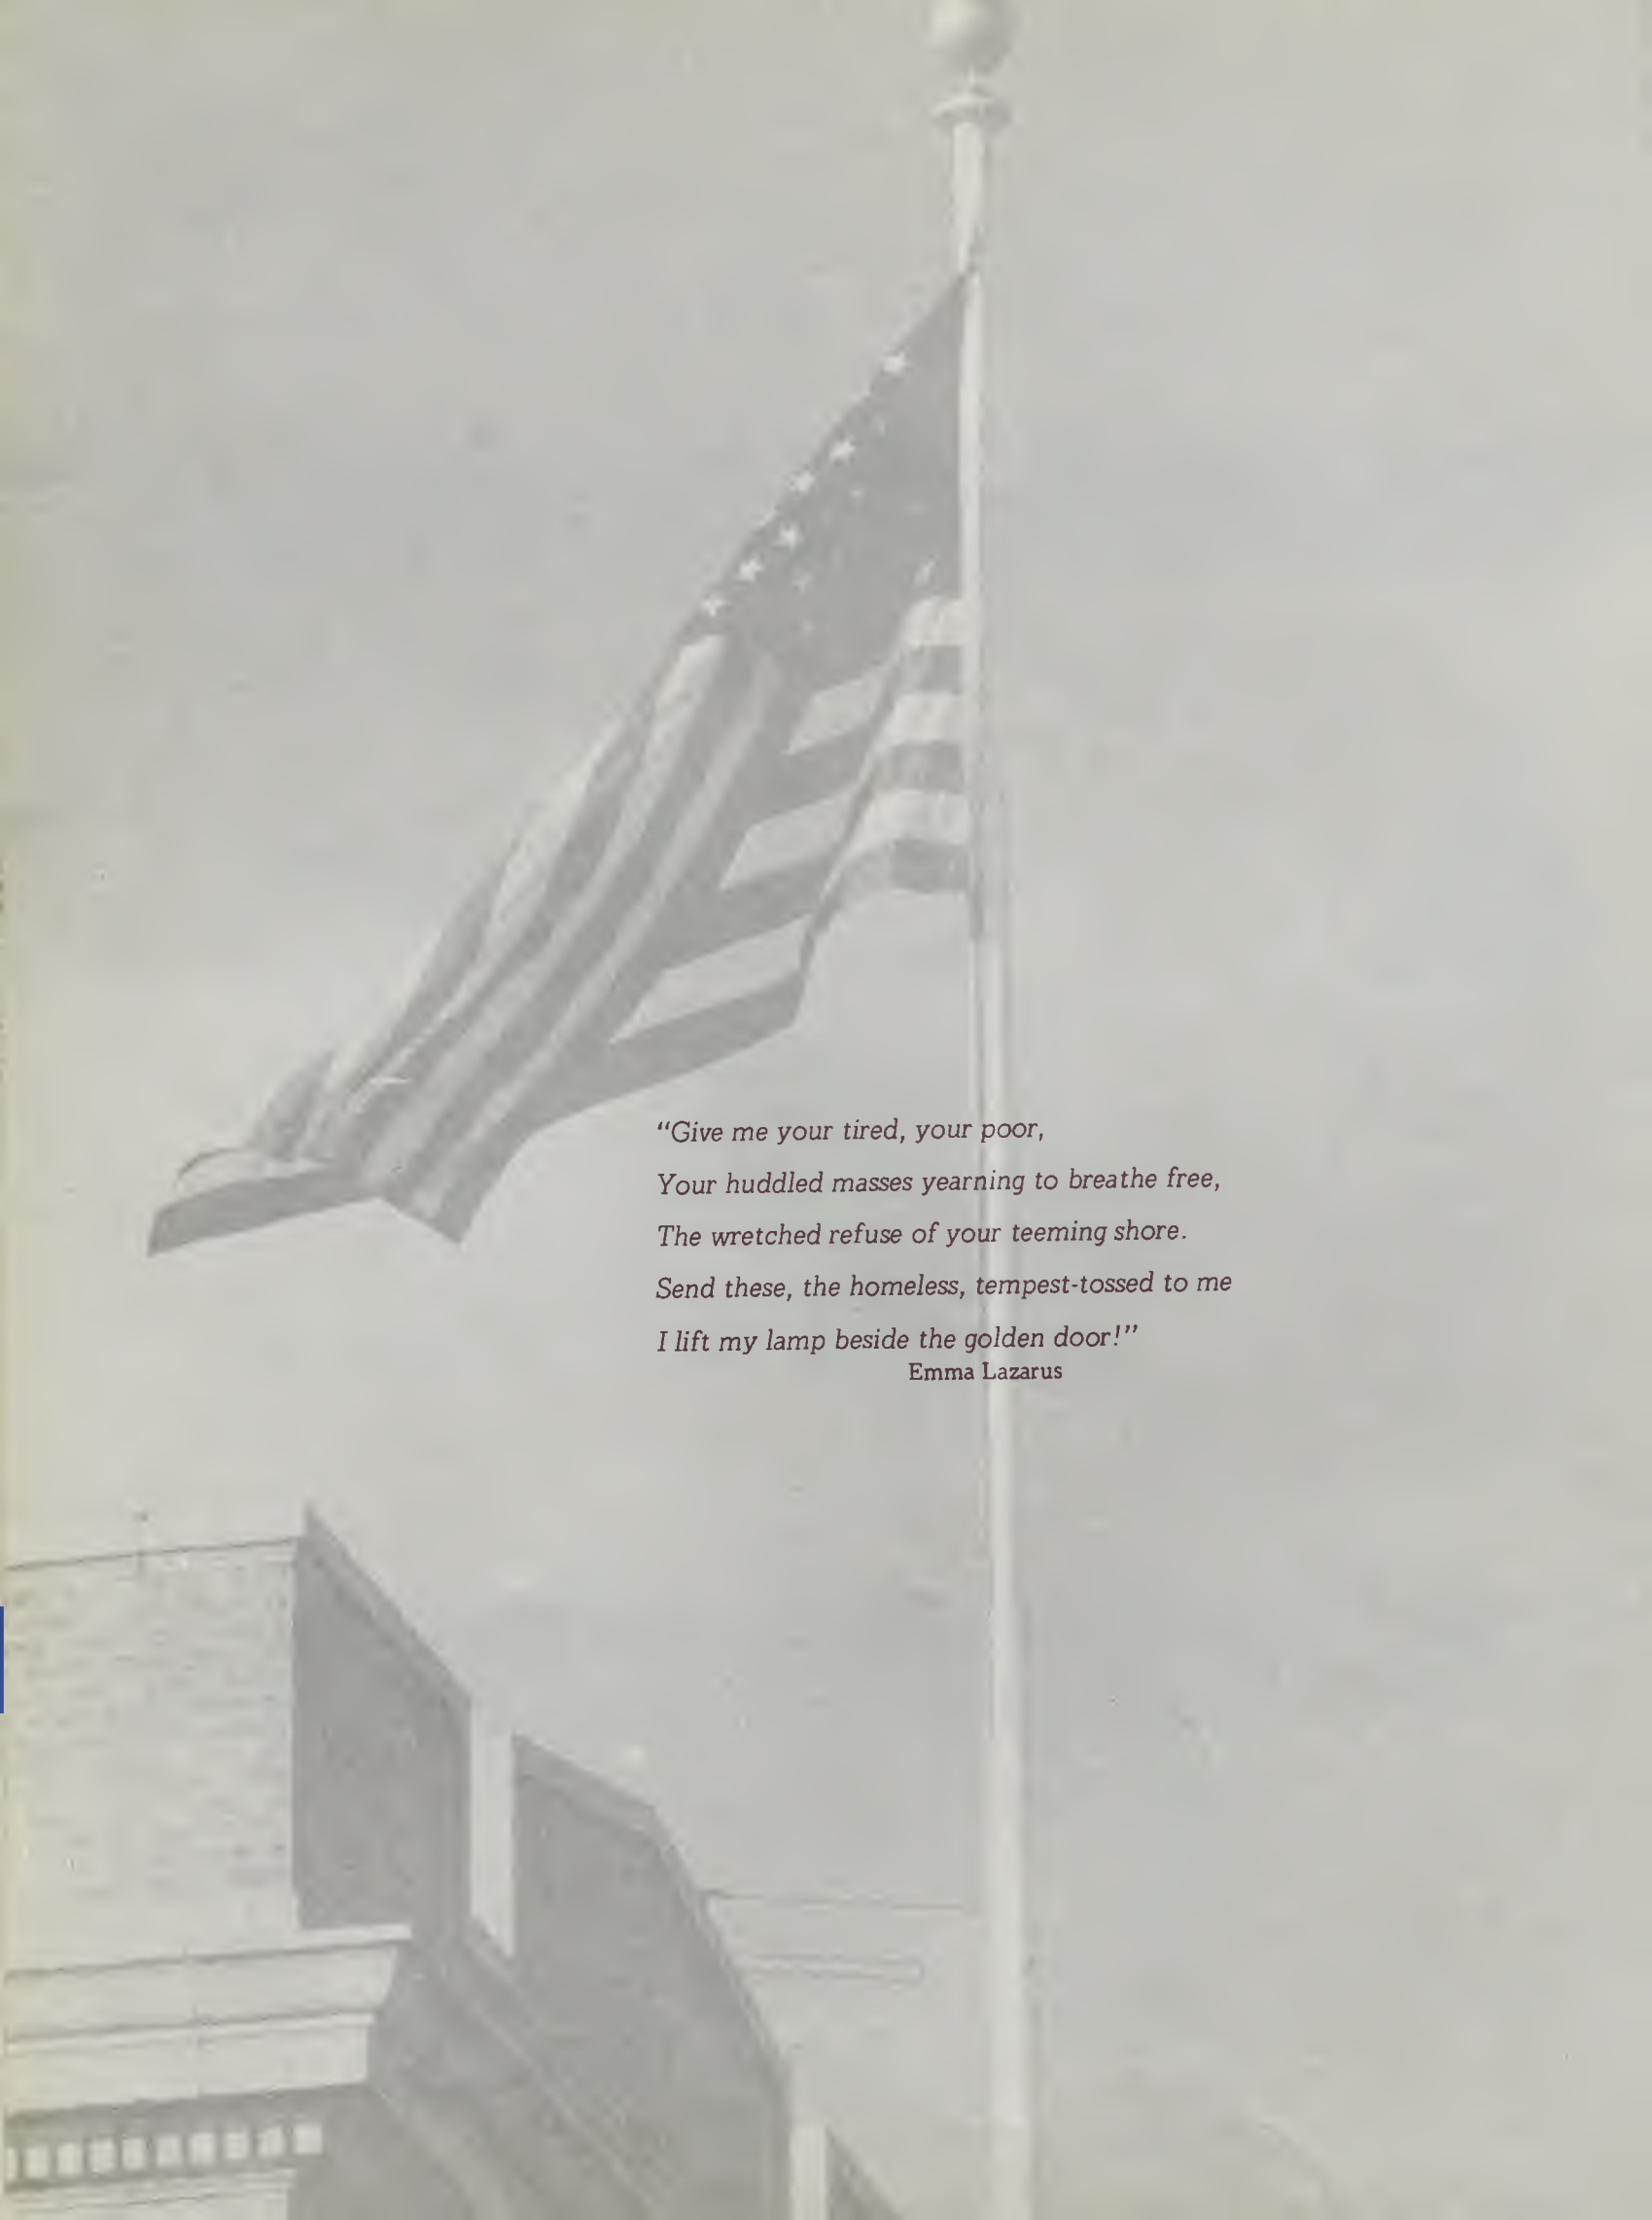

In this year of our nation's Bicentennial, those things that have long been taken for granted are being considered with honor and reverence. These symbols represent our struggle from thirteen helpless colonies to one of the most respected nations in the world not for our military power but for that power of individualism which each man holds dear.

The Liberty Bell and the eagle have, since the beginning of our glorious fight for independence, been symbols of our spirit — the spirit of democracy. As we enter the Bicentennial, now, more than ever, these two things are signs that have special meaning to each and every man who can call himself an American.

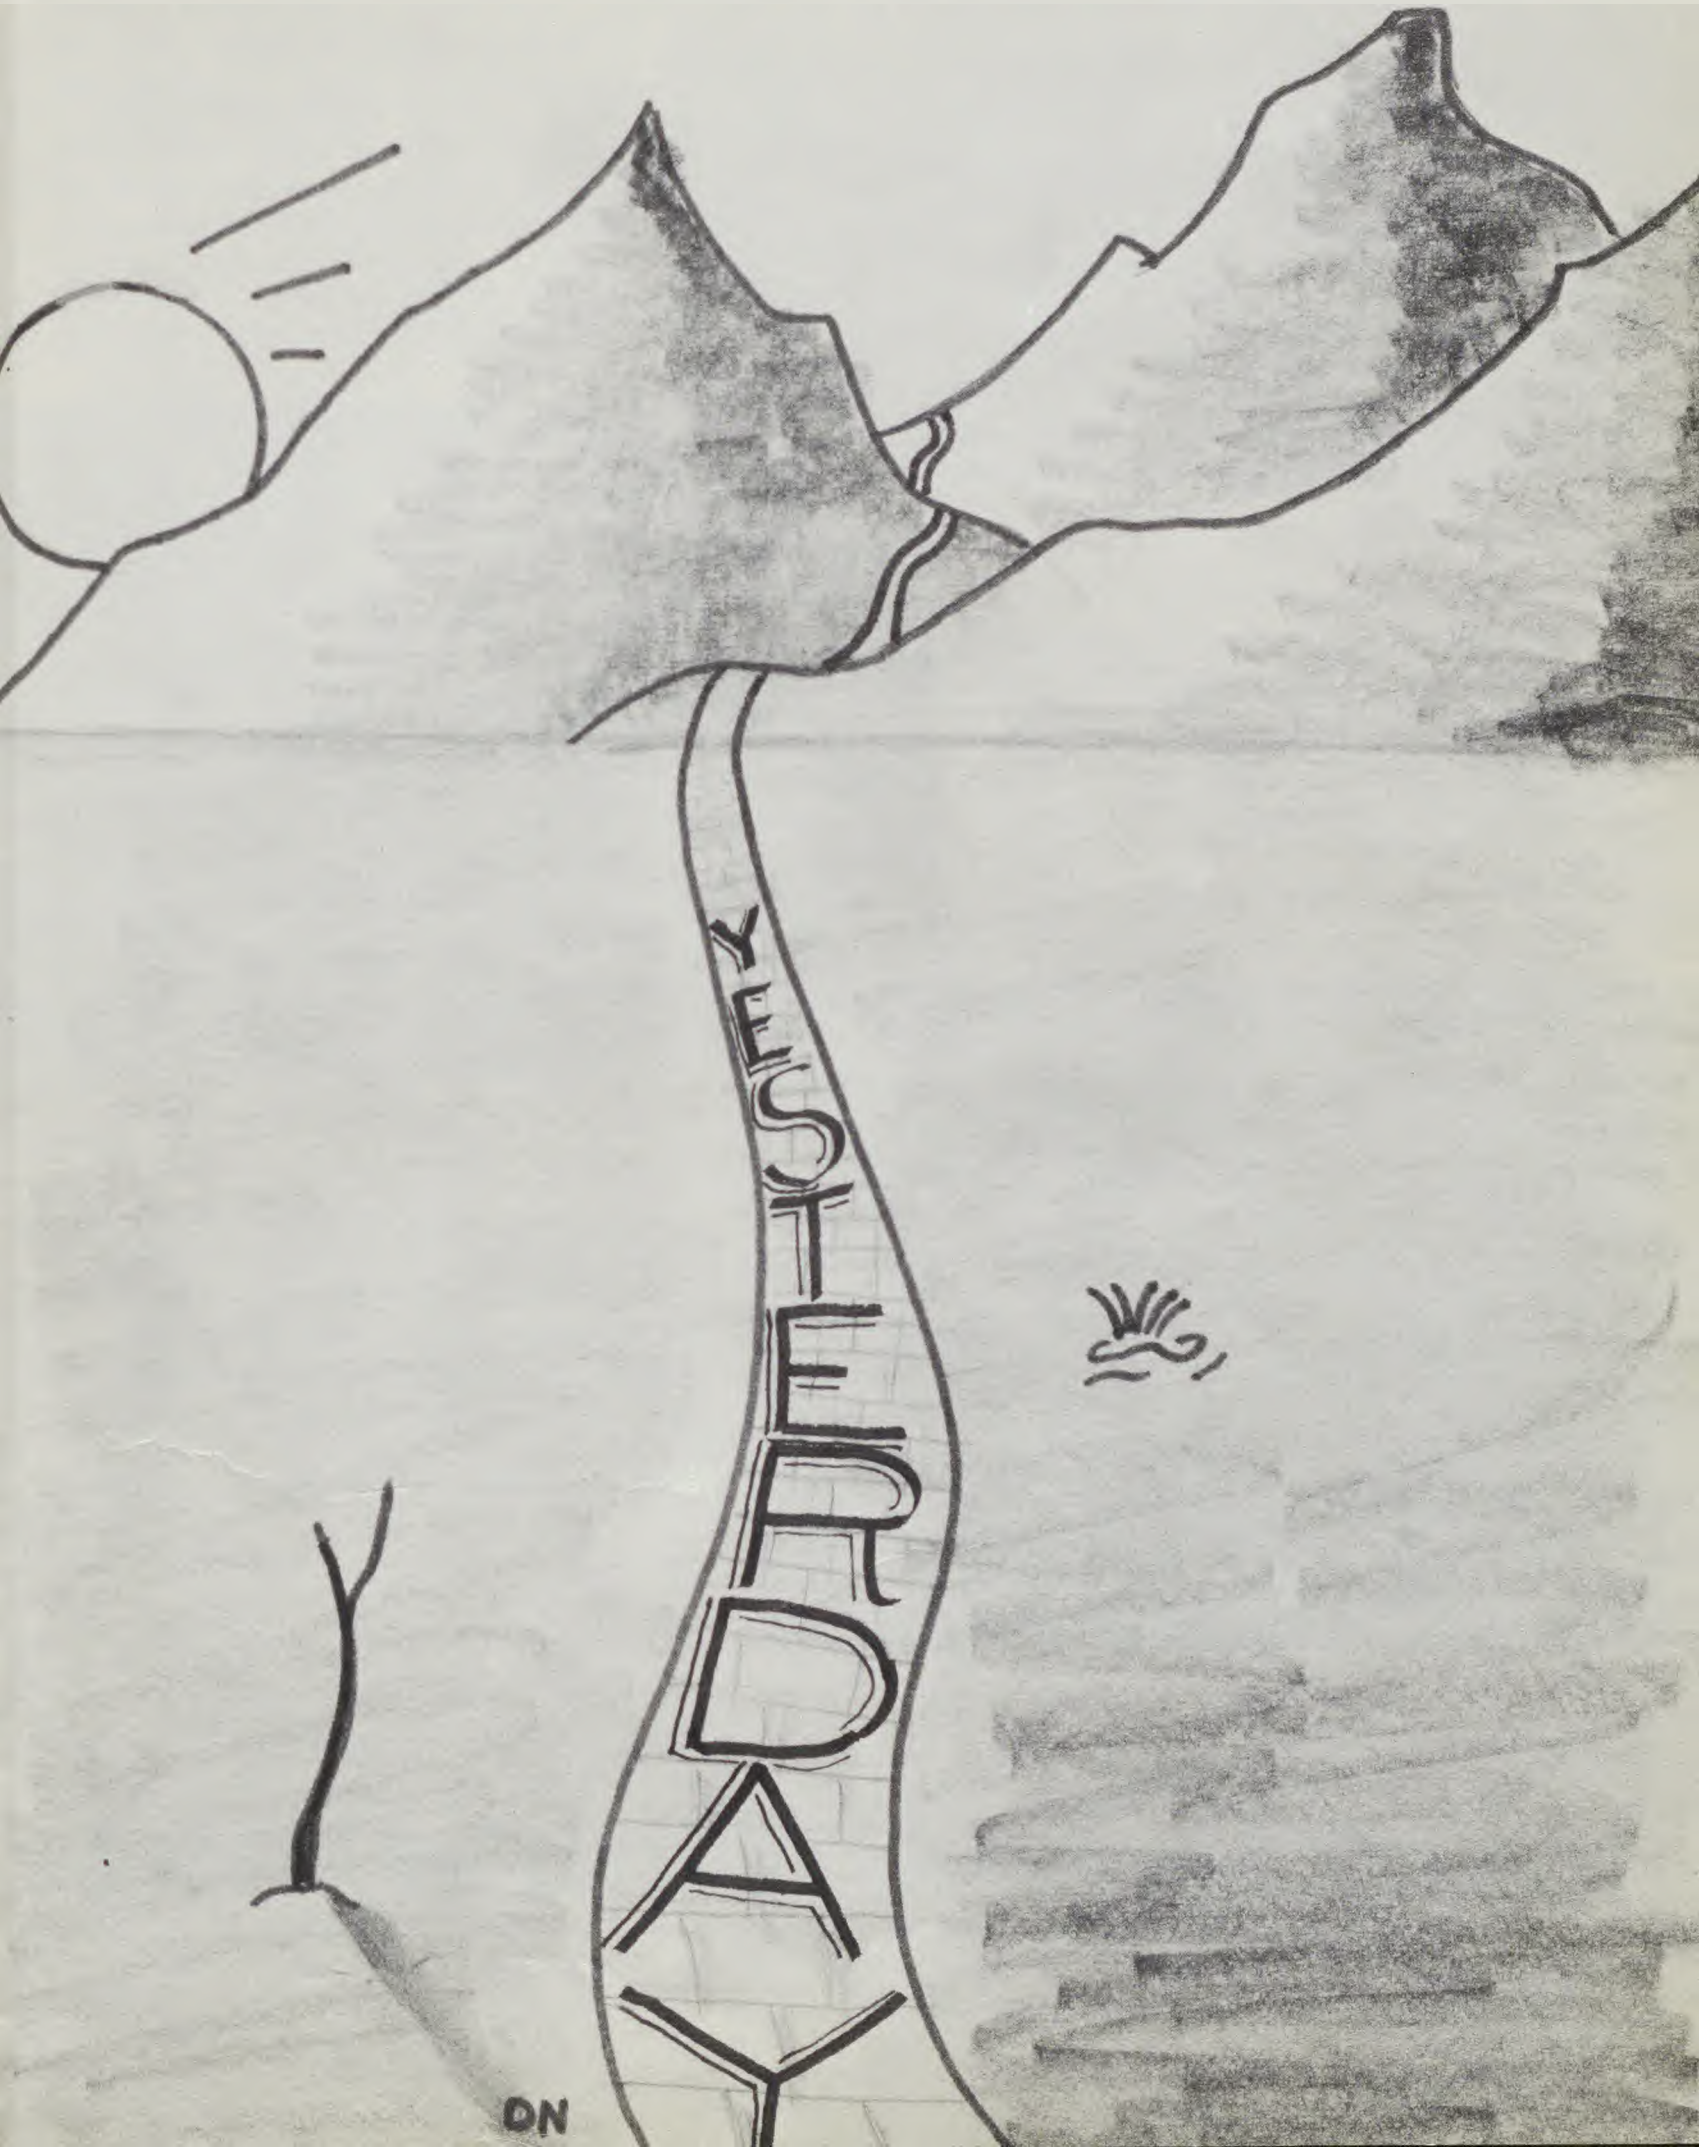

*"Give me your tired, your poor,  
Your huddled masses yearning to breathe free,  
The wretched refuse of your teeming shore.  
Send these, the homeless, tempest-tossed to me  
I lift my lamp beside the golden door!"*

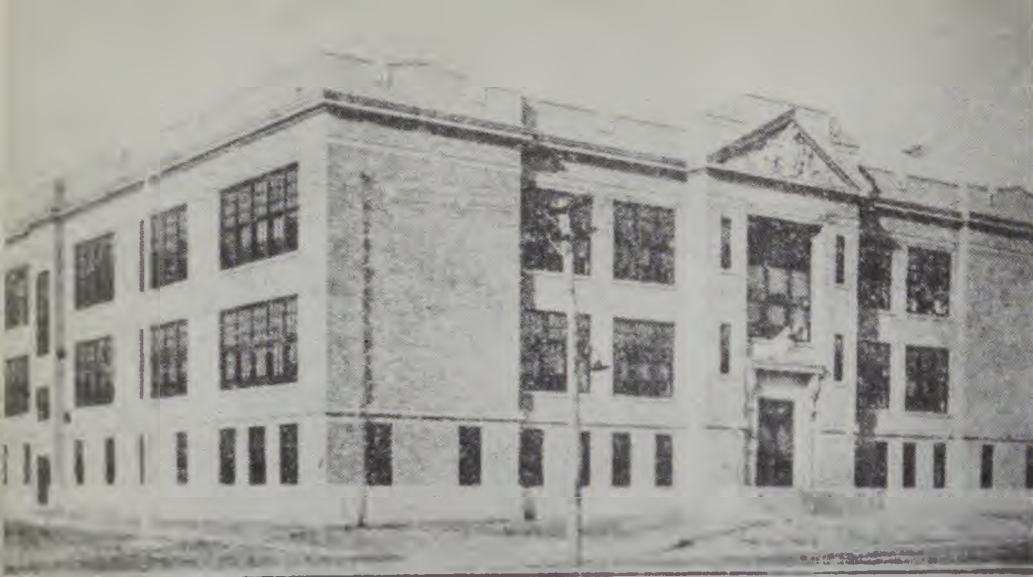

*Emma Lazarus*

## School History

Fifty years ago, the thirty students of Carteret High School's first graduating class received their diplomas. The school this class attended was much different than what it is today. The building, for instance, was appreciably smaller - the Louis Street wing and the Herman Avenue wing were not yet constructed. Curriculum provided less of a choice of subjects to the students. In addition, both the principal, Ann Scott, and the coach of the football team, which was called the "Macmen", were women.

Souvenir of Carteret High School, Opened January 7, 1926

Even the *Loudspeaker* was different fifty years ago. It was, in fact, the school newspaper. This paper was distributed four times a year with the final issue running a single group picture of that year's graduating class. Eventually, the book developed into the pages of memories that preserve for a lifetime four years of high school.

The waning years of World War II witnessed many changes within Carteret High School. The football stadium was built in 1937, the Louis Street wing was added in 1939, new courses of study were introduced, and new faculty members were employed to meet the needs of a growing student body. Robert J. O'Donnell was hired as an English teacher and Douglas King became a science teacher.

# Salute to C.H.S.'s 50th

A baseball field and tennis courts — added in 1940 — further supplemented the high school's appearance by occupying the space presently taken by the Herman Avenue wing.

As the years went by, further modifications were evident. The school building was enlarged with the Herman Avenue wing in 1965. The same year Mr. King, science teacher, became Mr. King, Principal, and Mr. O'Donnell became Superintendent of Schools in 1966. The newspaper changed its name to the *Ann Scott News* and the *Loudspeaker* became the school yearbook.

In fifty years of graduating seniors, many changes have occurred within Carteret High School. It is these alterations that have transformed a small, newly-formed school into the institution that graduated the class of 1976, consisting of 385 seniors. In the years ahead there are sure to be many more changes in the school, for new thoughts, ideas, and people are always emerging.

# Remember When

## REMEMBER WHEN . . .

Our class president was truant.  
 Our class trip was on, off, and then on again.  
 Everybody came back from Xmas vacation with canes.

S.A.T.'s were two days after the prom.

We won the Woodbridge Game in the last 17 seconds.  
 We finally got a new auditorium.  
 Gym became Co-Ed.

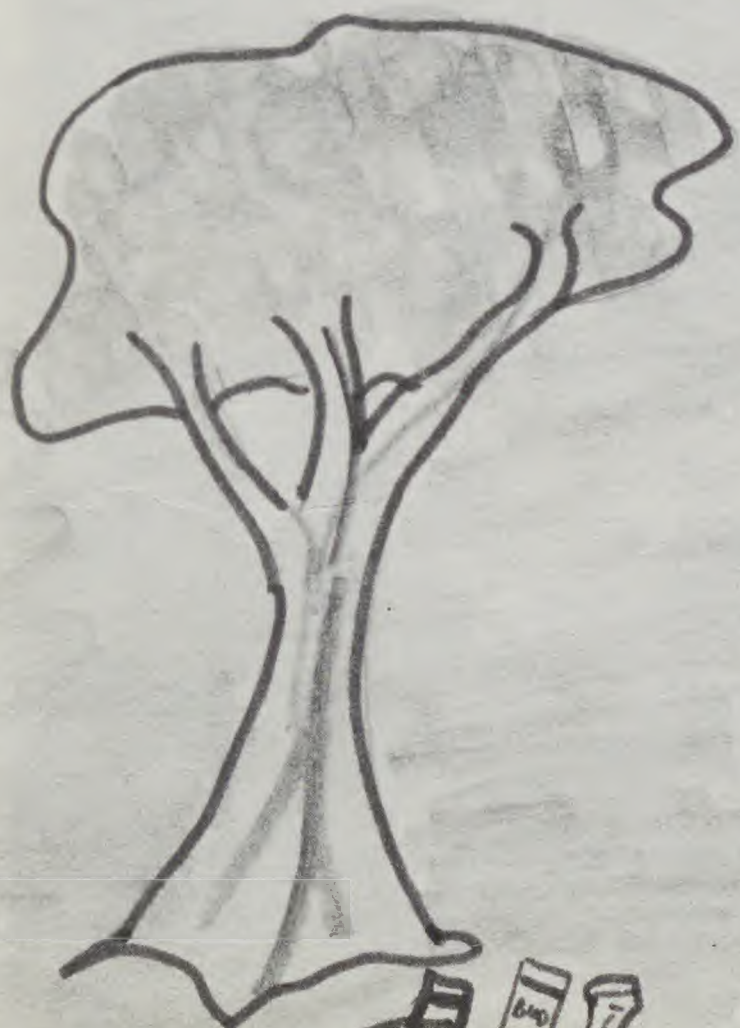

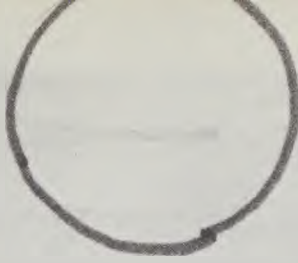

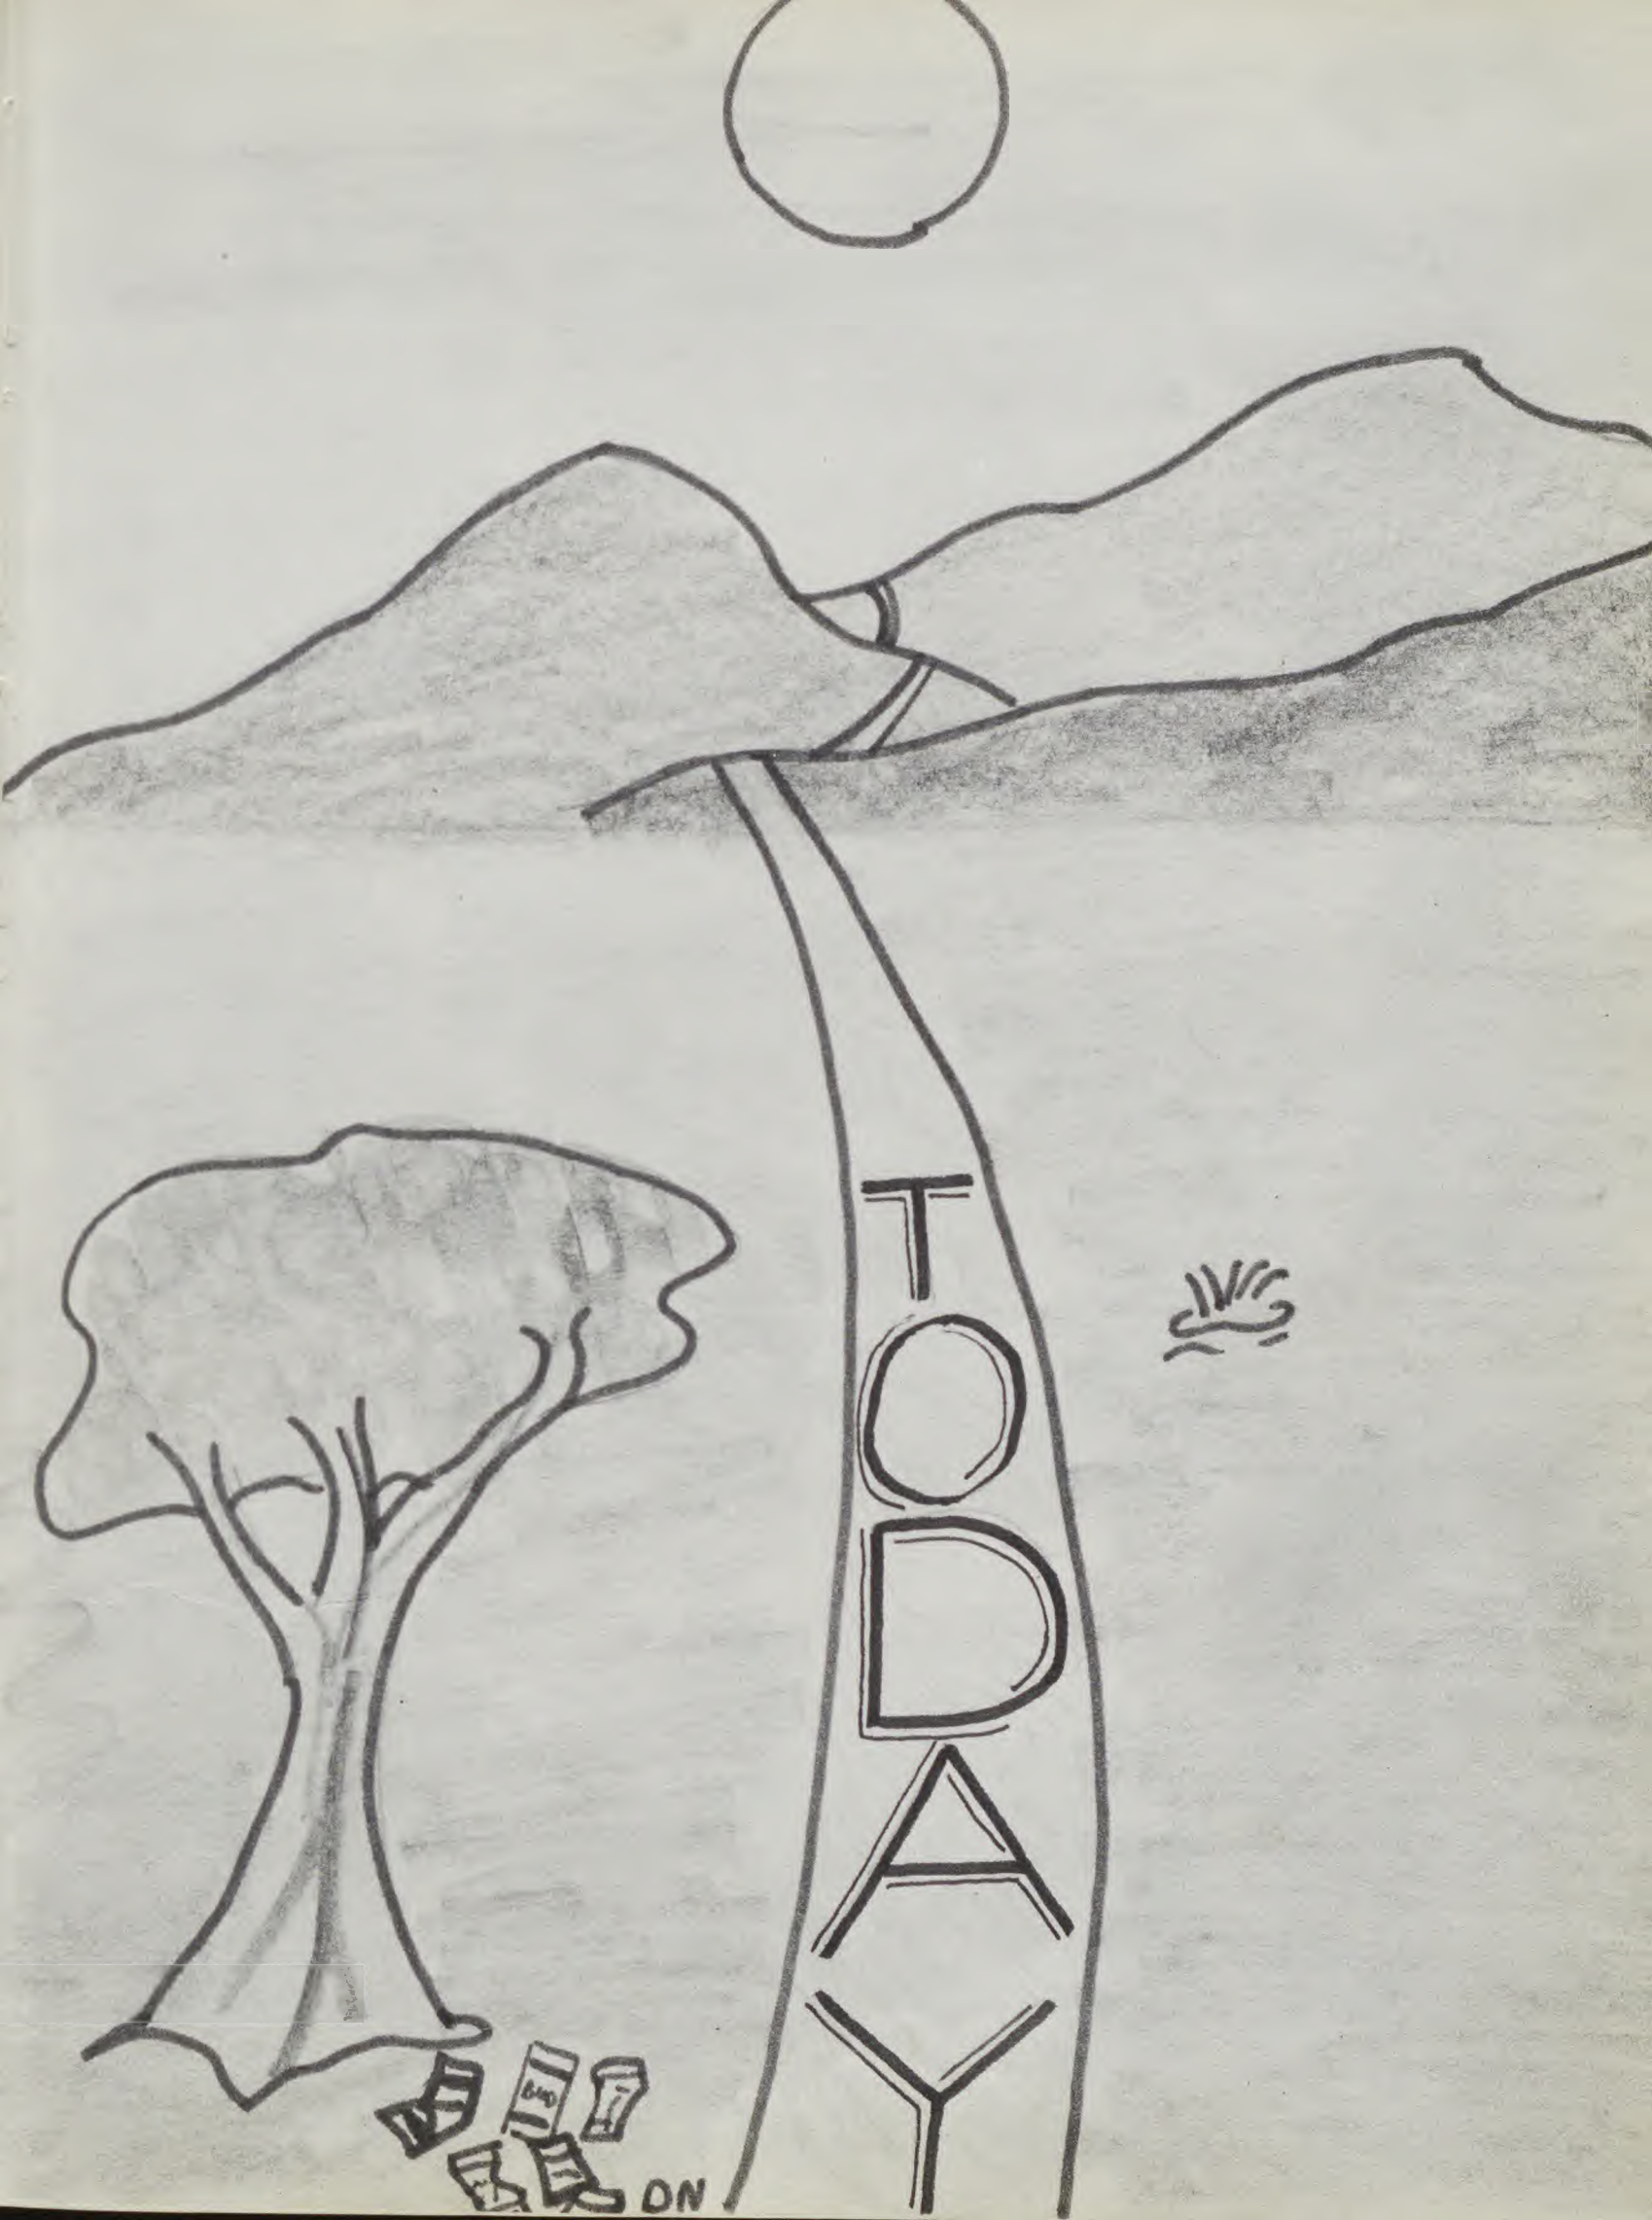

J.P.S. invaded Carteret  
 Mr. Niemiec thought he was Robert Redford.  
 There was a bat in chemistry.  
 The seniors sold M & M's.  
 C.H.S. went fro.

Mr. Farrell said "O.K." 75 times in 1 period.  
 Girls' sports came.  
 R.H. wore a bikini.  
 The track team had a track meet during their bar-be-que at Highland Park.

## Class History – 1976

As we, the class of 1976, look upon our years at Carteret High School, we reflect on the memories accumulated over the four years. Since Freshman year, we have made many new friends and shared memories together. Now as we look upon our thoughts of today and dreams for tomorrow, we think of the experience gained at CHS. As Seniors, let us look one more time at the four years we have spent at CHS.

Our four years started when we became Freshmen. Just the thought of being a high school student was almost more than we could imagine. Then as Freshmen, we were presented to our class advisors, Mr. Walter Niemiec, and Mrs. Dorothy Stowe, whose task it was to help us over the next four years. Our first responsibility as a class was to elect officers. Officers for that year were Pres. – Ken Venutolo, Vice-Pres. – Dawn Darowski, Sec. – Mary Ann McElwee, and Treas. – Dawn Pompeo.

Sophomore year came upon us before we knew it. We elected new officers (Pres. – Laura Bansbach, Vice Pres. – Donna Cafiero, Sec. – Mary Ann McElwee, Treas. – Dawn Pompeo). The class began to work together and planned car washes, candle sales and popcorn sales to make money.

Finally we became Juniors. Being Juniors meant being "upperclassmen." The year was very exciting and filled with many memories. The Sophomore officers were reflected as Junior officers. We received our rings early in January, which proved we were upperclassmen. Then the biggest event, the Junior Prom, "Beginnings," was held April 3 at the Dorian Manor. As Juniors we participated in many events such as Jr.-Sr. play, *David & Lisa*, directed by Mr. Spaldo, and, of course, our annual car washes and candle sales to help defray the cost of the prom and next year's Senior Dinner Dance. Now we couldn't wait until our final year – Senior Year.

As Seniors we were both anxious yet uncertain with the thought of entering our last and, hopefully, our best year at CHS. It was a busy year for us with booster and candy sales, the Jr.-Sr. play, *George Washington Slept Here*, the Kick-Off Dance, Homecoming and the Student-Faculty Game. After much uncertainty, the class trip to Washington, D.C. was held March 31, April 1-2.

As the year drew to a close, we approached our final activities as Seniors. June brought the Dinner Dance, held at the Patrician, and brought us one step closer to graduation, our final moment as seniors.

## in appreciation

Each year local individuals and organizations contribute scholarship aid to worthy and interested students. In addition to over \$150,000 received in scholarships and aid from the State of New Jersey and individual schools in 1974, for example, local contributions accounted for an additional \$6,500.

The *Loudspeaker* would like to take this opportunity to express the appreciation of the students and staff of Carteret High School to the following who have lent their support in the past:

*Carteret Women's Club*

*Veterans of Foreign Wars*

*4th Degree Knights of Columbus*

*Business and Professional Women's Club*

*Carteret Rotary Club*

*Washington-Nathan Hale PTA*

*Carteret Craftsmen's Club*

*Pvt. Nicholas Minue PTA*

*Catholic Daughters of America*

*Lincoln School PTA*

*Carteret Lions Club*

*American Legion Post No. 263*

*Columbus-Cleveland PTA*

*Carteret Education Association*

*International Relations Club*

*Future Teachers of America*

*Carteret Sportsman Association*

*Student Council*

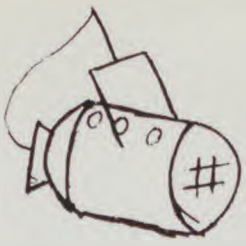

*William Sitar Memorial Award*

*Supermarkets General Citizenship Award*

*Julius Weisman Memorial Scholarship*

Karen Colton, Karen Lathrop,  
Editors-in-Chief; Mrs. Zaleski, Advisor.

As the theme of this yearbook, "Yesterday . . . Today . . . Tomorrow" reflects the thoughts of every senior. It is with fond memories of times gone but never forgotten that we, now, look ahead to a future of uncertainty.

As time goes by, these good times and hard times, friends and experiences, will be deeply implanted in the hearts and minds of every senior, never to be erased. It is the expressed purpose of this book to capture these memories and serve as a living reminder of the days gone by. The editors of the 1976 *Loudspeaker* would like to express their heartfelt gratitude and appreciation to all those people who devoted many long and hard hours to make this edition a reality.

## IRC

The international Relations Club provides students with the opportunity to investigate international events. The IRC has taken field trips to historical and international places, sponsored dances and the Bicentennial Essay and Oratorical Contest.

Carol Mahler, president; Joann Deladavitch, vice-president; Charlene Gomes, secretary; Carol Oldokowski, treasurer; Mr. Rea, advisor.

## NATIONAL HONOR SOCIETY

The National Honor Society is a select group of students who exhibit outstanding character, leadership, scholarship and service. Activities during the year included tutoring services, pot holder sales and bake sales. The club concluded its year with induction ceremonies for new members.

John Little, president; Doreen Spoganetz, vice president; Donna Cafiers, secretary; Donna Panila, treasurer; Anne McComb, John Polanin, tutorial coordinators; Miss Reilly, advisor.

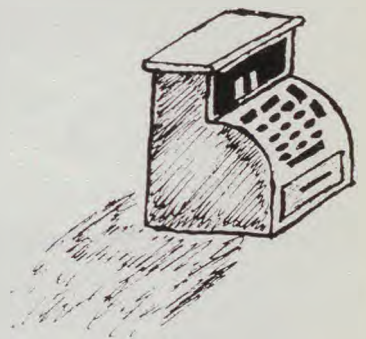

### COE

Part of the curriculum of the COE allows students the opportunity to earn 15 credits while gaining experience working 15-20 hours per week in a business related field.

Mrs. Kopko, advisor

### DECA

Mr. Scally, advisor

## CIE

Through Cooperative Industrial Education, students are given the opportunity to gain invaluable work experience in various industrial occupations. At the same time, these students are successfully completing their high school education. Mr. Ciccotelli, advisor.

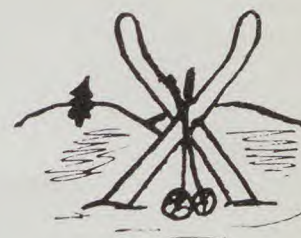

## FOODS CLUB

The Foods Club is composed of students who enjoy cooking favorite recipes each week after school. Other activities include raising money through food sales and community service projects at Christmas. Foods such as pierogies, fried chicken, lasagna, and desserts are prepared each week. Mrs. Wienhold, advisor.

# SKI CLUB

Under the direction of Mr. Peters, the Ski Club has skied the slopes of Great Gorge, Vernon Valley, Elk Mountain and, for the first time, Vermont. Mark

Malizewski, president; Kevin Pryor, vice president; Judy Loniak, treasurer; Joan Kochie, secretary; Joel Milik, Bob Kolibas, sgts. at arms; Mr. Peters, advisor.

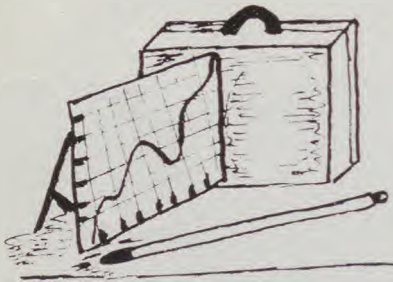

F.T.A.

The FTA helps students familiarize themselves with the prerequisites of teaching as a career. This year's activities included conducting a Story Hour at Carteret Public Library and classroom visitations on elementary levels. They also held an auction to raise money for a scholarship to give to a FTA senior interested in teaching.

Julie Szyborski, president; Stacey Thompson, vice-president; Ann Marie Hughes, secretary-treasurer; Mrs. Doherty, advisor.

F.B.L.A.

The purpose of the F.B.L.A. is to give its members a better understanding of the business world in order to help these students attain a more successful foothold in the world of high finance. Debbie DeGenaro, president; Maureen McFadden, vice president; Diane Kjems, corresponding secretary; Joann Ginda, treasurer; Bernadette Wawrzynski, secretary; Lorraine Petrillo, historian; Mr. Testa, advisor.

## GERMAN CLUB

The German Club participated in the International Banquet, which gave the students a chance to sample foods from Germany. The club also had a weihnachtsfest, or Christmas festival.

Debbie Philipp, president; Paul Mensinger, vice-president; Sandra Sallustio, secretary; Mauro Sallustio, treasurer; Mrs. Jacobs, advisor.

## LATIN CLUB

The Latin Club gives students an opportunity to enjoy various aspects of Latin culture. During the year the Latin Club has held such activities as a Saturnolia, or Roman Banquet, and International Banquet. The members also visited museums of art and history, as well as planning a spring trip to Italy. The Latin Club also participates in the New Jersey Classical League Convention.

Adrienne Hollander, president; John Michel, vice-president; Michele Panila, secretary; Sara Dominguez, treasurer; Mrs. Sansone, advisor.

## POLISH CLUB

The Polish Club is designed to encourage the students' awareness in Polish heritage through lectures, slides, and films. Their activities included attending the N.J. Polonian salute to the U.S. Bicentennial and attending a showing of Mazowsze, the internationally acclaimed folk dance and song group from Poland.

Lucille Fortuny, president; Helen Pienczykowski, vice-president; James Dobrowolski, treasurer; Darleen Chaya, secretary; Natalie Heiderman, Student Council representative; Mr. Tomczuk, advisor.

## UKRAINIAN CLUB

The Ukrainian Club is a new organization headed by Miss Imbimbo. Their activities included fund raising pirogie and brownie sales. In the future the club wishes to raise money by sponsoring volleyball games for competition, a bake sale, and dance.

Pete Maslak, president; Lisa Chimiak, vice-president; Kathy Sowirka, secretary-treasurer.

## SPANISH CLUB

Students who have a genuine interest in Spain – its language, people, and culture – are members of the Spanish Club. Activities such as lollypop sales and the International Banquet have been held to subsidize trips to a Mexican Restaurant and the American Indian Museum in New York.

Gloria Lloyd, president; Valerie Heiderman, treasurer; Darleen Chaya, secretary; Miss Coniff and Mrs. Witt, advisors.

The French Club provides those students studying the French language with the chance to broaden their knowledge of the intriguing country of France. Activities this year have included Christmas Caroling, the International Banquet, and a trip to New York City.

Mirta Cruz, president; Pauline Maclean, vice-president; Janet Hrudowsky, secretary; Yvonne Bialik, treasurer; Mrs. Scheer, advisor.

### UNKLE RAMN SOCIETY

"Be True to Your School" is the motto of this pep club. The members showed their spirit by supporting the Blue and White with cheers of "We're No. 1." The club's objective is to keep school spirit alive among the students. Fund-raising activities included banner and poster sales. Anne McComb, president; Maureen McFadden, secretary; Donna Panila, treasurer; Miss Minicielli, advisor.

### INTRAMURALS

Intramurals encourages an interest in athletics and inspires good sportsmanship among its participants. Through competition among the student body, students are introduced to sports such as tennis, soccer, modern dance, bowling, weight lifting and gymnastics. Without the pressure and competitiveness associated with a school team, these activities enable the students to develop skill and proficiency in a particular sport at their own pace. Under the guidance of the advisors, who promote adeptness and instill confidence in the students, individuals can master their own limitations and excel. Intramurals is, indeed, an invaluable experience.

BASKETBALL INTRAMURALS:

# S P O R T S

"... it is not the critic who counts, not the man who points out how the strong man stumbled, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena; whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes short again and again; who knows the great enthusiasm, the great devotions, and spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement; and who at the worst, if he fails, at least fails while daring."

*Theodore Roosevelt*

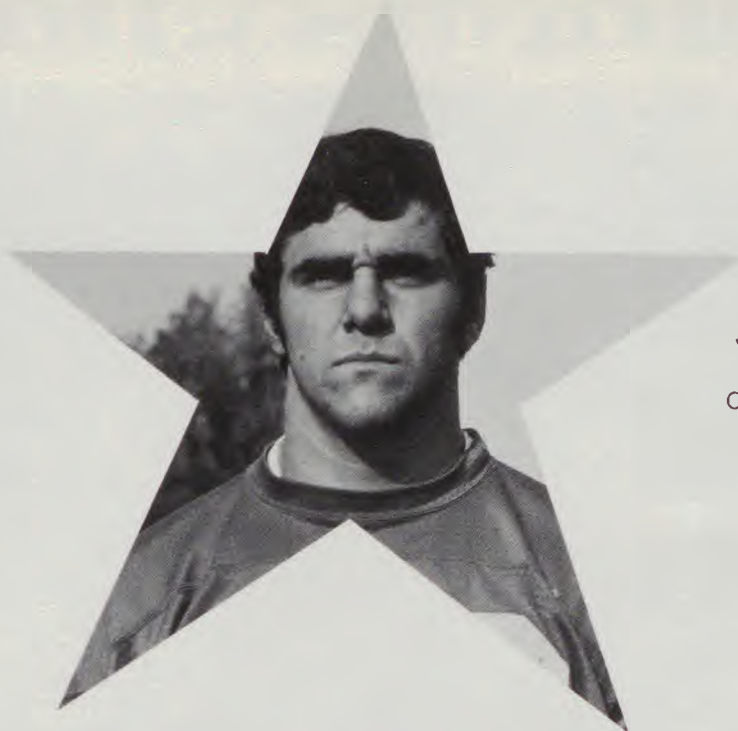

The 1975 Rambler Football season, which had its beginnings in the grueling heat of early September and its ending in the late November cold, was one which will be remembered for many years to come. In the half-century of Rambler football which preceded it, few teams approached the level of excellence achieved by the 1975 Ramblers, nor have many seasons generated the excitement and enthusiasm which characterized the 1975 season.

The Ramblers' first game, against Madison Twp., typified the season that was in store for the team. After taking a hard-fought 20-18 victory, the Ramblers went on to defeat both Kennedy and Cedar Ridge. Unfortunately, the Ramblers went on to lose their next game to Colonia, in conditions that were better suited to skindiving than to football. In true Rambler tradition; however, the team came back to win their next three games and qualify for the state playoffs. The Ramblers' next game, against Woodbridge, will undoubtedly go down in Carteret High School history as one of the most exciting ever played by a Rambler team. After almost four quarters of good, hard-hitting football the Ramblers pulled out a last-minute, 13-8 victory. Rambler hopes for a state championship were dashed in their next game, a 23-21 loss to Franklin: a game which featured a remarkable Rambler comeback that unfortunately fell just one blocked pass too short. The Ramblers finished their season, and the seniors, their careers, with a 54-0 explosion against Perth Amboy. This final game was a fitting end to a memorable season, and to the memorable careers of the graduating seniors. The seniors leave behind a record of winning unmatched in fifty years of Rambler football, being the only team to win sixteen games in two seasons.

As for the seniors, they first extend their appreciation and gratitude to the fans, the band and bandfront members, and finally the cheerleaders for their enthusiasm and support which helped the team through the season's rough spots. Second, they wish to thank the sophomore and junior Ramblers who helped make this past season possible and to wish them great luck and success in the coming seasons. Finally, and most importantly, they wish to thank the coaches, without whom the 1975 season would never have happened. These men, through their work and dedication, gave the seniors the building blocks for a winning season, and more importantly, for a successful life. The seniors, then, leave Rambler football with three thoughts: Good-bye, Good luck, and Thank you.

### REBUILDING SEASON

## varsity

From the very beginning it was known that for the Carteret High School soccer team coached by Mr. Gonczlik this was to be a rebuilding year. The men who carried them to the county championship the previous year had graduated. In their place remained a fresh but mostly in-experienced squad. Despite their 4-1-1 record the team played exciting, aggressive soccer. Included in their victories were a win over highly regarded Madison Township and another win in the first home night soccer game in Carteret history. Led by seniors Don Mahler, Steve Viola, Jim Gallagher, Tom Fruscella, Greg Lynch and John Stefura the closely battled opponents with much more experience. The fruits of this rebuilding season should be harvested next year. With varsity starters Barron, Yavorsky, Garcia, Miller, McWatters and reserves Zabel and Slomko all returning, plus a solid 8-5-1 J.V. team contributed by Coach Cowan, the future indeed looks bright for Carteret High School soccer. Perhaps next year we will see that county championship returned to C.H.S.

The Carteret High School Girls' Gymnastics team concluded their first year of competition with a season record of 4 wins and 6 losses. This record, however, does not indicate the continuing progress the team made by raising their team score from 63 points in the first meet to 77 points in the last meet.

The team placed 4th in the conference and 4th at the County Tournament. Individual awards were given to Carol Gurney and Janine Stanton for their outstanding performances. Carol placed 4th in vaulting competition and 5th in the balance beam competition at the County Tournament. Both girls were invited to the State Sectionals where Janine placed 3rd in the uneven parallel bars competition qualifying her for the State Finals. At the State competition Janine outscored her opponents and became State Champion in the Uneven Parallel Competition. Carl and Janine were both voted to All-Conference teams. Janine was voted first team in the uneven bars category and honorable mention in both the balance beam and all-around categories. Carol was voted to the second team in the vaulting category and honorable mention in both the balance beam and uneven parallel bars category.

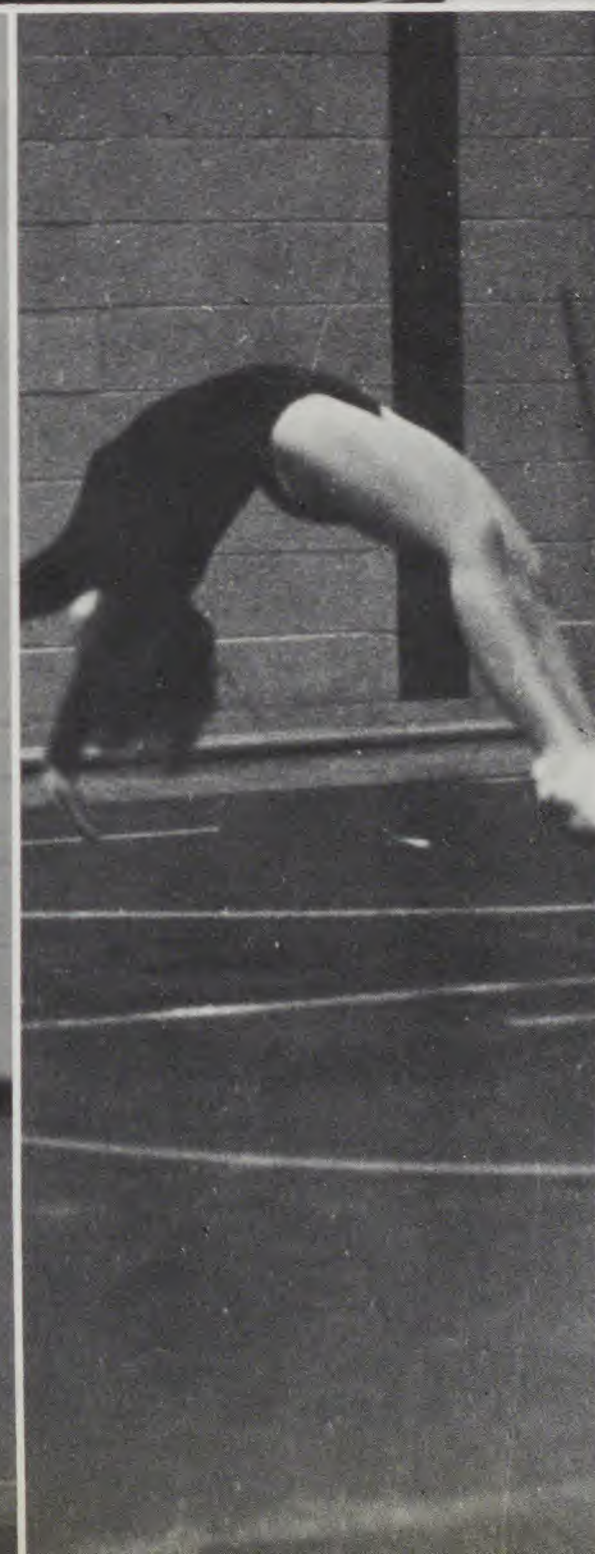

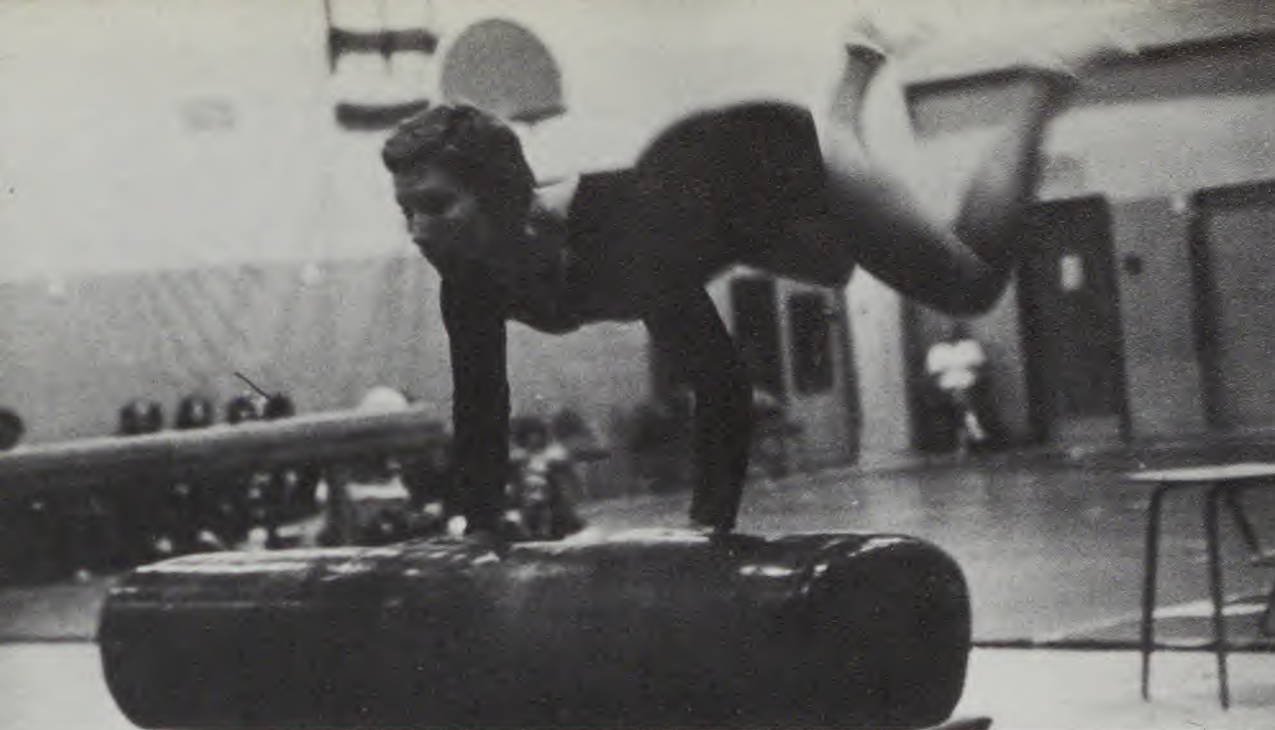

The team was enthusiastically led by captain Sherri Leonard and co-captain Carol Gurney.

Regular competitors in meets in addition to Carol and Janine were Elaine Chelak competing on the balance beam, Carey Donovan competing in vaulting, Janet Balowicz competing in both floor and exercise and on the balance beam and Sherri Leonard competing in vaulting, floor exercise and on the balance beam.

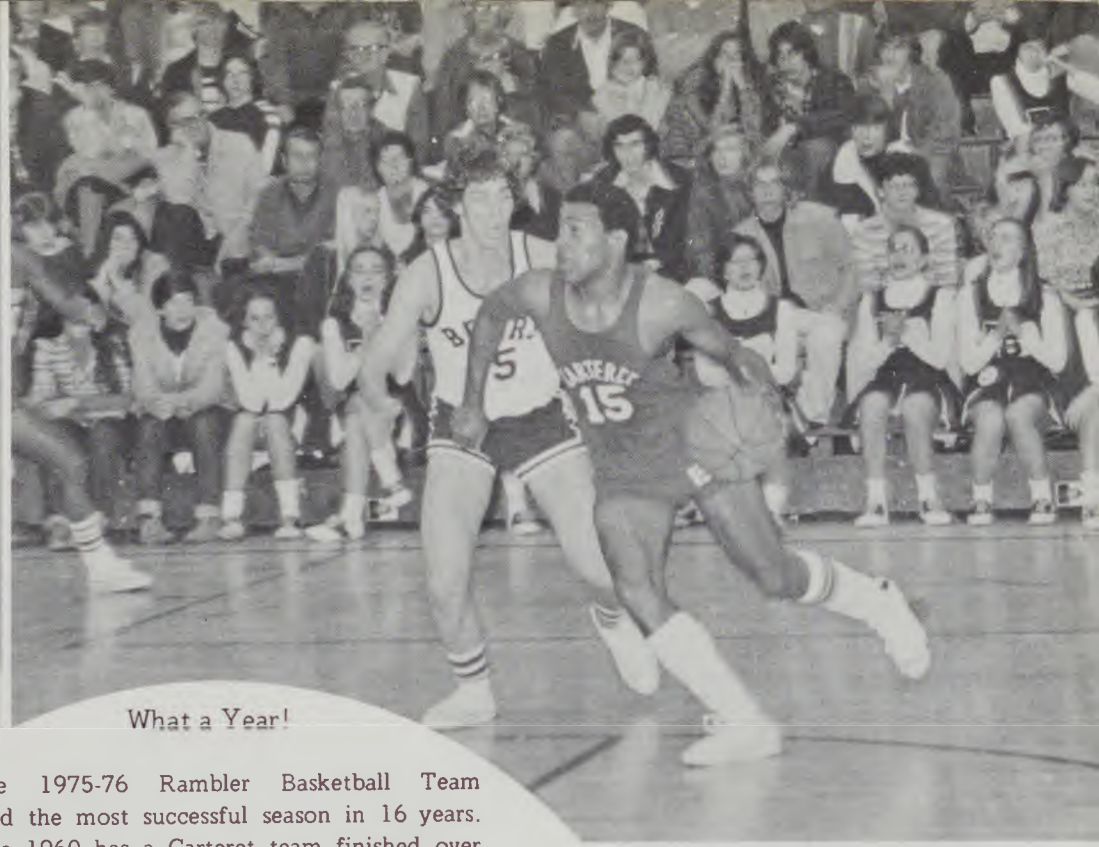

All of the gymnasts put a lot of time and effort into learning new skills and practicing routines during this first season. This young team is looking forward to a more victorious season next year with all of them returning for competition, including the coach Mrs. Kathleen McFadden, who has outstanding ability as a coach. Her encouragement helped the girls to become more skilled than most thought they could.

### What a Year!

The 1975-76 Rambler Basketball Team completed the most successful season in 16 years. Not since 1960 has a Carteret team finished over .500.

For 16 years opposing teams looked forward to playing at Carteret. But not any longer. A look at the home court record shows the Ramblers to be undefeated with a perfect 12-0 record.

Led by seniors Tony Veverka, Larry Turner and Orié Hawkes, Carteret displayed a pressing defense and a running offense which left opponents helpless and defeated.

Among the highlights of the season were: 18 wins; 12-0 home record; 2 time winner over arch rival Perth Amboy; 2nd place in MCAC; 2nd place Central Jersey Group III.

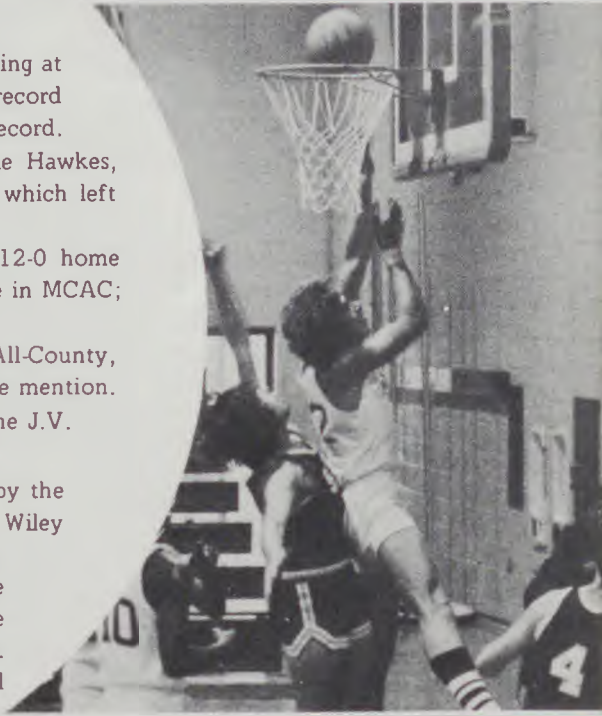

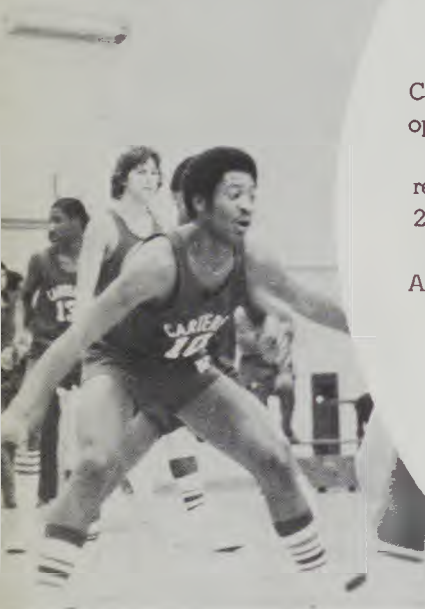

Individual highlights included: Tony Veverka All-County, All-Conference; Orié Hawkes and Wiley Tharrington, honorable mention.

Success was not only found at the Varsity level. The J.V. team completed another fine season with a 20-2 record.

The heroics of the season were not only supplied by the three seniors. Strong junior contributions were made by Wiley Tharrington, Gregg Litus, L.J. Caldwell and Vic Hrudowski.

The highlight came with a buzzer shot in the finals of the County Championship. This victory gave Coach Karatz his second county title in three years.

The Freshman also completed a successful season with an 11-7 record.

The third consecutive year of the Girls Basketball Team has proven to be quite a success. Gallant efforts and exhausting practices led this year's squad to be a winning season. Even though injuries plagued the team in its early going and throughout the season, the girls fought back to a 12-11 record.

A very strong and aggressive J.V. squad dominated the county. Through the help and guidance of Mr. McFadden, the J.V.'s ended their undefeated season with an 18-0 record.

Christmas came and with it a very special present for the "Ramblerettes." In the first round of the Leo Klein Christmas Tournament, it was Carteret pitted against Perth Amboy. The game was a tough one with Carteret losing most of the way until the last two minutes. With a hard-working press and the knowledgeable coaching of Mrs. K., Carteret came from behind to win by 3 points in the closing seconds. Then, Carteret went on to win second place, for the first time in the three year history of Girls Basketball.

Another record was set by this year's team. In the month of February, the "Ramblerettes" faced arch rival, Colonia, at home. The results of this game was an all time high with the team scoring a record breaking 89 points.

At the close of the '75-'76 basketball season, the Middlesex All-County team was announced. Carteret represented itself by placing two upon the squad. Jane Lawlor, one of the co-captains, was named to its first team. Mary Cafasso, a co-captain as well as a retiring senior, was named to its second team.

This year's powerful and experienced team was led by the diligence and determination of the following seniors: Joann Deladivitch, Sue Litus, Joanne Sinker, Doreen Spoganetz, Dawn Pompeo, and Marybeth Zajac.

Good luck to next year's team!!!

## girl's varsity bowling team county & conference champs

The 1975-76 school year saw the arrival of a new winter sport at CHS – Varsity Bowling. Both the girls' and boys' teams had their initial seasons this year and both teams enjoyed success.

The boys' team ended its season with a match record of 6-12-4 in a league that was filled with stiff competition. Its final placement in the Central Jersey High School League was seventh out of twelve teams. They came on strong at the end of the season, being led by senior Ed Vega with an average of 170. Valuable experience was gained this season and the boys' team is looking forward to next year.

The girls' bowling team enjoyed even more success, capturing the Central Jersey High School League title with a match record of 18-1-1. They scored 71 out of a possible 80 points. They topped that off by also winning the Middlesex Conference Championship.

Kathy Freeman led the entire girls' league with an average of 160, followed closely by Maureen Walsh with a 154 average, fifth highest in the league. In fact, the remaining three starters, Martha Melech, Karol Molnar and Jo Ann Patterson all finished in the top twenty-five of the 110 girl bowlers in the league.

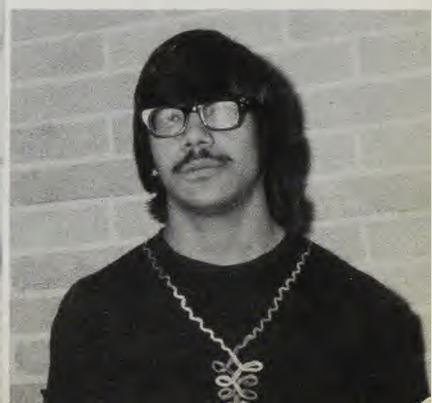

Besides leading the league and conference, Kathy Freeman also finished in seventh spot out of 270 bowlers in the State Tournament.

The purpose of a yearbook is to capture the thrilling memories of the past year. Yet the memories of the Carteret High School wrestling team still lie in the future. While this year's squad competed admirably against its opponents, it was nevertheless a young and inexperienced group of wrestlers. Of the twelve first-string wrestlers, only four of them will graduate. Returning to form the nucleus of next year's team are three juniors, four sophomores, and a freshman. Needless to say, it is these returnees who will provide those memories yet to come.

Of the eight boys who will wrestle once again for Carteret, one is deserving of special mention. Junior Bill Solomon, our 129-pound co-captain, finished the season as runner-up in the District XV finals at his weight and became only the second wrestler in six years to represent C.H.S. in the regional wrestling tournament. Yet for Solly, as for the rest of the Ramblers, his memories are still in the future. He, along with co-captain Ed Russell, hope to fill next year's yearbook with memories of trophies and championships won.

It goes without saying that everyone plays an important role in preparing for the future. And so, to the four graduating seniors, Walt Cackowski, Crandall Johnson, co-captain Eric Richert, and Jim Gallagher, the team of the future thanks you for the memories you've given us.

A Rambler for All Seasons is a special feature designed to honor a special athlete. Lettering on the Varsity level comes through hard work and, often, with little recognition. It represents a measure of success that only a small percentage of students can claim. To letter in three sports in three seasons requires overall versatility along with the giving of one's time from September 1 until May 30.

A special congratulations goes to the 1976 Ramblers for All Seasons.

# a success story

The Carteret High School Girls' Track Team made its debut as a varsity sport just three years ago. That first season was a learning one – new sport, new coaches, new team. Since its rookie year, however, the Girls' Track Team has made tremendous strides. With each season has come several outstanding performances by members of the team. The team has also improved its record each year, hoping to better their record again this season.

In our first varsity season, one senior girl established herself as our first "track star." Athena Ihnat set the school records for the 100 yard dash and 220 yard dash. Athena really proved herself a champion as she won thy 200 yard dash in the County Meet to become our first medal winner. Athena served as an inspiration to many girls and her records still stand today. Athena received the first Carteret High School award for Girls' Track Most Valuable Player.

In our second varsity season two senior girls, who served as team captains, provided the leadership the team needed. Marge Peletier set records in the hurdles, high jump and 440 relay. She was one of the top finishers in the hurdle event in the County Meet. The second senior star performer that year was Sue Ferenchiak. Sue's specialty was the 440 and she has the school record in that event. She was also a member of the Mile Relay team and a finalist in the County Meet. Not only were Sue and Margie leaders on the track, both girls ranked high in the class academically. These two seniors, combined with many other performers, contributed to the team's growth in our second season. Because Marge and Sue were such outstanding performers, both girls shared the honor of being nemed Girls' Track Most Valuable Players.

Now in our third season, we see several girls who have been on the team for three seasons reaching their peak and contributing to victories for CHS.

Senior Donna Panila has set the school record in the javelin and has been a consistent point getter for the squad. Junior Marybeth Russo, in her third varsity season, has come on strong in the shot put and discus, for which she holds the school record. Senior Joanne Sinker has set the school record in the long jump. Joanne also runs the 440 and participates in the Mile Relay.

We are most fortunate to have a squad composed of predominately underclassmen. We have high hopes for many of the girls on the squad including: Venus Ihnat – hurdles, 220, 440 relay; Linda Molarz – 100 yd. dash, 440 relay, long jump; Michele Kalnok – 100 yd. dash, 220, 440 relay; Maria Hnat – 100 yd. dash, mile relay; Bethan Hogan – shot put, discus; Alice Moll – 880, mile relay; Luran Butter – 2 mile, javelin; Judy Nelson – 440, Mile Relay; Joanne Vega – Mile; just to name a few.

On our first day of practice this season, over 70 girls showed up. There seems to be a growing interest in girls' sports and Girls' Track has provided the outlet for many girls to display their athletic talents. Because of the predominately underclass squad we are carrying this season, we feel confident our record will continue to improve in coming years.

As its coaches, we have seen the Girls' Track Team in its beginning stages and have watched it grow to what we have today. We are proud to have been a part of its successes as well as its failures. Our wish is that the Girls' Track Team will continue on its path to victory and continue to represent CHS as a varsity sport with pride!

The 1975-1976 edition of the Carteret Rambler Boys' Track Team, coached by Art Shadell and his assistants, Mr. Bob Donnelly and Mr. Ben Raella, has enjoyed a fairly successful and satisfying year. Thanks to a good mixture of experienced seniors and talented underclassmen, the team has performed well in all three dual-meet seasons and especially in major meet competition.

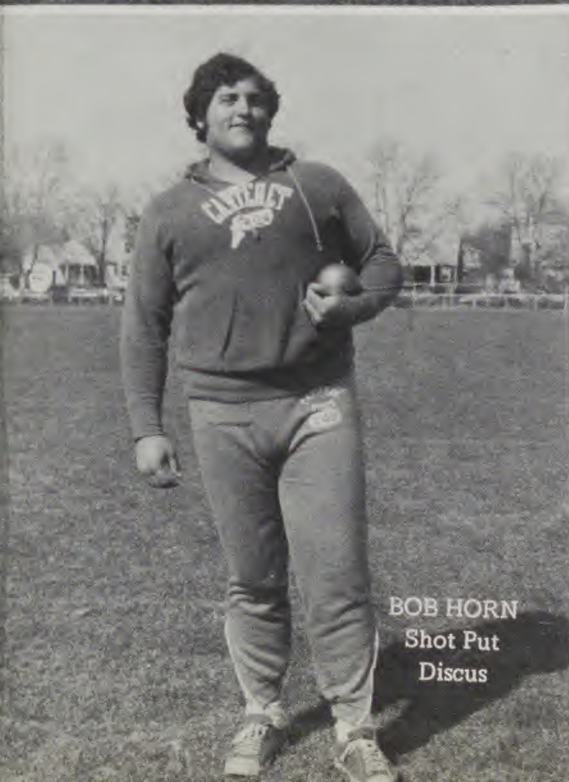

One of the key reasons for the team's success lies with the Seniors, who have provided the team with invaluable experience in all areas. In the weight events, the load is carried by Bob Horn, a conference, county and Group III champion shotputter and discus thrower; shotputter John Little and javelin thrower Paul Serson and Mike Barbera. Bill Donovan, an excellent long-jumper and a fine sprinter, and Dale Chirico, a high jumper who is closing in on the school high jump record, led the team's efforts in the jumping events. Because of this contingent of Seniors, the Rambler Track Team can always count on valuable points from the field events.

In the running events, John McNelis, the county and conference 440 champion and the conference 440 record-holder, leads the efforts of the sprint team, as does sprinter Crandall Johnson. Mark Bezzek, a top-flight hurdler, leads the hurdling efforts while Steve Molarz, one of the area's best half-milers, and Gary Gasior, a fine long distance runner, spearhead the distance team's attack.

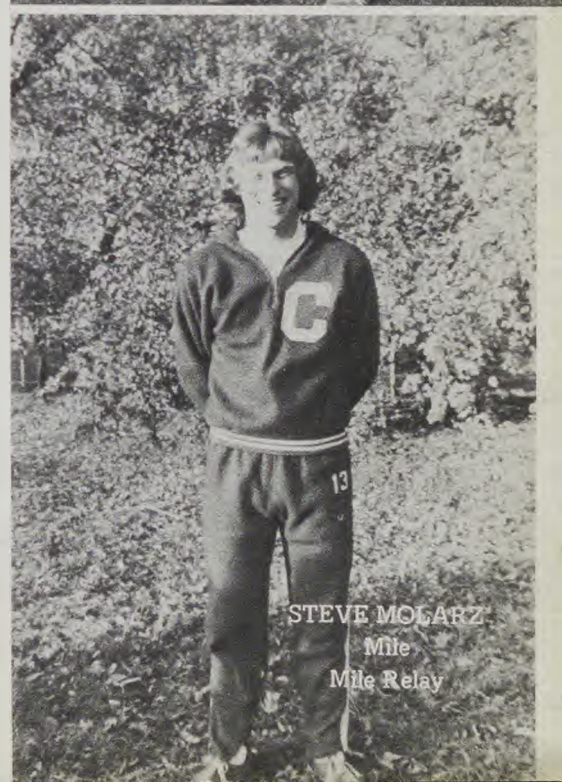

As a result of the fine job that these seniors have done this year and the added contributors of the underclassmen, the team has enjoyed a successful year thus far and now, as the season winds down, it looks forward to the upcoming state championships and a possible state title.

FRONT: Wasylyk, Fazekas, Sowienski, McFadden, Mahler, Fazekas, Pertillo, Szymborski, Skyposki, Dupont, Kalicynski, Soniak, Spoganetz, Raiman, Burke, Coach Mosca.

Experience and determination are the main ingredients for success for the Girls' Varsity Tennis Team. Coached by Mrs. Agnes Mosca, the 1976 Rambler girls are establishing themselves as one of the tough contenders in competitive Middlesex County. The main reason for the success of this year's squad rests in its predominately Senior starting lineup, which includes Linda DuPont, Nancy Fazekas, Patty Wasylyk, Doreen Spoganetz, Carol Sowienski, Lorraine Petrillo, and Harriet Raiman, and Juniors Maureen McFadden and Carol Mahler. Both Linda DuPont and Nancy Fazekas have started for the Varsity squad for the past three seasons. Carol Sowienski and Doreen Spoganetz are second year Varsity starters, and Patty Wasylyk, Harriet Raiman and Lorraine Petrillo, while seeing some action last year, are present Varsity starters, as are Carol Mahler and Maureen McFadden.

As for enthusiasm, nothing can compare to the high hopes of optimism for the rest of the season. Presently, the girls remain undefeated at 10-0, and hope to carry this record to the State and County Tournaments, with hopes of victory in both. The influences of coaches, fans, and the determination of the team itself should enable the girls to reach their goal.

Many thanks are extended to Mrs. Mosca, for without her dedication and unending patience and concern, the team would not show the signs of success as it does this year.

## boy's varsity tennis

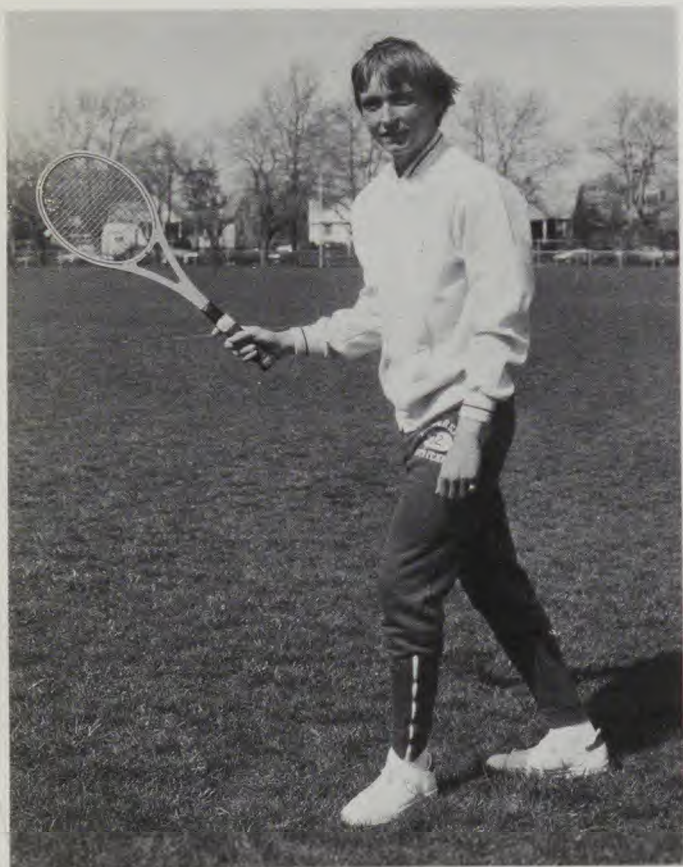

*Young and Talented*

In only his second year as head coach, Greg Rea has built a tennis team formidable enough to compete in the tough Middlesex County Athletic Conference. This feat seems even more astonishing when one considers that he coaches a young team with only one senior.

Dan Tarantino, first singles and captain, has the difficult task of playing the opposing team's top players. He has proved himself to be more than worthy of his position, and has earned the confidence of his teammates and coach. The second and third singles positions are played by Joe McNelis and John Yavorsky.

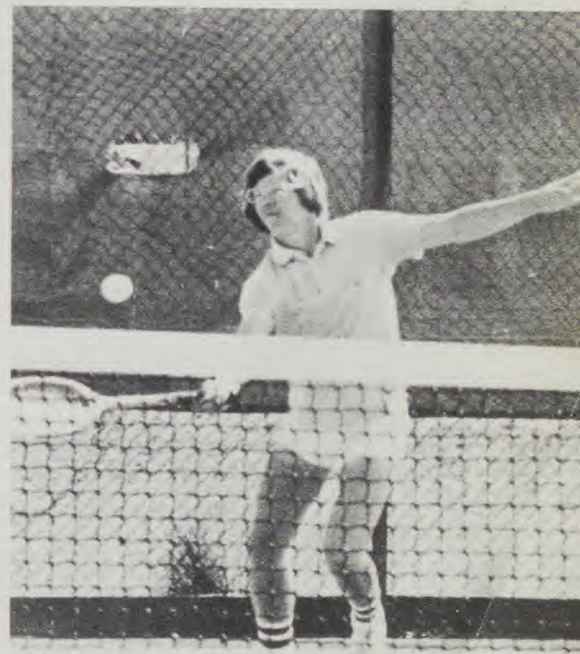

Kevin Margiotto, the lone senior, has provided the leadership that is necessary for a winning team. He and his partner Bob Gliniecki have proved to be a winning combination at the first doubles position. The second doubles is played by two talented sophomores, Roy Arena and Pat Barbara. The team's depth is provided by Vinny Palumbo and Tom Bjornsen.

With strong singles players and winning doubles combinations, the County Championship is not out of reach for this young team.

*"SCHOLAR ATHELETES"*

When the term "Athlete" is mentioned, all too often we envision only the typical "Jock" image. Many times we forget the real purpose for which that athlete has been given the opportunity to succeed at his sport, to gain a highly valued education and prepare both the mind as well as the body for a productive future.

On this page we are pleased to present "Scholar Athletes," those who have combined rare qualities to find success in the classroom as well as on the athletic field. Each student athlete on these pages ranks in the top 10 per cent of his class.

Special mention should be given to John Little for receiving the Thom McCann Scholar Athlete Award, the Bill Denny Chapter of National Football Hall of Fame Scholar Athlete Award and also Cartret High School's overall Scholar Athlete.

Congratulations to each "Scholar Athlete" for making his 4 years at Carteret High School a most worthwhile and rewarding experience.

#### A YOUTH MOVEMENT

*4 Seniors, 14 Juniors, 2 Sophomores*

Inexperience is probably the key word in Carteret Baseball this year. Never before has a team this young competed on the varsity level for Carteret High School. However, let's not start counting this team out because of its youth. As Coach Nelson state, "This team could have more natural talent than any I have ever coached. They will make mistakes early, but as the season progresses and experience is gained they will be a force to be reckoned with in the Middlesex County Conference."

Seniors Mike Quinn, Steve Viola, John Stefura and Tim Donovan form a nucleus around which to build. Captain Mike Quinn will probably lead the team in innings pitched and pressure games. This rubber armed right hander is the only returning moundsman with varsity experience, and he will start, relieve and finish almost half of the schedule games. Steve Viola will handle first base and bat in one of the power positions of the line-up. John Stefura a spray hitting infielder can handle either 2nd, short or third. Tim Donovan gives Coach Nelson an outfield with a proven bat.

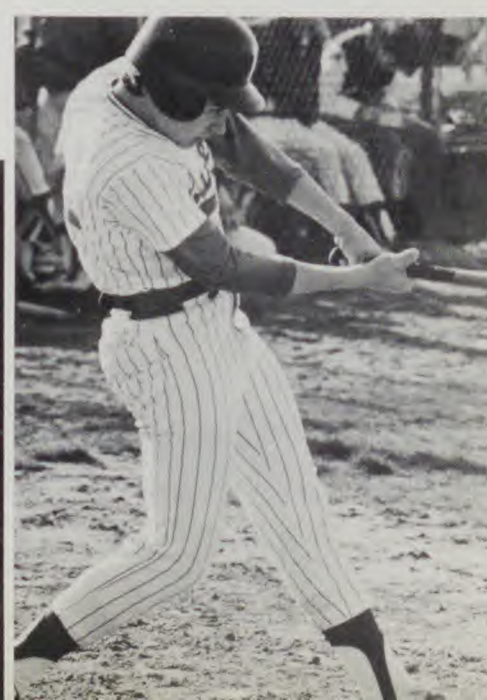

The rest of the lineup will be made up of Juniors and promising Sophomores. Outfielders Vin Thompson, Ron Zicardi, Rich Sadowski and Vin Kirkowski will platoon in the outfield until the right combination can be found. Sophomore John Miller will handle the hot corner while Bill Salwinski, Vic Hrudowski and Joe Sebalao give the Ramblers strength up the middle. Joel Milik will handle the bulk of the catching and, hopefully, supply some punch to the lineup.

On the mound following Quinn will be Junior Nick Reno, coming off strong J.V. year, and Sophomore Ed Toth.

If you are to beat this Rambler Team, you had better do it early. When they start to move, it could be a long time before they slow down. It could be years.
