# Working Together

Togetherness. A simple word that means a whole lot. Without it, things don't run correctly. A team can't win if they're not together. Machines can't run if they're not together. The same can be said for schools.

The image of working together to be the best is one that hasn't been seen around the halls of Carteret High for a long time, until now. We have shown it.

Working together, not only students and students, but students and teachers as well, working together to make this year, this school, the best.

The seniors this year are closer than any previous class. Remember who took home the spirit stick in 1989. We didn't start out together, but we strode towards it over the

course of our four years.

As freshmen, we could care less about being the best. Everyone was an individual, trying to get through a new experience. As the years went on, though, we came together, understanding that was the only way to succeed, to be the best.

Students helping other students. In the classroom as well as at home. That's what this class is about. We may not have the newest school, or the biggest, or even the nicest school in the state, but that doesn't mean we can't think we have the best. But only together can we achieve this goal.

The theme of this book is togetherness, not chosen on a whim, but chosen because we worked together - all of us - to make this the best *Loudspeaker* ever.

## Teachers and Students

Students and teachers-Together!?! Only then can you truly achieve your goals, and here at Carteret High School we have done just this.

In a shop class, could you assemble your project without the help of your teacher? Could you understand Shakespeare as well, without the help of your English teacher? Would a class go smoothly if you didn't work together with

your teacher? Probably not.

This year Mrs. Krugman started a new project, creating an oral history of 20th Century America. Only together -- students and teachers -- can she achieve her goals. Only together can a school succeed in achieving their goals. That's the difference between Carteret High and the other schools. We achieve these goals.

Below: Mr. Gavigan looks surprised as John Nartowicz locates the United States. Right: Rich Saavedra looks lost as Dr. Hricko explains the periodic table while Danny Sullivan looks on.

Doc McLennand explains to Bill Stephano how the mechanism works.

## Extra-Curricular Activities

Students need not only other students and teachers to succeed, but they need that blend of extra-curricular activities to make them well-rounded individuals.

Togetherness is the basis of all athletic teams. Ask any coach and he'll tell you he can't win if the team doesn't work together, and not only with themselves, but with the coaches as well. A running back can't run without the line. A bowling team can't win a

team title unless everyone contributes. Everyone must work together.

An activity can't be successful if everyone doesn't participate. A store can't run if no one is there to sell the products. The Science League can't score high unless everyone does his best.

Everything takes team work, togetherness to get things done. That's what the 1990-1991 *Loudspeaker* is all about.

# WINNING COMBINATIONS

Mrs. Checki, Senior Counselor, discusses some college options with Mike Messina.

When the Class of 1991 arrived at CHS, we were greeted by someone who told us that she would guide us through our four years of high school. Who was she? Could we trust her?

As time went by, our trust in her was established and we soon looked upon her as a friend and a mentor. It was her patience and guidance that brought our class together in our endeavor for a more successful future.

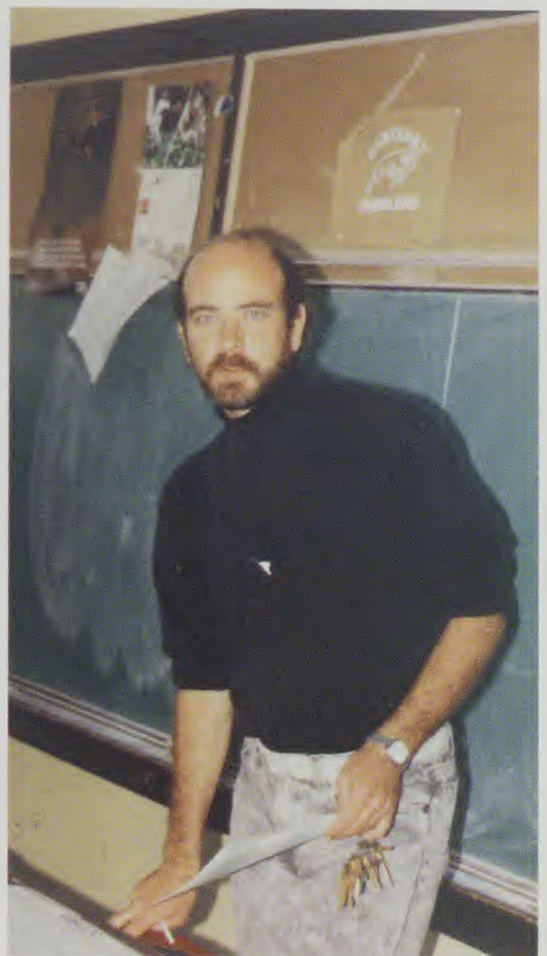

Who was this warm, wonderful lady? Mrs. Checki, of course!

The Class of 1991 appreciates all dedication and enthusiasm and would like to take this time to say thanks for everything!

Throughout our past four years at Carteret High, most of the students have varied or created new ways of studying. Many people prefer the traditional "Let's cram the night before the test" method, but most of the students at CHS agree that the best way to study is **TOGETHER!** At the right, seniors Carmen Mojica, Danielle Knight, and Kysha Ryan display this togetherness method.

The Class of 1991 came into Carteret High School in September of 1987. Through the 4 years here, we have developed into mature adults ready for the real world. It would never have been possible if it weren't for the togetherness we had during the events that happened in our four years together.

Freshman year brought new faces and new friends. Behind the newly elected class officers, we got off to a good start with the selling of towels. It was a start. Students joined clubs and the athletic teams did well with the boy's basketball team going 16-1 and the baseball team going 6-3.

Sophomore year was another step forward. Together, we found out who we were and who we wanted to be with. We be-

came officers of clubs, sold stationery, and came to our first big step: ordering our class rings.

Junior year was the big year....The prom, the ring dance, and the dreaded SAT's. The pressure as juniors was unrelenting, but together we pulled through. Everyone loved their rings, and we had a great prom at the East Brunswick Chateau. We became involved in more clubs, and some of our boys were members of CHS's first ever State Championship Baseball Team.

Now we are Seniors. It's here. Our final year. The Senior Trip, the Dinner Dance, and Graduation. The college or job decision is always there. But the way we did it the last three years, we will make it all right **TOGETHER!**

# THE CLASS OF 1991

# HOMECOMING '90

It all began Thursday night, September 27, 1990 at the Homecoming dance given by the Senior class. Together, the seventeen nominees waited with anticipation for the names of the five finalists to be announced. Later that night they were named as the following: Theresa Auld, Kathryn Dean, Jill Fogarty, Lauren Kilyk, and Dina Rivera.

Their activities brought them together as finalists as well as friends and on October 5, 1990, this had shown through with the gathering of the five finalists prior to the football game.

At half-time the finalists assembled on the field and awaited the announcement. Lady-in-Waiting was named as Dina Rivera, escorted by Mike Kascur and the title of 1990 Homecoming Queen was given to Theresa Auld, escorted by Ron Greco.

For these girls, and everyone else, it was a night to remember. A night to share together with friends. This was best summarized by Theresa Auld when she stated, "I am glad I was a part of Homecoming 1990. It was an experience we will all treasure."

The five finalists were announced at the homecoming pep rally. Voting took place immediately after in 4th period class.

Robbee Wilder moved the ball in the struggle against the New Brunswick Zebras.

Advisor Mr. DiSarro has created the Future Teachers of America to let students get a taste of teaching. The students in the club get a chance to observe and teach classes in many different grade levels at one of the local grammar schools. This club is beneficial when trying to make a career choice in the education field.

# FUTURE HOMEMAKERS OF AMERICA

Row 1: C. Carino, T. Auld, D. Serio, G. Scheusler, T. Alvarado, W. Wu, A. Wahba, T. Singura, L. Hluszczyk. Row 2: T. Patel, J. Lisicki, N. Patel, E. Goncalves, L. Delurski, T. Bowers, T. Ligenzowski.

The Future Homemakers of America Club is advised by Mrs. Singura and is not just around to sell "Otis Spunkmeyer Cookies." Preparing young adults for tomorrow's family life is the main purpose of FHA. Club members learn leadership, personal development skills, good family relations, and also nutrition values in everyday diets. The FHA competes in competitions at the end of the year where they can display their skills.

Challenge Team: Mr. DiSarro-Advisor; V. Chiravalle, C. Natividad, M. Checki, A. Shah

Mr. DiSarro also leads another group of select students, The Tournament of Excellence Team. Academically inclined students compete against other schools in the area for trophies and monetary awards. Four members of this club were chosen to be a part of the Challenge Team. These students have appeared on the Challenge Competition, airing on Channel 3. The success which they have achieved on this show is an example of their apparent hard work and preparation.

# MATH LEAGUE

Math League, advised by Mr. DiSarro, consists of the school's top math students. The club is set up to allow students the opportunity to compete against other students in the area who also excel in mathematics. Within an hour's time, the students are asked to complete a ten problem exam. Tension builds as the tests are scored and the winning school announced. The competition proves to be a valuable experience for those interested in math.

Chase, E. Colon.

## Freshman and Sophomore Members

The main purpose of the Human Relations Club is to recognize and deal with differences among ethnic and racial groups. This philosophy is best explained by the saying, "Different is not wrong!"

At meetings, thoughts and emotions are exchanged in an effort to help its members with their feelings toward themselves and others. As a result, a great sense of respect is developed toward others. This respect is generated throughout the school and community. The community benefits from the club's successful toy drive, targeted to make the holiday a bit brighter for those who are disadvantaged.

Advisors Ms. Mincieli and Mr. Robinson work hard to develop a better sense of understanding within the school. One of the highlights of the year is the annual Christmas Luncheon to which each member contributes some sort of ethnic food. This event feeds close to 200 people and is a tremendous success.

# Band

After hours of long, hard practice, the Rambler Marching Band was on its way to Scranton, PA for the Atlantic Coast Championship. Despite horrendous weather conditions, the students performed very well. The band had taken first place at every competition leading up to and including the Chapter X Finals in Edison. Going to the ACC was the icing on the cake.

This year, the marching band is going to Toronto, Canada, to compete in various events with bands from all over the world. The Rambler Marching Band's success makes CHS proud!

Front Captains: Kristina Schurr, Melissa Konowka, and Jennifer Bezzek

Captains: C. Vertil, Lower Brass; J. Matisz, Clarinets; K. Barker, Brass; M. Holowatch, Percussion; M. Mazur, Flutes; D. Shornack, Saxophones.

## CONCERT BAND

Every year, the concert band, under the direction of Mr. Alan Fossa, sounds terrific because of the hardworking students who compose the group. The concert band performs for concerts, festivals and graduation. They take a variety of difficult music and make it sound easy. The Concert Band is a major part of the CHS music department.

**Percussion:** R. Sisko, R. Ponce, M. McDermott, M. Holowatch, D. Reinman. **Clarinets:** A. Morgan, J. Kudroch, L. Grabowski, J. Matisz, G. Dorak, S. Vertil, C. Starkey, S. Brown. **Flutes:** J. ## CONCERT CHOIR

This year, the Carteret High School Concert Choir, directed by Mr. Fossa, deserves much recognition. This hard-working group started out as a class and extended into an extra-curricular activity which meets once a week. The choir not only performs at our district schools, but they also perform at civic and community events throughout Carteret and Woodbridge.

### Close-up Jeff Kazio

Jeff Kazio, who started at strong guard for the Ramblers, enjoyed an excellent season despite a disappointing finish by the team.

Jeff started playing football in the Pop Warner program in Carteret and continued once he entered high school. All the years of playing really paid off

for Jeff who was named to the GMC All-Blue Division Team after this season. Jeff played the game his hardest and felt nothing more satisfying than making the big hit and knocking some one down. Jeff hopes to continue playing football in college if the school he chooses has a program.

Although the 1990 season for the Carteret Rambler Football team did not produce many wins, the fact that the Sophomores and Juniors saw lots of playing time helps to make the future better.

Most of the 18 Seniors who played made significant contributions on and off the field. Leading the team were the performances of Seniors Peter DeRado, Jeff Kazio, Tom Krebs, Curtis Mineweather, and Anthony Ziobro. Krebs and Kazio were selected by the GMC Blue Division coaches to represent Carteret on the All Division Team. Krebs was awarded because of his excellent defensive play while Kazio led the Rambler offensive line at strong guard. Mineweather led the team in scoring with 7 touchdowns and Ziobro and DeRado led the defense in tackles.

One of the reasons why the team struggled was that only a handful of this year's team had seen substantial varsity time in 1989. The team was inexperienced and was forced to face Highland Park and South River, the top two teams in Middlesex County. Kazio said, "At first, our season was rough, but toward the end, we began to get it together."

The Ramblers opened with a tough 13-2 loss to Dunellen. In that game, the Ramblers had the ball inside the

10 yard line six times but were unable to score offensively. They won the next game, but were winless in their next five before beating Monroe 14-0. They lost their final contest to Perth Amboy 22-12 to finish their season with a 2-6-1 mark.

The future seems to be bright as many Sophomores and Juniors saw lots of varsity time. Juniors Charles Meyer, Brian Torre, and Jin Ho Ra, and Sophomores Jason Andrews, Keith Kapinos, and Rob Wilder will be counted on heavily in 1991. Next year, the young Sophomores and Juniors will be experienced which will improve the team from the 2-6-1 season. Wilder said, "I think our future is bright because we have many experienced underclassmen."

Coach Olear describes this season as, "gratifying to play so many people and to see our improvement from week to week." About the future, he added, "I'm sure the underclassmen will make up for this season in the future."

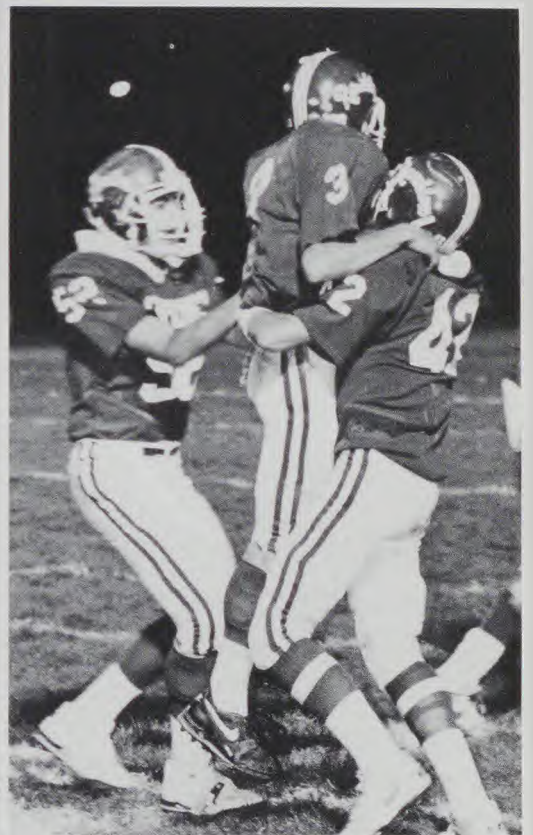

Although Carteret's marked improvement since Olear took the reins in 1985 was stunted, the team should get better next year. With many experienced players leading the team in 1991, that task does not seem so difficult.

### Close-up Kathy Dean

Kathy Dean, one of the Tri-Captains for this year's cheerleaders, has been involved in cheering since she was nine and has been a varsity cheerleader for 4 years in high school.

Kathy began to cheer due to her mother's suggestion and en-

joyed it enough to stick with it. Kathy enjoys leading people in cheers because she feels her personality is the right one for it. She also enjoys the excitement that is present at any sporting event.

Kathy hopes to continue cheering in college. Montclair State is her first choice.

The Carteret Football Cheerleaders did something this season as they traditionally do. Their spirit helped to inspire the Ramblers and the entire school to a unified emotional football season.

Coached by Mrs. Cunha, the squad practiced rigorously and their hard work showed in all of their games. At the beginning of each home game, they decorated the tunnel in blue and white and usually held a sign which the players would knock down.

They led the pep rallies using positive cheers which kept the students alive. Before the first home game, they decorated the Senior players' cars with blue and white streamers. They also covered the Seniors' houses with streamers on the night before the big Thanksgiving game.

The year's squad was led by Senior Tri-Captains Kathy Dean, Bonnie Hodroski, and Dina Rivera. Other Seniors who cheered this season were Lauren Kilyk, Theresa Auld,

Sandra Rios, and Lilian Rodriguez. These Seniors will certainly be missed, but there will likely be enough freshmen and new members to replace them. Said Auld, "I really enjoyed my four years of cheering for CHS."

The returning members for 1991 should be Juniors Erica Ramos, Jessica Rivera, Kerri Panza, and Janine Brucato, Sophomores Jen Kopin, Dena Eng, Diana Kozak, and Janet Finn, and Freshmen Cindy Delgado, Robin Nagy, and Kimberly Niedermeier.

About the season, Cunha said, "They did a great job... I received many positive comments about how great the girls looked. They were a squad to be proud of." She also indicated that the girls should have a bright future.

Although the 1990 Cheerleading Squad did not cheer for a winning Football Team, they are to be commended for the outstanding job they did in 1990.

**Close-up Paul Silva**

Playing soccer since he was 7 years old, being captain of the team for 2 years, and leading the team in goals makes Senior Paul Silva the soccer spotlight.

Paul got involved in soccer because his father loved the sport and he was brought up watching it. "My father was a great influence on me, and taught me everything I

know," Paul said.

Future plans include college and playing soccer in college. As Paul said, "I feel soccer is my life and I feel I can go forth with it. I want to go to Montclair State College and continue my soccer career."

Paul says he loves soccer and what he enjoys most about it is that you are constantly moving and the way you have to be thinking ahead of time. As Paul said, "It's a beautiful sport and it's not as easy as it looks."

The Carteret High School soccer team, under first year Head Coach Bob Duncan did not fare as well as pre-season expectations. The team finished 1-8-2, placing in the tough Blue-Division of the Greater Middlesex Conference.

Under the leadership of tri-captains John Dolan, Kevin Poznanski, and Paul Silva, the Ramblers beat Perth Amboy Tech 8-0, and tied Matawan 1-1, and South Plainfield 3-3. Said Poznanski, "It was a little frustrating because we played well, but the competition was just a little too good for us.

Next year's team looks bright. With 7 starters coming back, including Juniors

Brian Lourenco and Andy Muniz, and Sophomores Luis Santos and Duvan Sierra, the team looks to be more successful.

Silva led the Ramblers with 5 goals and 7 assists while Senior George Rubinos had 5 goals and 2 assists.

Sophomores Rob Isabella and Mark Kacsur were the goalies with 2.40 and 2.10 goals against averages, respectively.

The addition of Coach Nick Scheno helped bring the Ramblers back on the right track. As Coach Duncan said, "The spirit was back in the program and most of all, we had fun."

That is the first step in bringing the Ramblers back on their road to the top.

### Close-up Rachel Ruiz

One of the leading tennis players for the Ramblers for the past two years has been Rachel Ruiz. Rachel became involved in the sport because she saw it as a challenging experience and also found it enjoyable.

Rachel feels that

you can really better yourself as a person through sports because it makes you set goals and you become determined to make yourself better.

Rachel is uncertain where she plans to go to school next year, but she hopes for sports to be a part of it.

A little less than expected is how many members of the Carteret High tennis team would describe their season. Their final mark hit .500 as they split 14 games.

They defeated St. Peters, Highland Park, and St. Mary's twice each and Spotswood once. Most of the time the lineup read First Singles: Rachel Ruiz, Second Singles: Jung Lee, Third Singles, Heather Platt, First Doubles: Allison Comba and Irena Sapilak and Second Doubles: Nicole Renaldi and Kathy Ashley. Junior Tanya Singura and Senior Hilda Montalvo also saw some playing time in the Second Doubles spots.

Ruiz ended a four year career by receiving Honorable Mention in the "News Tribune's" all area team. Early in the season, Coach Seaman's team was ranked as high as eighth, but the team lost to Metuchen and South River twice. Said Platt, "I think this season was full of great expectations, but we did not work hard enough. We played well, but always had the chance to

play better." Comba added, "I was disappointed because I expected a better record."

Since the team loses only Ruiz, Lee, and Montalvo, there are many experienced performers waiting to replace this trio. Platt, Comba, and Sapilak have been playing since freshman year so they should be the three leaders for next year's team. Ashley and Renaldi will both be back for their third seasons and will be relied on heavily. About the future Platt responded, "If we have a strong showing, and the right attitude, our experience could carry us a long way!"

Seaman sees the season in a different light as her goals were to finish .500 and to improve. She said, "We succeeded at both; what more can a coach ask for?" About next season, she said, "It looks to be promising due to the experience that the underclassmen received this year."

With a good attitude, hard work during the off-season, and a little luck, the team could have an outstanding season in 1991.

## Close-up Stacey Hempel

During the past 3 years, Stacey Hempel has become a household name in Carteret and well it should have. Stacey has been one of the most successful athletes to go through CHS ever. This year Stacey ran to the X-country state championship to add to her list of accomplishments.

Stacey, who went out for track because her friend did, works very hard and deserves everything she gets. She sets an excellent example for her teammates and gives them something to shoot for.

Stacey is going to continue to run at college although she has not yet decided when that will be.

With many new runners, it may come to many as a surprise that the Carteret Rambler Boys Cross Country team had such a successful season. Coach Shadell, who led the team to a 5-2 record in dual meets after finishing with one win last year was not surprised.

With Sophomores Doug Walsh and Eddie Bittner running 1-2 in all of the meets, the team was able to beat Hoffman, Dunellen, St. Mary's, South Plainfield, and Spotswood. Their only two losses came at the hands of Metuchen and Highland Park, two highly successful cross country programs.

This year, only one runner had any experience. With the addition of Bittner (football player last year), and Junior Jerome Stanford, the team was able to match or beat their competition. Said Bittner, "Even though we had only one experienced runner, I was happy that we did so well because it shows we'll be strong next year."

In the future, the team hopes to be more competitive in County and State Group 2 meets as well as continuing their success in their Blue Division dual meets. With no seniors and just one junior participating, it is likely that the freshmen and sophomores will be able to lead the team to success. Regarding next year, Bittner said, "I think we have a great shot at winning the division title and maybe even the Group II State Title if we get our runners back."

Shadell describes the season as "expected." He feels that a team should be competitive if they have enough runners. He believes the upcoming season should be bright with Walsh

and Bittner leading the way.

If the team gets all of its runners back, next year could be a championship season. They could possibly win the Blue Division as well as improve their showing in GMC and Group II meets.

Like the Boys' Cross Country, the Girls also made a big turnaround. Unlike the Boys, their improvement led to two major championships.

In posting a 7-0 mark in the Blue Division meets, they were crowned Blue Division champions. To this, they added a Central Jersey Group II Championship. They were unable to perform well in the GMC Tournament due to the heat and the State Group II meet because of the heavy rains. Said Coach Donelley, "I felt we had a great season despite the weather."

Leading the team was Senior Stacey Hempel. Stacey placed second in the GMC's and first in the Central Jersey Group II meet. Stacey ran first in all of the dual meets and carved a fine four year career. Juniors Tanya Seymore and Linda Carire were also consistent performers who placed high in the Dual, County, and State meets. Rounding out the team were Juniors Jennifer Harder (winter and spring stand out) and Monica Mezyk and Freshman Jessica Johnson.

Even without Hempel, the future for this team looks bright. Carire and Seymore will be asked to carry next year's team. Harder and Meszyk will also be other key performers. Although the greatest performer in Carteret Girls Cross Country history will be gone, the team should compete well next year.

were 14-10 and made it to the semi-finals of the Central Jersey Group II Tournament.

"Lance is a very hard worker and a competitor," said Head Coach Molarz, when asked about Lance. "He always pushes the other players hard in practice and always gives 110% in practice and in games."

Lance started playing basketball in the 6th grade and enjoys the game very much. "It's fun," he said, "and it's something I'll never get bored of, even though there have been ups and downs." Lance plans to attend college but said, "I'll still play basketball, either in pick-up games of intramurals."

**CLOSE-UP LANCE FOY**

When it comes down to being a competitor on the court, just take a look at Carteret High School's senior Lance Foy.

Lance has been a member of the basketball team all four years and has enjoyed a bulk of success during those years. As a freshman, the Ramblers were 15-1 and this year the Ramblers

Although it was not a championship season, the Carteret Rambler Varsity Basketball Team reestablished itself as a power in the GMC Blue Division. They finished 14-10 and qualified for the County and State Tournaments for the first time in three years.

Leading the team was senior Curtis Mineweather who averaged nearly 15 points per game. Curtis played outstanding defense and played in two local All-Star Games. Curtis recorded a season high of 26 in a tough loss to Highland Park. Senior Co-Captain John Dolan was the team leader in steals and assists. John averaged almost ten points per game and scored a career high of 22 in a victory over Metuchen. Senior Co-Captain Anthony Ziobro stayed at center and led the team in rebounds.

Junior Don Smith stayed at forward and averaged almost 8 points per game. Don will be one of the leaders of next year's squad. Junior Brian Torre and sophomore Dennis Burney alternated in the fifth starting spot. Brian supplied

outstanding defense while Dennis added quickness and scoring. Both guards should start in next year's backcourt.

During the season the team defeated defending champion JF Kennedy twice. One of the victories came when the team trailed by 7 with three minutes left in the game. In the County Tournament, Carteret met East Brunswick but lost by three points. According to Dolan, it was the best game the team had played defensively all season.

In the State Tournament, Carteret defeated Freehold Borough in a very exciting game. In that game, the underclassmen supplied the leadership that will be necessary for the next year's team. However, they were crushed by an awesome South Plainfield team in the second round of the States.

The future looks to be bright for Coach Molarz and the Carteret Ramblers. They return Burney, Smith, Torre, and J-V standouts Ron Pusillo, Larry Beauchamp, Keith Kapinos, Rob Wilder, and Eric Morgan. If they perform well, then it's possible.

# Through It Together

WOODBRIDGE'S BASKETBALL IN THE TOGETHER BOY

**Close-up Tanya Seymore**

Junior starter Tanya Seymore turned in an excellent season and was a true asset to this year's girls team.

Tanya has been playing basketball for seven years now and feels that the competi-

tiveness has helped her to improve both as a player and as an individual. Tanya feels that she is a better defensive player, but she's had her share of big shots.

Tanya will be back next year and hopes to have basketball in her future plans.

Over the past three seasons, the Carteret Girls Basketball Team has improved substantially. In 1988-89, the team recorded just four victories. After a six win season in 1989-90, the team has gone 8-9 and was in the running for a GMC Tournament berth.

The team was led by Senior Rachel Ruiz who averaged almost 20 points per game. In recording nearly 1000 points in a three year career, Rachel finished seventh in total scoring in the Greater Middlesex Conference. Classmate and fellow three year starter, Jen Hack did an outstanding job rebounding all season long.

Junior Tanya Seymore performed extremely well offensively and defensively. She also chipped in with 15 points in a big win over New Brunswick. Junior Jackie Rubino did a great job at her guard position. According to

Coach Bob Sisko, this season was a big improvement over last. Sophomore Denise Burney provided quickness, defense, as well as some occasional scoring.

However, the Lady Ramblers were defeated in the finals by Woodbridge 37-34. The team also lost four contests in the last minute of play. They lost four games by five points or less. Had Carteret won those games, it is likely that the team would have recorded its first winning season since 1984.

When asked about the season, Coach Sisko remarked, "We are hopeful that the program has turned the corner. We believe we can continue to play winning basketball and be competitive." Junior Lisa Gallo added, "The team has progressed greatly. Hopefully, we will be able to post a winning season next year."

Close-up Bonnie Hodroski

Bonnie, who has been a varsity cheerleader for the past two years, really enjoys the sport. Bonnie was co-captain of the squad this year and hopes to continue cheering if it

is possible in the future.

Bonnie is the perfect cheerleader with a very outgoing personality and a great deal of energy. She can really get into the game and make it more fun for all who are watching.

For the 1990-1991 season, the Carteret Rambler Cheerleaders took on a new look. During the season, the team emphasized competitive cheering techniques and wore new and improved uniforms. This new look cheerleading team was a small, but important part of the boys and girls teams successful seasons.

Senior Co-Captains Dina Rivera and Bonnie Hodroski did an excellent job of pulling the team competitive. However, illnesses hampered the team as the entire squad cheered only three games. This did provide changes in formations which the girls learned extremely quickly, according to Coach Cunha. The squad will lose Seniors Rivera, Hodroski, Theresa Auld, Lilian Rodriguez and Lauren Kilyk. They provided much enthusiasm as the boys and girls basketball teams improved on last year's mark. Said Hodroski, "I really enjoyed

cheering for four years because it was really fun."

As for the future, Juniors Kerri Panza and Jessica Rivera, Sophomores Jennifer Kopin, Dina Eng, Danielle Fazekas and Danielle Gallone remain. According to Cunha, Gallone did "a remarkable job as a newcomer to the team. She learned the cheers in only three days of practice. The other cheerleaders are seasoned veterans. We should uphold Carteret's tradition of fine cheerleaders." The spirit of the JV Squad was also felt during each contest.

Regarding the season, Auld said, "Although we were not healthy at times, I feel we did the best we could to have a good season." Panza commented, "My first varsity season was fulfilling despite all the injuries."

Since the dedication of this year's squad was at an all time high, the future looks to be even better.

## Working Out Together

### Close-up Laura Marci

Laura Marci has been a stand-out on the Girls Winter Track Team since she began throwing the shot-put her freshman year. Laura thrives on the competition of the sport and it is one of her favorite things about it. She also enjoys her teammates and feels that the sport

wouldn't be as fun if it wasn't for this special friendship.

Laura has come a long way in her four years at Carteret High School making her one of the leading throwers in the division. Laura plans to continue her career in college and hopes that she is able to continue her success.

As usual, both track teams at CHS had successful seasons. This can be attributed to the dedication of the boys and girls and to strong coaching of Mr. Donnelly and his staff.

The boys track team won their first Blue Division Title since 1988. They were led by Senior David Richter who ran the 55m hurdles, 55m sprint and the 400m run. Richter capped his great 4 year career with career bests of 8.10 in the hurdles, 53.48 in the 400, and 6.4 in the 55. Said David, "It makes me very proud to win the Division Title in my Senior year." Other standout performers on the boys team were Junior shot putter Jin Ho Ra, and Sophomore distance runners Ed Bittner and Doug Walsh. According to Coach Donnelly, all the boys had to do their absolute best and sometimes even better than that to achieve their goals. Unfortunately, Senior John Nartowicz was unable to enjoy some of his past success due to the fact he aggravated a leg injury which happened early in the football season.

The girls experienced a 4-2 season with their only losses

coming at the hands of Division Rivals Metuchen and Highland Park. Although they were unable to achieve their goals of State and Division Champions, they still had a successful season. Stacey Hempel finished an outstanding career with a victory in the Group II 3200 run and an appearance in the state Meet of Champions. Stacey was victorious in her dual meets and in the GMC meet in Elizabeth.

Joining Stacey in the Meet of Champions was Senior Shot Putter Laura Marci who placed fourth in the Shot Put. Junior Hurdler Jen Harder made great strides in the hurdles and long jump and looks to have a fine Senior year next season. Also performing outstandingly was Junior middle distance runner Jennifer Grabowski. Said Harder, "This season was fun, but next year will be even better." With the loss of only 2 Seniors, the future looks to be bright.

In summing up both seasons, Coach Donnelly replied, "Each year we achieved about 80% of our goals and next year we will be looking to do better with more experience in the larger meets."

CLOSE-UP KIM GRABOWSKI

If you're looking for dedication to a program, then there is no need to look any further than Senior Kim Grabowski.

Kim has been with the Carteret High School bowling program all four years she has been here and has participated on the varsity squad all four years. She says, "Bowling's fun for me to play. I have fun and enjoy myself a lot when I bowl."

Kim has consistently been a high scorer for the Ramblers this season and says

that the team work plays a major role in the competition. She says, "To be successful in bowling, as well as any other sport, you must work as a team and this will work out for the best."

She also enjoys being a leader. She says, "I enjoy being a leader and helping others when they need it." She concluded by saying, "Bowling is something that's fun to do, and I had a good time both competing and with the team."

Although the CHS Bowling Teams did not enjoy a winning season, both teams were successful as they gained experience in order to contend in 1992.

Even though the boys finished with a 5 win and 17 loss mark, they did an excellent job considering they were winless in 1990. Senior Captain Dan Stolba capped a fine career as he averaged about 177. Junior Paul Wojcich did an excellent job of leading the team. He, along with Juniors Dex Amistad, Brian Laurence, and Kenny Higgins, will provide the Senior leadership next year.

The Girls lost five seniors in 1990 and still finished 9-11. Seniors Kim Grabowski and Sandra Fonti led the team and averaged pretty high according to Coach Nelson. Juniors

Gina Dorak and Tanya Singura bowled well and should be the Senior leaders in 1992. Sophomore Cynthia Lemp and Freshman Christie Derogatis had great seasons and could provide help in the future.

Next year the boys have Amistad, Lourenco, Higgins, Wojcich, Frank Wall, and Sophomore Gary Gadecki. Said Amistad, "We should do well since we will have a lot of seniors." The girls return everyone but Fonti and Grabowski.

In summing up the season, Nelson said, "It was satisfying to watch the team make so much progress."

If expectations come true, next bowling season could be very good according to Nelson.

# Together to Repeat

Coming off a State Championship, the Carteret Rambler Baseball team looks to turn in a repeat performance in 1991. However, they lost their top two players from last season and are currently looking for replacements.

According to Coach Nelson, the infield seems to be set. Junior Frank Chelbian will start for the Ramblers at first base. Frank turned in a good performance in batting nearly .270 in 1990. Sophomore Keith Kapinos will start at second. Keith was the best player on last year's Freshman team according to Coach Kushner. Senior CoCaptain John Dolan is a fixture at shortstop according to Nelson. Dolan turned in an outstanding fielding season in 1990. Junior Armando Prados will play third.

In the outfield will be Senior Vinny Hart (LF) when he is not pitching. When he is on the mound, Senior Bobby Hruska will spell Hart in left. Playing center will be Senior David Richter. Last season, David led the team in stolen bases. Senior Rich Grabowski will start in right field when he is

not pitching. If he is hurling, Hruska will play right.

The battery, perhaps the most stable part of the 1990 team, seems to be the biggest question mark of this year's team. Right now, Senior Mike Kacsur and Junior John Dreboty are competing for the catcher's position. On the mound, it looks like the Ramblers will go with a three man rotation. Senior fireball Hart will be the anchorman and Seniors Rich Grabowski and Keith Kolibas will be the second and third pitchers, respectively.

On the path to another championship, the Ramblers will see JF Kennedy and Highland Park as their toughest opponents in the division and North Brunswick, East Brunswick, Woodbridge, and Bishop Ahr as formidable out-of-conference opponents. They will also travel to Westfield to face a tough Union County opponent.

If the questions are answered, this team, like last year's, could possibly go as far as winning a GMC or a Central Jersey Group II Title.

"John works hard in practice and has picked his game up to the next levels over the past two years. John also enjoys the game a lot." John said, "It's a great sport. I have a lot of fun playing it and it's a challenge to the team and myself everytime I step on the field."

John also plans to further his career in baseball. He's going to attend East Stroudsburg University in the fall and play baseball while he is there. Concluded Duncan, "It's a great opportunity for John and he should do well with it in the future."

### Close-up John Dolan

You think someone would be bored and tired of playing baseball since they were 8 years old. Not Senior shortstop John Dolan of the Carteret Ramblers.

John has been playing baseball for the Little Carteret League and started for the New Jersey State Group II team last year. Said Assistant Coach Bob Duncan,

### Close-up Dorinda Barker

Senior Dorinda Barker has been playing softball for quite a few years through the league in Carteret and has played for the high school for four years. She has been a mainstay of the team. Dorinda started playing softball because of the encouragement of her parents and came to really enjoy the sport because of the competition and because she experienced some success early on.

Dorinda's favorite parts of the game are the competition and the thrill of victory. Dorinda feels that the com-

petition helps you to be a better person by keeping things in perspective, allowing you to know that there is always someone better than you and you always have room for improvement. Also, Dorinda loves the feeling brought on by a victory because no matter how many times you win, it always feels as exciting as the first time.

Dorinda doesn't expect to play softball in college except for recreation, but she hopes the values that are taught to you by any sport will remain with her.

Coach Cunha has set the goals of qualifying for the GMC and State Tournaments for the 1991 Edition of the Carteret High School Softball Team.

Last season, the team lost a large total of eight seniors. Since seven were starters, question marks lie at every position with the exception of pitcher, catcher, and centerfielder where, according to Cunha, the positions have been won. That does not present a problem for the team according to Lisa Gallo "I feel the players will play together and have a winning season."

Starting at pitcher will be Senior Rachel Ruiz. Rachel went 12-5 in 1990 and looks to have an outstanding 1991. Rachel also has three Varsity No-hitters to her credit. Junior Heather Platt will start behind the plate at catcher. According to Assistant Coach Seaman, Heather performed very well as a two year JV performer. Junior Jackie Rubino will

play centerfield. Jackie has outstanding speed.

People who will also battle for playing time at other positions include seniors Dorinda Barker and Jill Fogarty, Juniors Kim Barker, Lisa Gallo, and Melissa Graham, and Sophomore Jennifer Kopin. They will attempt to replace the seniors who finished 13-5 in 1990.

The schedule looks to be quite competitive but their toughest opponent in the last two seasons is no longer on the White Division; JF Kennedy moved down to Blue. Highland Park is another tough opponent who defeated Carteret twice last season.

The future should be bright as only three seniors will be lost. That means that at least six stars will be returned. However, they will have to replace Ruiz at pitcher, so Graham and Kim Barker may see some action on the mound this season.

# Back on Track Together

Coming off a very successful winter season, the CHS track teams hope to duplicate this success and have an outstanding spring season.

The Boys went undefeated and won the Blue Division in the winter and could possibly deliver a repeat performance in the spring according to Coach Shadell. Some of the key performers include seniors Anthony Ziobro, John Nartowicz, and Curtis Mineweather. Ziobro placed 2nd in the Central Jersey Group II Meet in 1989 and first in the Blue Division in 1990. Curtis gave outstanding performances during the 1989 and 1990 seasons. John, in his fourth year, has done well but suffered a nagging leg injury during the winter.

Other key performers include Junior shot putter Jin Ho Ra and Sophomore distance runner Eddie Bittner. Jin threw well in his two previous years and looks for a great spring season and Eddie had outstanding seasons in cross country and winter track.

The future for the boys looks to be bright as only four seniors will be lost. However, they must replace many of the top performers next year. According to Shadell, the toughest opponents look to be JFK, Metuchen and Highland Park.

The girls, who are coached by Mr. Donnelly, have an outstanding group comprised of mainly underclassmen. However, their best performer, Stacey Hempel, is a senior distance runner so they must replace her next year. Stacey is capping an outstanding career full of honors in county and state meets. Other key performers include Senior thrower Laura Marci and Junior hurdler Jen Harder.

The future for the girls looks to be bright since they lose only two seniors. But they, like the boys, must replace some of their top performers. Their schedule is tough as Highland Park and Metuchen look to be their biggest obstacles on the road to the GMC championship.

Close-up John Nartowicz

"A challenging and competitive sport that requires self-discipline and a lot of determination." That is how senior John Nartowicz describes the sport that he has been involved with in all his four years of high school. John first became interested in track when his gym teacher, Mr. Shadell,

suggested that he try it and when he did, he enjoyed it and has stuck with it ever since.

John's favorite aspect of the sport is the competition because he feels it betters you as in individual by giving you goals to shoot for. If you want to be successful in track, you need to set goals and be willing to compete against others which is something John enjoys doing.

John hopes to be able to run track in college, whether it be competitive or just for fun, because he really enjoys it and that is one of the reasons he does so well.

# Improving Together

With the loss of the team's top four players and the arrival of Coach Gregory Basza, the 1991 Tennis season looks to be a new beginning for the Coach and the players.

The Ramblers lost two of their top three singles players to graduation and the third transferred out of the district. However, the nucleus of Juniors & Seniors seems to be strong enough to find replacements for these three players. Leading the team should be returning Seniors Sebastian Ippolito, Kevin Poznanski and Luis Silva and Junior Casiano Almeida. All of these players start in key positions for the 1990 squad which finished 6-8.

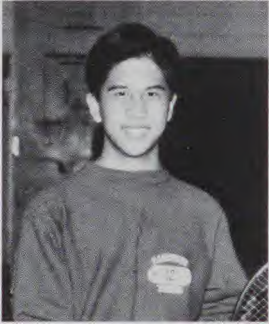

Juniors Vinnie Chiravalle, Dan Beyfuss, Dexter Amistad, and Amit Shah and Senior Linus Concepcion should compete to see playing time at the four doubles positions. Sophomores Steve Saccone and Rob Sisko should play key roles in future years for the tennis team.

The team will again compete in the Blue Division

along with strong teams like Metuchen, JFK, and Highland Park. Regarding the conference, Coach Basza said, "How we match up will depend entirely on our ability to focus on each opponent and our desire to work hard. If we demonstrate enthusiasm, I feel we will do quite well." They also hope to qualify for the GMC Tournament as well as the State Tournament.

The future looks to be quite bright as they will only lose Ippolito, Poznanski, Silva, and Concepcion. They will be helped by four Juniors and two Sophomores and be able to recruit some freshmen from the grammar schools. The four juniors will return as four year members.

Said Basza, "I expect the upcoming season to have its ups and downs, but it should be one of learning, hard work, and most of all fun for the team and for myself." Shah added, "The addition of Mr. Basza will provide a solid tennis mind who will tremendously improve the team."

**Close-up Linus Concepcion**

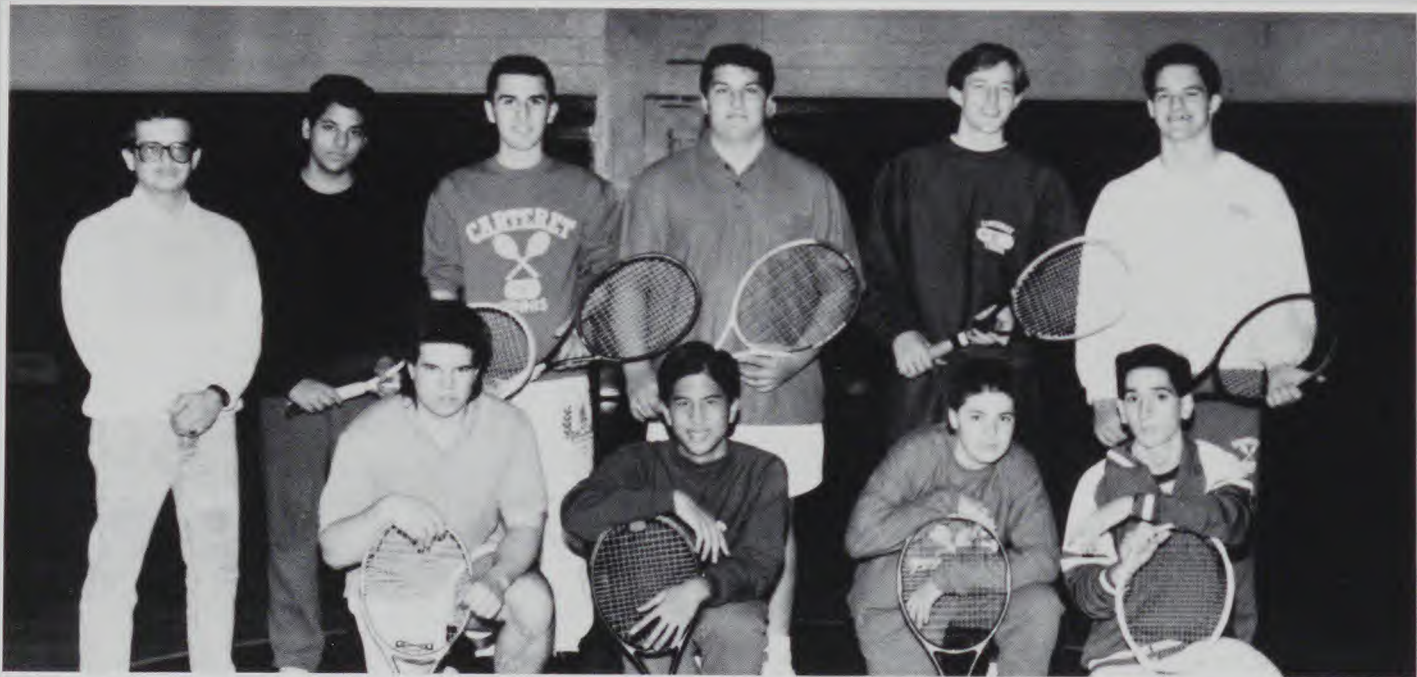

Linus Concepcion always liked tennis. But it wasn't until his senior year of high school that he joined the tennis team.

He said, "I enjoyed tennis and played it a lot during the summer. This spring I wasn't playing sports, so I wanted to join the team."

Linus will play a mixture of singles and doubles for the Ramblers this year. He said, "I like playing both positions. It helps me develop my skills in both positions."

He plans on continuing to play recreationally in his free time and plans to play on his own or in intramurals in college. Linus said, "On the team, I plan on bettering myself with the competition I am going to play against."

To conclude, teammate Dexter Amistad said, "Linus works real hard out there, but most of all, he has fun."

### Close-up Mark Checki

Mark Checki has been playing golf since he came to Carteret High School in his sophomore year and has improved his game every year since. Mark feels that golf is such a great game because while you are playing against other people, you must have great self-discipline and motivation be-

cause it is the type of game where you are not able to rely on anyone except yourself.

Mark does hope to continue on with golf in the future, but he probably will not compete on a team. He feels that it will just be a past time for him. With Mark's positive attitude and the knowledge that he has acquired in the game, he is an asset to all his fellow team members and will always enjoy success.

Although the Carteret Rambler Golf team has struggled in recent years, they have added many freshmen and sophomores which will strengthen the team in a couple of years.

Leading the team will be Junior Mike DelVacchio and Senior Mark Checki. Del Vacchio averaged in the high 40's and has practiced very well during the off season. Checki looks to improve on a 63 average in 1991. Sophomore Dan Polhamus, the only other returning golfer, shot a 61 on the challenging Tamarak course in his only start.

The team will compete in the GMC White Division along with Bishop Ahr, J.F. Kennedy, Colonia, Monroe, South Plainfield, and South Brunswick. The competition looks to be quite challenging and the golfers will get to play other courses like Plainfield West Nine, Scotch Hills, Ash Brook,

and Forsgate Country Club.

According to Coach Olear, the team wants to improve behind Del Vacchio, Checki and Polhamus. He added, "It is tough when we lose 3 seniors and 2 juniors to academic ineligibility. Hopefully, next year we can get them back so we can improve." He is also hopeful that a couple of the new players can step in and play key roles on this year's team.

Said DelVacchio, "I hope to improve individually and we can win some matches in 1991." Polhamus concluded, "The team should get better even with the inexperience since we have many new golfers."

Since the golf team loses only Checki, next year looks to be promising. Del Vacchio, Polhamus, the two junior academic casualties, and the younger golfers should play key roles in 1992.

The members of the class of 1992 certainly seem to have a talent for working together every time the class attempts a project, the results are very successful.

These results were especially apparant during Spirit Week 1990. The Juniors, with their hallway decoration theme of "Junior Grand Prix," raced ahead of other classes to win the contest. Their victory was especially impressive since this class had won the contest for the second consecutive year.

Another project that the Juniors worked on together was their prom. With a committee of over 30 members, the students selected the Victorian Manor as the site for their night and spent many lunchtimes deciding upon colors, a theme, and what to eat.

It is the combined effort of all these Juniors that makes their endeavors successful, and this time together has definitely paid off.

LARRY CONWAY

someone else had messy hair, those people would probably say that the other person looked like Depp. But Depp is an original and I guess I am too. I'm not like everyone else, or shallow, so that's cool. Besides, it's a good way to meet girls at the mall. I think I just look like Larry Conway.

**How do you see yourself 10 years from now?**

I never really think about that, but I really would like to be an actor, so hopefully I will be plastered all over magazines, and have a movie or T.V. show in the works. I would like to get married and have a lot of children and be living in California still, however, wearing blue jeans, plaid shirts, and messy hair of course.

**What is your favorite hobby or sport?**

I like to play pinball, shop, and basically just walk around and see the sites.

**What word describes you the best?**

Totally funkified. When someone says that I look like Johnny Depp, or that I'm trying to imitate him, I usually think that they have a very limited mind. Because I don't think that I look like him and other people just think so because I have messy hair and raggy clothes. If

By their second year, the Sophomores know their way around. They know who people are, what teachers are "easy" or "hard," and they have more time to join activities and sports.

"But what is important about Sophomore year?" some students say. "The freshmen are still learning their way around, the juniors all seem to be getting their licenses and getting ready for the prom, and the seniors are starting to think about graduation and next year. What do the sophomores have to do?" For Sophomores, this is an excellent time to take a look around and think about what one can do together, either in a group activity or a team sport, or alone, like improving grades and conquering Algebra II.

The students pictured here are all together for the first time. And they're all Freshmen, experiencing their first year of high school, which for some was good, and for others not that great. But no matter what, this year will be unique.

Being a Freshman on the first day of high school can be a scary thing. In addition to the worries about finding your way around the school and opening your locker, there's things like "Will I make friends with a lot of people? Will they like me?" It gets kind of nerve wracking.

But after a few days, most freshmen are able to ditch their worries and get used to being at CHS. Going to classes isn't the harrowing experience it was once, and even if the locker does get stuck, there's usually a new friend to help get it open.

When June rolls around, the Freshmen are realizing that the past ten months have just flown by, and that they were actually quite good. And the best part was that they spent it together.

Linus Concepcion, Pat Stellato, Mike Messina, John Dolan, Brian Teague, Anthony Ziobro, David Richter, John Marotta, and Albert Concepcion hanging out with Chip...or is it Dale?

Ron Greco filmed the Laser Show at Disney World.

When the 66 members of the Senior Class left on March 19 for Florida, they had no idea the fun that was in store for them. Everyone had always heard how great the Senior Trip was and now, after 4 years of anticipation, it was finally here.

Some of the activities the group participated in were 3 1/2 days of Disney World (where they had access to Epcot, MGM Studios, and the Magic Kingdom), a day at Wet N' Wild which was beautiful, and also a night at King Henry's Feast Dinner show.

This year's Senior Trip to Florida gave the young adults memories that will last a lifetime. For instance, who could forget when Mr. Torre and Mr. Duncan were thrown in the pool at the hotel? And how about the early curfew they got the night they went to Wet 'n' Wild, just because the whole class was burnt beyond belief? And I'm sure the parents won't forget how much it cost to get their children's film developed when they got home.

Who would've thought that the sunny climate of Florida and Mickey Mouse and his friends could bring the Seniors so very close...together? I guess it just goes to show you there is a special sort of magic at Disney World.

Jennifer Hnatowski and Sandra Fonti wait for the monorail.

Rich Fiore played Lord to Julie Matisz at King Henry's Feast.

Kathy Dean danced with Pluto.

Lauren Kilyk checks out the sights at Disney.

Laura Marci proudly displays her Lordly Crown.

## THE 25 MOST INTRIGUING PEOPLE OF 1990

**GEORGE BUSH**, his place in history insecure, faces a sea of troubles—and his most daunting crisis

**JULIA ROBERTS** became the first big, new female star of the '90s in *Pretty Woman*; now she's, well, sitting pretty

**KEN BURNS**, producer of the 11-hour epic *The Civil War*, made a big bang in an unlikely place—public television

**PATRICK SWAYZE**, more mesomorphic than ectoplasmic in *Ghost*, is every woman's dream of a heavenly body

**FRANCIS FORD COPPOLA** stages the movies' most ambitious mob scene with his sequel *The Godfather Part III*

**DELTA BURKE** had unkind words for her *Designing Women* producers; the next thing she loses may not be pounds

**SADDAM HUSSEIN**'s invasion of Kuwait—bloody politics as usual for him—brought the world to the brink of war

**MICHAEL OVITZ** spun gold out of tinsel to become the man everyone in Hollywood would like to know better

**NANCY CRUZAN**, finally off life support after eight years in a coma, dramatized the need for living wills

**COLIN POWELL**, America's top man in uniform, raised the world's shield in the desert against Saddam Hussein

**FIDEL CASTRO** stands alone and defiant after watching the lights go out all over the Communist world

**EFFI BARRY** was a model of wifely decorum as husband Marion, Washington's Mayor, went up in a puff of smoke

**DR. ANTHONY FAUCI** is used to taking the heat: He's America's point man in the fight against AIDS

**M.C. HAMMER** brought showbiz flash and footwork to rap—and cashed in with the year's hottest LP

**BART SIMPSON**, TV's intemperate urchin, suited his audience to a T (shirt)—while authority figures had a cow

**NANCY ZIEGENMEYER**, housewife and rape victim, went public to fight a once-unmentionable crime

**SINEAD O'CONNOR** made her haunting, rebel voice heard in an age of flashing legs and lip sync

**NELSON MANDELA** stepped from the dim recesses of a South African jail into the harsh reality of freedom

**NEIL BUSH**'s questionable involvement with a Denver S&L put a First Family face on the \$500-billion S&L scandal

**KEENEN IVORY WAYANS**'s *In Living Color* brought howls of laughter and out-Foxed the network establishment

**CLAUDIA SCHIFFER**—no guesswork about this supermodel's genes—they come from Germany, via Bardot

**WILLIAM STYRON**'s *Darkness Visible*, an account of his bleak depression, helped fellow sufferers see the light

**LAURA PALMER** wasn't washed up when she washed up—she was the Girl Most Likely to Pique on *Twin Peaks*

**BO JACKSON** proved he could hit, run, rattle and roll—and sell well enough to score on Madison Avenue

**PRINCESS CAROLINE**, coping once more with tragedy, saw her happiness shattered by her husband's violent death

Nikki, Congratulations!  
We're proud of you and what you have accomplished. We wish you the best of luck in whatever you decide to do in the future and will give our support the best we can. You'll always be "Our Baby Girl." We love you, Mom, Dad, & Pebbles, too!

**Matthew Pizzi**

Having you as our son has been the highlight of our lives. We are so proud of you and all of your many accomplishments. Continue to strive for only the "best." We are truly proud to call you "our son."

**Kevin Poznanski**

Kevin, you are truly wonderful son. Thanks for being so loving, gentle and kind. We are so very proud of you!  
Lots of love, Mom & Dad

**Mark Checki**

Marcus,  
May you always be as happy and proud as I am now.  
I love you, Mom.

**Kristine D. Reilly**

I wish you many good accomplishments. May good luck, success and all my love be with you. Grams

**Sandra Marie Rios**

Dear Sandra: You were the first angel under our Christmas Tree. We love you and always want the best for you. Never give up on your dreams, you can make them come true. Much happiness always. Love, Mom, Dad + Jennifer

**Dina Rivera**

Our #3, what can we say? Just keep on doing what you always have been and you will always be a success. You have it all! We love you! Mom, Dad, Lisa, Jessica, Joey, Lindy, Borys & Maria

**Rachel Ruiz**

My fourth and final flower has blossomed in the garden. "What a beautiful sight." Dream your world of dreams and overcome all obstacles and make them reality. I am very proud of you and I love you. Congratulations, Mom

**Richard Saavedra**

To Our Loved Son: Congratulations dear Richy! You made it! We wish you all the best in your future. God Bless you always & guide you to success in life. We love you so much. Love, Mom & Dad

**Geraldine Schuesler**

Dear Ger: We are very proud of you, even though we don't tell you so. Always remember that we love you and we will always be there. Love, Mom & Dad

**Christopher Skok**

Dear Chris: I'm so proud of you for hanging in there! I love you and wish for you all good things in the years to come. Love, Mom

**William Stephano**

Dearest Billy - We just want you to remember how proud we are of you and all you do. Bob & Gary feel the same, we know. Good health & success is all we want for you. You are the best. Love, Mom, Dad, Gary & Bob

**Jason P. Smith**

Best of luck & success in the future. We're very proud of you. Love, Mom & Lou

**Janine Turanski**

Janine, I am writing this with all my love and wish you all the best in the future. You will always be my little girl. Love always, Daddy  
Janine, Keep your "Fighting Irish" attitude but temper it with the deep compassion you feel for others. Be "Honest" with yourself. Love, Mommy

**Jay Valiant**

Congratulations! Do your finest in UCF. Make the best of your college years; they fly by. Raiders Rule Jay! Blue Jays forever. You are our computer whiz, so we know you will succeed in that field. We are proud of you and love you. Love, Mom, Dad, Chris, Tony & Nikki

**Manuel A. Villalba**

Congratulations! You are so special to all of us, and we wish you the best in the future. We will always be there for you. God Bless you. Dad, Mom, Grandmother, Eddie & Mutty

**Todd S. Wilson**

Congratulations to you and the class of 1991!! - Look out U.S. Navy because you've got someone we're very proud to "ship" your way - With you goes our love and pride. Love, Mom & Scott

**Anthony Ziobro**

To Anthony (Z-Man): Congratulations on your H.S. graduation. We are very proud of you & love you lots. Remember, we will be there for you & back you in whatever you decide to do. Continue being the perfect son you are. Love & Kisses, Mom & Dad (Z)

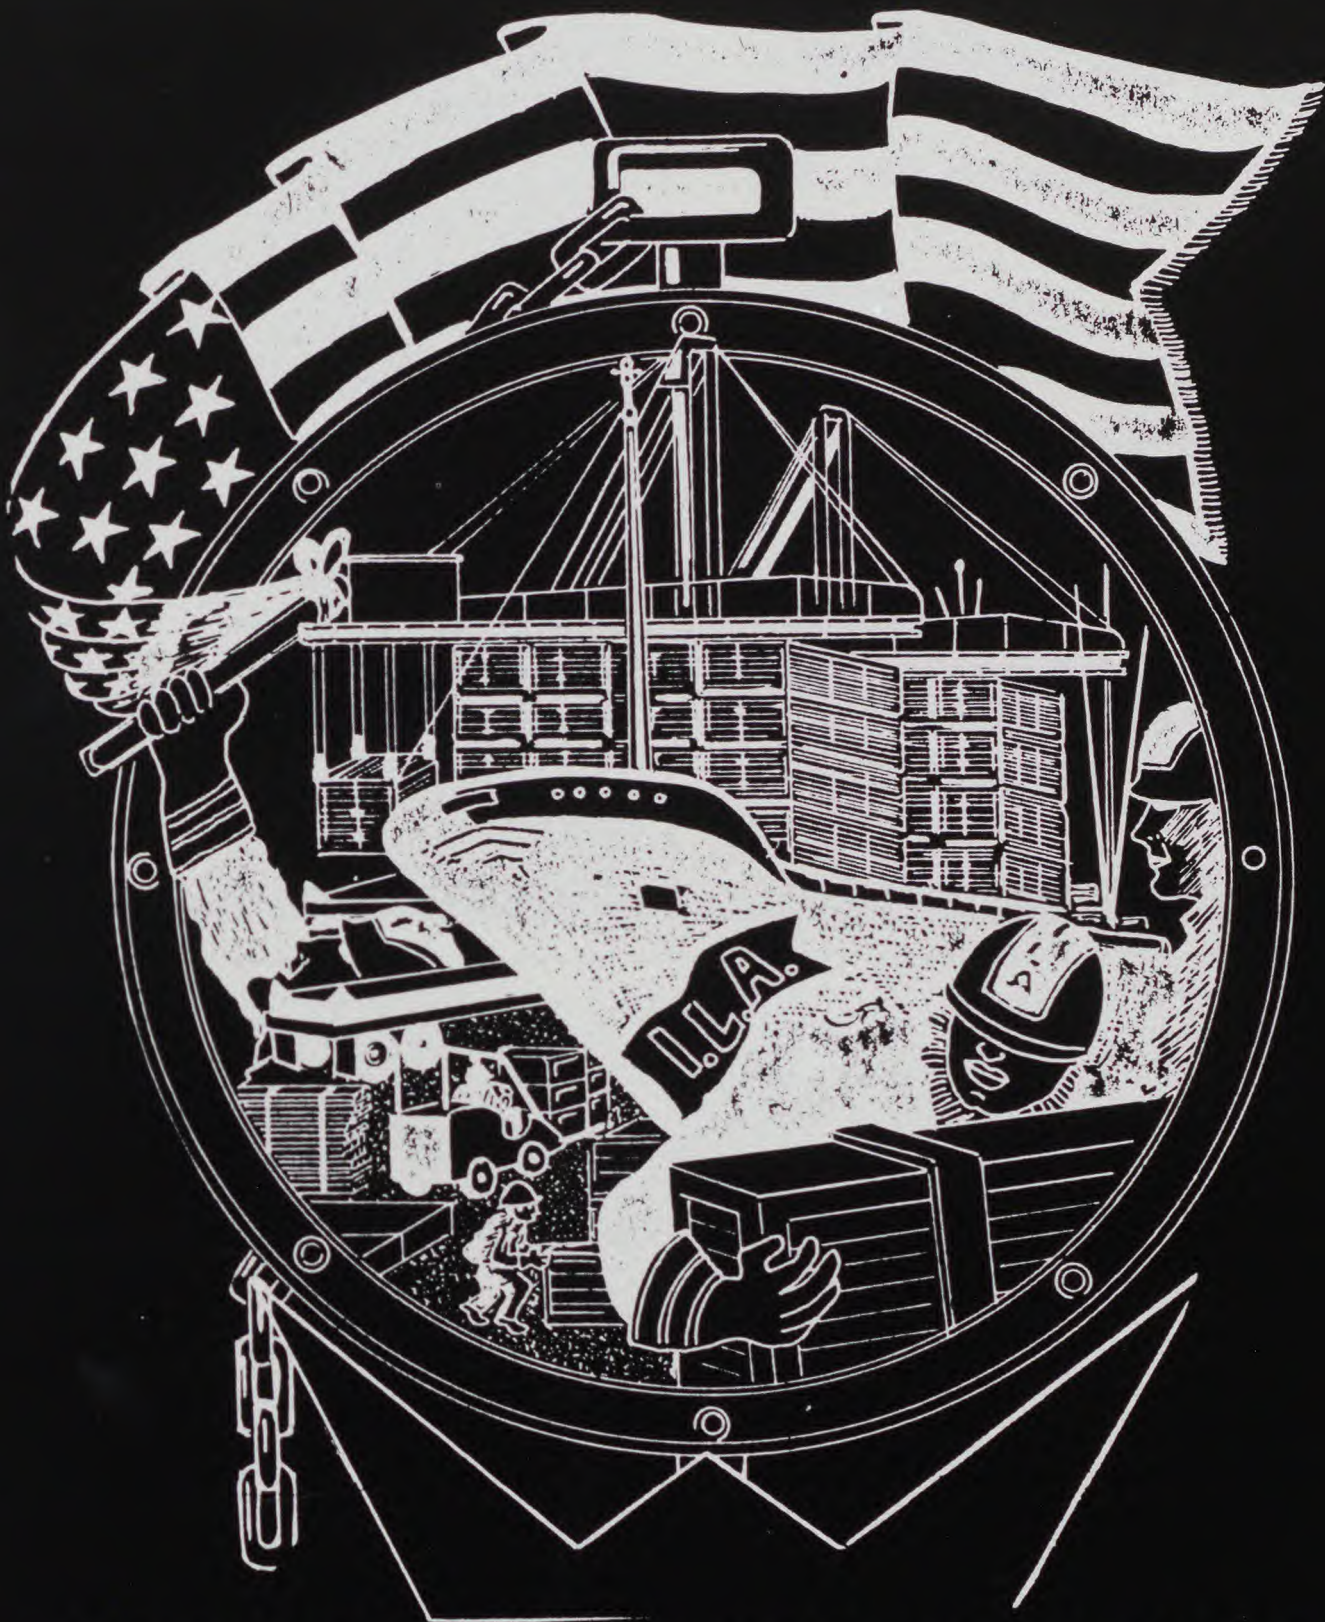

**Luis Valle**

Lou, We love you and we are very proud of you. Love Always, Your Parents
