Spirit

What is spirit?

Cheering on your team even when you are behind by three touchdowns.

Decorating "your" hallway in support of the CHS teams.

Trying to be the loudest class at the pep rally.

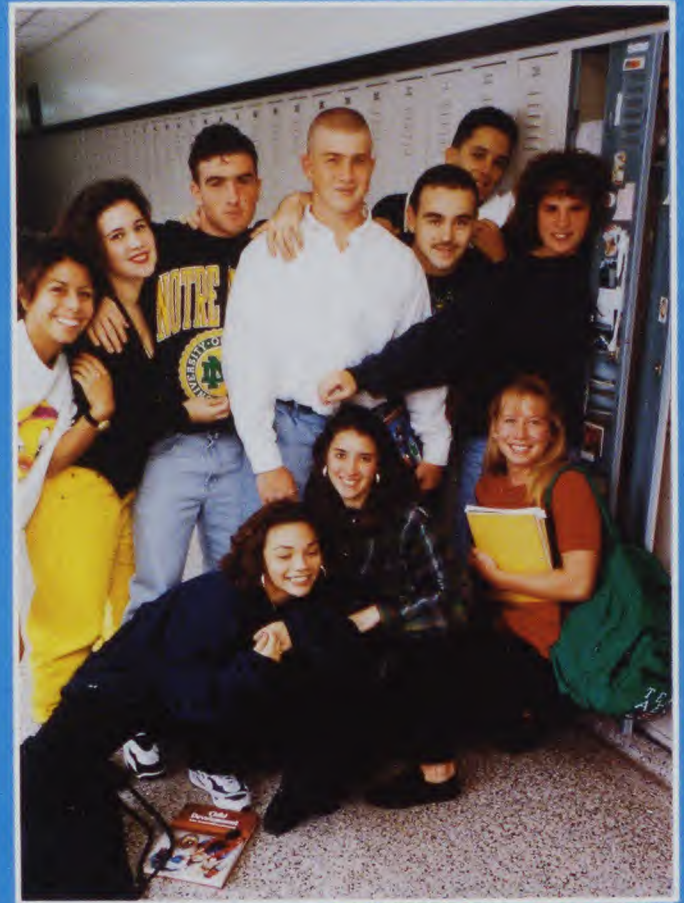

Wearing blue and white on the appropriate days.

These are just some of the ways that students show their Rambler spirit!

Carteret High School, even though it may not be the biggest, newest, or even the nicest, is definitely "where it's at!" We, the students, strive to be the best and show our Carteret spirit. There are always fans supporting our Rambler teams and there is always spirit in the hallways. There's spirit in the classroom also. All of our clubs and organizations help to create that unique thing called Rambler spirit.

All the spirit of CHS will be captured within the pages of the 1994 *Loudspeaker*.

1994

Since September 1993 our class has outdone itself with. We have made many friendships and memories that will last dear to us for a long time.

As Freshmen we came to CHS with many hopes. We joined clubs and sports and became friends with many new people. As freshman year went by, we got to know Carteret High and its people better.

Sophomore year came and sophomore year went. We became officers of clubs, some of us made varsity sports, and more friendships were made. We finally were no longer considered "Fresh." By the end of our sophomore year we ordered our class rings.

By Junior year all of our class fund-raisers finally meant something as we started planning for the long-awaited Prom. We received our class rings and all had a blast at our Junior Prom. Some of our boys were even part of our Championship Football and Soccer teams.

Now, as Seniors, everything is coming to a close. Our last sporting events, our last "finals," our last school play, our last school trips, our last "make-up," our last . . . everything! Even though our lines here are coming to a close, we all will keep our wonderful memories of Carteret High School close to us forever!

Tribute to Scott Smith

"The Right to "No"

An evil volcano is starting to rumble...
It makes people trip, fall and stumble...
What's written here... is not for fun...
The war on drugs, must be won!

So arm yourselves, for it's a must...
For the good believe "In God We Trust."

Back to those days of friendly foe,
Morals, sincerity are nice to know...
Those days were not that long ago!

Before the volcano begins to spew...
Get away from this evil brew...

Ego and pride, which go hand in hand...
There is some truth to understand...
For in these times, there must be
rhymes...

"Life is not a practical joke...
Stay way from things like coke..."

"No need for pot...
Be thankful for what you've got..."

"No need for cheap thrills...
Never take illegal pills..."

"Those on crack...
Seek their dignity back..."

The "Frozen" addict, a ghastly sight!
So fight these evils... with all your
might.

Don't support pushers and thugs...
Just say "No" to illegal drugs!

Richard Cecil

Saving Forever

On April 14, 1993, the Victorian Manor was "where it was at!" The room was filled with happiness as the Juniors and their dates entered. With the lights turned down low and the music blasting, the Juniors experienced memories that they will "save forever."

The 1993 Junior Prom and all its wonderful memories will remain an irreplaceable event that will never be forgotten.

The Class of

In September of 1990, we, the Class of 1994, were greeted by someone who would help us plan the next four years of our lives and maybe even the next eight. She would help us plan for college or work. She would make sure that we had enough credits to graduate and that we were taking the proper courses. Who was this person? It was Mrs. Chiravalle.

Mrs. Chiravalle has been a friend and a counselor. She has been there whenever anyone needed a schedule changed, had a problem with a teacher, or just needed to talk. She has not only advised us about our future but she has taken on many other problems that we might have had.

We, the Class of 1994, would like to thank Mrs. Chiravalle for everything she has done for us over the years.

Above: Mrs. Chiravalle searches for one of her student's transcripts to be sent to a college.

Right: Jamie Felauer and Amanda Morgan wait patiently to speak with their "mentor," Mrs. Chiravalle.

'94 Thanks. . .

Through our four years here at CHS, there have been two special people who have advised us both financially and socially. Both Mrs. Cunha and Mr. Chamra have always been there to help us plan our class functions. Whether it was at dances, the Prom, or through the thousands of fund-raisers, Mrs. Cunha and Mr. Chamra have always helped us manage our class money and choose our prom and dinner dance locations. Mr. Chamra has always helped our class functions run smoothly and be a success. Our class could not have been such a success and we thank them for their help.

Our Senior Class Officers certainly help our senior spirit! They really know "where it's at!" Through the years, the Class of 1994's class officers have been a huge help in making our class a success. They organized fund-raisers, dances, our prom, the dinner dance, and the senior trip. Much of the officer's work goes unnoticed. Advised by Mrs. Cunha and Mr. Chamra, the officers meet many times during the year to make all of our senior activities a success. We thank them for it!

HOMECOMING '93

It was a cold, windy October night. Tension filled the air and stadium. Weeks of preparation by the Student Council went into making the night a success. Homecoming '93 will be definitely remembered by many.

This year 29 senior girls and 18 senior guys were nominated for King and Queen. The nominees were Monica Avila, Jessica Baumgartner, Marsha Black, Susana Bonilla, Tara Bowers, Lisa Catino, Tasha Coleman, Cheryl Connally, Traci Czarnota, Cindy Delgado, Shannon Fedroff, Patty Gomez, Lara Hluszczyk, Jessica Johnson, Jennifer Kish, Heather Lordi, Heather Mardenly, Toni Marino, Kelly McGahan, Jessica Medina, Maria Millan, Adozinda Moderno, Robin Nagy, Kimberly Niedermeier, Taqualla Ransdell, Natatili Stanford, Kelly Sullivan, Sheila Vertil, and Wenyu Wu for queen. For king, Charles Betancourt, Steve Corba, Ryan Fogarty, Chris Fruge, Erick Goncalves, Damian Gonzalez, Dan Gregoire, Matt Greenberg, Jason Hanes, David Medvigy, Tom O'Connor, Jim O'Donnell, Felix Perez, Mike Raguseo, Mike Serio, Rich Sheerin, Abhijeet Shrivastava, and Jonathan Zimmnicki were nominated.

Of these nominees, 20 were chosen to be semi-finalists. From these 20, 10 finalists were selected. They were Susana Bonilla, Tasha Coleman, Cindy Delgado, Patty Gomez and Adozinda Moderno for the queen and her court. The finalists for the king and his men were Steve Corba, Ryan Fogarty, Matt Greenberg, Erick Goncalves, and Rich Sheerin.

The first half of the game seemed to last forever. Then the 5 convertibles rolled around the track. Cindy Delgado and Steve Corba were named runners-up and Tasha Coleman and Rich Sheerin were named Homecoming '93 King and Queen.

CHS's underclass is made up of a diverse group of students. This year the Juniors finally were upperclassmen, the Sophomores were finally no longer freshmen, and the freshmen were finally in high school. Whether involved in sports, academics, clubs, and other activities, or absolutely nothing at all, this year's underclass all played an important role in Carteret High School. As we, the Class of 1995, say good bye to our third year, we look back at all that we have accomplished. We made new friends, received our class rings, and joined our classmates at the most memorable event of all, the Junior Prom.

As we climb to the top, we are slowly seeking our goals, for which we have been achieving the past three years.

Now we look forward to our Senior Year, our final year at CHS. However, we treasure our junior year and the memories we made throughout it.

A Sophomore gathering!

Two years down, 2 left to go. Before you notice your high school years have rapidly passed by you without notice or a thought. Finally, we are "Big" 10th graders, a year to show off to the new underclassmen.

This year is the time for two important decisions for the Sophomore Class, picking a sight for the Prom and choosing a ring company for our Junior rings. During the Sophomore year it is probably the most exciting event for the class.

Old friendships grow stronger and fonder while new friendships are started. During the year, hanging out with your clicks and helping out others, creating memories to last with us for the remaining 2 years.

46 Mrs. Spiga taking time out to help her kids in 3rd period.

The Freshman year was a new experience for us "itty bitty freshmen." Even though some of us had a rough start, it all seemed to work out as the days went by.

There are two sides of being a freshman. First, it's a time of not being able to open your locker or not finding your classes, getting Saturday make-up for the first time and trying to find the bathroom when you really need to go.

Our freshmen class is unique. We have a lot of potential. It's great to see that everyone is getting involved in all types of activities which shows a great deal about our attitudes. We're accomplishing a great deal and we can not wait for more years to come in CHS.

Administration

The Administration of Carteret High School works very hard to make Carteret High the best. Even though they must assign make-up and suspensions, they do many positive jobs, too. By praising honor roll students and helping guide our students, "Mr. Barrett, Ms. Sorge, and Mr. Torre help make CHS the best it can be."

Congratulations to the Class of 1994. As you move forward in your lives, the Administration and staff extend their best wishes to you for a successful and productive future. Utilize the skills and knowledge gained not only in the classroom but also through your experiences in extracurricular, social, and athletic activities to reach your goals.

You have grown and changed intellectually and socially during the past four years. That growth and ability to change and adjust to change must continue as you move forward. Strive to be the best that you can be. Do not be afraid to push yourself to the next level.

This yearbook will always serve to remind you of the people and events that touched your life during your stay at Carteret High School. We appreciate the contribution you made to our high school and extend an open invitation for you to return to us to share with us your future accomplishments. Good Luck!

Dedication to Mr. Gavigan - Teacher and Friend

Frank Gavigan
1950-1993

A Goodbye to Mr. Gavigan

By Wendy Barker

How or where should I start? Mr. Gavigan was one of the very few people I admire. He was so kind, generous, and most of all, loving.

Whenever I saw him in the halls he would always pick on me. A day would never pass with-

out him doing so. I never seemed to mind him picking on me because he would have always cheered me up.

Not only was he good to me, but also to my family. He always told me how lucky I was to have them. He always pointed that out

to me even when I thought he was wrong.

I called him at the hospital a few weeks ago, just before he got very sick. All he seemed to want to talk about was me. I kept asking him how he was doing, but all he kept asking me was the

opposite. This goes to show you just how considerate he was.

There is so much that I can say about Mr. Gavigan, but there is so little space. I wish you all could have known him as well as I did.

Reflections on a Teacher

By Jennifer Kish

Mr. Frank Gavigan, Carteret High School educator, passed away on November 17 at Robert Wood Johnson University in New Brunswick after fighting a long battle with Leukemia.

Mr. Gavigan worked for the Carteret School System for 22 years, most recently in Carteret High School. "We admired him. He never let his illness interfere with his teaching. He always looked forward," commented Mr. Torre, CHS principal.

CHS Social Studies Dept. Chairman Allen Riley said, "As a teacher in my department, Mr. Gavigan loved working with his

students, hoping to ignite in them his passion for politics, history, and government. I will miss him; I will always remember the gallant battle he waged against a lethal killer."

"He had an ability to stay focused on his students. He wouldn't give up. He fought to the end," Wendy Barker, CHS junior. CHS senior Daniel Reiman commented, "Mr. Gavigan was a central part of the spirit at CHS. He was a friend, and a mentor; his enthusiasm and keen interest in the political system has encouraged those who he had taught to take an active role in our society.

His commitment to education will be greatly missed."

As an active county and state official for soccer, basketball, and baseball, Mr. Gavigan was always a good source of information for our coaches here at the high school. One student commented, "He was a great teacher and friend. He always knew how to make everyone laugh."

Mrs. Kushner, ESL teacher, added, "We would look forward to his joke of the day, his spirit, wittiness, and sincerity. Nothing bad could ever be said about him. His strength was unbelievable, especially this last year."

"He was an inspiration to us all. I would consider him my hero." Mrs. Lilenfeld, Language Arts Coordinator.

Mr. Gavigan was also involved in the New Jersey Education Association, and was secretary of the New Jersey State Federation of Baseball Umpires. Surviving are his wife, Barbara; son Christopher John; and daughter Erin Kathleen.

His presence, humor, and courage will be missed by both students and faculty here at Carteret High School for years to come.

Clubs and Activities

CHS clubs and activities have a lot to offer our students here. Whether it be in the French Club, FBLA, Student Council, or the Jazz Band, our clubs and activities are always keeping everyone busy. All the clubs here at CHS are always sponsoring a number of fundraisers, such as meatball sales, the HRC toy drive, and the International Travel Club's annual fashion show. Without all of the clubs and activities CHS would not be the same. CHS Clubs and Activities- THIS IS WHERE IT'S AT!

LOUDSPEAKER

Years after leaving CHS, isn't it nice to be able to have a place to turn to that brings back everything you remember about high school? You can always have a CHS Loudspeaker that captures all the spirit. If it weren't for the Loudspeaker staff, this would never have been possible. This staff has the job of creating the best way for you to look back at CHS. From creating the layout of each page to making sure the yearbook is printed on time, this group does their best to insure a great book.

Student Council holds first semi-formal: Turnout a success

Students enjoying the evening at the semi-formal.

By Lisa Eccles

The first Cardinal High School Student Council semi-formal, "The First Annual Soiree" on Friday, February 20, 1981. The event was attended by approximately 100 people including students and faculty. The semi-formal was open to all classes within the high school. Faculty and seniors also were given the privilege of bringing dates who do not attend CHS. Bids for the semi-formal were sold at the cost of \$15 per person. It was catered by Katharine Erban Caterers. The food included roast chicken, pasta, rice, several types of salads, and various entrees. The music was provided by Party People D.J.s. Kelly Sullivan, Student Council President, commented on the semi-formal "It was a great success that the first semi-formal had a success, and we hope to see a tradition for CHS. I would also like to thank everyone that made it possible. When I heard that the semi-formal was going to be in the school I thought it would be terrible, but I had a really good time. The students should continue this tradition." Commented Kelly Mc Gahan, CHS representative.

Juniors Class Holds Ring Dance

By Lisa Eccles

The Junior Class held their annual Ring Dance in combination with the Homecoming Dance hosted by the C.H.S. Student Council on Thursday, October 7, 1981. The excitement of the night was definitely centered around the traditional turning in the rings. The rings were provided by Pearl Jones. This ceremony also presented the Dad for the Office. For good measure, the night was filled with an amazing series of turn-

ing and signing... The typical ring list began with the name of your best friend (yes, we all have one!), your good friends, and your classmates: all turning your unique ring towards the pinky. The excitement of the evening reached the high point when that special someone "locked" your ring on the 95th turn! According to Junior Laura Faccione, "The dance was a memorable experience."

ITC Holds Fashion Show

By Jenn Kish

The International Travel Club held its fund raising Fashion Show on February 22. This 7th annual fund raising event involved a variety of prom, dinner dance dresses, and tuxedos which are modeled by chosen club members. This year the show changed sponsors according to Wendy Barker, second vice president, "We went with A&S Bridals this year because they offered a wide selection with various dress sizes. The gentlemen wore tuxedos from Ducoffs Tuxedos." The girls modeled approximately 3 dresses each this year.

skit this year, but even though we didn't, I think the show was a success." The event which went well according to the models had few mistakes and seemed short compared to last year's show.

Futhermore the skit which was planned by the club members was rejected by the administration at the last minute. Kelly Mc Gahan, female model, felt "We really wanted to do a

The female models for this year are: Kelly Mc Gahan, Marsha Black, Jennifer Nagy, Jennifer Kish, Cindy Delgado, Monica Avila, Toni Marino, Lara Hluszczyk, Maria Brucato, Wendy Barker, Reina Gudmestad, Angela Khmel'nitskaya, Sue Bonilla, Tricia Rigler, Laura Faccione, and Lisa St. Juste. Sheerin and Coleman Take Homecoming Honors

By Laura Faccione

This year's Homecoming was held on Wednesday, October 14, 1981. It was a night filled with music, games, and high hopes as the ten finalists waited on the sidelines to hear the results as to who would be named Homecoming King and Queen.

announced to be Ryan Fogarty, Steve Corba, Rich Sheerin, Matt Greenberg, and Erick Goncalves, Tasha Coleman, Susanna Bonilla, Cindy Delgado, Patty Gomez, and Adolinda Moderno.

The night before at the Homecoming/Ring Dance, the ten finalists were announced as Tasha Coleman and Rich Sheerin. Also, as first runners up, Cindy Delgado and Steve Corba were named.

YEARBOOK BUSINESS STAFF

This branch of our yearbook has the task of insuring successful Loudspeaker sales. Making sure that you get the book you paid for and handling all money taken in from sales are also responsibilities of this group. Without this group, the creation of a yearbook may be useless. Selling would not be done, and yearbooks may never come into being.

ACADEMIC CLUB

"Spirit on TV"

Have you ever seen the TV show "Jeopardy"? Well the Academic Club comes as close to "Jeopardy" as anything in CHS. They meet regularly and go over trivia with their advisor, Mr. DiSarro. A group of three participate in "Challenge" on TV-3 and represent the Academic Club.

The Challenge Team of C. Fruge, B. Ribeiro, M. Greenberg, and A. Shrivastava, advised by Mr. DiSarro, participate in a television tournament on Suburban Cablevision.

Here's some questions the club may find themselves answering:

- 1.) Which U.S. president lived in Monticello?
- 2.) In what body of water is Alcatraz Island?
- 3.) Who wrote "The Rime of the Ancient Mariner"?
- 4.) On what team was Wayne Gretzky before he was sent to the Los Angeles Kings?

- 1.) Thomas Jefferson
- 2.) San Francisco Bay
- 3.) Samuel Coleridge
- 4.) Edmonton Oilers

MATH LEAGUE

Just make sure you know your square roots and geometry concepts before you join the Math League. This organization, led by Mr. DiSarro gives members the opportunity to prove how much they really know about their mathematics.

Each month of the school year, the members attend a competition at which many other schools also compete against each other. Each participant takes the same 10 question test. These problems range from 1 being easiest to 10 being hardest. These problems sometimes require knowledge in trigonometry, log functions, and statistics.

Although all this work may seem hard, it helps students apply their math knowledge in a fun way.

NATURAL HELPERS

Comprised of students in their freshman, sophomore, and junior years, the Natural Helpers, led by Ms. Haase, gives members the opportunity to visit the elementary schools. These visits are not without an important purpose; members help young children with their everyday problems. These discussions do prove very helpful to the kids, and they also give the high school students a feeling of accomplishment.

H R C

The Human Relations Club, advised by Miss Mincieli, can be thought of as the strings that hold the school's spirit together. Student members attend weekly meetings and discuss topics ranging from their favorite television shows to their biggest disappointments in life.

This organization was formed in 1977 to help CHS students deal with racial riots that were going on at the time. Membership in the club has grown since the 1970's, and the club's goals have become broader.

One of HRC's biggest endeavors is a Christmas toy drive, in which toys are provided to children of needy families.

SCHOOL STORE STAFF

This group of CHS students learn and develop marketing skills in class taught by Mr. Scally. The members also learn by the administration of the student store, which is open every day at lunch. The school store staff assists in helping its customers (students and faculty alike) purchase whatever the store offers.

Cooperative Office Education is led by Mrs. Kopko. Cooperative Industrial Education is led by Mrs. Cunha. Both are organizations open to only seniors who are interested in joining. They give members an idea of what it's like to work in an office and allow them to get jobs for school credit and, most of all, promote business skills.

STUDENT COUNCIL: Helping CHS Keep the Spirit

The Student Council of Carteret High School, led by Mr. Simon, is a very active group of dedicated students. Its members plan many interesting activities throughout the year. Dances and fund raisers are typical throughout the year. The student council also administers the vote and handling of ceremonies for homecoming king and queen. This year, the organization also ran a very successful semi-formal dance.

French Club - Bringing France's Spirit to CHS

Led by Madame Holleuffer, the French Club specializes in bringing its members close to the spirit that makes France the lively country that it is. Members learn about this country, its culture, and way of life. Every year, the club conducts fundraisers and takes a trip to New York City to enjoy French cuisine at a French restaurant.

LATIN CLUB: SHOWING OFF ROMAN SPIRIT

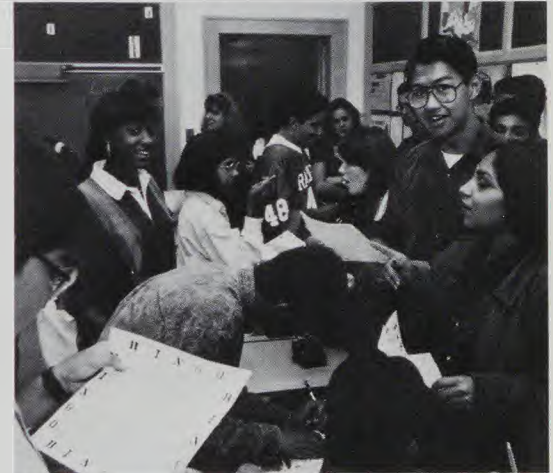

Led by Mrs. Sansone, the Latin Club keeps the Roman culture alive. Comprised mostly of students in CHS's Latin classes, the organization holds regular meetings. In order to become a member of this Junior Classical League, as it is also known, candidates must go through an initiation process that is supposed to be similar to a person's journey through Hades. This year a trip is planned to a museum and Italian restaurant, The Olive Garden.

GERMAN CLUB

"Sprechen Sie Deutsch?" If you understand this question, you can become a member of the German Club. Even CHS students who speak no German nor are in a German class may join this club. This organization does many activities throughout the year. For Christmas, members take a trip to a German restaurant, the Hofbrauhaus. Another trip is usually planned as well.

SADD: Promoting Drug and Alcohol Awareness

Students Against Drunk Driving is an organization that recognizes the dangers of driving drunk. It also fights the teenage use of drugs. Members have responsibilities that span the whole year. Bake sales are held frequently and fund raisers take place. SADD Week, held from March 28 to April 1, shows students the effects and dangers of alcohol.

FTA

Any CHS students who hope to have a future career in the teaching field join the Future Teachers of America. This club shows members what it is really like to be a teacher by sending them to grammar school classrooms, where they observe a teacher and possibly get an opportunity to teach. Throughout the year, after-school programs are conducted; members go to grammar schools and assist students with their homework and schoolwork.

CAR CARE CLUB

The Car Care Club is a new organization at CHS. Started this year by advisor Mr. Comba, the club does just what its name says: students are taught maintenance for their cars. Even students who do not own cars can join because someday when they do own an automobile, they can use the techniques learned. In upcoming years, hopefully the organization will stay around and gain a larger membership.

INTERNATIONAL TRAVEL CLUB

The International Travel Club, ITC, is led by Mrs. Krugman. This year's club contains over 80 members, all of whom love to take part in all of the activities and learn about traveling to other countries.

ITC has annual bake sales and sponsors an annual fashion show for which members try out in order to model prom and dinner dance fashions. There is also an annual trip to NYC to see a play, and a trip to another country during Easter break. This year the group traveled to Greece.

REFLECTIONS: Publishing CHS Spirit

"Reflections" is a CHS student publication headed by Ms. Silverman. Every year the staff for "Reflections" puts out a book of poems, essays, short stories, and drawings completed by students of CHS. The staff sees their work as being very important; the existence of "Reflections" gives students the opportunity to show off their hidden literary talents and gives others something to read.

INTERACT

Row 1: Mrs. Spiga, Pres. K. McGahan. Row 2: 2nd VP C. Weiss, 1st VP M. Lewis, Rec. Sec. R. Sheerin, Treas. W. Barker.

What exactly does Interact do? Before knowing that, you have to know what it is. It is a CHS Rotary Club-sponsored organization available to give students a chance to do something related to community service. What it does is help out Carteret in any way it can. This year it helped the participants in the CROP walk by giving them food and assisting many who could not walk alone. You know those Carteret Football sweatshirts that everyone's been wearing this year? They were sold by Interact.

FORENSICS

Foresnics is one of CHS's best-kept secrets. Sponsored by the Veterans of Foreign Wars, it holds an essay contest every year. The winner from Carteret goes on to the county finals and, if successful there, to the state finals. This year's winner from Carteret was Daniel Reiman.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America aren't only into doing just what their name states. What their main concern is is to build leaders for the world. In hopes of making better-suited individuals for the world beyond high school, FHA helps build members character and prepares them for leadership positions. This year, the organization made a banner for the New Jersey Association of FHA/HERO. With this banner, they made it to the state finals.

NATIONAL HONOR SOCIETY

The CHS National Honor Society chooses its members at the end of their junior year. This selection is based on their grade point average, extracurricular activity and community involvement, and teacher recommendation. This year, the NHS held a stationery fundraiser and a Midwest Flood Relief Drive for victims of 1993's devastating floods in the Mississippi River area. Towards this year's closing, selection of next year's members begins.

ENVIRONMENTAL RESEARCH

The Environmental Research Team does just what its name implies. Members put in a lot of time to study the air and water of Carteret and surrounding areas. Every morning at 7:30 members gather samples of air and study these and water samples. Their objective is to arrange their findings in a logical manner.

SCIENCE BOWL

Although the Science Bowl team of CHS participates in only one competition, it is very important. It represents CHS at the National Science Bowl Competition, at which a team of four answers questions relating to science topics. Previous to attending the tournament the team practices at lunchtime and before school.

SCIENCE OLYMPIAD

The Science Olympiad is a club that lets students who are interested in science enter a competition in one or more events. This competition is held at Rider College every year. Events include a bridge-building contest and a mineral identification event. Mrs. Masterson and Dr. Hricko advise this group.

CHEMISTRY OLYMPICS

The Chemistry Olympics are similar to the Science Olympics, except for the facts that all the events are related to chemistry, and the competition is held at New Jersey Institute of Technology. Weeks before the competition, members prepare for their individual event or events in Mrs. Masterson's room at lunchtime and before school.

DRAMA CLUB: SPIRIT ON STAGE

The Drama Club, advised by Mr. Spaldo, puts on a play every year. Auditions are held in the first half of the school year, and parts are assigned carefully. Through the two months preceding this year's play, "The Desk Set", the cast and stage crew worked very hard to give a fantastic performance. Their efforts have paid off; the play was a big success.

RAMBLER MARCHING BAND

What's the loudest sound you hear at the pep rallies and football games? Who provides the music to the tomahawk chop and the traditional "Notre Dame"? The obvious answer is the Rambler Marching Band. This group of talented musicians know how to keep the spirit in the football games, but besides the games and pep rallies, the band plays at various competitions.

CONCERT BAND

The Concert Band, led by Mr. Fossa, is a devoted group of individuals who compete at competitions and perform at annual concerts, like the Christmas Concert. Because of their hard work, they usually prove to be a success.

SPORTS

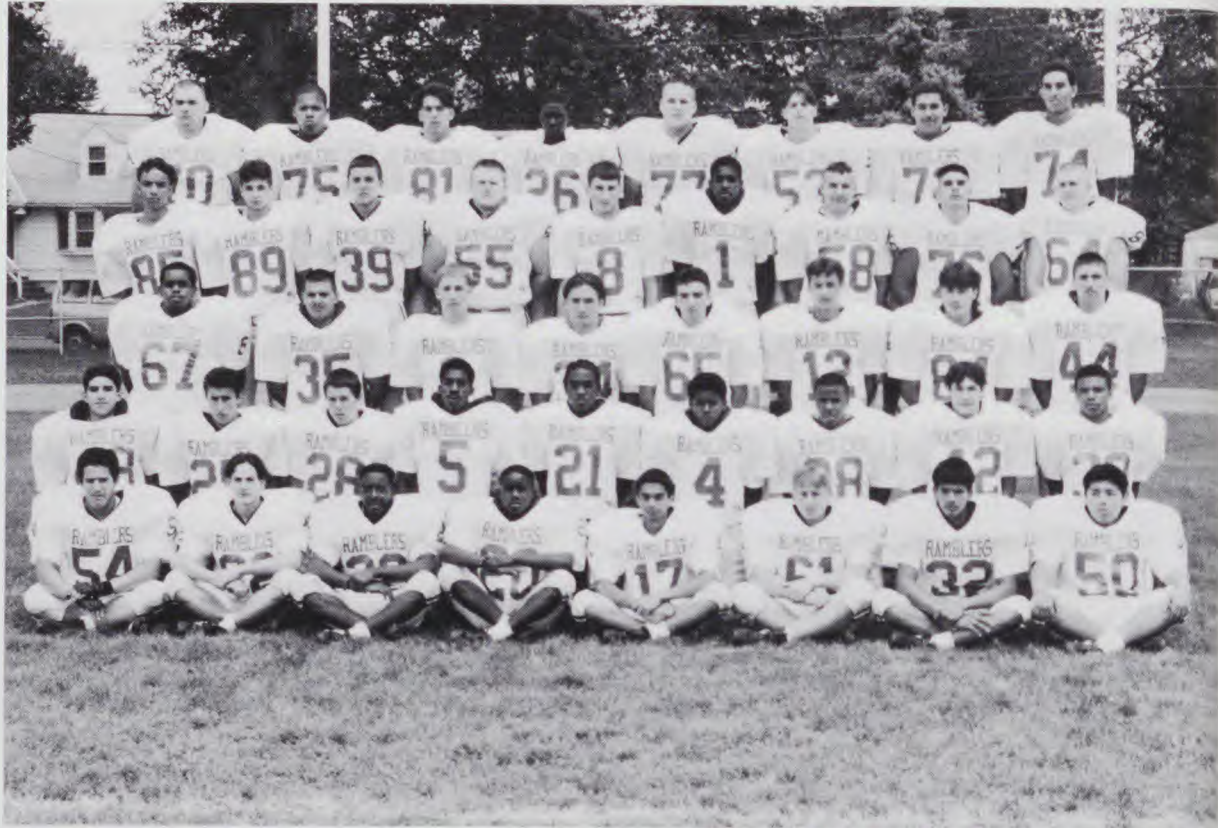

CHS's sports is the one place "where it's at" in Carteret. Our Rambler teams are known for their unity, leadership, and spirit. Whether it's at a cold, rainy football game; a hot, intense baseball game; or at a crowded basketball game, our Rambler fans were always there supporting our teams. DEFENSE KEY IN '93

At the beginning of the '93 Football season, third year Head Coach Jeff Weiner looked to his high powered offense led by junior quarterback Phil Stragapede, junior All-Division wide receiver Bill Tharrington, and senior All-State guard Rich Sheerin to put up big numbers and a stingy defense for a winning combination. As the season wore on, however, the offense sputtered at times and the defense stepped up big. Led by senior All-County lineman Greg Chubenko, senior linebacker Ryan Fogarty, and sophomore All-Division linebacker James Henderson, the Rambler "D" gave up only 52 points, the third lowest point total in the county, and allowed only two rushing touchdowns all season. Although a far cry from last season's 11-0 State Championship record, this year's record of 5-4 can be misleading. Three of the Ramblers four losses came to teams that played for a State Championship and the fourth loss came at the hands of a very much improved Perth Amboy team. Although the season did not quite end as planned, the Ramblers can look on the great play of many underclassmen as a stepping stone back to the States next year.

Q
&
A

Greg Chubenko

What was your biggest challenge of the season?

"The biggest challenge I faced this season was stepping in to start on the defensive line after last year's standouts had great seasons."

What was your greatest accomplishment this season?

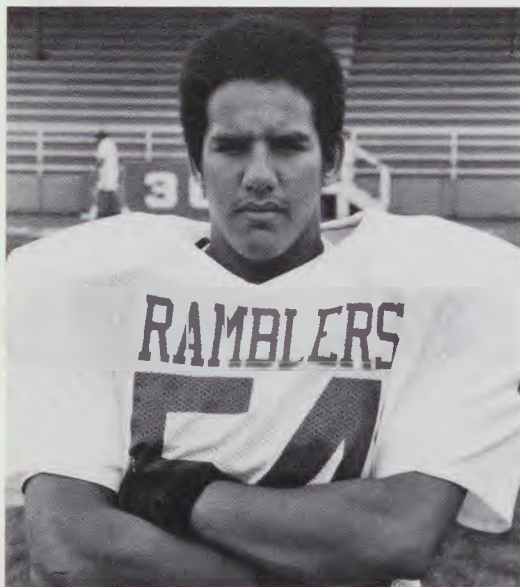

"My greatest accomplishment this season was having four sacks and a solid defensive game in my last high school football game vs. Perth Amboy."

What are your future plans concerning college and football?

"I plan to go on to college and play football on the Division I-AA or Division II level."

CHEERLEADERS HAVE SPIRIT!

The 1993 Varsity Football Cheerleaders, coached by Grace Cunha, had a very productive season. With Senior Co-captains Cindy Delgado, Kelly McGahan, Robin Nagy, and Kimberly Niedermeier leading the team, the girls learned a new dance routine to 2 Unlimited's "No Limits." They performed this routine at all of the home games and at the two pep rallies. The senior members of the squad were Jamie Felauer, Jennifer Kish, Heather Mardenly, and Kelly Sullivan. The Junior members were Erika Braun, Melissa Kolbeck, Karen Panza, and Maggie Wurst. Sophomore Angela Clemens and Freshmen Jessica Kushner and Tara Tarrant were also members of the team.

This varsity squad also added several new cheers and sideline chants. They participated in a cheerleading camp in June of '93 where the girls learned many cheer builds. According to junior member Erika Braun, "It was definitely worth the time and money to attend. We learned stuff that is new and it added variety to what we already do."

Right before the last game of the season, on Thanksgiving, all of the senior members were introduced with their parents. They all received fall corsages. All in all, the team had a great season.

What was your view on the Cheering season overall?

"I have to say that this year was the best of my four years. We accomplished a lot of our goals like learning a new dance routine and some new cheers. Many of my teammates contributed ideas and helped make up cheers. That is really what made us have a productive season. I am really going to miss everyone on the team."

**CHS SOCCER
DOES IT AGAIN!**

The 1993 Carteret Soccer team enjoyed a successful season, finishing with a record of 10-2-0 in the regular season and an overall record of 12-4-0. The Ramblers were the GMC Gold Division Champs for the second consecutive year.

Leading scorers for the Ramblers were sophomores Joe Bazan with 18 goals and Dan Chumpitaz who knocked in 13. The Ramblers were also solid on defense, led by senior fullbacks Erick Goncalves and Matt Greenberg.

The Ramblers' post-season activity included advancing to the semi-finals in the State Sectionals and to the quarter-finals in the County Tournament. The CHS soccer team is looking forward to a productive season next year, expecting outstanding performances from juniors Jeff Kolakowski and Jose Sierra.

What is your outlook on next year's soccer team?
 "Next year the team will move to the Blue Division. The competition will be stiffer, so the team must work extra hard. Jeff Kolakowski, Jose Sierra, and Joe Bazan must step up to fill the gap."

Do you plan to play soccer next year at a college level?
 "Yes. I am trying to play for Middlesex County College, who is ranked 3rd in the nation. I am also trying to get into Rutgers, who's 8th in the nation. I could only hope for the best."

How do you feel about this year's performance?
 "This year's team worked very hard this year. The chemistry between the players was there, making the teamwork come easier. The players deserved the Gold Division championship."

GIRLS TENNIS TEAM
SUCCEEDING!

This year's girls tennis team improved greatly from last season. A record of 12-2 put the girls tennis team in second place in the Blue Division. Coached by Coach of the Year Mrs. Kushner, some of the girls made the All Girls Blue Division. Heather Lordi and Lea Payongayong made all singles, Karen Giameo, Bridgette Quimpo, Michelle Lewis, and Mihwa Cho made All Girls Doubles. Backed up by Seniors Lara Hluszczyk, Heather Lordi, and Reina Gudmestad the tennis team really gave it all they had. Said Lea Payongayong, "We improved over the years, even though we were an underclassmen team; and we had a very good coach."

**BOYS' CROSS
COUNTRY RE-
BUILDING,
GIRLS ACHIEVING.**

The Boys Cross Country Team underwent many changes this season. After losing three of their Senior runners, the Carteret Boys Cross Country team met new and young faces. Led by Senior veteran David Medvigy, the Cross Country team had two returning runners, Sophomores Mark Kitz and Solomon Doong. Although they did not perform well, this young team will have a chance to practice hard and get ready for next season.

The Carteret Girls Cross Country Team had an excellent season. Led by Senior Natatili Stanford, the girls team had an undefeated record of 6-0. Not only did they have a great record; Cathy Dey, Shannon Hempel, Pamela Bittner, Jennifer Gonzales, and Cheree Davis all made the Cross Country Girls All Blue Division. The accomplishments of the girls team can be credited to Coach of the Year, Coach Donnelly.

DAVID MEDVIGY

Being a four year veteran on the Cross Country Team, how do you compare your Freshman year to your Senior year?

"Well my Freshman year I did not know what running was all about. By the time I was a Senior, I had a good idea how to run for success in races and at practice."

What will you miss most about Cross Country after you graduate?

"I will miss the comraderie and the pleasure of running throughout the area in competitions."

What team would you say was the toughest team to compete against.

"Metuchen was with out a doubt the toughest in just about every season. We only beat them once and many times they were our only loss."

CARTERET BASKETBALL PROVES IT AGAIN!

The 1994 Carteret High School Varsity Boys Basketball team completed a successful season this year, finishing with an overall record of 13-8 and coming in 3rd place in the Blue Division.

The Rambler's offense was powered by senior center Anthony Rogers and senior point guard Jamie Poythress, a newcomer to Carteret High.

Both players received the honor of being selected to the All Blue Division Team. Rogers was also a GMC All-Star. Other contributions to the team came from senior Ryan Gautier, and juniors Bill Tharrington, Matt Tracy, and Phill Stragapede.

The Ramblers qualified for post-season play and advanced into the second round of the county tournament and went as far as the quarterfinals of the state tournament before suffering a tough loss to Freehold Borough. Although their season ended on a bitter loss, the Ramblers are already preparing for next season.

The boys in blue showed they had the heart and desire to win and proved that in their game.

A

Jamie Poythress

Was it a big change coming to CHS this year from Bayonne?

"It was difficult to adjust because CHS is a smaller school. Otherwise, the change to play basketball for a different school didn't affect me much."

How do you think the team performed this year?

"We accomplished the goals we set out for, and then some. We didn't expect to perform as well as we did. Overall, I would say we had a very productive season."

Do you plan to play basketball in college?

"Yes, I am trying to play for a college team. I applied to such colleges as Stockton, Monmouth, and Rowan, but I'm open-minded to all colleges. Just as long as I play, I'll be satisfied."

GIRL'S BASKETBALL

LADY RAMBLERS ENJOY PRODUCTIVE YEAR

In a season that seemed to be doomed from the start due to season ending injuries to returning starters that occurred in the off season, the Lady Rambler Basketball Team and the coaching staff did not know what to expect as the season wore on, yet the Ramblers pulled it all together, disregarding all setbacks, and had a very productive year. Many returning underclassmen got invaluable game experience that will be apparent next season when they take the court, each a seasoned veteran. Led by Coaches Sisko and Dotegowski and lone Senior Captain Cindy Delgado, the Ramblers finished with a record of 5 wins and 10 tough losses in the rough GMC Blue Division, not bad for a squad made up of 9 Freshman, 2 Sophomores and only 1 Junior and Senior.

Cindy Delgado

Did you feel any added pressure being the lone senior on the team?

"Yes, I did. The coaches expected me to set the right example for the freshmen and sophomores who just began their basketball careers. I did not resent the pressure, I expected it; therefore I continually worked my hardest to aid the progression of the girls basketball program at C.H.S."

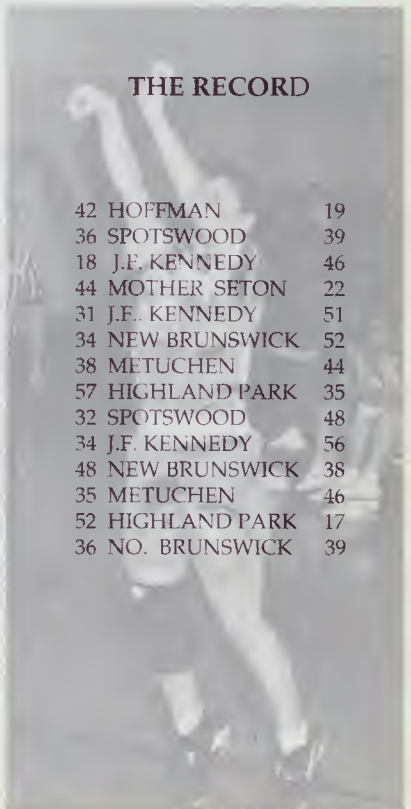

What are your future plans concerning school, basketball, and sports in general?

"I have no definite plans for athletics in the future. However, I do plan to stay athletically active whether it be as a member of my college basketball, softball, or cheerleading teams or just being involved in intramural sports. I'll miss all the special friendships I had with my teammates and coaches and I wish them the best of success in the future."

Basketball Cheering

The 1994 Basketball Cheerleaders had a great season. They cheered on both the J.V. and Varsity teams for the boys and the girls basketball players. Coached by Mrs. Cunha, the cheerleaders practiced many long hours for perfection.

The Varsity team, led by senior captains Heather Mardenly and Kelly McGahan, consisted of seniors Tasha Coleman, Geneva Kelly, Jennifer Kish and Taqualla Ransdell; juniors Lisa Eccles, Jennifer Gelles, and Melanie Zatovitch; and freshman Tara Tarrant. The J.V. team was made of 8 girls and was led by captains Na Na Nix and Kim Zirpolo. Senior Captain Heather Mardenly comments, "Although our team was small, we were still an important part of the basketball games." The squad was small, and because of illness, did not cheer with a full team many times. Senior Jenn Kish said, "We had a great season and I'm glad I cheered my senior year so I could show my C.H.S. Spirit!"

Was it more exciting cheering for a championship team?

"Whether the teams did well or not would not have mattered because we still would have been behind them cheering them on. However, it is much more exciting cheering for a winning team."

What will you miss the most about cheering for CHS?

"I will miss being a part of the games and having so much fun cheering with my friends."

As captain, how do you feel about the season overall?

"Even though we did not cheer with a full team at many games, we still did a great job. Overall, we all had a lot of fun and we'll miss cheering for Carteret."

WINTER TRACK

MOTHER NATURE HOLDS GRUDGE AGAINST TRACK TEAM

This season Mother Nature pounded the Northeast with a series of storms that led to the cancellation of Carteret High School's winter track season. The storms left snow and ice on the outdoor tracks making it impossible for teams to compete on them. Although the team was able to compete in the GMC Relays, where Junior Amy Heck and Sophomore Diana Wlodarczyk won first place in shot put with a combined throw of 63' 2.25", they were not able to compete against schools in their division to build a record.

Many people were angry at the weather because they did not have the chance to compete in any dual meets. Kristen Boscaino said, "I feel disappointed that we only competed in only a couple of meets. We were hoping for a good season."

Although some members of the team quit, many of them stayed and practiced hard just in case there was a chance that there was a meet. Senior Dave Medvigy had this to say about his last winter track season being canceled: "Throughout my four years on track, I've had many memorable seasons, but this winter will always stick out as the season where we did not have any dual meets at all. Track has always offered me a chance to compete and have some fun, but this year there was only the counties and the states to enjoy. All in all, track has been one of the most rewarding experiences of my high school years."

RAMBLERS ROLL INTO STATES

This year's Boys and Girls Rambler bowling squads had great seasons at both the team and individual levels.

In only his second season at the helm, Coach Simon utilized many talented underclassmen and the leadership of Girl's Captain Lara Hluszczyk and Boy's Captains Anthony Valiant and Chris Luskey to make great strides in both programs. The Girls improved on last year's 2-17 mark going 10-8-1 and qualifying for both the Greater Middlesex Conference and the State Tournaments.

In the States the Girls captured third place in Central N.J. and advanced to the State Finals. On the individual side of the season, Junior Danielle Canavari qualified for the State Individual Finals and Freshman Nicole Valiant and Junior Daria Mazan qualified for the County Individual Tournament.

This year's Boys made great strides and had tough losses in going 4-14-1 this year. Starting two freshmen, one sophomore, and three juniors, the Ramblers exceeded all pre-season expectations by placing thirteenth out of a field of twenty-three teams in the State Sectionals.

With this year's great season behind them, and 10 starters returning next year the Ramblers look to next season to exceed this year's accomplishments.

**Reina Gudmestad
and
Santos Gonzalez**

Reina, after looking back on your three years of participation in bowling, what memories stick out most for you?

"Bowling has always been lots of fun for me, but this year was certainly the most rewarding season of them all. Finishing 10-8-1 this year and third in the sectionals was a great way to end my career here."

How did your interest in the sport come about?

"When I was young, my mother used to take me bowling- usually on Saturday mornings. As I got older, I would periodically go bowling with my friends and I liked the sport and just carried over my fondness for the game into high school."

Santos, how did it feel to be the lone senior on a relatively young team?

"I didn't feel any added pressure to try and be the team leader. I just encouraged everyone to do their best."

Although the team was young, they were very experienced. How did you feel being a newcomer to the squad?

"Actually, I didn't feel like a newcomer at all. They (the returning starters) made me feel like part of the team from day one. It was pretty much a close-knit team. We had a lot of fun."

RAMBLERS LOOK TO
YOUNG TALENT IN
NELSON'S FARE-
WELL SEASON

As the '94 Rambler Baseball Campaign rolls around and the sun seems to shine a little brighter at Sullivan Field, this year's season will mark some bright, new beginnings and some tearful farewells. This year marks the beginning of a new era of Rambler baseball led by exciting young talent who'll begin their great new careers and try to lead the Ramblers back to the State Finals once again. This season also marks the end of an era - the incredible coaching career of Coach Steve Nelson. In his 32 years of coaching, 27 as Varsity head coach, Coach Nelson, using his no-nonsense, fundamental style of teaching and coaching, molded class after class of young men into a baseball dynasty in N.J.- thus elevating the Baseball Program, the high school, and himself to legendary status. Under his guidance and the leadership of Senior Captains Paul D'Archi and Steve Corba the Ramblers look to mold their young talent to win enough games to propel Coach Nelson over the 400 victory mark and into the States once again.

Paul D'Archi

Do you feel any added pressure this season being a Captain and one of only three seniors on the team?

"No, we have a good group of returning youngsters that have enough experience at the Varsity level to help us have great season and I don't feel any pressure to lead them, except by example."

How does it feel playing under Coach Nelson for the last time in both your careers?

"In a way, I feel both sad and happy. Happy that I had the opportunity to play under such a great coach and person for four years, but sad in that I will no longer have the opportunity after this season."

GIRLS
ANTICIPATE
GREAT SEASON

The 1994 C.H.S. Varsity Softball team is very hopeful and optimistic. Coming off of a record of 11-7, the Ramblers are striving to capture the Blue Division title. With rivals such as Metuchen and J.F. Kennedy, this season appears to be very competitive.

Definite positions have not yet been decided, but the Ramblers look to have juniors Diane DeRogatis and Erika Braun pitching and catching, respectively. First base is being battled out between Sophomore Jen Doteowski and Junior Michele Lewis with the other going to the outfield. The remainder of the infield looks set with Freshman Karen Giameo at second base, Junior Heather Meyer at shortstop, and Senior Heather Lordi at third.

The only definite outfielder is Robin Nagy at center. Kristen Boscaino, Cindy Delgado, and Janet Kudroch will be fighting for the positions of left and right fields. Jen O'Donnell will most likely serve as Designated Hitter. Overall, the Lady Ramblers are looking for a successful and hardworking season.

After playing Varsity for three years, how do you feel coming into this season?

"Even though the Blue Division will be very competitive, I think we will definitely be in the running for the title. The team looked really good in the preseason and I hope the bad weather does not affect us too much."

Do you feel confident in the team's upcoming performance?

"I feel we have grown as a team by learning to work together. Everyone tries to help each other out and contributes 100% I hope i can give my best every game."

**WATCH OUT FOR THE
SPRING TRACK TEAM!**

Spring melts the snow and a new season begins for Carteret High School's Spring Track team. Coming off an invisible winter season, Carteret's spring track team hopes to perform well and put the past behind them. Loaded with powerful runners and throwers, this year's team should do well in meets.

Leading the boy's is senior long distance runner Dave Medvigy. His four year experience should come in handy during tough meets. Another runner is Ryan Gautier who is expected to do well in the sprinting events. Senior Charles Betancourt and Senior Jon Zimnicki are expected to do well in discus, shot-put, and javelin.

On the girl's side, junior Paloma Arrunategui is expected to do well in the running events and junior Amy Heck is expected to perform well in the throwing events.

All in all, this year's Spring Track team should do well if they practice hard and keep their minds focused during meets.

RYAN GAUTIER

Why did you join Spring Track in your senior year?

"I joined Spring Track my senior year because I thought that I should try something different and try to keep in shape. I also thought that track would be so easy from what people said. I found that to be a mistake."

How do you think the team will perform this year?

"I think that the team has a good shot at winning the division and to do something in the county and state tournaments. The first meet is a big one and will determine the outcome of the season."

CHS Tennis: Young but Capable

Carteret High School's 1994 Boys Tennis Team goes into this season with young, aspiring participants under the capable hands of Coach Basza. The team is composed of mostly sophomores, three juniors and no senior leadership. This, says a player, will only make the team push harder to win matches. The team is powered by Junior Brian Dressler and sophomores Martin Payongayong and Ya Tang Wu. High expectations were set for sophomores Solomon Doong and Manuel Millan as well. This young but very capable team shows great potential and hopes to look forward to a promising season.

What are the team's goals for this season?

"I feel that we should be a contender in our division."

Why do you play tennis?

"I play because I enjoy it."

The team is very young. What do you think the future holds?

"I think that in two years, the team will win the division."

What do you think of Coach Basza?

"I feel that he is a good coach, but he does not get any credit because he has not had the talent needed to produce a winning team."

CHS Golf Swings into the Season

The 1994 Carteret High School Golf team is looking forward to a productive season this year, hoping for outstanding performances from all its players.

The team is led by four-year veteran Matt Greenberg and junior Tony Valiant. Other players who are expected to put up good numbers are senior Mark Clemens, who has also played for CHS each year, and newcomer to the golf team this year, Greg Chubenko. The team is coached by Joseph Costello, who has coached CHS Golf for the past three years.

Golf is a pretty complex sport to play. Where did you learn how to play the game?

"My father took me out when I was in grammar school. I only went out a few times until high school. Most of my learning happened at CHS."

What will you miss most about not playing golf for CHS anymore?

"I'll miss going out to play golf as often as the team does. Going out to play 2-4 times a week, four springs in a row was great."

As a departing senior, what is your outlook on the potential of next year's team?

"Unless we get a large number of new members, the team was relatively experienced. I think next year's team will be very promising."

C.H.S. SAYS GOODBYE

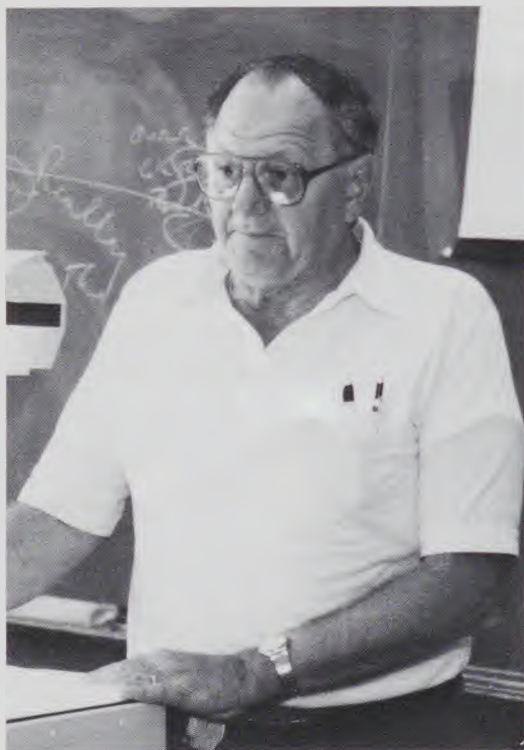

When the final pitch of the 1994 Baseball season is thrown and the final school bell rings, Carteret High School will witness the end of an era. After 35 years of teaching and 32 years of coaching, Mr. Steve Nelson, "Coach" to those who played for him, coached with him, and rooted for him, will retire both as an educator and a coach after three and a half decades of incredible, selfless service to the high school, the town, and its youth.

A member of the C.H.S. Class of 1954, Nelson went on to graduate from Rider College to study accounting, but after hearing an inner call to become an educator and help the youth of his hometown, he switched in his major in his Junior year and graduated in 1959 with a B.S. in Business Education. He landed his first and only teaching job at C.H.S. in the Business Department.

Feeling the calls of an athletic childhood and high school career he began coaching Freshman Baseball in 1962. After two years of Freshman and three years of J.V., he received the head Varsity spot and hasn't looked back since.

Although Nelson was known for his leadership and voraciousness as a football coach, and his meticulous instruction and teaching as head bowling coach, he has elevated himself as a living legend in the state and the town for his commitment to and his success in the sport of baseball. Using his no-nonsense, fundamental style of teaching in both the classroom and on the athletic fields, Mr. Nelson provided a great service to the youth of Carteret- not only as a great educator who gave the gift of knowledge and a sports sage, who with each victory instilled a pride in the people of the town- but as a guide who always had time to stop and shed some light on a subject, point a student in the right direction, or just chime in with a joke or a moral anecdote.

Two faces of Mr. Nelson.

Whether on the playing field or in the classroom, Mr. "Coach" Nelson used his no-nonsense fundamental style to teach and succeed.

TO MR. NELSON

When asked what he would remember most about C.H.S. Mr. Nelson responded, "What I remember is not a playing field or the building. C.H.S. is and always has been its people. Students, faculty, administration, etc., and for the most part its been great. It has been my home for 39 years."

Each student, faculty member, and towns person has his own special memories of Mr. Nelson, whether it was a great game, a year of business class, or a conversation in the hallway or on the street, yet we will all remember Mr. Nelson as a person who cared for the youth of the town and did his best every day to set them on the right path.

”

Giving up in difficult situations is not the proper way to go through life. You must always pick yourself up and keep plodding along until some measure of success is reached.

”

On behalf of the staff and the students at Carteret High School, I would like to wish Mr. Stephen Nelson good luck, good health, and many years of enjoyment in his retirement. Mr. Nelson has touched many lives during his tenure at C.H.S. He has served as teacher, coach, and advisor, and most importantly, friend to countless individuals, students, as well as staff.

Mr. Nelson has contributed to many successes at C.H.S., both in the classroom and on the athletic field. His professionalism and enthusiasm for his work have never wavered. He has always had the students and the school at the top of his list.

I want to take this opportunity to thank him personally as a friend and co-worker for his contributions and though C.H.S. will miss his presence, I wish the best to him and his family.

CAST

Toni Marino, Marsha Black, Tricia Rigler, Laura Faccione, Kelly Schnorrbusch, Kristy Ramoutar, Monica Avila, Brooke Beyfuss, Dan Reiman, Michael Raguseo, Richard Wlodarczyk, Neal Padte, Kanu Sharma, Charles Betancourt, Ben Lunn, and Dan Rivera.

Directed by Anthony Spaldo

Richard Summer (Dan Reiman) and Bunny Watson (Toni Marino) accept the fact that they are in love.

The CREW: Row 1: Michele Holowatch, Adrienne Longo. Row 2: Jessica Kushner, Michelle Androvich, Matt Greenberg, Wenyu Wu, Daria Mazan, Peter Chubenko. Row 3: Bert Ribeiro, David Medvigy.

Peg (Marsha Black) looks on while Bunny tells one of the many facts this research department knows.

Sadie Meyer (Tricia Rigler) shows the audience what a computer can definitely not do -- be friendly.

Ruthie Saylor (Laura Faccione) wondering if this will be her last phone call before EMMERAC moves in.

LIGHTS!

Bunny is thinking about how she is going to get Abe Cutler to ask her to the dance.

Peg and Bunny are showing the effects of a few too many drinks.

ACTION!

Richard is trying to take control of the situation on the phone.

CAMERA!

Peg and Ruthie discuss what they are going to do when they lose their jobs.

Elsa (Kelly Schnorrbusch) is showing us how to have the best time she possibly could have.

Richard Wlodarczyk is telling Bunny all the new gossip floating about the office concerning her.

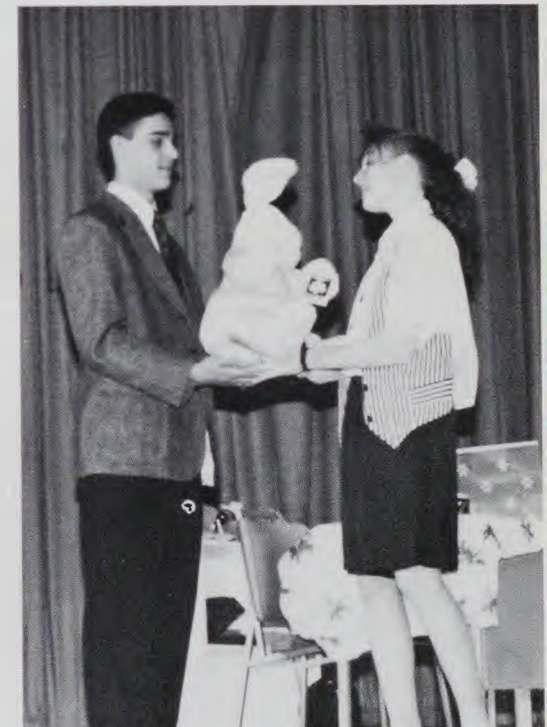

Sadie and Peg pray for a 6 foot 2 inch man to come their way.

Abe (Michael Raguseo) shows Bunny what is really filling up that bunny.

What gives Ruthie the courage to tell Richard that she has had her eye on him for a long time? ALCOHOL!

Abe gives Bunny her well-deserved Christmas present.

PLACES WHERE MANY CHS STUDENTS WORK

- Burger Express
- Shop Rite
- Roy Rogers
- Cinnabon
- Dunkin Donuts
- 5-7-9
- Burger King
- McDonald's
- Roosevelt Deli
- gas stations
- Foot Locker
- Eddie Bauer
- Athlete's Foot
- Walgreen's
- Champs
- Gap

Kristen Boscaino looks great in pinstripes at Foot Locker where she works to save money for her prom.

High school is so full of expenses that students are pushed towards jobs. Between school trips, proms, and class rings, students barely get by. Prices are so high in today's economy that if a student wants to buy anything at all, he needs to find a job.

Since we are surrounded by industrial areas, there are many job opportunities available. Within Carteret, students can work at supermarkets, fast food stores, and gas stations. If transportation is available, then students can always go to the malls for a job. From having a job, students learn to be more responsible and learn to budget their time more efficiently.

Geneva Kelly and Jennifer Kish work the cash register at Casual Corner.

Mike Serio and Kelly Sullivan look enthused working at the Roosevelt Deli.

HI - HO...

Julie Harder gets there just in time to make the doughnuts at Dunkin' Donuts.

Dan Rivera looks "thrilled" to be baking cookies at Mrs. Field's Cookies.

Kevin Rizzuto and Frankie Schifano help to make Shop-Rite a better place.

Jay Oxner, Mike Denehy and George Johnson look good in their jeans and ties at Shop-Rite.

Kelly McGahan makes it easier for us to rent videos at Premiere Video.

WHAT IS THE WORST THING ABOUT HAVING A JOB?

- no time for your self
- those ugly uni forms
- too many responsibilities
- not enough sleep
- dealing with rude people
- no time for friends
- time being taken out of your high school years.
- too many hours
- working too hard for minimum wage
- planning your life around your schedule
- the boss isn't flexible
- work, work, and more work!

IT'S OFF TO

WHAT IS THE BEST THING ABOUT HAVING A JOB?

- having money
- meeting new people
- being able to afford gas and food
- independence
- good excuse for not doing homework
- teaches you about life in the real world
- responsibility
- wearing those "lovely" uniforms

Edward Fedroff works intensely at his cash register at Shop-Rite.

David Medvigy makes sure that everyone has great shoes on at Athlete's Foot.

Marsha Black and Laura Grabowski put in all of those hours at Burger Express.

Monica Avila and Toni Marino are full of smiles at Burger Express.

WORK WE GO

Michael Hennessey looks all dressed up at Software Etc.

Jessica Baumgartner and Robin Nagy help outfit petite girls at 5-7-9.

Gianna Conti seems to enjoy waiting on her customers at Shop-Rite.

Pilar Pereira and Jackie Lizardo "make it your way right away at Burger King."

WHAT ARE YOUR RESPONSIBILITIES AT WORK?

- making dough nuts and cookies
- folding clothes
- selling shoes
- cashier
- much cleaning
- being a slave worker
- cleaning
- menial tasks
- washing dishes
- making sand wiches
- waiting on customers
- straightening the store
- stock
- EVERYTHING IMAGINABLE

"Gather ye rosebuds while ye may, old time is still a-flying; And this same flower that smiles today, tomorrow will be dying." (Robert Herrick) Thanks Mom and Dad for everything. You did a great job making me realize what really matters in life. I hope that someday I can repay you for such a great deed. I'll make you proud yet! I love you! Thanks Chris for being the best sister and bestest friend I could ever ask for. To Mr. Fossa and Mrs. Grace-thank you for all of your positive reinforcement and examples of responsibility and reality. Your influence on me has proved to be successful so far. To all my friends, the 151st and company-it has been said that the better part of one's life consists of his friendships. I'd have to say that I got lucky to have such great friends as you. You "cats" are the best! I'll never forget you and all the great times we had. If you ever need a place to crash, remember "mi casa es tu casa." Chuck, this means you don't have to sleep in the shed anymore. Good luck with the Taco Bell franchise in the motherland. Chris-you are the equivalent of

the brother I never had. Don't stray too far. Bert, Heather, & Adrienne- You've seen me at my best and my worst. Thanks for being there and putting up with me. I owe you so much. Love ya! Look out world, here I come! I done been leavin' but I shall return. C-ya at the apartment! Carpe diem.

JOE MALLOY

I think they ought to make a movie about my life in high school. They should call it "The Joe Malloy Story." It would have drama, action, comedy, tragedy and horror. It would also have cool special effects and all the top actors. The movie would be such a hit that everybody would lease me on everything from T-shirts to action figures. So many sequels could be possible if the movie takes off. Why would people want to watch this movie? Well, I ask why people would want to watch "Home Improvement." Maybe I'm getting carried away with the idea, but I do think that high school is like a movie, except that you write the script and it can be unpredictable at times. But, like some movies, you may never know how it turns out until the end. Bye!

"I'd rather have 30 minutes of something wonderful than a lifetime of nothing special." (Julia Roberts)

Mom, Dad, and Ricky: Where should I start? You've been there since Day #1 for me! No one could ever ask for a better family! I'm sure college will be another adventure, but it's alot easier having a family like all of you behind me all of the way! I love you al! Thanks for everything! Jamie, Kim, Heather, Wendy: You've stuck by my side for the whole 4 year if not more and never let me down! That's what I call a "true friend." Thanks for everything. Don't even think about losing touch and best of luck in your future! Roses are red, violets are blue, you know the rest "SILLY!"

Erick: You're not just my boyfriend, you're my best friend! Could've been four years but we have our whole lives ahead of us left, together! I love you! Always did, always will! Our times together are wonderful and I'm sure there are a lot more to come! My love, I'll see you at Middlesex (because you'll be picking me up, honey!) CHS: thanks for the experience. I'll never forget these past 4 years! Love, Robin M. Nagy

Danny,
Good luck in college and whatever you decide to do after that. We know you will go far in whatever field you choose. We know getting into politics is going to be a big part of your future.

Love,
Mom & Dad

“ QUOTABLE QUOTE ”

Joseph Rivera

Joey, our youngest, our son,
You've grown into a beautiful person inside and out. Never lose your strength of character, work hard, and fulfill all your dreams. Always know you have a big family behind you that is proud of you, loves you, and wishes you only the best!

God bless you,
Mom, Dad & Family

“ QUOTABLE QUOTE ”

Michael Serio

Dear Mike,
Thank you for making me so proud. You will get everything in life you deserve. I love you very much.

Love always,
Mom

“ QUOTABLE QUOTE ”

Richard Sheerin

Thank you for being such a pleasure. We are truly honored to be your family. Much happiness in the future. We know you will make a profound impact on the world.

Love,
Mom, Dad,
Michael, Maureen, Sean,
Kathleen, Erin, Colleen and
Brian

“ QUOTABLE QUOTE ”

Kelly Anne Sullivan

Our dearest Kelly,
How the years have flown! Through all of the years you have brought us joy and brightened up our lives. You have made us so proud to say we are your parents. You have just begun and will continue to achieve your goals through life's way. Stay the decent, considerate and caring person you are. May God Bless You and give you the strength and courage you will need in your future challenges. Last, but not least, keep that great smile!

Love you,
Mom & Dad

FOUR THINGS TO LOOK FOR WHEN CHOOSING A COLLEGE.

- Qualified Professors
- A Pleasant Campus
- Advanced Facilities
- A Nearby Burger King*

Congratulations graduates! High school is history! So now it's time to choose a college. But be careful. Because no matter how great the campus, classrooms, or professors, you won't be able to enjoy your study breaks without a nearby Burger King*

 To the staff of the ASN - Thanks
 To the Loudspeaker staff, especially
 Chris and Kelly, thanks for making
 this year a special one. You guys are
 terrific!
 Thank you to Bonnie Blackman, Jostens
 Shirley Vetter, Barbara, and the rest
 of the staff at Lorstan are great!

The 1994 Loudspeaker is the first Carteret High School yearbook to be produced completely through electronic means. In the state of New Jersey, there are only a few books that are produced totally on computer by a student staff. This is a major accomplishment for our school and for those students who participated in composing the 1994 Loudspeaker.
