### IMAGINATION

That 11-letter mystery word. Exactly what is imagination? How do you get it? And how can you use it?

Each and every one of us has an imagination - a unique perception of everyone and everything around us.

But, wait a minute! With adulthood barreling down fast upon us, isn't it time to give up being imaginative and live in the real world? No way!!! No matter how mature you are, never stop expressing yourself in the way only you can.

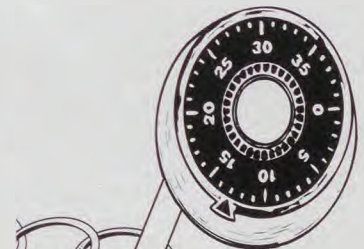

Now is the time to use your imagination, not restrain it! It is the time to try new things, explore your individuality, and express all that you have to offer.

Come explore CHS in 1995. See the many ways we all can put our imaginations to use. See the spirit captured by the student body. Come and ....

SENIORS RULE! : Those senior girls take some initiative at the first Loudspeaker yearbook pep-rally. The assembly, which included the Varsity football cheerleaders, the band, and loads of speakers, got the seniors off their seats. Fran Delgado, Evelyn Caraballo, Tammy Bird, and Nancy Weins raise some Rambler ruckus! Although the junior class found victory in the spirit contest, the seniors here seem to say " No way! "

## ***PATRISHA OSIPOVITCH***

*February 11, 1977 - January 15, 1995*

Here today,  
gone tomorrow,  
she left this world with tears of sorrow.

No crime committed,  
No wrong done.  
She lost a battle she should have won.

A child at heart,  
a woman inside,  
she strived to live, but then she died.

Why was it she who had to go?  
Is there an answer,  
does anyone know?

Questions run through our mind,  
a logical reason will we ever find?  
She was remembered as always having a smile  
on her face,

a smile so bright, no one could replace.  
Tears will fall, the world will weep,  
but in our hearts, memories of her we'll keep.

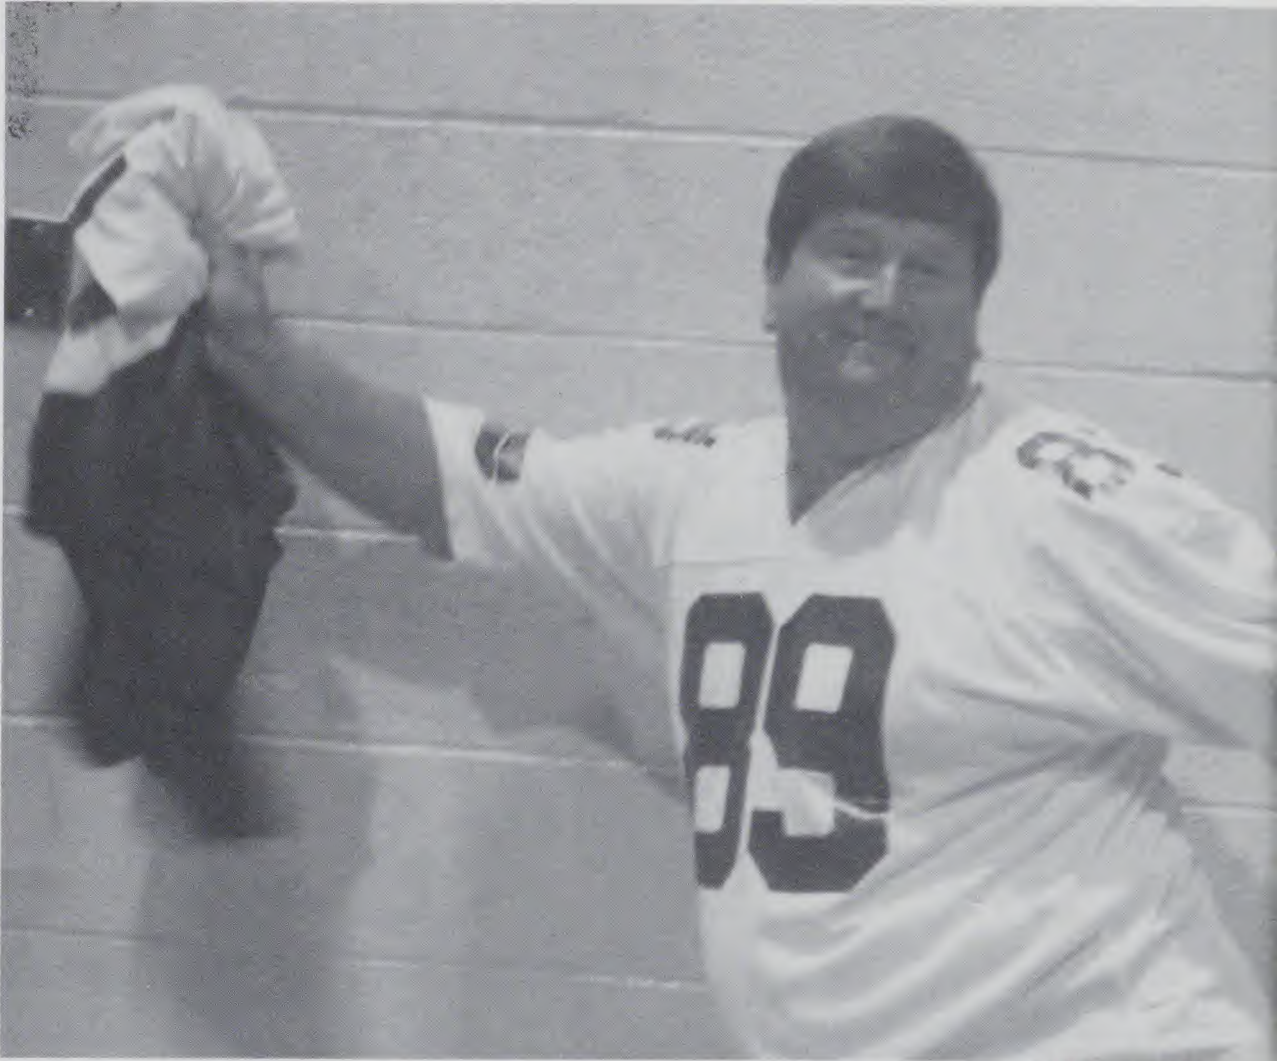

She may not be here,  
but she's not far from home,  
for in our minds her lively soul will roam.

We dread to say the words "Good bye"  
And especially when we see no reason why.

Our feelings of sympathy to her family and  
friends we release,  
and to God we pray that Patrishia Osipovitch  
rests in peace.

# JUNIORS

The Class of 1996 began their Junior year with the Ring Dance. Then we held a candy sale raising money for future Senior activities.

Preparing for our prom, the class officers who consist of myself, 1st Vice President Paul Fraraccio, 2nd Vice President Janet Crespo, Recording Secretary Niclai Flintosh, Treasurer Bernadette Quimpo, Corresponding Secretary Jennifer Dotegowski, and Sergeant at Arms John Riggio, worked furiously and carefully looking for DJ's, photographers, and possible locations.

Taking into consideration the prices and various sug-

gestions of fellow Juniors, thankfully everyone was content leading to a successful outcome for the prom.

Two years have rapidly gone by and this year is almost over. They say that one's high school years are the best years of his or her life, so make the most of them. There's one more year to reminisce on old memories and one more year to make new ones.

We're ready to be Seniors! Have a great summer!

No longer are we known as the "little freshmen" in the school, but now as the "wise fools." By the second year, it's a lot easier for us Sophomores now that we know our way around and we see familiar faces.

Everyone in the Sophomore Class shows togetherness, great spirit, a need to get involved, and a desire to strive for a positive future. We're a great class that hopes to keep moving forward and skip that "Sophomore Slump."

**FRESHMEN**

CLASS OFFICERS: Standing - Pres. Abigail Barker, 2nd VP Carolyn Kitz, Sec Michele Maskaly. Sitting - Student Rep. Allison Karakowski, 1st VP Jo Anne Amistad, Treas. Mike Burke, Student Rep. Wendy Flores.

As freshmen, we have gone through a great transition from grammar school to high school. It's been a year that we will not forget. It was filled with new challenges, friendships, and opportunities. New doors will be opened for us as we embark upon a journey into the next phase of our lives. We will learn so much in the next 4 years and even though they may fly by, the memories will last forever.

# Administration

The Administration of Carteret High School works very hard to make the high school the best that it could be. Without these people, the school wouldn't be the same. Mr. Siddons, Ms. Sorge, and Mr. Barrett care for each and every one of us. They push us to do better in everything that we do, so that once we graduate, we will be prepared for what the future holds.

## Ms. Sorge, VP

The picture above proves the fact that teachers and Administrators can be also be our friends. Many of us have gone through high school and have learned to look up to these people and realize that they are willing to listen to any problems we have and will always be there when we need them.

Ms. Sorge and Mr. Barrett are two examples of those kind of Administrators who are always there for us.

## Mr. Siddons Principal

Mr. Siddons did a great job in his first year back at Carteret High School. Everyone knew that it would be a tough job filling Mr. Torre's shoes, but Mr. Siddons gained the support and approval of both teachers and students and has done a wonderful job.

Bound inside this yearbook is a year's worth of memories that the classes of '95 to '98 will remember forever. But how did they get there?

This year's yearbook editors (left) met together for the first time back in May. They chose the theme "Unlock Your Imagination" and met with an artist to design the cover. The next thing they did was plan the annual yearbook assembly for the purpose of promotion. This year the theme inspired them to use their imaginations and come up with something different, a yearbook pep rally with a spirit contest. The winning class won a page that they were free to design as they saw fit (see page 34).

After that, the editors were on their own to meet with their staffs and get their pages in on time. Of course, the yearbook advisor, Mrs. Grace, was always there to help.

"I am very happy with this year's yearbook. There is a lot of creativity and diversity in the senior class and the entire school has helped to make this yearbook special." -Kristen Boscaino

The staff's duties include writing and sending letters to parents of students announcing the sale of the yearbook, receiving yearbook orders and boosters, soliciting local businesses for the purpose of ads, collecting all payments, writing receipts, and distributing the yearbook. The Human Relations Club, advised by Ms. Mincieli, is a club of great importance in Carteret High School. Human Relations started in 1977 as a buffer to ease the racial tensions of the time and to prevent the students from starting racial riots. Since then, HRC has certainly grown. The club, which began with about 40 members, now has almost 250. Approximately 36% of the student body is involved in HRC.

The members of Human Relations meet once a week at a group session where various issues are discussed. Many of the discussions hinge on current event articles from newspaper and magazine sources related to the community or racial topics.

HRC also promotes the ideals of cooperation and teamwork. It stresses the importance of being able to get along with all people and helping each other out. This is certainly the idea behind the annual toy drive that HRC sponsors.

The National Honor Society is where you can find some of the most brilliant as well as hardworking seniors at C.H.S. In order to become members, these students went through a very important selection process in May of their junior year. Both their academic performance and their school and community activities were taken into consideration in their selection.

This year, the National Honor Society took on the responsibility of making tutoring sessions available to all students three days a week. Besides that, they also raised funds for local charities, including the toy drive right here at C.H.S.

Reflections was formed twenty-five years ago by Mrs. Silverman. It was designated to be the literary magazine of Carteret High School. Mrs. Silverman gave it a name and style that flourished. However, this year produced the last copy of the original Reflections due to the retirement of its long-time advisor. Mrs. Silverman was a great influence on those students who wrote for Reflections. She always encouraged them to express what was in their hearts and souls. She helped many of them to unlock emotions that they never knew they had. Her influence will be felt for years to come.

"Reflections is about what we feel and think in our hearts. It is the opportunity to explore and free these feelings and thoughts." - Danny Saez

This year the *Anne Scott News* has not only included the usual student surveys, Ramblerscopes, and highlights, but has also taken on a new twist. This year's student writers successfully attempted to go beyond the every day "school news" and covered more controversial topics. Such issues included Teen Pregnancy-Male and Female View, Abortion-ProLife vs. ProChoice, and ProUnderstanding-the Universal Fear of AIDS.

The *Anne Scott News* staff has also improved its writing skills and techniques through attending workshops at both Monmouth College and Columbia University.

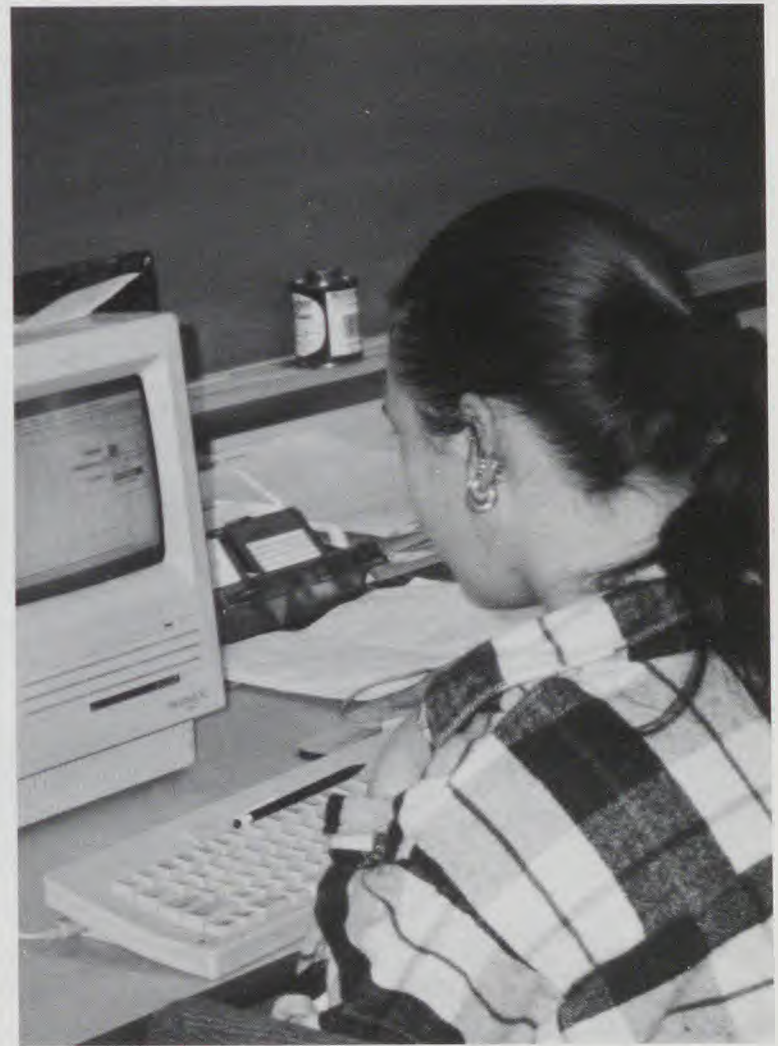

"The *Anne Scott News* is the student publication of C.H.S. I enjoyed being a part of the staff and it was a great experience being Sports Editor. It was a lot of hard work writing articles, but we all worked together and it was really a lot of fun." -Daria Mazan

Students Against Drunk Driving, or SADD for short, is advised by Ms. Vitale. The club is one of the largest of the school. Its members work to promote the awareness of drug and alcohol abuse both throughout the school and in the community.

In the spring, usually sometime in March, the club is the host of SADD WEEK. The purpose of this is to demonstrate to the staff and students the effects and dangers of alcohol and narcotics. The club plans activities that will interest the other students as well as educate them on this topic. Some of these activities include parking a car that was destroyed by a drunk driver on the lawn, having a speaker come in and give a presentation, providing literature in the form of pamphlets and flyers, and of course GRIM REAPER DAY.

When the two groups get together, they don't always harmonize. However, practice makes perfect and practice they do. In no time, the group sounds like the choir of angels.

The Rambler Marching Band is directed by Mr. Fossa with the help of Mr. Makoveki and Mr. Stasola. The band's show this year was based on music from the play *Tommy* currently playing on Broadway. They perform their show at halftime during the football games as well as at competitions. The marching band competes as part of the Cadet Marching Band Corp, or CMBC. The quality of this year's show had improved greatly from last year and the band is slowly working its way up. This season the band placed 6th in their group at the CMBC finals at Giants Stadium.

Indeed the competitions are a lot of fun, but it takes a lot of work to get there. Work begins in the summer with a camp that lasts two weeks. The musicians and colorguard each meet from 3:00 to 9:00. They work together at first to perfect marching style and then separate to concentrate on the work for the show. During the school year, the band practices twice a week. From the practices members of the marching band learn what dedication, self-discipline, and teamwork are all about.

The marching band takes a trip in April every year as a reward for the season of hard work. There they are involved in both competition and exhibition performances. This year the trip was to Atlanta, Georgia.

# Rambler Football

The Rambler football team of '94 made a big transition into the White Division. No one even considered them to be a contender for the title; nevertheless, they won the division. Their superb record of 8-1-1 showed that they can stand tall and conquer any challenge. Behind the the head coaching of Jeff Weiner, the team beat every White Division team and earned the top seed in the Group II Central Jersey semi-finals. The team's outstanding offense averaged 29 points per game, whereas the defense kept their opponents points to a bare minimum. It was these qualities that kept the team in the hunt for a state championship title.

Kicker Paul Brancov punts the ball to the opponent.

Senior Sam Andujar hits the defense to help Junior Corey Jones run for extra yards.

## Phil Stragapede

**How did the team deal with moving into the White Division?** As we entered the season, Carteret was not even mentioned as a contender in the White Division. Nobody thought Carteret could play with the other white division teams. But we showed them all by winning the division.

**Who did you feel was your toughest competitor?** I felt our toughest competitor was New Brunswick. They were fast, big, and could run the ball well.

**What are your future plans?** My future plans include college and hopefully playing football at a professional level someday.

# Football Cheering

This year's football cheering team underwent several changes. Under the direction of Mrs. Grace Cunha, the squad began practicing during the summer. These early practices were very beneficial. They made the team much more prepared for the early start of the football season. During the summer, the team changed many old cheers, added new ones, and taught the new girls the traditional cheers and dances. The squad consisted of four seniors, three juniors, six sophomores, and four freshmen. With the addition of all the new cheers and stunts, this year's team was able to show spirit that helped lead the football team to a division title.

**Seniors:** E. Braun, M. Wurst, K. Panza, and M. Kolbeck look on at the game.

## Karen Panza & Erika Braun

**Where were there any major changes this year?** Yes we changed many more cheers and dances and several more stunts.

**What effect do you think these changes had on the team?** We were more prepared for the start of the season. We looked a lot better and had more of a variety than last year.

# Carteret Soccer

After two division championships in the Gold Division the last two years, the Rambler Soccer Team made the jump up to the tough Blue Division. Despite a losing record, the team showed steady improvement during the season and just missed qualifying for the state tournament due to a disappointing overtime loss to the division champions, Metuchen.

The team was led by Senior Captains Jose Sierra (12 goals, 6 assists); Jeffrey Kolakowski (9 goals, 10 assists); and Brian Kasnowski (defense). The Ramblers received solid performances from the whole team. Coaches Duncan and Scheno hope that this year's experience in the Blue Division will help the team become even more competitive in 1995.

## Jose Sierra

**How do you feel this year's soccer team performed?** I think the soccer team performed great this season, especially when we all got together and played our hearts out.

**Do you plan on playing soccer in the future?** Yes, I plan on playing soccer in college and doing as well there as I have in Carteret High School.

**Has being moved to a tough Blue Division changed the teams attitude?** Yes, it has because we knew the teams we were going to be playing against were going to be more physical and more talented.

The girls' tennis team underwent a period of readjustment this season. With the loss of two senior starters to graduation and the opening of second and third singles, the strongest line-up had to be found from the five returning starters plus the new members of the team.

Completing her fourth varsity season was Lea Payongayong. Taking on the second singles and the third singles positions were former first doubles players, Michele Lewis and Mihwa Cho respectively. Rounding out the team were the first doubles duo of Karen Giameo and Bridgette Quimpo. Alternating at second doubles were Heather Binda, Katie Holden, and Denise Spoganetz. Also seeing some tennis action were Lauren Pszczola, Kasia Toczylowski, and Krystyna Warianka.

The team's overall record was 12-6. Hopefully with all our returning players and the new girls on next year's team, Carteret Tennis will continue with its winning tradition.

**Do you feel the team played up to their full potential?** I think the team played as best as they could. But as in every case, there is always room for improvement.

# Boys' Cross Country

The Boys' Cross Country Team ran to a respectable 4 and 3 record its first season in the White Division of the GMC.

The team had plenty of new faces this year and they all contributed to the successful season. Seniors Ozzie Rodriguez and David Ashby ran consistently among the top five finishers. Junior Mark Kitz set school records on some of the Invitational Courses they ran, on his way to qualifying and running in the NJSIAA Meet of Champions.

With the returning lettermen and a good freshmen class, they look forward to next year and another winning record.

**Above:** Anthony Panza and Martin Payongayong keep in stride.

## Mark Kitz

**What was the biggest challenge for the team and you personally?**

The State Group II race was the hardest race. We were up against some pretty tough runners. The team did well and I placed third.

**Do you feel the team accomplished the goals that they set?**

Yes. The move to the White Division made us adjust our running because the teams were so much more competitive.

**How do you think you personally affect the team?** I was usually the lead runner, so it motivated the rest of the team to catch up with me.

**Above:** Freshmen Joe Walsh and Tim Coughlin keep momentum as they run side by side.

## The Girls' Cross

Country Team had another successful season finishing with an undefeated season at 9-0 and capturing the GMC White Division Championship. In addition to placing fifth in the Central Jersey Group II Championships and qualifying for the State Meet, one of the biggest highlights was when Cathy Dey and Shannon Hempel both placed in the top ten to lead the team in its strong showing. Cathy and Shannon compiled a 28-2 record over their four years here, but the younger runners will be challenging that record with determination. This team was highly competitive among themselves racing for positions in our championship meets. All played an important part in helping to motivate and improve performances by the other runners which is an important part of a successful cross country team.

### Cathy Dey

**Who do you view as your toughest competitor?** All the teams in the White Division were hard, but I'd say our toughest competitors were North Brunswick and Colonia.

**Did you feel the team ran to its full potential?** I think the team did very well. Everyone worked hard because we wanted to win and do our best.

**What will you remember most about the '94 season?** Is when the team ran in the State Championship because it was the first time we had ever qualified to run.

This year's boys' basketball team is quite a switch from last year's team. With the loss of two starters to graduation, they had to rely on the returning team to pick up the slack.

"This year's team has different strengths such as their offense," says Coach Bob Molarz. "They haven't been playing together for years like others have, but we're getting there."

The team is shooting consistently especially from three-point range and the foul line. The Ramblers made a big push in qualifying for the state and county tournaments by defeating North Brunswick by the score of 56-46. Even though Group II is extremely difficult, they made it to the finals where they lost to New Brunswick in a low-scoring defensive battle.

## Matt Tracy

**What changes have made you a better basketball team?**

Our consistant 3- point shooting has made a huge difference in our team.

**What was the most exciting game?**

Our most exciting game was when we beat North Brunswick to qualify for the state and county tournament.

**What one goal did the team set for itself this year?**

Our goals were to just play to our full potential and as of now, we're doing that.

The Carteret boys' bowling team finished their season with a 6-14-2 record. This record is not a true reflection on the team ; they played in a tough division with some very tough competitors. The girls' team finished a very good season with a 14-6-2 record. The team banded together to bowl their way to a very productive season. Though the teams did not finish with an outstanding record, Coach Simon says that next year will be very promising and the record was not a reflection on the abilities of the teams. They are still young and have a lot of potential. With the return of several underclassmen , the bowling team looks forward to next year.

The 94-95

Winter Track and Field team had its ups and downs this season. The girls' team enjoyed a record of 4-2, while the boys' team settled with a record of 2-4. Along with the girls' winning record, they also posted an impressive post season record. Diana Wlodarczyk took 1st in the Conference relays and Amy Heck took 2nd place. Then in the Greater Middlesex County championships, Diana and Amy took 2nd and 3rd places respectively. The field team was not the only part of the winter team that was turning heads; Cathy Dey also finished 5th in the Conference relays. The boys, on the other hand, kept their heads high and suffered through a less fulfilling season. But Coach Kalas says, "I received some outstanding performances from all of them. They gave it their best effort and that's all I could ask for."

# and TOO MANY COOKS

The Carteret High School Drama Club exceptionally presented two one-act plays, "Too Many Cooks" and "Egad, What a Cad!" on Friday and Saturday, March 17 & 18, 1995. Under the direction of Mr. Spaldo, the talented group managed to successfully pull off two plays with completely different settings, scenery, mood, and staging.

The first play, "Too Many Cooks", was set in The Copper Kettle Cafe, a restaurant with a temperamental chef and two frazzled owners. The action centers around the chaos created when the chef quits on the same afternoon as an important reception is to be held in the restaurant and a very important and impatient food critic is to review the cafe. Confusion abounds as the search is on for a new cook!

The liveliest part of the entire play was most definitely the arrival of 9 irate artists - Mrs. Bucsak, Mrs. Kushner, Mrs. Ross, Mrs. Simon, Mrs. Velardo, Ms. Hanley, Mrs. Lynes, Mr. Simon, and Mr. Skiba.

All of the performances were mature and well-delivered. The scenery, although less extensive than the second play, worked well and allowed the audience to picture the cafe. The plot was both interesting and humorous, with plenty of laughs from the crowd evoked by Rich Wlodarczyk's "Ivan," Katarzyna Toczyłowski's "Mrs. Sanchez," John Riggio's "Mr. Hollbury", and Jessica Kushner's "Mrs. Greely." The cast did a superb job.

With a 10 minute intermission between the two plays, it was time to review the performance of the stage crew. The scenery was moved silently. The scenery for the second play was arranged quickly, accurately, and effectively. The stage crew did a wonderful job!

"Egad, What A Cad," a humorous melodrama set on 5th Avenue in New York City in the early 1900's took off with a start. It is the story of how a never-dowell villain tries to wreck havoc on the lives of a humorously dysfunctional upper-class family.

The performances of the second play were first-rate. The melodramatic tone of the play was effectively and humorously achieved. The actors' expressions and hushed comments connected the audience to the incredibly naive characters. The characters are as black and white as they were in the old late night shows, with Jason Schneider's "Bertram Oleander" the epitome of nastiness and Tricia Rigler's "Constant Hope" the flowery damsel in distress.

The scenery of the second play was even more elaborate and just as effective as in the first. The set was easily recognized as an upper-class New York apartment. The use of lighting, including appropriate spotlights, was superb.

Under the wonderful direction of Mr. Spaldo, the CHS Drama Club presented a night at the theatre which was both entertaining and amusing. It proved that a great teacher, a dedicated group of kids, and a lot of time and energy are the ingredients of success.

# Friends

As we go through this life,  
 we will make many friends.  
 Some, we will know for  
 awhile;  
 Others, for much longer time.

Some, we'll always have close  
 to us  
 To share our daily lives;  
 Others, we won't see so often,  
 Yet we'll think of them just the  
 same.

Whether they're near or far,  
 long or short,  
 Friends are important to have.  
 Friends are the best there is in  
 life.

### Tricia Rigler

You will never know the number of times we have sat in an audience, watched you and been so proud to be your parents. You have done so many things; dance, act, write and done them well! We know you will succeed in whatever you decide to do for you have the strength, determination and intelligence to accomplish anything. So know we love you, stand by you, and support you as you start a new phase of your life, college.

Dad, Mom, Michelle & Carolyn

**Kevin Rizzuto**

Now that you've reached this goal you could reflect on your accomplishments, and look to a future of adventure and challenges. May the spirit guide you through life. We all love you.

Love,  
Mommy, Kenny,  
Kevin & Keri Ann

**Edwin A. Ruiz**

Alex, mere words cannot express how much I love you! I want to thank you for being a good son and most of all, for being my best friend.

Loving Ma

**Guida Silva**

You will because you can.  
It is funny how I cannot say  
The little things that mean so much  
Or how pleased I always am  
When you & my folks well in touch  
But if you just could know somehow  
The things I feel and never say,  
You'd know how great I think you are  
Not just today, but every day in every way.

Love always,  
Mommy & Daddy

**William Tharrington**

Billy,  
I'm very proud of you and I LOVE YOU a whole lot; you're venturing into a new WORLD, and you can go FAR with GOD and me on your side. Only if you remain the same personable person you are!

Love,  
Mom (Michelle)

**Tony Valiant**

Congratulations! High School is finished. (Your growing up years are coming to an end.) So whatever college you choose for Golf and Bowling - concentrate on studies and sports and you will be sure to succeed. Just for you - Senior year - Marine (13) and Dolphins will win that Super Bowl. We are very proud of you and most of all - we LOVE YOU!

Love,  
Mom, Dad, Chris, Jay & Nikki

**Magdalene Wurst**

Dear Mag,  
I am so proud of you. I love you very much. I can't believe that you are at this point in your life when you will be on your own.

Love you always,  
Mom

**Dawn & Jessica Zvinakis**

I can't begin to tell you both how very proud you have made me. Watching you both grow over the years into two fine young women, I wish for the best of everything that life can offer. I know that you both can accomplish anything you put your minds to. I believe in you both. I have been truly blessed. I love you both very much. Congratulations! Keep up the good work. I know you can do it! I'll always be there for you.

 To my favorite sister in the world. You have grown up, right before our eyes. Since the day you were born, you filled our hearts and lives with joy. Especially mine.  
 You were my best little friend.  
 I am very proud of you, and I know our parents are too. You put your mind to something and you accomplish it.  
 I saw you pass your driver's test. I think I was more nervous than you were.  
 I can't wait till you graduate from high school and then college. I know whatever decisions you make, you will use good judgment and know the difference between right and wrong.  
 You have always been very special and filled with an innocence that makes you sweet.  
 You better never change and only get better.  
 P.S. Clean your side of the room and when you make a six-figure income you owe me five of those.

My love for you is OK,  
so true I think of your love  
and how I feel for you.  
Believe me, my love is straight from  
the heart, but I fear someone  
will turn us apart. Many thought  
my words were lies but my tears  
still fall straight from the skies.  
You know I thought it would  
work out but I guess my heart  
was in doubt. No matter what, I'll  
always be here, hoping you'll  
wipe my tears. When I saw you  
cry, I knew how you felt too  
but when you hurt me, I did the  
same to you. Maybe someday you'll  
learn how I feel. You'll take me  
back and make it real. And please  
just remember these eyes are  
still crying, and deep down inside  
my heart is just dying. I  
wish you all the luck in the world.  
Love always, your high  
school sweetheart, Damian.
