DJ Frank made our party amazing! He played from our list while also switching genres to accommodate all of our guests. I would highly recommend him!

If I could give 10 stars, I would. Frank is without a doubt the BEST DJ in all of Texas!!!! He came to my "rescue" when my originally hired DJ had to back out of his contract due to covid. I frantically put a call into Frank on a Monday and he responded within 2 hours and by the end of the day, we had a contract. He took my set list and made the best party ever!!!! All of my guests were so happy with his song choices.....my birthday party was a huge success in large part to Frank. You need to hire him! There is none better!!!!

DJ Frank is amazing! He helped us create the best day and best experience of our entire life! He was very responsive by text, by phone and by email. He was very organized and met with us in person to make sure he had everything squared away before our wedding reception. He did everything we asked him to do, down to the last jot and tittle.

Highly recommended!

THANK YOU DJ Frank! Frank DJ'd our daughter's wedding! He worked beautifully with our daughter & her fiance to tailor-fit the music they preferred. His SOUND SYSTEM & lighting was fantastic! HE MADE their wedding ceremony & reception incredibly memorable. Frank was/IS AMAZINGLY flexible, great at guiding us through the evening with announcing the wedding party, cake cutting, garter/bouquets toss, dollar dance, etc... Frank set a WONDERFULLY FUN, ENERGETIC reception! Thank you so MUCH, we had a BLAST! You are THE BEST, BEST, BEST!!!
