"Hell's Kitchen" is a musical inspired by Alicia Keys, set in New York City's vibrant and gritty Hell's Kitchen neighborhood. The musical, featuring music and lyrics by Alicia Keys, tells the coming-of-age story of a young girl named Ali. It's a heartfelt narrative of Ali's dreams, struggles, and aspirations as she navigates the challenges of growing up in a tough environment while discovering her identity and voice. The musical opened to critical acclaim, praised for its powerful performances, evocative music, and compelling storytelling.
