Initial: _____

September 19, 2025

Felicia Cook
Secretary
Clifton Township
361 State Route 435
Clifton Township, PA 18424

Dear Felicia:

Starting the week of September 29, 2025, and continuing through the end of October 2025, PennDOT will contract with Drive Engineering Corp., a vendor for the Department of Transportation's Highway Safety and Traffic Operations Division, to collect traffic data on a locally owned road within your municipality (ECMS Contract No. E05652). The data collected will be utilized by the Department to assist in updating and developing crash prediction models, which are used to identify locations for potential safety improvements.

The traffic counter will be set in your municipality between the week of September 29, 2025, and the end of October 2025. This counter is not being set for any specific road project or speed trap. Please share this information within your municipality.

Should you have any questions or concerns, please contact Stephen McGinley, at 717.803.8172.

Sincerely,

Tom Glass, Chief
Highway Safety Section
Bureau of Operations
