- I agree to provide proper shelter, food, water and care for this animal. **Initials \_\_\_\_\_**
- This animal shall be responsibly maintained and not allowed to roam off my property in accordance with current state leash laws. Proper identification will be kept on the pet at all times. This animal will not be chained or tied. **Initials \_\_\_\_\_**
- I understand that there is no warranty, expressed or implied by Walnut Ridge Rescue & Rehab, Wrrr of this animal's age, breed, health, future size, behavior or temperament. I hereby release and agree to hold harmless the Wrrr, its employees, agents, directors and successors from any claim, liability or cause of action arising out of or in any way related to my adoption, ownership or veterinary care of this animal. **Initials \_\_\_\_\_**
- The animal shall receive annual vaccinations and monthly heartworm preventative. You are asked to notify us when you have scheduled this surgery and at what vet clinic it is being performed. Once Wrrr has received proof of the completed procedure, your \$100 deposit will be returned in full to you by check or electronic means.
- If these conditions are not met or this adopted animal is not spayed/neutered within a reasonable time (1 month for adults after adoption or 1 month after kitten or puppy reaches 6 months of age) your deposit is forfeited, Wrrr can reclaim the animal, and I am liable for any fees or costs incurred arising out of the enforcement of this contract. **Initials \_\_\_\_\_**

**You are saving a life, not purchasing a product.**

We do not have any control over the initial condition of the animals that are saved at our Rescue and are not able to diagnose and treat every medical condition. Wrrr cannot make any guarantees regarding the health of your new pet. Although we do our best to maintain a clean environment, rescue animals may be exposed to contagious diseases. There is no way that anyone can predict which pets will stay healthy and which will become ill. We recommend that you take your new pet to a veterinarian of your choice for a thorough physical examination immediately after adoption.
