### Introduction

Three Strand Wealth Partners, LLC (referred to as "we," "us," or "our firm") is a **Registered Investment Advisor (RIA)**. Investment advisory services and fees differ from those of brokerage firms. It's important for you to understand these differences. Free and simple tools are available to research firms and financial professionals at Investor.gov/CRS, which also provides educational materials about broker-dealers, investment advisers, and investing.

### What Investment Services and Advice Can You Provide Me?

We offer financial planning, budgeting, investment advisory, and asset management services to individuals and families. Our services are delivered primarily through a subscription-based model with flexible service tiers and optional one-time engagements.

Our ongoing planning services are structured into the following monthly subscription plans:

Essentials	Budgeting, financial goal setting, email access	No
Core	Essentials + quarterly investment review meetings	Review Only
Partner	Core + flat-fee investment management Yes	
Partner+	Core + AUM-based investment management	Yes

In addition, we offer **One-Time Services**:

• **Financial Plan**: \$1,500 flat fee

Hourly Financial Coaching: \$100/hour

**Monitoring**: We monitor managed accounts on an ongoing basis and review financial plans at least annually, or more frequently when your circumstances change.

**Account Minimums**: We have no asset minimums to begin working with us.

### Ask us:

How might your conflicts of interest affect me, and how will you address them?

### What Fees Will I Pay?

You will pay either a **flat monthly subscription fee** or an **AUM-based fee**, depending on your selected service level:

Plan	Fee Structure
Essentials	\$50/month
Core	\$125/month
Partner	\$300/month (includes investments)
Partner+	AUM-based (see below)

### Partner+ AUM-Based Fee Schedule:

AUM Range	Annual Fee
First \$250,000	1.00%
Next \$250,000	0.85%
Next \$500,000	0.65%
Over \$1,000,000	0.50%

### **One-Time Services**:

- \$1,500 for a comprehensive financial plan

**Additional Costs**: You may incur third-party fees such as custodial fees or mutual fund/ETF expenses.

You will pay fees and costs whether you make or lose money. These reduce your returns over time. Make sure you understand what you are paying.

### Ask us:

Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and how much will be invested?

# What Are Your Legal Obligations to Me When Acting as My Investment Adviser?
