Sharita Spears

I'm Sharita Spears, I'm a recent graduate of Southern University Law Center and I currently work for Louisiana Government with 12 years of service. I joined the Glowing in Grace group in January of this year. Since I have been a member of the group I have accomplished several things. Upon entry into the group I was instructed to inform my accountability partners of some of my short and long term goal, some of the goals that I set were to obtain more streams of residual income, pass the Louisiana Bar Exam, get accepted to sit for the Louisiana Real Estate exam and pass. There are numerous other goals, but since I started my partners have pushed me and I recently started a new business venture with AVON and since I have obtained an extra source of income to support my family. I have also reapplied to take the Louisiana Real Estate Exam, through the encouragement of my accountability partners. I have also reapply to complete my Masters Degree in Homeland Security. I received my acceptance letter from the Real Estate Commission and Graduate School within days of each other stating that I was accepted to sit for the Real Estate Exam and that I was accepted into the Graduate Program at Northwestern State University.
