Jalacy Taylor

My name is Jalacy and I'm enrolled in the Master Barber program at BRCC-Frazier and work in Salon Bliss beauty salon in Plaquemine, Louisiana. I have so much I want to do, furthering my education is very important. I want to build a foundation for my daughters to have so much in the future, to strive for better and push them to do great. I want to be able to help children, single women and young men.

I plan to further my education and attend HOPE Bible Institute to help with my studies of the Holy Bible and my teaching of my ministry. I want to encourage you, you are never too old and it's never too late to learn. I started to attend St. Joseph Baptist church in Plaquemine and started to learn the word. At the age of 33, I didn't know God like I should have. I was called to teach the youth in my church, which was an amazing gesture I could not refuse. I was so shock because I didn't think I was worthy. So I now believe that with God anything is possible.
