On March 18, 2019 I was sworn in as a Deputy for Ascension Parish. I wanted to be in the criminal justice field since I was 12 years. I went to Southern University where I received my Bachelor's of Science in Criminal Justice in 2011 and my Masters in criminal justice in 2017. I also began working on becoming a business owner. In March, I met with my business advisor who helped me to start writing out my business plan. With my business I hope to be a wonderful asset to my community and the surrounding areas focusing on the betterment of our youth and making it easier to send them to college. So prayerfully my little hometown neighborhood will see it's first Music and Art Center!

Congratulations New Author

Kristy Murphy

Elder Kristy Grimes-Murphy self-published her very first book. Kristy set a goal to complete her book and release it on her birthday. Determined to be consistent and complete something that has been on her heart, she had to see it through. The 21 day prayer and devotional is now available for purchase on Amazon.

Isaiah 43:19 says:” For I am about to do something new. See, I have already begun! Do you not see it? I will make a pathway through the wilderness. I will create rivers in the dry wasteland.” This is one of my foundational scriptures that lead me to Hope Bible Institute. I desired for the longest time to learn about my identity and how I can become an Agent of the Gospel of Jesus Christ. At H. B. I. is where my ignorance was cured with the Truth (John 8:32). I wanted to grow my knowledge in the Word of God, get to know Jesus and the standard He set for me to live on this Earth, and create a better relationship with the Holy Spirit who lives in me. I found out so much about what God thinks of me through the Bachelor’s Program at this Institution and honestly, I know that I will never be the same! There is no telling how far I will go! I am very proud of where Holy Spirit has helped me come from and I’m excited to see where He takes me.
