I am Adrian "Sunshine" Smith. I am a Christian mother of 2 sons, ages 16 and 18 and a year old daughter. I am from Port Allen, LA. I am a member of Scott United Methodist church and have many roles such as social media coordinator, youth department assistant, children's choir member and historian. I currently work in the health insurance industry for 9 years. I am also a Mary Kay beauty consultant. I do a lot of community service events and promote positivity wherever I go. In my spare time I play on an all women's kickball league. I now will also have to make time to attend more SU games because my oldest son is one of the newest saxophonists in the Human Jukebox. I joined the accountability group to be held accountable with goals small and big and also because I love positive women encouraging each other. This group is so amazing and uplifting even on the days when I'm feeling down. My favorite motto is Always be a first rate version of yourself and not a second rate version of someone else. My favorite bible verse is Philippians 4:6 Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. A wise person once said faith and fear can live in the same place but only one can grow. We must give our worries to God He is in control and is always on time and working things out for our good.
