

AKHEPRAN INTERNATIONAL ACADEMY STAKEHOLDER COMMITMENT STATEMENT

The academic and developmental success of a child takes place when the stakeholders have a strong partnership and respect, and are working toward a common goal. In this case the stakeholders are AKHEPRAN, and its STUDENTS and their PARENTS/GUARDIANS. At Akhepran, we liken our relationship to a pyramid, with each stakeholder carrying an equal responsibility toward the optimal performance and productivity of each child in our care. To this end, the administrators and teachers of Akhepran wish to make a commitment to you, our students and parents/guardians, and we ask that you do the same, by signing below and submitting this form to the office.
