BIOGRAPHY

Susan Aquila's newest CD, Miss Conduct, has shaken up the doldrums of rock! Reviewers and radio music directors alike proclaim, "You have never heard anything like this before." She spent 24 weeks in the "top 10" on the ReverbNation East Coast charts, 10 weeks in the "top 100" on ReverbNation's worldwide charts and 15 weeks on the top 100 of the national Active Rock charts.

Susan's first single off the album, Why, has been played frequently on terrestrial active rock radio from coast to coast, and her YouTube videos garnered 80,000 views in just the first few weeks of release..
