## BIOGRAPHY

### **Brenda & Lauri**

### **The Family Duo**

#### **Brenda Cruz**

**Brenda Cruz has spent the last two years performing Country Gospel music at various venues. Ever the crowd-pleaser, Mrs. Cruz encourages her audiences to sing along with her. A Self-described “goofball”, she enjoys having fun and joking around with her audience, which unsurprisingly always leads to them requesting her again for another show. Brenda Cruz and her daughter Lauri Kalantari often play concerts and city park gospel sing-alongs. Recently, they performed Gospel music with an artist from the Nashville area and thoroughly enjoyed themselves, as did the audience. Cruz and her daughter are often inspired by the spiritual energy of the crowd, and want to continue spreading the word of God one song at a time.**

#### **Lauri Kalantari**

**Lauri Kalantari is an accomplished keyboard player in her own right. For several years she has performed at religious services as well as outdoor functions. She now uses her keyboarding skills to accompany her mother’s vocals. People are often in awe of her talent when she plays the keyboard. Other keyboard players attending a function their playing at will often come up just to observe her style and unique talent.**

**As a Mother-Daughter duo, Brenda Cruz and Lauri Kalantari are performing spectacularly together. They are looking forward to inspiring the audience at their next show!**
