Center News

We now offer birthday parties for our CHELC kiddos! Check out our packages on our website and fill out the form if you are interested. if you have any questions, please stop in the office.

This month we will welcome Mrs. Lisa McManes to our building. She brings in another layer of gross motor/music awarness fun with the children. Music and drum sticks are used to dance, stretch and move their bodies in different ways to the beat of the music.

We have enjoyed playing with all of our summer donations. They have been fishing in the pools, running through sprinklers and exploring nature using the binoculars.

To-Do

There are many parks around Richland County to explore with your children. Marshall Park in Ontario, Bicentennial Park in Lexington and Seltzer Park in Shelby to name a few.
