Thank you to all of our families that have signed up for a birthday parties. Check out our packages on Brightwheel or ask the office if you are interested.

This month we will welcome Lisa Manns to our building. She brings in another layer of gross motor/music awarness fun with the children. Music and drum sticks are used to dance, stretch and move their bodies in different ways to the beat of the music.

We have been exploring all the summer fun donations. They have been fishing in the pools, running thorough sprinklers or looking through the binoculars at the nature. The kiddos are busy .
