

CLOVER HILL
EARLY LEARNING CENTER

October 2025

Center News

A heartfelt thank you to all the grandparents who took time out of their day to spend with their grandchildren making a craft. Your presence made the event a huge success!

September was a busy month, and now that October is here, there's so much more to come! Be on the lookout for our Fall Fundraiser coming home soon. This fundraiser helps raise money so our staff can attend the NAEYC Conference in April.

As educators, we're required to complete a certain number of training hours each year. This conference is a wonderful opportunity for us to come together, grow as a team, and earn our professional development hours.

To-Do

🎃 Join Us This October for Fall Fun! 🍁

We'll be popping up at many locations throughout the month to celebrate the season. Come see us and join the fun — from Trick-or-Treat events to Fall Festivals!
