Center News

Thank you to all of our families that brought in goodies to recognize our staff for Teacher Appreciation Week!

This month we will have a graduation ceremony for 3-5 year old students to recognize their hard work as they move forward and grow. As we transition in to summer please look for a water day schedule for your child/children's classroom.

Our last day for Preschool/PreK is May 16th. If your child is leaving for the summer and you need them to stay longer, please see Miss Heather in the office to provide us your two week notice per our CHELC policy.

To-Do

Last year our Amazon summer wishlist was very successful for our kiddos. We've have some families asking if are posting a new one for this summer. Please check your Brightwheel messages within the next week for the wishlist. We greatly appreciate any summer donations of new or gently used outdoor toys as well that aren't on the list.

Thank you!
