Center News

We began our new school year on August 18th! There were many new faces and friends to meet at both of our locations. Our teachers have been busy teaching their classroom expectations, rules and routines over the past couple of weeks to help all of our friends prepare for a successful school year! We will be celebrating Grandparents Day (9/7) on September 5th by inviting them into our centers to participate in a craft with their grandchild in the classrooms. Please make sure you BW and let your child's teacher know if your child will have grandparents visiting for the event and the amount. We ask that each child have no more than 2 grandparents due to space.
