

Eligibility and Application Process for Clothing and Household Goods

At this time we are **not** processing **individual** clothing request, only household goods. To get clothing assistance, ask about our Sponsored Events Distribution Days*
(*Sponsored Events Distribution Days include clothing distribution of clothing applicants for groups of 20 people or more)

All individuals from agencies like (W2F, CalWorks, VA Programs, Turning Point, and other low income verified agencies), are automatically eligible to apply for household good services. All others must be low income, coming out of homelessness or a current or recent cancer patient.

To qualify for services an Application for Household Goods must be filled out. Application can be obtained directly by contacting admin@fymo.org and requesting a copy by email, mail or fax. Applications can also be submitted by a partnering agency. To obtain a list of agencies email your request to admin@fymo.org. The agency will submit an application on your behalf and some will pay your processing fee.

Once application has been retrieved and processed applicant will be contacted to schedule a day and time for pick up/delivery.

The turnaround time is usually 2-3 weeks (can be sooner) from the time we receive application request.

Once pickup is done we will send a batch of invoices to the agency in which we have partnered with for their clients that received goods.

If referred client is responsible for paying their own processing fee. They must make that payment prior to their application being processed. Individual applicants also pay their processing fee prior to their application being processed.

Payments can be made via our website's donate page. You can click on the donate button on this page <http://www.fymo.org/donate.html> here. We can locate payment by their name and email address used at the time of payment.

You can also mail a check made out to "FYMO" P.O. Box 5995 San Jose, CA 95150

To agencies: to partner with us simply notify us that you would like to be added to our partner list. A current W-9 will be provided to agencies that will pay processing fees on behalf of their clients. It's as simple as that to help someone who could use quality goods!

Sponsored Events Distribution

When we have reached our cap on processing applications for clothing we will distribute clothing, baby care, children toys, and other specialty items only through our Sponsored Events Distribution Days.

These are special days that are sponsored by FYMO, other companies, agencies, and organizations (*schools, youth clubs, sport teams, religious groups etc.*).

These events are mostly open to our target market and are aimed at providing **free** distribution of items to the selected participants. For more information contact communityrelations@fymo.org
