

WORLD'S FINEST
RUM & TEQUILA

MANUFACTURED IN EL ARENAL, JALISCO MEXICO

WHO IS JAGO USA. INC?

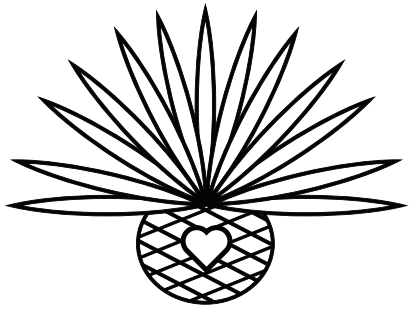

Jago USA Inc. is a family owned and operated alcoholic beverage producer and importer of premium-aged spirits.

Our company has a select portfolio of handcrafted artisanal tequilas and rums, masterfully blended in the traditional way. Don Cheyo Tequila: Made of 100% Blue Agave, Don Cheyo Tequila is carefully aged in French White Oak Barrels resulting in a distinguished full-bodied flavor and a seductively smooth finish.

Made from the heart, right from the start.

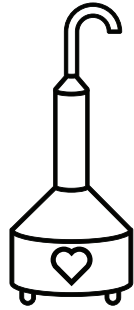

OUR PROCESS

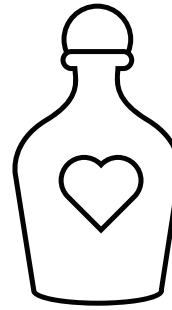

1

The juice utilized in the manufacturing of tequila is extracted from the heart (Corazon) of the agave

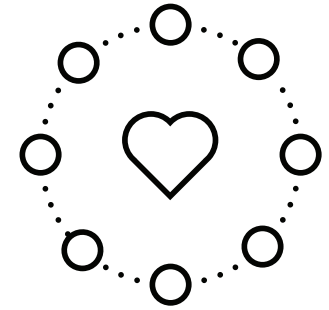

2

During the distillation process, the purest alcohol is known as the Corazon (heart) of the tequila.

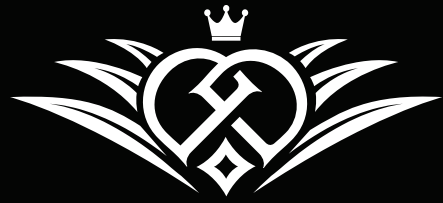

3

We will continue the message by explaining the care in our processing and bottling which results in putting our heart into every bottle.

4

Don Cheyo will give back to communities and organizations spreading the love.
