

Safety measures and supply list

Safety:

- Ms. Samantha has been recently tested for COVID-19 and was found negative. I always wear my face mask in public and wash my hands frequently.
- During class there will be no touching between you and I and you and other students. We will place our blankets 6 feet apart and mainly stay on them. When it is time to get up and move around we will still stay 6 feet apart. I will be unable to wear a mask while teaching but will be wearing one while I travel to and from class and make sure to stay 6ft away at all times.
- I will be sure to bring hand sanitizer to class as well and we will all be bringing our own props for class. (If you need help with a prop please let me know)
- Please let me know if you have ideas on how to make class safer for everyone :)

Things you will need for class:

- Blanket
