

# **SammyJDance Studio Policies**

## **My Responsibilities**

I will teach your child dance in a fun and safe environment. My class has a positive and enthusiastic environment. I will tailor the curriculum to match your child's specific learning needs.

## **Student and Family Responsibilities**

Students agree to arrive at each lesson punctually, well-prepared.

Students agree to behave in a manner that will not stop other students from learning.

Be financially responsible. Pay tuition on time.

If something is happening at home or school that is affecting your child please let me know.

Please err on the side of letting me know more so I can be sensitive to the needs of your child.

A quick text on the way to lesson can make the difference between a great lesson and a difficult one.

Be helpful, interested and supportive!

## **Dress Code**

No jeans allowed

Please send children in comfortable clothing that they can move in.

Children will dance in socks or shoes

You are welcome to buy ballet shoes, tutus and fun dance clothing but it is not required.

## **Missed & Make Up Classes**

If I miss a class I will provide an extra week of class to make up class for students.

If you miss 1 class you are able to join the other age group for 1 week

If you miss 2 or more classes we will be unable to make up more than 1 class.

## **Payment and Refunds**

Tuition is due the first day of class. If payment is not received by the first day of class the child will not be able to attend. Class spots will go to the first 5 people to submit payments. To insure your spot in the class please submit payment with registration.

Full refunds will not be issued past the second week of classes. If you choose to withdraw your student from classes after that date, any payments that have been made to the account may be applied as a credit towards the next semester. Please notify Business Director in writing (email is sufficient) if you are withdrawing your student from classes.

## **Safety and Injuries**

If a child is putting their safety, other students safety or my safety in danger I reserve the right to remove them from the workshop. You will be refunded 50% of the remaining cost of your classes.

- NO gum, food, or drinks other than water permitted in the studio.
- A grown up must be present and participate in class

## **SAFETY POLICIES–Covid-19**

Please understand that issued protocols have been a very fluid situation, with rules and pronouncements changing on a near daily basis. The park is very large so social distancing is easy to accomplish. Our class sizes will be limited which further simplifies the situation. You will be informed about any changes as they occur.

Creative Movement and Pre-Ballet dancers should bring their own props—something to use as a wand and a scarf.

Hand sanitizer will be available upon entering and exiting the class.

Please keep to your blankets, and place them 6 ft apart. For exercises where we move around please stay 6ft apart from other participants.
