VISA REQUIREMENTS:

As part of Namibia's ongoing efforts to enhance travel facilitation and strengthen international relations, the Namibian government has approved a new visa on arrival regime aimed at streamlining entry into the country. Under this new framework, nationals and citizens of countries that have not yet reciprocated Namibia's visa exemption will now have the option to apply for a visa online or upon arrival.

The Namibian government remains committed to fostering diplomatic engagement with these nations and looks forward to working together towards mutually beneficial visa arrangements in the future.
