**Bama Beach Pickleball Club
Gulf Shores, AL**

Board of Directors of Bama Beach Pickleball Club,

On behalf of our entire Search and Rescue team, we want to extend our deepest appreciation that you thought of our team when choosing a cause to support with your pickleball tournament fund raising efforts. Your support not only helps us continue our mission of saving lives and assisting families on the worst day of their lives, but it also helps us maintain and purchase vital equipment, provide essential training to our team and provide education opportunities in the form of community events to kids and families across Baldwin County.

Thank you for your incredible effort, generosity, and belief in our mission. We could not do what we do without amazing people like you!

Sincerely,

Laurie Strite, President of SoS-SAR
