I would like to thank you for all the readings you have been doing. Your work has contributed to
the third pillar of a foundation for my spiritual life. I am a psychologist and psychoanalyst. As part
of my professional training, I have undergone psychoanalysis for several years. This was, without
a doubt, the first of the three pillars. Another one was the knowledge I gained through the work of
channels such as Alice Bailey, Brian Grattan, Janet McLure and many, many others, but
especially the ray reading done by Shamalla Tan and Joshua David Stone through the Masters
Djwal Khul and Kuan Yin. That was the second pillar. Your work completes the foundation. It is
profound, precise and has a transformative quality to it. It signals paths, suggest connections and
provides instruments for an enormous expansion of consciousness.

I am immensely grateful to you.

Hi Paul, Wow Wow Wow...Thanks so much for the reading, I am quite literally blown away with the information and past lifetimes. They all made absolute sense to me and I can see exactly how they are still a part of me today and how they have an effect in this lifetime. Will listen to it several times over the coming months to keep taking in what was said, but it's definitely given me confirmation, answers and guidance to my life. I will definitely be booking for another one of your readings, just deciding which one you have so many that I would be interested to find out guidance for.... June 2014

I found it all very confirming with some memories and journeys I have done but with much more understandings. This reading was in-depth and very confirming and offered yet a different lens to see into these lifetimes and the gifts they hold. it does help me understand more of who I am thank you for that- June 2014

Thank you so much for the channeled reading. It speaks to my heart and gives me a lot of joy, hope and peace. – June 2014

I continue to listen to the last reading I had with you and St. Germaine and it has helped me very much. Each time I listen to it, more is gained and understood and more is activated. I believe you are one of the purest channels at this time on the planet. It is obvious you have a special relationship and connection with St. Germaine. The pureness of heart and the strength of integrity that comes through your words during your readings is profound. The way you channel conveys a lot of who you are at your core essence and I have found this most inspiring. – June 2014

Hi Paul,

Thankyou. I did get the reading and have transcribed it so I can refer to it as I wish. I actually love it and will use the recommendations in it for developing my awareness.

hello paul

Thanks I have received the files

And I want to thank you for the reading, which is definitely very helpful. Everything that is said makes very much sense to me. I have listened to it twice, and still is not finished integrating it all, but I've got the answers to the many questions I had for a long time. – March 2014

Dear Paul, thank for your marvelous reading. It is so helpful! Thank you! – March 2014

This reading is a most precious gift,

I will listen to it time after time- in order to gradually take it in – February 2014

I wanted to write and tell you how deeply moving/transforming your reading was for me. You truly have a gift. For my good fortune to have received of this gift, I am grateful. I was feeling extremely discouraged before hearing your message. I felt broken and, yes, lost, as if it were too late for whatever my heart had hoped this life to be. I have accomplished to my mind at once so much and so very little. Now I believe I understand my journey so much better, and the pieces once seemingly fragmented, fall now into place.

In the hearing of the message that came through, and the frequency of the beloved Saint Germain, I was touched in such a deep place of remembrance. I felt the words resonate within me like a beautiful, rich, full sacred gong that reverberated out from me like waves. Such a strong sense of familiarity I felt. I realized that I do know what I have always thought I've known. This knowledge comes easily when not discouraged by the shadows of human mind, and in the speaking of it, in those precious moments, I feel as though I am lit from within..taken up into flight and fire and grace. I feel joy and energy and synchronicity. If I am such joy.....what words are there to say?- feb -2014

Dearest Paul, First, I would like to thank you for the opportunity to ask you to channel St-Germain for me. It was the first time I have ever done this and the recording was really done in divine timing and may I add it had to be you of all the channelers in the world, don't ask why, I just knew. Your voice on the recording is beautiful, it had a mystical quality to it.... a testament of where you are in your spiritual journey. I have listened to the recording 3 times already and transcribed the reading for me to read and integrate fully the wisdom shared by St-Germain. The reading touched me profoundly in ways I never anticipated, perhaps it was the connection I have to St-Germain that I did not know I had. Many words of wisdom to reflect on. I was deeply moved with emotion by the presence of Lady Quan Yin and what she represents for me and her assistance in healing a part of my heart that I did not know was deeply hurt. What a gift you are

Paul. May you receive many blessings for the beautiful work you do. Heartfelt gratitude, - Feb 2014

A beautifull reading, thank you all – January 2014

Thank you so much for the reading. Its very very informative and helped me look at things from a different perspective. January 2014

Thank you very much for the channeled reading. So much a of this was a suprise and yet, yes much I knew/felt deep down. It is already immensely helpful and I think it will continue to be useful to me for quite some time. I am very grateful to you and St Germain for shedding much light on my life, and for such honest and helpful advice. St Germain has been very kind and generous, and his chosen words resonated strongly with me. – January 2014

Thank you so much Paul! What a wonderful reading! I resonated with all of it and had to smile and chuckle to myself because it was validating SO much! The Sirian connection especially and lady sirius... Isis has been coming up in so much lately and this whole connection to her. Also the healing and the crystals- YES! I'm actually doing a crystal healing later today:) Such a lovely reading! I was just thinking of looking into the chanting etc. the other day too!

Hello Paul!

I received the channeled reading yesterday and I have listened to it now, and I was just about to send you an email:) There was some very interesting stuff that came through, and

I just want to thank you for a wonderful reading, and I`m very grateful for it:)

Hi Paul

Thank you very much for the channeled reading from Lady Isis. The information within the reading is very important to me and has made my path clear. So many times I have been left confused and have wasted much money trying to seek the answer but now I know that the answers lie within and I now know how to correctly recieve the higher guidance.....thank you, a weight has been lifted.

hi paul

just to say thank you for the reading, it was remarkable and wonderful and i feel very nourished by it.

Hi Paul,

I just listened to my reading. Wow. It's a lot to absorb but really amazing. I'm overwhelmed.

Hello my beautiful friend

"Thank you", for your pure, sincere and unconditional intent, which are most evident in the vibration that your words carry

You are a truly beautiful being, one whose magnificence, light and compassion for all beings, cannot be conveyed through words but simply experienced

Dear Paul, I just want to say thank you for your time for the reading.. I feel I heared exactly what I needed to hear.. Thank you..

Dear Paul, I received the cd a few days ago, and have finished listening...at least for the first time! I guess I cannot fully express how much the reading means to me...maybe my hug will help to express my gratitude when we meet in August! As for now, it will likely take a few weeks to process what I have gained from the reading, and I'm not just referring to the energy activation I received toward the end of the reading...

Hi Paul

Received cd more than a week ago. Thks so much. It was a profound one that reached deep into my soul. Will be listening to it over & over again to grasp its myriad messages. Some of it surprised me, yet at some levels it didn't. Want to say how much I appreciate this.

Dear Paul,

I would like to express my profound gratitude to you (and Mother Mary) for my reading. I am sure that you have been done an extraordinay work to help people like me.

Hello Paul

How are you my friend? Once again, many thanks, for the beautiful gift that was the channelled reading. Also, for your love, gentleness, humility, egolessness and purity

Dear Paul,
I just finished hearing my reading. For me it was wonderful. Many questions were answered and I am grateful to you, and Dr. Joshua David Stone, for this important kind of work . So many things were said that had profound resonance in me!

"Thank you" so much,for the wonderful,loving and insightful reading.It helped me to absolutely clarify,both my intent and purpose

Hello Dear One:) Can't exactly wrap words around it....but....ohhhhhhhh yes:) Yes to love, yes to more, yes to understanding, yes to creativity, yes to owning more of who I am, yes to Soul and a special thank you to my "other Universe" friend whose presence has been felt by me, especially in the last two months.

As you may have guessed:) I have just listened to my channeled reading, Paul I don't even know.....just how to express what I am feeling. I want to re-listen many times, however.....thank you...thank you...thank you.....just thank you My Friend:)

THANK YOU, dear Paul,

I feel empowered and more focused than ever before.

I now take the time to assimilate all the emotions, energies, and stimulating knowledge.

Blessings!

Hi Paul,

I got your reading (from Saint Germain) yesterday in the mail. Thanks a lot.

The reading is useful and responding to all my heart issues.

Your voice is very pleasant to listen to.

So thanks again

Hi Paul,

Thank you ever so much for my reading. Lady Isis' energy was beautiful and a lot of what you channelled made complete sense

Hi Paul

Many thanks once again for doing the reading. What can I say only that it gave me a wonderful feeling of joy and love that has remained. The insights of course were very worthwhile but what was even more important to me is the bridging of the gap between myself and the Higher Beings. They are becoming more real to me by the day. Thank you for helping to make this possible.

Dear Paul

Thank you for my StarSeed channeled Reading. I really enjoyed it. Again, you confirmed my feelings and thoughts about my StarSeeds connection and my life mission here on Earth now.

Egyptian Reading "Paul's channeled reading of my ancient Egyptian incarnation held so much resonance for me. Whilst both excited and inspired by the information this channeling contained, on some strange, indefinable level, I was astounded by how little the information was a surprise

for me, for it served as a gentle reminder of what It is not just listening to the words of your channeled readings which work on both an intellectual and emotional level, but it is the high level energy which is contained within these transmissions that adds to both the revelation and the joy of the experience." "Due to the divine level of energy and information you have access to, it is both a joy and a privilege to receive a channeled reading from you. Thank you."

Most of this message revolves around the wonderful channeled messages I received on your tape (although not sure how much of it you remember), but first I must say the timing of your reading could not have been more appropriately organised. Indeed I found the whole experience incredibly moving and just as you/they said it would, it worked on so very many levels, intellectual, emotional (very) and energetically - the whole thing is extraordinary! And it has helped so very many things fall into place for me, although I think I will probably need to listen to it many times to take it all in.

Dear Paul,

I just wanted to take a moment and tell you the reading you sent to me was profound and powerful.

Paul

I received your reading today and it has been a profound experience for me. I didn't have any particular pre conceptions of what it might transpire to be but I am lost for words to express the depth of oneness the reading gave me.

God Bless you and light your way

Hi Paul,

thank you so much for the channeling!!

Your skill as a channel goes up every time!!

It was really great and so very nurturing

it was such a nice reminder of how much one gets out of a channeling

so now I can understand better again

why sometimes people are so blown away when they get a channeling.

It was really really good.

Thank you so much.

Dear Paul,

Wow - thanks.

I've listened to the channelled information twice now and it really is wonderful - it totally confirms everything that happened to me.

Your reading was very powerful for me and I feel strongly connected when I listen to it.

thanks Paul, I've listened to the reading and enjoyed it very much, felt the connections with my friends from the Star Systems very much!

Dearest Paul,

Wow! I just listened to my tape. Amazing. It was so informative and enlightening and answered many questions I've had for a long time. I'm so humbled by what I heard. I only hope I can live up to my potential.

Dear Paul, The words, "thank you" seem a bit trite after your letter and the message that you and the guides channelled for me, but, Thank You, Thank You!!!

Dear Paul,

Thankyou very much for the channelled reading. It is amazing how much of what came through re-iterates things which have been forming in my mind over the last few weeks and the message is somehow a continuation of events. The encouragement given by your guides is very precious.

Thank you again, with love and best wishes,

Hi Paul,

Just finished listening to the reading. I'm touched and delighted with it. It has given me a number of things to think about and some things to take forward. Extremely accurate.

Dear Paul,

Just to let you know I received the tape yesterday morning. The reading was beautiful! Thank you!

hi paul

just recvd your tape today from arch angel michael - all i can say was that it was very magical and very touching, very very inspirational and all totally resonated, i have noticed he is with me a lot currently and your tape just gave me all the confirmation i needed!!

Dear Paul, thanks for tape, I feel really privileged
to hear from Sananda. I know inside myself that what
he says is true. I have listened to it twice and will
listen to it once a week to keep inspired.

Namaste` Paul

Bless you for the reading it was wonderful! I was smiling and felt so in tune with what you were saying, the Sirian energies were very strongly with me the whole of the reading, which was great!

Anyway I won't bore you with the whole reading all over again, but THANK YOU VERY MUCH. I loved it and it is by far the best reading I have had I believe in many years.

Dear Paul,
I have received the gift you have provided for me from Archangel Gabriel and Ascended Masters Sanada and Sister Mary. Thank you for this great blessing. The words of wisdom and love shared have been heart warming and i truly feel greater clarity of my purposes.

Dear Paul

Thank you for your uplifting and inspirational reading.

Om Shanti

Dear Paul

I have just received and listened to the channeled reading. Thank you so much. It was so uplifting and gave me so much clarity. The information given me I felt to be very healing and so very helpful.

There is much to think about on the tape and I shall need to go back to it and listen again to all the wisdom and advice given.

Hi Paul Thanks for the insights. They are rather spot on! Indeed those are the issues that I have sought to clear all these few months! I was feeling awfully tired once the attunement started. My eyes felt like I have not slept for a few days! ha ha Will ask further questions tomorrow. Off to sleep, and recover from the attunement and integrate it in my sleep. Thanks, again, Paul!

I wanted to thank you. My mom gave me the reading to make a translation for her. I was amazed about the message in it. It helped me to understand her better. The way the Pleiadian Guides said it to her!! Phew! Am in awe you know. In such a loving way! I wanted to say this to her for a long time and in a way I did but I did not find the right words...She did not want to take the information that I gave... And now yeah this will do it! So thank you from the bottom of my heart!

So a new little starseed on this world!!! Am happy about that ;-)!

Love

Hiya Paul,

I just wanted to say thank you for the reading you channeled for me. It was very helpful :O) I have past your details on to a couple of friends which will hopefully get intouch with you. Thanks once again

with much love and peace

Hi Paul!

Thankyou ...

Listened to the cd ... late at night ... and I saw white energy moving around in my room ... After some tears came up from my heart ... I felt save and noticed. They see me ... they know my inner desires ... felt safe and not lonely ... anymore ...! Thankyou for Being Paul ...

I will keep in touch,

Much Love,

Hi Paul,

Thank you so much for the reading. I did indeed receive it on Monday. Full of wonderful information that I can honestly say transformed me in ways that I did not expect.

Love and Blessings

Dear Paul, I hope you/you all are doing fine. Thank you very much for your fast feedback. I could follow it very well. And could feel a lot especially where my blockades are. The strongest feeling I had was at the throat chakra but also at the solar plexus and the crown chakra. Many things happen to me during the last day. also during sleep there is more going on then else. I can clearly feel that i am now at another frequence level. Since Friday, something has changed, which feels different then normal. I have also got an induction into the Sirian beam during my education in Eternal Light. And the Sirian Beam is used among others for the blockades at the throat chakra - interesting, isn't it? I would like to thank you one more time for your help and support and wish you and your family all the best and a lot of love,

Hello My Dear Friend:) I just got done listening to my reading for the second time. Oh my gosh Paul! I just cried such tears of joy, love and gratitude!!!!!! It is so awesome!

Dear Paul,

Thank you so much for the channeled reading you did for me. It has both confirmed what I already felt and helped me realise things I could never have known. I feel humbled to have been told such things. Thank you for being the channel for this to be told to me through and for coming into my life so that I could ask you.

With much love

Dear Paul,

Many thanks for an interesting reading. It is always good to receive encouragement and confirmation of what I'm experiencing.

Best wishes

Paul, I listened to my reading last night and it was out of this world!!! Ha ha. It brought me so much comfort and joy; I loved every minute of it. I just wanted to express my sincere appreciation to you and the brotherhood and sisterhood of light for helping me. I also read your book and I'm so excited to do the exercises, I love how easy and practical it is for me. I will be sending you thoughts of gratitude as I open my self up to these new and exciting experiences. Thank God for people like you.

Hello Paul, thank you very much for obtaining this precious information for me. It means so much to me. Love always

Hi Paul,

I wish to thank you very much for the Attunement and Reading! The reading was very helpful, I wanted you to know this. It makes perfect sense to me and I resonate a lot with it. I was nodding my head all the time. :) Well Paul, I say again that the reading was very helpful. It helped me. I realize some things I wasn't looking at. I now have a more clear sense of what I need to change, and this is what I want always. To know what to do next. Usually this has no part in planning, it just takes understanding and being in the Now. Only when I look back I see the path.

Loved the little balloon glued to the cd case, by the way. ;) It showed caring and attentiveness. It's when you put love in the things you do, that makes them grow in a constructive and productive way. I thank you again for the love you've put to this work. ;)

Hello Paul.

Just a little feedback from me about today's reading. I've left it until the end of the day, otherwise I would not be able to put it in words. You are an amazing channeler. I had the most beautiful, powerful and enlightening reading. Every single word was a 100% hit. Huge step on my spiritual path. So thank you so much.

Thank you again.

Hello Paul,

Thank very much for the reading. Some good stuff to think about and the energies that I experience are beautiful. Thank you for your understanding and of course for channelling the message for me,

All the Best.

just though i would drop you a line before i left for LA, a big thankyou for my reading
sunday, it was truely very inspirational and especially pertinent for where i am now, i
have listened to it several times and always got something new from it.....

Thank you very much for my reading, I'm very grateful. It gave me clarification about things. You
have an amazing gift! I look forward to working with you again in the future!

Thank you for the book. I'm reading it with interest.

Hi Paul, I'm just emailing to say thank you for my starseed reading. I really enjoyed listening to it
and found it very accurate and true to me. I have listened a couple of times and will listen again
as each time I listen I hear something new! Anyhow, thank you again for the insightful reading. It
has been very helpful to me. With best wishes, Heather

Dear Paul,

I just wanted to thank you, as I have received the reading today! And it was just what I had
expected and even better! A lot of things have got clear and I feel much, much better! looking to
myself and to the future with a lot of joy and love! Thanks again,

Dear Paul

I just wanted to say thank you so much for the reading you did for me. Itwas so very helpful and
made me realise I am very blessed, especially with all those wonderful guides that seem to be
there for me. I am still trying to take it all in and feel I am walking on air just now! So thank you
again. Kindest regards

The reading you did was great. I listened to it several times over & kept finding things that I hadn't picked up on the 1st time. I've really been able to adapt my meditation & focus on certain beings, energies & requests, etc. It's been great. I don't think I'd have done it without you & Erton!

I had my Soul Merge in my sleep last week, which is amazing, 'cos that's what I was really working towards. I really feel that the love you spoke about is within me now. I'm still working on it of course & I'm really looking forward to the Star Seed Workshop!

Dear Paul,

yesterday I have received your reading, many many thanks for that.

I like Yoshua and am interested in his book 'Soul Psychology', which I have already ordered from Amazon. I can only say that you/Yoshua were spot on with the channelled information for me. I will do my 'homework', which you gave me through the reading.

Many thanks again

Dear Paul

Thanks a lot for the reading. A lot of things make more sense now. You have helped me to understand and enjoy myself more.

Blessings

Hello Paul,

Hello Paul,

I have just booked an other channeling of Ascended Masters & Angels.
Thank you very much indeed for the Starseed Channelening. That was really interesting. It took my some time to digest. Now I have. BTW you have a great voice!!
Blessings,

Hi Paul. Thankyou so much!!! I received my Star Seed reading this morning & enjoyed the beautiful energy straight away!!! I so resonated, understood & already so very aware of all that was lovingly given, for all was as I have already experienced & so this served as a great confirmation for me!!! I have booked another couple of readings with you, The Star Guides & The Life Mission ones!!! Thankyou so much once again!!!

Dear Paul

Thanks for the reading. I felt quite.... I think the word would be expanded, listening to it. I did feel something happening on an energetic level when I listened to it.

Dear Paul,

I received my channeled reading last week and I enjoyed listening to them. I recognized a lot in it, but I also heard a lot I didn't know. I am grateful to you and the ones (the Sirius Masters and Isis) who helped me giving insight in my background and important issues I need to work on. Thank you very much for this..

Best wishes,

Hi Paul

I have listened to the latest CD and it really is very good - so thank you. It is lovely to know that the Higher Ones are around me and that Archangel Michael is with me most days. The contents of the CD is so wonderful and I am grateful that so much work is being done to help me. Thank you again Paul and thank you to Mary Magdeleine, Archangel Michael, Mother Mary, St Germain, Quan Yin and the Higher Ones for joining me for the channelled reading.

Much Love

Paul,

Much obliged, The reading was priceless :-)

Dear Paul,

thank you so much for your reading and the lovely, very potent crystal with the Sirian energy. I thank you for channeling such high information. And I thank you and the Sirian Masters for being available to do this and to mediate such love and respect. And respect was one of the things that followed all through the channeling in answer to my at times earthly and thus naiive questions. I never once felt judged or ridiculed and lectured for, just love, respect and earnesty. So thank you again! What a great experience indeed!

Blessings and love

Dear Paul

Thank you, for an excellent channelled reading, which made a lot of sense and has given me confirmation, understanding of my inner knowing and purpose of being. Thanks again for being an excellent channel.

Best Regards

Hi Paul

I received your channeled reading and I have listened to it a few times now. The first time I listened I felt a very definite resonance. Peace and space to be, away from the hussle and bustle has always been my dream. The reading is inspirational for me at a deep level. That innate searching for deep level peace has always been there even though I might not have characterised in exactly the same terms. This reading has I think explained for me this yearning.

Dear Paul,
thank you for the reading I enjoyed it a lot and it was very nurturing.

It confirmed a lot what I've been receiving and what I had been doing and had a very calming and balancing effect on me. Thank you, I really appreciate it!
It makes so much sense to look at life's experiences thru Sananda's eyes, since he is my main guide it is only natural

And thank you so much for the channelling you did for me, it was so valuable information. I feel as I've received a missing links for the chain and have moved on the next level...

Dear Paul,
Just to let you know that I received the Reading CD yesterday, Wednesday. Thank you very much. It confirmed my feelings.

Dear Paul
Thank you so much for your channeling! It was so deep and meaningful to me and I still keep listening to it almost every day so that I get more into my heart. The information has opened my perspective and set me free, really. Again, thank you so much!!
Love and Light,

Hi Paul,
thankyou so much for your lovely reading. The reading was very satisfying, and made me feel at peace with my path. It correlated with dreams and experiences and other readings that I have had over the last 15 years. Well done to you for being so accurate considering you only have a name to go by! How do you manage with a 'John Smith' from London if there are zillions of them in London. I really am curious.

I can't wait for the next opportunity to listen again as there is so much information that I know I will pick up something new every time I listen to the tape. You have a very calming voice and it is easy to listen to. Thankyou for being there and providing this service to those of us who are searching. That searching can get a bit desperate at times, so it is great to get direction and answers.

Dear Paul.
Thank you so much for the wonderful channeled reading. Golly, I was over the moon with it, and send my sincere thanks to both you and Sananda. It is such a joy, such a relief, such a privilege, such a homecoming. I really am truly grateful, to receive such sound advice, and reassurance, that I am "on the right path" and can now allow myself to become more me. The reading as a made such a difference, and Already, I am feeling different; comfortable, calm and confident, for

the first time ever. No longer do I feel uncertain. I feel strong, loved and valued, and am truly very very Happy, humble, and dedicated to my Divine soul purpose, to serve God and Humanity.

Dear Paul

Thank you very much for the channelled reading.

I am so humbled that Sanander and Mother Mary came through, I could hardly believe it. Everything they said was perfect and so eloquent. I've been working with them and the Pleadian Masters in my meditations and I can feel such a big difference now. Thank you once again.

Hi Paul

I received the CD and listened to your channelled reading. I have found such peace in the information that came through. I have been at a loss for such a long time as to how so much potential could not add up to what it should. Now this information that you brought through has gotten right in to the heart of what I already had realised in relation to the deep connection being missing even though the potential is there. I appreciate the illumination and the guidance.

Many blessings

Well the readings were great, thank you. And i trust that the timing was perfect. And i am extremely grateful.

Love & light,

Hello Paul!

I have received your reading and i would like to say thank you thank you thank you lol . It has helped me in many ways and has created a better understanding in me about many things. Often I have wondered why I do the things I do.. where do i go.. and this reading has pointed me in the right direction. So, thank you so much. (Big Hugs) and Love!!! I would also like to say that you have a beautiful voice!! It is very comforting. You have painted a picture for me and i remember the painting in my heart through the echos of your voice! Mother Mary's words are comforting as well, but, I think you understand what I am saying Thank you for your time and thank you for your reading! You are a great channeler~

Love always,

Dear Paul,

I am still hearing your reading, which is so awesome. Every time I hear it, something is happening like another understanding. You helped me a lot.
Love and Joy

Hi Paul, thank you for the wonderful reading I just received from you. I was overwhelmed with the love I felt from the ascended Masters. I have always felt a deep connection to the spirit world, but I have kept quiet about it for fear that my family and friends would think that I am nuts. I am so glad that I found your website, Through the internet I am able to connect to people who feel as I do. I will treasure the reading always.
God Bless You!

Dear Paul,

I wanted to contact you to say how grateful I am for the reading that you channeled for me. At first I could not listen to the reading as I felt such a strong overwhelming emotion and energy. When I sat down again later to listen to the cd the emotion washed over me again and I think I spent most of the reading in tears! They were not sad tears believe me, but an incredible release, and now I feel a peace inside that I have never felt. What a precious gift to someone! So thank you, Sananda from the bottom of my heart and I hope that one day I may get to meet you and

thank you directly.
Kindest wishes,

I received your reading on tues. It was great. Thank you so much. It definately helps me to understand things better.
Much love & blessings

Dear Paul

Thank you so much for the Starseed Reading you sent me which arrived safely yesterday. And thank you for your kind assistance in helping me in this way. It is most appreciated and the information you channelled makes absolute sense to me. And thanks once again.

Hi Paul -- wow, you must be up late <s>. I received the reading on Friday and have listened to it twice. I am just so grateful and filled with joy with the conversation with Erton, others and am so grateful to you for having developed your gift to receive these messages. I am really busy right now but will write more later as this reading has inspired some synchronicities and inspirations that I would like to share with you. Thank you Paul! Love,

Dear Paul: The reading touched me profoundly and I've taken to heart what Erton said in allowing it to wash over me. The energy flowing through that CD was palatable and I could feel their love radiating, their gentle nature and the manner in which they presented the information touched my heart beyond words! Blessings to you and your family. Love,

Hi Paul,

I've just listened to it. Some great info in there. Very empowering and its helped me develop a fresh perspective on a few things that are going on at the moment. So all good! I intend to give it a few more listens.

Thank you again

Dear Paul,

many, many thanks for your great job you did for me.

I've listen to your channeling and I really appreciate it. I've felt really close to all the informations and truths you and the Guides through you have send to me.

All the words speeched are precious and meaningful.

And i've felt the energies of the Angels and Guides you carried to me and relaxed me at sort of

meditation. I want to repeat it again! You have done to me a really special gift. Thank You.
With love and joy.

Dear Paul: The reading touched me profoundly and I've taken to heart what Erton said in allowing it to wash over me. The energy flowing through that CD was palatable and I could feel their love radiating, their gentle nature and the manner in which they presented the information touched my heart beyond words!

Blessings to you and your family. Love,

Many thanks Paul

The reading was so what was needed, thank you, it was beautifully grounding and lifting at the same time.

love

Dear Paul: I am filled with gratitude once again for the Great Work that you do. I received the last reading and Erton and the Others touched me profoundly. The information is so succinct and at times their descriptions sounded like poetry. I felt nudged and am finding my armor to protect is peeling away. It is so interesting and yet no surprise that each time I listen I hear more <ss>. I just finished listening for the second time and did transcribe and type the instructions for the meditation. While listening I sometimes step aside and sense the resonance. In other words, it feels like they have embedded within the CD a tone to assist in changing or allowing patterns, beliefs and thoughts to unravel and dissipate, something like that. I just love how they answer questions I never presented which in this instance they did several times. It seems to be in those areas where I've spent time pondering an issue of significance. Thank you so much Paul.

Love,

Dear Paul,
this is just to let you know that I got your reading and that I highly appreciate the effort it took as well as, of course, the reading itself. It's difficult for me to express in words what I feel but let me say that it is very essential and supportive what you do here. Thank you so much,

Thank you so much, Paul. The tone of the reading, your tone and my sense of relationship to it all were exactly right for me. It leaves me in a really positive and reflective mood. It is just so nice to have an 'outside' view, after relying on my own for so

long...

Thanks alot for this channeled reading! So much information that really hits me deep within myself and that I kind of "knew" in a way and also the energy of this channeled reading was so good to feel - I feel in a kind of blissful tranced state now:) And you have a very harmonic - relaxing and strong voice that I liked alot to listen to.

I thank thee deeply again:)

Hi Paul thank you again for another wonderful reading!! I received it a couple of days ago and have listened to it over and over again. I have listened to my first reading many times as well. I am amazed at how much love comes through in the readings, I certainly don't see myself like this most days! I am touched that so many masters came through for me I have always admired the work Mother Theresa did for the poor, and Archangel Michael Is one of the angels I call on quite often when I feel everything is going crazy in my life. I thank you so much! The readings have given me direction and courage, and I am much happier because of it. thank you and God bless you!

Hi Paul,

I just wanted to say thanks for the starseed reading it was very interesting. You have highlighted a few things for me which other readings never seemed to pick up.

Thanks,

Dear Paul,

Thank you!!!! I surfed and surfed and see no one really knows-but you do.

YES!!! Arcturus is magestically BLUE, and so are the moons. I was too far at a distance to see mountains.The surface planet appeared a swirl of color from where I was. It was a different blue than ours.It is the kind of sight that just takes your breath away.You gave me the eyes to see and wings to fly there just by saying. I am so very very grateful. There are no proper words of thanks.

Much Love and Deep Gratitude,

Hi Paul,

I wanted to give send you a quick note regarding the wonderful starseed reading. It was a joy to listen too, I've already listened twice. It resonated with me and makes so much sense. I am so happy to have found your site and look forward to more in the future.

Hi Paul,

Just a quick note of thanks for the reading. I have listened to it several times now and hear something new every time. There is a wealth of information to be assimilated and I look forward

to the process. I am just about to sit down and write it out so I may have access to another level.
I must say your voice is brilliant at letting the energy come through.

Thank you for your special role in assisting me.

Love to all,

Hi Paul,

Wow! What a reading. Thank you so much (both of you) for the information you shared. Of course now I have more questions based on the information but the channeling even answered questions and concerns that have been on my mind but I had not voiced. So thank you very much. It was transforming. Thanks again Paul. (Boy I wish I lived near you. I really hope you make it to California.)

Lots of Love,

The Reading was excellant Paul, you have an incredible talent. I am very grateful for your support.

Love and Honour, and JOY :)

Hi Paul, many thanks for the reading. I've only managed to listen to it once, but it will be good to listen to again, and whenever I feel I need to reconnect with that energy, or that transmission of energy. I don't know how they managed it (and how you managed to facilitate it either!) - at least not at a conscious level - but one thing they seem to have been working on was healing all this stuff I have had in this lifetime about what I feel I ought to have done/achieved (and associated guilt/negative self judgement etc). It felt very integrative as well. And of course the reading itself was very interesting.

Many thanks to you and to your guides. love,

Hallo Paul,

I've just finished listening the CD. It's wonderful! It brings me answers and confirmations, and most of all it brings me HOPE and LOVE. Thank you very very very much. God bless you.

With love and gratitude

Hi Paul,

My internet's been down and I've only just got back online. Thank you so so much for this reading. I think I have now listened to it about 10 times and everytime I listen I gain more and more. Interesting I hear more everytime I listen! The depth that you have delivered to me is mindblowing and I am very grateful. I have no doubt that our paths will cross in the future and still treasure the time in glastonbury.

Much love,

Dear Paul,

My words cannot express the joy that I felt while listening to the Starseed Reading.

The content of the reading answered questions that my human awareness could not even ask, yet I desired to know. Energies of healing, nurturing , encouragement, and so much more were experienced while listening to the words on the CD. Every time that I listen to the words, another piece of information resonates with me. The reading brought an exchange of love on so many levels....what a beautiful experience. Thank you so much for your sharing your special service.

Dear Paul,

Thankyou for your channeled reading ... it brings sooo much with it, and I am engaging with the energies and feeling so much more than I had been before - there is a lot contained within it which is continuing to 'flower' moment by moment.

Also a certain amount which is new to my physical brain (like Arcturus for starters, that was a surprise) and yet when I recently attempted a regression I didn't 'go' to a physical body - but did visit a 'city of light' and had an incarnation on the inner planes looking after an earth village...I'm just letting it settle. But have already had a wonderful experience when connecting with the guides from Arcturus.

Yours in thankfulness -

Paul,

Hi. It has been a while since I received the reading from you and clearly failed to email you and thank you after having received it. I've been on a journey and now beginning to come back!

Listening to the reading have changed me significantly and continue to do so every time I listen to them. With much thanks and gratitude,

Hi Paul, It's fascinating. Beyond that I hardly know what to say. There is so much in it, that I will need to listen to it a number of times to really benefit from all the information - thank-you very much for it. Many thanks again for the reading.

Love and blessings,

Hi Paul*

Just wanted say thankyou for the reading its really great. I found it really affirming and encouraging, you mentioned Buda and Quan yin which is perfect as Buda is my current alter piece that I have great affection for and i use a Quan yin self healing technique most days. I feel ive been waiting a long time for a reading like this, one that gets closer to what the heart of things are for me, so youve really done me a service Paul

Much Love

Dear Paul

I received the CD. Thank you for my channeled reading. The reading you gave me is so deep/multi-layered that I have to listen to it many times until I fully understand the messages in the reading!

Hi Paul!

The starseed reading you gave me last summer has been wonderful. I just listened to it once again and it really lifts me up. Thank you for that!

Hello Paul,
Thank you so much for such a deep and thorough reading you have facilitated.

I have to admit I am a bit in a mild shock of my life mission...
I am also so amazed how clearly and correctly the readings were done regarding the challenges I have. (and they said in the most graceful ways.... Phew !!!)

Thank you again so much for offering such profound readings.
Most sincerely,

Hi, I have listened to your reading and it was very helpful. I can see now that both questions were really about resonance. Listening to it and receiving the energy from Thank you for the amazing work you are doing and thank you to your guides! Love,

Dear Paul

I have just listened to the CD and without too much reflection, want to give you a heartfelt thank you for your channelling. It has affirmed, confirmed, realigned me, given me some answers and helped me to feel part of a magnificent team. Perfect.

With much love and light

Dear Paul,

I got the CD. Thank you so much for the channeling. It was exactly what I needed to hear, and the information came at exactly the right time (two months ago would not have been as perfect as now). A lot was validated. A lot has been set in motion.

I was vibrating and had tears of joy running down my face for most of the time I heard the CD. It was very powerful. I felt the energies of Spirit enveloping and loving me. And the insights into the past lives tied into the information I had already received, augmenting it, and giving me the extra pieces that I am now ready for.

Thank you so much. I will keep in touch and may ask for another channel the future, as things progress.

With love and light,

Thankyou so much for the wonderful reading-yes you certainly connected with the essence of me- I have been known to try to explain to certain people how evolved grass is!!! I believe all of

life is precious and I am blessed in every way possible - Thankyou so much for a wonderful reading .There are so many things that were certainty in my life a year ago now there is just trust ,faith and vibration and deepest love and respect for all.

Hi Paul, Just wanted to say hi from the north of Scotland and to let you know how much I enjoyed From Self Love to Christ Consciousness. Its explained a lot of things to me - I wasn't really sure what Christ Consciousness really meant, and you have explained it in a very easy to understand way, and I love the way you have made the meditations so uncomplicated, so many thanks for that, and best wishes to you, love

Hello Paul

Oh thank you for this - the reading was amazing and has confirmed many things that I have felt.

Hi Paul

thankyou very much for the reading it was so spot on!!!! it has given me clarity with my life purpose and explained to me why I feel so strongly with inspiring and helping others with universal laws. It was great knowing about the angels!

much love

Dear Paul,

Just wanted to MANY THANKS FOR THE READING you did for me!

Hi, Paul!

Thank you very much for your reading!

The message was just what I needed to hear and it touched my soul deeply. It's been almost two months since I received your message.. and I am just amazed by how things are shifting within myself, and also those shifts are reflected in my experiences in the world. I wanted to write to you sooner, but things kept shifting quickly and I felt the need to be with the experience and digest a little bit before I write to you. Of course, the words doesn't capture the essence of my experience..., but I just wanted you to know that your message empowered my soul greatly and it have been helping me to empower myself and to embody my true light.

Dear Paul,>
> I just want to thank you from the bottom of my heart. Reading over
> your web site makes me want to cry!>
> Yes! Yes! Yes!>
> Your outlined Starseed process has followed mine to a "T", practically.>
> Thanks for the support.

I have now listened to the whole tape andWOW!

The message given at the end certainly is very exciting and I was grinning from ear to ear when I heard it, I really felt joyful and listening to the 'promise' was comfort enough.

The best and deepest reading I've ever had and am likely to receive by far. It was well worth the wait and surely will order another reading of a different sort.

Many thanks Paul, I can see your uniqueness and specialness after listening to the reading and am looking forward to the channelling weekend which I'm sure will help me connect even more!

Hi Paul
Thanks for my reading it arrived last week

It was really good.... left me with a lot to think about too lol

Thanks again

Hi Paul,
Thanks very much for the CD. You were right; it was indeed very interesting. It would require an essay to provide a fitting response, but in essence it has crystallised many the intangibles that I have been presented with for some time. It was both uplifting and reassuring to listen to such wise counsel. It's a great talent that you have!
Many thanks.

Dear Paul,

That's great! I really look forward to the channeling. It was so nice to meet with you in person and to be in your presence. You exude a sweetness and openness to connecting with others that is

so enlightening, and I feel I have learned a lot from you just in allowing myself to open more to others and share who I am. Thank you for calling me to Mount Shasta. It was perfect for me.

Quite simply it has helped to give me the strenght to carry on a bit longer. the last couple of years have been very challenging to say the least. enough said of that. I expected Lady Nada to be close as well as Saint Germaine and Kuthumi. I now would love to attend your workshop in Dublin in Oct. . thanks again,LOve from a much calmer temporary human being,

Hi Paul,
I wanted to wait until I received the CD before responding, today I did receive the it in the mail -- Thank you for doing the reading for me, it has really opened and confirmed a lot of of my feelings about myself and my souls existence, however, to be more specific, the details on Sirius B & Vega were really powerful and immensely impacting on my conscious. I have a lot to tune into and reflect on from this reading, I feel that after listening to the information one time I have already truely moved to a new level of being.

I will end for now, and again, thank you very much for doing the reading for me,
Regards,

hello Paul,
I just wanted to thank you for the reading. It has been very helpful and has given me alot of useful and practical advice which will help me get back on the spiritual path.

regards,

Hello Paul,

I just finished listing to the reading and all I can say is: thank you, thank you, thank you!!! This goes beyond words!

At the moment in the beginning of the reading when you said I originate from Sirius B, there was such a resonance that it almost was not necessary for me to hear anything more. I will spend some words on my experience of this reading, but as I stated before, this event goes beyond words and I expect you to also feel the meaning of what I would like to communicate to you.

Thanks again and blessings,

Thanks Paul!

I really enjoyed the reading! I am going to listen to it several times as suggested. The second time I put it on before sleep and really felt the message energetically a lot more! very warm and loving energy indeed! I could feel it! Much love and light to you! Blessings,

Hi Paul,

Thank you for the amazing session and your helpful insight. The session was very empowering and liberating.

Thank you again Paul.

Right On Paul,

Thanks so much for your information. I think it makes total sense that I would consider pleides my home. I feel most spiritually connected to it. I think sometimes people can live many places before they actually find a home .

And the avatar command connectoin makes complete sense also t should have been obvious lol.

Hi Paul,

I just wanted to let you know that I received my CD reading yesterday and found it very informative and helpful. Again, much thanks and love for the wonderful guidance that came through!

Happy New Year,

Hi Paul,

The CD arrived! I just wanted to send you an email to say: *thank you*. The delay in getting it was actually perfect. I had forgotten about the questions I had submitted, and receiving the responses now, rather than several weeks ago was absolutely appropriate. Thank you so much, and a gazillion blessings to you. (:

Dear Paul McCarthy,

I wish to thank you so much for the reading you had done for me, of which I am so very grateful for and at the same time, would like to say, that it has touched the very centre of my being.

Hi Paul,

Have been meaning to email you to say thank you for the info below. I can't tell you how much it's helped me! it feels like the clinch that has moved me from doubt to a powerful self belief. i am deeply grateful for this.

much love,

Hi Paul!

Two years ago I asked you to do a Star Seed Reading for me, but I never gave you feedback about the reading. I was very glad to hear what you had to tell me 2 years ago. However it seems that I had to go through some life lessons before listening again to your reading, and feel deep within my heart that all that you said makes sense to me. I also want to thank you because in this

particular moment of my journey on this planet, your reading is being of great help. Thank you for your wonderful job!

Greetings.

Hi Paul,

I just wanted to say thank you again. I found the message again after so many years and I listened to it again.

What I notice now is that things start to develop just like was been said in your message to me.
Again I say thank you!

Dear Paul,

It was a wonderful experience. A great many gifts received with greatest of love and gratitude.
Thank you for you, for your work, for this opportunity. Blessings,

Dear Paul,

I continue to listen to the CD of the Starseed Reading and receive additional messages that I didn't "hear" before. You are blessed with a wonderful gift to share in this incarnation!

Many blessings

Dear Paul

Thank you so much for sending through the cd of the reading you did for me. I was, quite simply,

astounded by it. You have a great gift and I feel grateful I found you! Thanks again.
With best wishes

Hello Paul!

Thank you very much for the reading. I think it was very distinct and clear information. I have been going through it carefully because it was not what I expected. But I also think it is familiar to me in different aspects. I am now working on it to integrate my existing consciousness. I think it is exiting and I see a new start for me. Thanks again.
Best regards

Dear Paul

Many thanks for your reading which I received today. The information was extremely helpful and confirmed many things for me. Thank you so much for providing this excellent service.

Blessings

Dear Paul,
Thank you for my channeled reading. It is great. It has verified a lot of information for me. I can connect with St. Germain easily when I listen to the cd. I am very grateful to you.

Hi Paul,

Just wanted to pass on my appreciation for the recent channelling. Once again it has given me a significant step forward and much to integrate. Thank you my brother.

In appreciation,

Dear Paul,

Thankyou very much for the channelled reading you posted to me. I have only just had the opportunity to listen to it and it has filled me with hope and enthusiasm.

I feel that the reading will be very useful in helping me to make positive choices and in guiding me along my path, and I'm looking forward to reading "Becoming an ascended

master". I'm very grateful to you for being such a clear channel and for offering these readings.

Thankyou once again, Dear Paul, Thank you so much for the reading. It has validated where I thought I was based on your books. I have taken much from these words of wisdom and will continue with my growth towards my ascension.

Dear Paul,
You did a GREAT job by sending me the CD with the channeled reading!
BLESS YOU! It's a great gift. Thank you soooooo much!
Much love and joy ,
