The Patriot Pulse Podcast with Jim Tingley hosting Dr. Sandy Miarecki

Sandy Miarecki is a retired Air Force Lt. Colonel, test pilot, and former physics professor at the US Air Force Academy. During the Covid pandemic, she fought against the mandates and helped students with their religious exemptions. She faced disciplinary actions and eventually was fired in Sept 2022. She immediately filed a lawsuit for illegal firing and whistleblower retaliation. The lawsuit is in its final stages, only waiting for the decision from the judge. As she was facing disciplinary actions, God led Sandy to the Republic for the United States of America, the re-seated Republic that our founding fathers gave us and which was abandoned in 1871 when a corporation hijacked the government. Sandy tells us what exactly is the Republic for the United States of America.
