I had already paid for flights, vehicle etc which was a loan. The decision to withdraw the charges was too late in that regard as everything is non refundable.

I decided to present anyway in person as the last few years have been so hard and unpleasant. The campervan is 10 times more comfortable and peaceful.

Another key point.

The last seven years I have been unfortunate enough to meet so many nice people initially...

In time the machiavellin masks come off, true intentions expose themselves and I get fkd over and progressively the things I enjoyed this world are taken and disappear.

So in order to be honest. I don't trust you. will proceed as normal, request my certificate of dismissal and present my case for costs to be awarded.

If I can do that by phone then refer to above.

Thank you for time.

Mr FERRARA,

I have checked with Goondiwindi Court House re Thursday 30th March, they still have you appearing in person.

I have no objection to you contacting the court and requesting phone appearance for the charge to be dropped, which would be easier than travel from Victoria

You may request the matter be brought forward to tomorrow 29/3/23 afternoon, as our office has Prosecutor in Goondiwindi Magistrates Court tomorrow and can be finalised.

I appreciate your advice as soon as possible as I will have to attempt to coordinate a Prosecutor to appear Thursday if you are appearing in person.
