

School Vacation Activities

April School Vacation is almost here! There are lots of activities happening around the City to keep our children safe and active! Please reach out to our office if there is anything you need for your family while school is out.

Fairy House Building

Fairy house building is a fun and creative activity for children that encourages kids to go outside and connect with the natural world. Not sure how to make a fairy house? Don't worry, members of the Mayor's Mural Crew have come up with step-by-step instructions of how to create your very own fairy house on Thursday, April 21 from 10am-12pm at Schoolmaster Hill in Franklin Park.
