# ERIN MURPHY

A portrait of Erin Murphy, a woman with blonde hair, wearing a dark blue sleeveless top and a pearl necklace, smiling.

**From the Iannella Chamber**

I was honored to join Mayor Wu, President Flynn, Veteran Commissioner Rob Santiago, Election Commissioner Eneida Tavares, and Max Tamer-Mahoney to send the Veterans and Overseas Citizens Electronic Voting Home Rule Petition to Beacon Hill. This petition strengthens voting rights for our citizens and ensures that each ballot is counted on time.

I am excited that Rev. Wayne S. Daley will be joining us this Wednesday at the Boston City Council Meeting. **Tune in live** to hear him kick off our meeting with prayer. Our meeting starts at noon.

Great to be with Sheriff Tompkins, District Attorney Hayden, Fire Commissioner Burke and Police Commissioner Cox! Having our public safety leaders out in the community is what it is all about!

**Clifford Park Cleanup** □

You are either part of the solution or you are part of the problem. I choose to take action and be part of the solution. Clifford Park, in Roxbury, should be bustling with neighbors, kids and sports teams, but most days it sits empty. The safety of visitors is in jeopardy because there are needles, waste, and other dangerous objects in the park. I organized a clean up to help make it better. Thank you to Domingo DaRosa, volunteers, the Parks Department and the Office of Civic Organizing for your support [Watch it here](#), [here](#) and [here](#)!

Our office filed a hearing, with Councilor Frank Baker, to address the ongoing needs at Clifford Park. Every kid deserves a clean and safe park close to their home.

## CITY OF BOSTON

IN THE YEAR TWO THOUSAND TWENTY-TWO

ORDER FOR A HEARING TO ADDRESS THE CLEANLINESS  
AND SAFETY CONDITIONS AT CLIFFORD PARK

- WHEREAS,** The cleanliness and safety conditions of Clifford Park in Roxbury, one mile away from the Mass. and Cass. neighborhood, has become a public hazard to nearby residents, students, parents, senior citizens, and the general public; *and*
- WHEREAS,** In recent years, Clifford Park has become an open drug market and a large gathering space for the homeless, people with substance use disorders, and people with alcoholism; *and*
- WHEREAS,** Large piles of trash scatter the park due to this activity. This trash includes drug paraphernalia, needles, condoms, feminine products, human feces, glass bottles, and more. Needles hide in the mulch, which makes it an impossible task to find and remove them. This trash is a public safety hazard; *and*
- WHEREAS,** With the Mason Elementary School right across the street, Clifford Park provides a playground and much-needed green space for the neighborhood; *and*
- WHEREAS,** However, teachers refuse to allow their students to play in the park due to the trash and overall safety; *and*
- WHEREAS,** Coaches of local sports teams refuse to play at the park, forcing them to give up on some much-needed sports programs for the local children and teenagers; *and*
- WHEREAS,** Used needles need to be properly discarded immediately. No parent should worry that their child will get pricked by a needle while out on recess, playing in the nearby park; *and*
- WHEREAS,** There is also a risk of disease transmission if another person reuses a needle found on the ground; *and*
- WHEREAS,** The park, once looked at as a “safe haven” for children, is failing the people and children in this area of Roxbury; ***NOW, THEREFORE BE IT***
- ORDERED:** That the appropriate committee of the Boston City Council holds a hearing to address this ongoing issue at Clifford Park and discuss preventative steps to stop Clifford Park from becoming a gathering spot for illegal activity. Representatives from the Mayor’s Office, Boston Public Health Commission, Police Department,

## Day of Action with District Attorney Kevin Hayden

A promotional graphic for a "Day of Action" event. The background is dark blue with a large, stylized green star on the right side. The text is white and green. Below this is "Day of Action" in large white letters. Underneath is "With Special Guest" in green, followed by "Boston City Councillor - Erin Murphy" in green. At the bottom, it says "Sunday, August 28th" and "2PM- Highland Station, West Roxbury" in white.
