Urban Loft Life

Imagine a unique artist's loft centrally located, just 1 block to the metro and 3 blocks to shopping, restaurants & cafes. Over-sized windows infuse this open space with morning light and allow beautiful views of downtown at night. The kitchen has stainless steel appliances, substantial storage & lengthy quartz countertops. This bustling neighborhood is bike-friendly and the building offers 24-hour security. Step into your Urban Loft Life!

Off the Grid in Style

Get off the grid with this quaint mountain cabin with gorgeous views and quick access to hiking trails. Although it feels like a private vacation destination, you're only 5 minutes from a top-rated school district and 10 minutes to town. And don't let the rustic exterior fool you; inside features beautiful hardwood floors, an updated bathroom with a walk-in shower & a stone fireplace with an eat-in kitchen island designed for cozy dinners. Start living the high life now!

Suburban Splendor

Don't miss this darling cottage in the quiet Franklin Hills neighborhood. Located on a playful cul-de-sac, enjoy the covered patio & sun-filled yard with mature Pecan trees. Take a 3-minute drive to find supermarkets, dining and the cinema. You're within walking distance to schools, dog park, and playground. One-car garage, but plenty of street parking. Owner financing available.

Home Sweet Home

Wonderful fixer-upper opportunity oozing with potential in an emerging neighborhood; perfect for a first-time homeowner or someone who likes character and has a good eye. It's a short walk to the train & nearby shopping and dining. Plenty of room for a kitchen island or open floor plan – you choose! The backyard has native landscaping and a nice-sized shed for extra storage. This little gem is a great opportunity.

What More Could You Want?

Immaculate 2-story transitional style home centrally located, only minutes from downtown and a short walk to public transportation. Features an open floor plan with a bright, sunny kitchen with ample stone counter space & storage. Enjoy beautifully tiled bathrooms and new Berber carpets in the bedrooms (Nov.2017). Includes a small office space or guest bedroom with a private entrance and a mature garden out back. What more could you want? www.123myhome.com

Low-Maintenance Luxury Lifestyle

Enjoy easy living in this quiet, gated community with pool, fitness center & beautifully maintained landscaping. This 2-story townhouse is an end-unit with an updated kitchen featuring upgraded stainless appliances and a fully renovated master bath with gorgeous tiling & Jacuzzi-style tub. Minutes to shops, restaurants, theaters, weekend concerts & games at the stadium. Don't let this sweet opportunity pass you by!
