SEPTEMBER 5TH, 2018 EARTHQUAKE EXERCISE

FROM 6:30-8:30PM AT 1705 W 2ND AVENUE

The Eugene Springfield CERT Program is hosting the 2nd Annual Cascadia Tabletop Exercise for **CERT Neighborhood Teams** on 9/5 from 6:30-8:30 at 2nd & Chambers. This exercise will walk neighborhood teams through a discussion based earthquake scenario. During this exercise, participants will learn how to identify capabilities and gaps during a catastrophic event, and identify what needs to be focused on in your planning efforts at the neighborhood level. Neighborhoods with teams are encouraged to attend and we will form teams for those individuals looking for more information on team building and response coordination.

If you have questions and are interested in attending, please contact me Patence Winningham, 541-682-5860.
