## Experience

### Fall 2025

#### **Planning Neighborhoods & Development Internship** City of Dayton, OH

- Built the first citywide GIS map and database of storage tanks containing potentially hazardous materials, combining city, state, and federal government records.
- Manually researched and entered over 2,200 scanned storage tank city records dating back to 1948.
- The database will help the health and safety of Daytonians by helping identify and expedite the removal of contaminated or leaking tanks and eliminating accidents due to a lack of awareness.

### Spring 2025

#### **Planning & Development Co-op** City of Kettering, OH

- Created site plans for three multi-acre underutilized sites in Kettering. Each plan was tailored to specific site goals with a general focus on adding additional density and creating a more connected community within the current zoning code.
- Rendered two multi-acre sites and several vacant residential lots using Twinmotion and SketchUp (Showing architectural detail and providing context).
- Created graphics for the Ohio CDBG conference and AAPI Heritage Month program.
- Inspected and cited tallgrass and weed property maintenance code violations.

### Summer 2024

#### **Seasonal Scooper** Van Leeuwens Ice Cream, Arlington, VA

- Used teamwork and customer service skills to efficiently serve customers while creating a welcoming and memorable atmosphere.
- Completed backroom functions including, cleaning and restocking.

### Spring 2022-Summer 2023

#### **Sales Associate** Village Hardware, Alexandria, VA

- Gained customer service and work experience by advising customers, loading cars, working the register, among other responsibilities.

### 2016-2023

#### **Leadership & Community Service** Scouts BSA Troop 996, Alexandria, VA

- As Troop Youth Leader, coordinated the return to in-person meetings and events post-COVID.
- Planned, coordinated, and participated in several service projects.
- Successfully planned and executed Eagle Service Project to attain the Eagle rank.
