Fostering a healthy community  
by connecting Orcas Islanders  
with services to thrive  
and achieve equitable well-being

Dear Friends,

Reflecting on 2025, I am filled with gratitude for our island community. **Together, we deepened our impact, serving a record 750 island households, and paved the way for essential services on Orcas for generations to come.**

### 2025 Key Milestones:

- Secured a contract and funding to purchase our building –a dream realized in January 2026
- Celebrated one full year of operating the Community Lunch program
- Expanded financial literacy through a series of thoughtfully crafted "Orcas Talks Money" workshops and launched one-on-one financial counseling
- Certified two additional staff as Community Health Workers and coordinated focus groups on housing, health, and bilingual services

**Looking ahead**, we're excited to begin building renovations through a trauma-informed lens to enhance ADA accessibility and maximize program efficiency.

As community needs evolve, our commitment remains unshakable. **We are dedicated to fostering a healthy community by connecting Orcas Islanders with services to thrive and achieve equitable well-being.**

Stepping into this new chapter of growth, **there is still work to be done.** Your support is the foundation. Together, we ensure no one faces hardship alone.

With optimism for the future,

*Erin O'Dell*

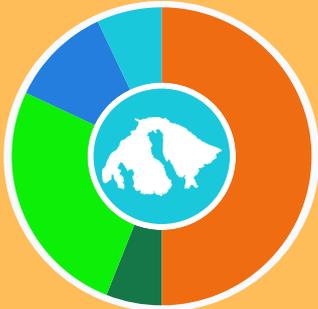

Executive Director  
Orcas Community Resource Center
