We foster a healthy community
by connecting Orcas Islanders
with services
to thrive and achieve
equitable well-being

Dear Friends,

Reflecting on the past year, I am inspired by the incredible strides made at the Resource Center—expanding essential services, launching new initiatives, while meeting critical needs for over 700 island families. **Every step we take has meaningful impact.**

2024 key milestones:

- The third year of our Orcas Money Smart financial literacy mentor program
- Our new Diaper Bank program, serving 65 island families
- Bilingual Community Health Workers, in collaboration with our LatinX Advisory Group, organized six impactful community health events.

Looking forward, our financial literacy program is growing through integrated client care, Spanish language content, and community workshops.

Our work to secure a permanent home at the Pea Patch Community Campus continues—ensuring that essential services remain available for generations to come.

As our nation faces economic and political challenges, we closely monitor federal developments that may impact our community. **We are committed to strengthening and expanding our essential programs**—ensuring islanders have access to healthcare, stable housing, and financial security, even in times of crisis. The Resource Center remains steadfast in our mission to foster a healthy, thriving community.

While we've made significant progress, **there is still more work to be done.** As we grow and adapt, your support makes all the difference. Together, we ensure no one in our community faces hardship alone.

With gratitude and determination,

Erin O'Dell
Executive Director
